Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) The two reported transactions involved an anti-dilution adjustment of an outstanding warrant, resulting in the deemed cancellation of the "old" warrants and the deemed grant of a replacement warrant. The adjustment was necessary because the anti-dilution provision in the "old" warrant was triggered by a subsequent warrant issuance by the Issuer, resulting in a new exercise price and a change in the amount of shares underlying the warrants.

(2) This total includes 36,551 shares of common stock issuable upon the exercise of warrants as previously reported with the Securities and Exchange Commission on November 16, 2004.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
