Item 1.01 Entry into a Material Definitive Agreement.

On April 18, 2011, NanoViricides, Inc., a Nevada corporation (the “Company”), entered into a Securities Purchase Agreement (the “Agreement”) with Seaside 88, LP, a Florida limited partnership (“Seaside”), relating to the offering and sale (the “Offering”) of up to 500,000 shares of the Company’s Series B Convertible Preferred Stock, par value \$0.001 per share (the “Series B Preferred Stock”) at the purchase price of \$10.00 per share (the “Purchase Price”). On April 19, 2011, Seaside purchased an initial 250,000 shares of the Series B Preferred Stock for an aggregate purchase price of \$2,500,000 (the “Initial Closing”). Fourteen weeks following the Initial Closing, conditioned upon the Company’s satisfaction of conditions precedent set forth in the Agreement, Seaside will purchase the remaining 250,000 shares of the Series B Preferred Stock for the purchase price of \$2,500,000 (the “Subsequent Closing”). 40,000 shares of the Series B Preferred Stock shall automatically convert into shares of the Company’s common stock, par value \$0.001 per share (the “Common Stock”) at each of the Initial Closing and the Subsequent Closing and every fourteenth day thereafter at a conversion price equal to the Purchase Price divided by the lower of (i) the daily volume weighted average of actual trading prices of the Common Stock on the trading market (the “VWAP”) for the ten consecutive trading days immediately prior to a conversion date multiplied by 0.85 and (ii) the VWAP for the trading day immediately prior to a conversion date multiplied by 0.88. In the event that the conversion price does not equal or exceed \$0.20 (the “Floor”), as calculated with respect to any subsequent conversion date, then such conversion will not occur and the shares not converted on that date will be added to the conversion on the following conversion date.

The Agreement contains representations and warranties and covenants for each party, which must be true and have been performed at each closing. Additionally, the Company has agreed to indemnify and hold harmless Seaside against certain liabilities in connection with the issuance and sale of the Series B Preferred Stock under the Agreement.

The conversion price per share for the Initial Closing was \$1.28138, and the Company raised gross proceeds from the offering of \$2,500,000, before estimated offering expenses of approximately \$200,000 which includes placement agent and attorneys’ fees.

The Offering is made pursuant to the Company’s shelf registration statement on Form S-3 (File No. 333-165221), which was declared effective by the Securities and Exchange Commission on April 29, 2010. The Company, pursuant to Rule 424(b) under the Securities Act of 1933, has filed with the Securities and Exchange Commission a prospectus supplement relating to the Offering.

In connection with the Offering, pursuant to a Placement Agency Agreement entered into by and between Midtown Partners & Co., LLC (“Midtown”) and the Company, as amended by an Underwriter Agent Agreement Amendment No. 1, dated March 28, 2011 (as amended, the “Placement Agency Agreement”), the Company will pay Midtown a cash fee representing 6% of the gross purchase price paid by Seaside for the Series B Preferred Stock.

The foregoing is only a summary of the material terms of the Agreement and the Placement Agency Agreement. The foregoing description of the Agreement is qualified in its entirety by reference to the Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference. The foregoing descriptions of the Placement Agency Agreement is qualified in its entirety by reference to the Placement Agency Agreement and the Underwriter Agent Agreement Amendment No. 1, which are filed as Exhibits 1.1 and 1.2 to this Current Report on Form 8-K and incorporated herein by reference.

This Current Report on Form 8-K contains forward-looking statements that involve risk and uncertainties, such as statements related to the anticipated subsequent closings of the Offering. The risks and uncertainties involved include the Company’s ability to satisfy certain conditions to closing on a timely basis or at all, the substantial dilution to current stockholders as a result of the purchase price discount offered to Seaside, and the market overhang of shares

available for sale that may develop as a result of the subsequent resale by Seaside of the shares it may acquire under the Agreement, as well as other risks detailed from time to time in the Company's periodic filings with the Securities and Exchange Commission.
