(1) Under the directors' compensation policy for non-employee directors of American Public Education, Inc. (the "Company"), as revised effective January 1, 2014, the Company's compensation committee annually grants each non-employee director an award of restricted common stock of the Company having a value of \$55,000 on the date of grant. The shares of restricted stock awarded to non-employee directors in 2014 vest on the earlier of June 13, 2015 and immediately prior to the 2015 annual meeting of stockholders. Because Ms. Kurshan did not begin her term of service along with the other directors of American Public Education, Inc. on June 13, 2014, her award has been prorated accordingly to account for her comparatively shorter term of service.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
