These documents and the documents incorporated by reference in this Registration Statement pursuant to Item 3 of Part II of Form S-8, taken together, constitute a prospectus that meets the requirements of Section 10(a) of the Securities Act.

Part II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The SEC allows Garmin Ltd. (the "Company," also referred to herein as "we" and "our") to "incorporate by reference" the information that it files with the SEC, which means:

incorporated documents are considered part of this registration statement;

we can disclose important information by referring the reader to these documents, which may be documents that we previously have filed with the SEC or that we will file with the SEC in the future; and

information that we file with the SEC will automatically update and supersede this registration statement and any previously incorporated information.

The Company incorporates by reference the documents or portions of documents listed below which were filed with the SEC under the Securities Exchange Act of 1934, as amended (the "Exchange Act"):

Our Annual Report on Form 10-K for the year ended December 31, 2011, as filed with the SEC on February 29, 2012; and

The description of our registered shares contained in our registration statement on Form 8-A, as amended on June 28, 2010, including any amendment thereto or report filed for the purpose of updating such description.

The Company also incorporates by reference filings with the SEC under Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act, that are filed with the SEC after the date of this registration statement and prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold.

Notwithstanding the foregoing, unless specifically stated to the contrary, none of the information that the Company discloses under Items 2.01 or 7.01 of any Current Report on Form 8-K that it may from time to time furnish to the SEC will be incorporated by reference into, or otherwise included in, this registration statement.

Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

Although this area of law is unsettled in Switzerland, the Company believes, based on the interpretation of leading Swiss legal scholars, which is a persuasive authority in Switzerland, that, under Swiss law, the Company may indemnify the members of its board of directors and its officers unless the indemnification results from a breach of their duties that constitutes gross negligence or intentional breach of duty of the member of the board of directors or officer concerned. Article 28 of the Company's Articles of Association make indemnification of members of the board of directors and officers and advancement of expenses to defend claims against members of the board of directors and officers mandatory on the part of the Company to the fullest extent allowed by Swiss law. Swiss law permits the Company, or each member of the board of directors or officer individually, to purchase and maintain insurance on behalf of such members of the board of directors and officers. The Company has obtained such insurance from third

party insurers.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings

A. The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which (ii) was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Olathe, State of Kansas, on February 29, 2012.
