Board Leadership Structure and Risk Oversight

It is the role of the board of directors to oversee risk in the risk management process. The risk oversight process is the means by which the board determines that the Company has in place a robust process for identifying, prioritizing, sourcing, managing and monitoring its critical risks and that process is improved continuously as the business environment changes.

The Board conducts appropriate oversight and monitoring to ensure policies are carried out and processes are executed in accordance with management's selected performance goals and risk tolerances. The Audit Committee of the board regularly meets to review financial and operational items with management and the Company's independent auditors. Although the Board does not regularly review formal reports from members of senior management and committees on areas of material risk to the Company, including operational, financial, legal, strategic and regulatory risks, the Company's Board is in regular contact with the Co-Chief Executive Officers, both of whom report directly to the board and who supervise day to day risk management. Through the risk oversight process, the Board:

1. Obtains an understanding of the risks inherent in the corporate strategy and the risk appetite of management in executing that strategy;
2. Assess useful information from internal and external sources about the critical assumptions underlying the strategy; and
3. Stays on alert for organizational dysfunctional behavior that can lead to excessive risk taking, and provides input to executive management regarding critical risk issues on a timely basis.

The Board of Directors believes that Mr. Ren's service as both Chairman of the Board and Chief Executive Officer is in the best interest of us and our stockholders. Mr. Ren possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing us and our business and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. His combined role enables decisive leadership, ensures clear accountability, and enhances our ability to communicate our message and strategy clearly and consistently to our stockholders, employees, customers and suppliers.

Family Relationships

There are no family relationships between or among any of our current directors, executive officers or persons nominated or charged by us to become directors or executive officers. There are no family relationships among our officers and directors and the officers and directors of our direct and indirect subsidiaries.

Based solely on review of the copies of such forms furnished to the Company, or written representations that no reports were required, the Company believes that for the year ended December 31, 2010, our directors and executive officers complied with Section 16(a) filing requirements applicable to them, except that:

Material Changes to the Procedures by which Security Holders May Recommend Nominees to the Board of Directors

On October 10, 2011, we adopted an amended and restated nominating committee charter. Under such charter, while there have been no material changes to the procedures by which our stockholders may recommend nominees to the board of directors, the board of directors may take into consideration as one of the factors in its evaluation of stockholder-recommended nominees, the size and duration of the share holdings of the recommending stockholder or stockholder group in relation to the total outstanding shares of the Company. The board of directors may also consider the extent to which the recommending stockholder intends to continue holding its interest in the Company, including, in the case of nominees recommended for election at an annual meeting of stockholders, whether the recommending stockholder intends to continue holding its interest at least through the time of such annual meeting.

Audit Committee Report

In the performance of this oversight function, the Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2010 with management, and has discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61, Communication with Audit

Committee, as currently in effect. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the independent auditors the independent auditors' independence; and based on the review and discussions referred above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010 for filing with the SEC.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting, are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's consideration and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent".

Based upon the reports, review and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2010, be filed with the Securities and Exchange Commission.

As of the filing of the Company's Annual Report on Form 10-K for the year ended December 31, 2010, in which the this Audit Committee Report was first published, the members of the Audit Committee were:

Certain Relationships and Related Transactions

Parties are considered to be related if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operational decisions. Parties are also considered to be related if they are subject to common control or common significant influence.

Acquisition of Minority Interest

On June 30, 2008, we entered into a Securities Purchase Agreement with Mr. Peng Zhou, who is one of our directors and at that time was our Chief Operating Officer of Suo'ang BST, to acquire his 20% equity ownership interest in Suo'ang New Energy. Pursuant to the terms of our agreement with Mr. Zhou was to receive 750,000 shares of our common stock as consideration for the sale of the interest. Additionally, Mr. Zhou agreed to waive any and all rights he may have to any distributions and/or payments from Suo'ang New Energy beginning January 1, 2008. Suo'ang New Energy was 80% owned by Suo'ang BST, which was controlled by Hangson, through a series of contractual arrangements. 20% of Suo'ang New Energy was owned by Mr. Peng Zhou. Hangson was entitled to acquire the remaining 20% of Suo'ang New Energy from Mr. Zhou. However, the transfer was not completed, and although Mr. Zhou remained as the record stockholder of Suo'ang New Energy, he still received 750,000 shares of common stock as consideration for the agreement. On November 10, 2009, Suo'ang BST and Hangson entered into a subsequent share transfer agreement with Suoke Clean Energy to transfer 80% of Suo'ang New Energy's equity interests to Suoke Clean Energy and, Mr. Zhou, with Hangson's consent, entered into a share transfer agreement with Suoke Clean Energy to transfer the remaining 20% equity interest of Suo'ang New Energy.

Other than the above transactions, neither we, our subsidiaries nor our former VIEs have entered into any material transactions with any director, executive officer, nominee for director, beneficial owner of five percent or more of our common stock, or family members of such persons since January 1, 2007.

Loans by Related Parties

In 2008, Mr. Zhou and Mr. Ren loaned \$395,049 and \$70,000, respectively, to Suo'ang BST to facilitate its operations. Mr. Ren made additional loans in the amount of \$3,466 in 2009. The loans were interest-free, unsecured and are due on demand. As of December 31, 2010, Mr. Zhou's loan had been repaid in full. As of June 30, 2011 and December 31, 2010 amounts due to Mr. Ren were \$48,457.

On December 29, 2010, the Company made a loan of RMB 70 million (US \$10,307,912) to Suo'ang BST, which is a former consolidated variable interest entity of the Company. The Company's chairman and CEO, is also a stockholder, director, chairman and legal representative of Suo'ang BST. The loan was due March 31, 2011. On March 22, 2011, Suo'ang BST repaid the full amount of the principal with interest to the Company.

The purpose of the loan was to provide funds to be contributed to the registered capital to Suo'ang BST, so that such registered capital was paid up at the time of Suo'ang BST's annual inspection. The Company believed that it was in its best interest to loan the funds, for if Suo'ang BST did not have sufficient registered capital it would have failed such annual inspections. The consequences of such failure include fines and the disqualification of all directors and officers of Suo'ang BST, including the Company's chairman and CEO, from serving as a director or senior officer of any PRC company, which would have included the Company's PRC operating subsidiaries, for a period of three years. The Company believes the removal of the chairman and CEO from his positions with the Company would have had a significant adverse impact on the management and operations of the Company. The Company believes this was for a valid business purpose. The Company has consulted with its legal counsel and audit committee and believes the transaction was appropriate.

Procedures for Approval of Related Party Transactions

Our board of directors is charged with reviewing and approving all potential related party transactions. All such related party transactions must then be reported under applicable SEC rules. It is the Company's policy to not enter any transaction (other than compensation arrangements in the ordinary course) with any director, executive officer, employee, or principal stockholder or party related to them, unless authorized by a majority of the directors having no interest in the transaction, upon a favorable recommendation by the Audit Committee (or a majority of its disinterested members). We have not adopted other procedures for review, or standards for approval, of such transactions, but instead review them on a case-by-case basis.

Promoters and Certain Control Persons

On October 18, 2006, we entered into and consummated the share exchange under the Exchange Agreement. As a result of the share exchange, Hangson became our wholly owned subsidiary, and the stockholder of Hangson acquired 2,600,000 shares of our common stock, representing approximately 92% of our issued and outstanding common stock. Prior to the closing of the Exchange Agreement, on September 30, 2006, Peter Day, the Company's former CEO, President, CFO and sole director, purchased all of our assets and shares in Endo Networks, Inc., a corporation incorporated under the laws of Canada from us pursuant to an Asset and Share Purchase Agreement dated as of June 26, 2006. As consideration for all of the assets, and all of the shares of Endo Networks Inc., Mr. Day assumed all of our liabilities prior to the Share Exchange, except for certain excluded liabilities.
