Item 8.01. Other Events.

On November 29, 2017, Teladoc, Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with the selling stockholders named therein (the Selling Stockholders) and J.P. Morgan Securities LLC, as representative (the Representative) of the several underwriters named therein (collectively, the Underwriters), pursuant to which the Company agreed to issue and sell 3,454,000 shares of its common stock, par value \$0.001 per share (Common Stock), to the Underwriters, and the selling stockholders agreed to sell 830,000 shares of Common Stock to the Underwriters (the Offering). The shares were sold at a public offering price of \$35.00 per share, and were purchased by the Underwriters from the Company and the Selling Stockholders at a price of \$32.99 per share. Under the terms of the Underwriting Agreement, the Company granted the Underwriters the option, for 30 days, to purchase up to 642,600 additional shares of Common Stock at the public offering price. On November 30, 2017, the Underwriters exercised in full their option to purchase the additional 642,600 shares of Common Stock.

The Offering closed on December 4, 2017. The net proceeds to the Company from the Offering were approximately \$134.7 million after deducting the underwriting discount and estimated offering expenses payable by the Company. The Company intends to use the net proceeds of the primary portion of the offering, together with cash on hand, to prepay borrowings outstanding under its senior secured term loan facility. The Company did not receive any proceeds from shares of common stock sold by the Selling Stockholders.

The Offering was made pursuant to the Company's effective registration statement on Form S-3 (Registration Statement No. 333-221784), filed with the Securities and Exchange Commission (the SEC) on November 28, 2017, and a prospectus supplement and accompanying prospectus filed with the SEC.

The Underwriting Agreement contains customary representations, warranties, covenants and agreements by the Company and the Selling Stockholders, customary conditions to closing and indemnification obligations of the Company, the Selling Stockholders and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, among other obligations of the parties. The representations, warranties, covenants and agreements contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties.

The Company, the Selling Stockholders and the Company's directors and certain of its executive officers also agreed not to sell or transfer any Common Stock for 90 days after November 29, 2017 without first obtaining the written consent of the Representative on behalf of the Underwriters, subject to certain exceptions as described in the prospectus supplement.

A copy of the Underwriting Agreement is attached as Exhibit 1.1 hereto and is incorporated herein by reference. The foregoing descriptions of the Underwriting Agreement and lock-up arrangements do not purport to be complete and are qualified in their entirety by reference to such exhibit.

A copy of the opinion of Latham & Watkins LLP relating to the validity of the securities issued by the Company in the Offering is filed herewith as Exhibit 5.1.

Examples of forward-looking statements include, among others, statements the Company makes regarding its financing plans (including statements related to the offering of common stock by us and the selling stockholders and the intended use of net proceeds of the offering), future revenues, future earnings, future numbers of members or clients, litigation outcomes, regulatory developments, market developments, new products and growth strategies, and the effects of any of the foregoing on the Company's future results of operations or financial conditions.

Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they are based only on the Company's current beliefs, expectations and assumptions regarding the future of the Company's business, future plans and strategies, projections, anticipated events and trends, the economy and other future conditions. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict and many of which are outside of the Company's control. The Company's actual results and financial condition may differ materially from those indicated in the forward-looking statements. Therefore, you should not rely on any of these forward-looking statements. Important factors that could cause the Company's actual results and financial condition to differ materially from those indicated in the forward-looking statements include, among others, the following: (i) changes in laws and regulations applicable to the Company's business model; (ii) changes in market conditions and receptivity to the Company's services and offerings; (iii) results of litigation; (iv) the loss of one or more key clients; (v) our ability to successfully integrate acquisitions; and (vi) changes to the Company's abilities to recruit and retain qualified providers into the Company's network. Additional relevant risks that may affect the Company's results are described in certain of the Company's filings with the SEC.

Any forward-looking statement made by us in this Current Report on Form 8-K is based only on information currently available to us and speaks only as of the date on which it is made.
