Item 2.05 Costs Associated with Exit or Disposal Activities.

On February 5, 2009, The Estée Lauder Companies Inc. (the Company) filed a Current Report on Form 8-K (the February 5, 2009 Form 8-K) regarding a multi-faceted cost savings program. This program is expected to include a number of initiatives and the Company indicated that restructuring charges and other costs to implement those initiatives over the next few fiscal years are expected to total between \$350 million and \$450 million. At that time, the Company was unable to make a determination of the estimated amount or range of amounts to be incurred for each major type of cost and future cash expenditures associated therewith, as required by Item 2.05 of Form 8-K. In the February 5, 2009 Form 8-K, the Company undertook to announce further details as initiatives are finalized.

The Company is filing this Form 8-K/A to amend the February 5, 2009 Form 8-K, which has previously been amended, to update the disclosure therein under Item 2.05. On May 22, 2009 an officer authorized by the Company's Board of Directors approved the termination of certain employees as part of a process to resize the organization and reorganize certain functions under the previously announced multi-faceted costs savings program. Once the relevant accounting criteria have been met, the Company expects to record restructuring charges (which will result in future cash expenditures) of approximately \$29 million (pre-tax) in connection with these approved initiatives for employee-related costs.

Pursuant to the February 5, 2009 Form 8-K, the Company intends to file additional amendments to the report once it is able to make good faith determinations of the estimated amount or range of amounts by each major type of cost and future cash expenditures associated with its multi-faceted cost savings program, as required by Item 2.05 of Form 8-K. The Company is currently evaluating further initiatives under the program and will announce the nature of those initiatives and their related cost estimates as they are approved.
