Dear Common Shareholders:

You are cordially invited to attend the Annual Meeting of Shareholders (the “Annual Meeting”) of Banco Latinoamericano de Comercio Exterior, S.A. (hereinafter called the “Bank”) to be held at the Panama Marriott Hotel, Calle 52 and Ricardo Arias, Panama City, Republic of Panama, on Tuesday, April 17, 2012, at 10:00 a.m. (Panama time).

At the Annual Meeting, the holders of the shares of all classes of the Bank’s common stock will be asked to vote:

(1) to approve the Bank’s audited consolidated financial statements for the fiscal year ended December 31, 2011 (Proposal 1);

(2) to appoint Deloitte as the Bank’s independent registered public accounting firm for the fiscal year ending December 31, 2012 (Proposal 2);

to elect three directors (one director to represent the holders of the class E shares of the Bank’s common stock, and
(3) two directors to represent the holders of all classes of shares of the Bank’s common stock), each to serve a three-year term (Proposal 3);

(4) to approve, on an advisory basis, the Bank’s executive compensation (Proposal 4); and

(5) to transact such other business as may properly come before the Annual Meeting or any postponements or adjournments thereof.

Proposals 1, 2, 3 and 4 are more fully described in the attached Proxy Statement. Also attached are a Notice of the Annual Meeting and a proxy card. Copies of the Bank's 2011 Annual Report which includes its consolidated financial statements for the fiscal year ended December 31, 2011, may be obtained by writing to Mr. Christopher Schech at Calle 50 and Aquilino de la Guardia, P.O. Box 0819-08730, Panama City, Republic of Panama, or by visiting the Investor Relations section of the Bank's website at <http://www.bladex.com>.

Important notice to beneficial shareholders of class E shares who hold their shares through a broker rather than directly in their own name: Due to a change in New York Stock Exchange ("NYSE") rules, your broker will not be able to vote your shares with respect to any non-routine matters (including the election of directors) if you have not given your broker specific instructions to do so. There are two routine matters to be voted on at the Annual Meeting: the approval of the audited consolidated financial statements for the fiscal year ended December 31, 2011 and the appointment of our independent registered public accounting firm for the current year. The election of directors and the advisory vote on executive compensation are matters considered non-routine under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore broker non-votes may exist in connection with such proposals. Your shares also will not be counted in determining whether a quorum is present at the meeting for the purpose of electing directors unless you give explicit instructions to your broker. Most of our outstanding shares are held in this manner, so it is important that you submit a vote. We strongly encourage you to vote. Please vote as soon as possible, even if you plan to attend the Annual Meeting in person. You have three options for submitting your vote before the Annual Meeting: Internet, telephone, or mail.

To ensure that you are properly represented at the Annual Meeting as a shareholder, we ask that you please read and complete the enclosed materials promptly, and that you duly sign and date the proxy card with your vote. Class E shareholders shall have the option to use the internet or telephone to vote their proxy in accordance with the instructions provided in their proxy cards. Should you attend the Annual Meeting in person, you will be able to vote in person if you so desire, regardless of whether you sent a proxy card.

The Board of Directors of the Bank (the “Board”) requests that you vote **FOR** the proposals as set forth in the proxy card. Your vote and support are important to the Bank.

On behalf of the Board, we thank you for your cooperation and continued support, and look forward to seeing you in Panama on Tuesday, April 17, 2012.

Sincerely,

Ricardo Manuel Arango
Secretary

PROXY STATEMENT
FOR THE 2012 ANNUAL MEETING
OF SHAREHOLDERS

TO BE HELD ON APRIL 17, 2012

This Proxy Statement is being furnished to holders of shares of common stock of Banco Latinoamericano de Comercio Exterior, S.A. (hereinafter called the “Bank”) in connection with the solicitation by the Board of Directors of the Bank (the “Board”) of proxies to be used at the 2012 annual meeting of shareholders (the “Annual Meeting”) to be held on Tuesday, April 17, 2012, at the Panama Marriott Hotel, Calle 52 and Ricardo Arias, Panama City, Republic of Panama, at 10:00 a.m. (Panama time), and at any postponements or adjournments thereof. Unless the context otherwise requires, all references to the Annual Meeting in this Proxy Statement will mean the Annual Meeting and any postponements or adjournments thereof.

The Annual Meeting has been called for the following purposes:

- (1) to approve the Bank’s audited consolidated financial statements for the fiscal year ended December 31, 2011 (See Proposal 1);
- (2) to appoint Deloitte as the Bank’s independent registered public accounting firm for the fiscal year ending December 31, 2012 (See Proposal 2);
- (3) to elect three directors (one director to represent the holders of the class E shares of the Bank’s common stock, and two directors to represent the holders of all classes of shares of the Bank’s common stock) to the Board, each to serve a three-year term (See Proposal 3);

- (4) to approve, on an advisory basis, the Bank's on executive compensation (See Proposal 4); and
- (5) to transact such other business as may properly come before the Annual Meeting or any postponements or any adjournments thereof.

The Board recommends that all shareholders vote **FOR** each of Proposal 1 and Proposal 2. With respect to Proposal 3, the Board recommends that (i) all holders of the class E shares vote **FOR Guillermo Güémez García** as director to represent the holders of the class E shares, and (ii) all common shareholders vote **FOR** Gonzalo Menéndez Duque and Jaime Rivera as directors to represent all common shareholders. With respect to Proposal 4, the Board recommends that all shareholders vote **FOR** the approval, on an advisory basis, of the compensation of the Bank's Named Executive Officers as disclosed in "Compensation of Executive Officers and Directors" and the related narrative disclosure. This Proxy Statement is being mailed to shareholders entitled to vote at the Annual Meeting on or about March 15, 2012. If the enclosed proxy card is properly executed and returned to the Bank in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. Class E shareholders shall have the option to use the internet or telephone or mail to vote their proxy in accordance with the instructions provided in their proxy cards. The presence of a shareholder at the Annual Meeting will not automatically revoke that shareholder's proxy. Shareholders may, however, revoke a proxy at any time prior to its exercise by delivering to the Bank a duly executed proxy bearing a later date, by attending the Annual Meeting and voting in person, or by providing written notice of revocation to the Secretary of the Bank at Calle 50 and Aquilino de la Guardia, P.O. Box 0819-08730, Panama City, Republic of Panama. Unless revoked or unless contrary instructions are given (either by vote in person or by subsequent proxy), if a proxy is duly signed, dated and returned, but has no indication of how the applicable shareholder wants to vote with respect to any of the proposals set forth in such proxy, then such proxy will be deemed to grant authorization to vote as follows: (1) **FOR** Proposal 1 to approve the Bank's audited consolidated financial statements for the fiscal year ended December 31, 2011; (2) **FOR** Proposal 2 to appoint Deloitte as the Bank's independent registered public accounting firm for the fiscal year ending December 31, 2012; (3) **FOR** Proposal 3 to elect Guillermo Güémez García as director to represent the holders of the class E shares of the Bank's common stock, and Gonzalo Menéndez Duque and Jaime Rivera as directors to represent the holders of all classes of shares of the Bank's common stock; (4) **FOR** Proposal 4 to approve, on an advisory basis, the compensation of the Bank's Named Executive Officers as disclosed in "Compensation of Executive Officers and Directors" and the related narrative disclosure; and (5) in accordance with the best judgment of the proxy holders with respect to any other matters which may properly come before the Annual Meeting.

To reduce the expense of delivering duplicate proxy materials to our shareholders, we will be delivering only one set of proxy materials to multiple shareholders who share an address unless we receive contrary instructions from any shareholder at that address. This practice, known as “householding,” reduces duplicate mailings, saving printing and postage costs as well as natural resources. Each shareholder retains a separate right to vote on all matters presented at the Annual Meeting. If such a shareholder wishes to receive a separate set of proxy materials, the additional copy can be requested by contacting the Secretary of the Bank at Calle 50 and Aquilino de la Guardia, P.O. Box 0819-08730, Panama City, Republic of Panama. A separate set of proxy materials will be sent promptly following receipt of the request. If such shareholder wishes to receive a separate set of proxy materials in the future, the request may be made at the same address provided above.

Solicitation

The cost of soliciting proxies will be borne by the Bank. In addition to the solicitation of proxies by mail, the Bank, through its directors, officers and other employees, may solicit proxies in person or by telephone, fax or e-mail. The Bank will also request persons, firms and corporations holding shares in their names or in the names of nominees, which are beneficially owned by others, to send the proxy material to, and obtain proxies from, such beneficial owners, and will reimburse such holders for their reasonable expenses in doing so. The Bank may engage a proxy soliciting firm to assist in the solicitation of proxies. The cost of the services provided by such firm is not expected to exceed approximately \$8,500, plus out-of-pocket expenses.

Voting

The shares of the Bank that entitle the holders of such shares to vote at the Annual Meeting consist of the class A shares, class B shares, and class E shares, with each share entitling its owner to one vote per share at meetings of the shareholders of the Bank, except with respect to the election of directors. For the election of directors, the votes of the holders of each class of shares of the Bank’s common stock will be counted separately as a class to elect the director(s) that represent such class.

The holders of each class of common stock have cumulative voting rights with respect to the election of directors, which means that the shareholders of each class have a number of votes equal to the number of shares of such class held by each shareholder, multiplied by the number of directors to be elected by such class. A shareholder can cast all of its votes in favor of one candidate, or distribute them among the directors to be elected, as the shareholder may decide. Shareholders also have cumulative voting rights in the election of directors who represent all classes of shares of the Bank’s common stock.

The Board of Directors established March 12, 2012 as our record date. Therefore, only shareholders of record of our common stock at the close of business on March 12, 2012 (the “record date”), may vote, either in person or by proxy, at the Annual Meeting. Each shareholder is entitled to one vote for each share of common stock that owned on the record date.

As of December 31, 2011, there were an aggregate of 37,131,942 shares of all classes of the Bank’s common stock issued and outstanding. Set forth below are the number of shares of each class of the Bank’s common stock issued and outstanding as of December 31, 2011:

A	6,342,189
B	2,531,926

As of December 31, 2011, the Bank was not directly or indirectly owned or controlled by another corporation or any foreign government, and no person was the registered owner of more than 8.7% of the total outstanding shares of voting capital stock of the Bank.

TO APPROVE THE BANK'S
AUDITED CONSOLIDATED FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED DECEMBER 31, 2011

(PROPOSAL 1)

The Bank's audited consolidated financial statements for the fiscal year ended December 31, 2011, were prepared by the Bank in accordance with U.S. Generally Accepted Accounting Principles ("U.S. GAAP"), and were audited by the Bank's independent registered public accounting firm, Deloitte, who expressed an unqualified opinion, in accordance with U.S. Generally Accepted Auditing Standards. At the Annual Meeting, the shareholders will vote to approve the Bank's annual audited consolidated financial statements; however, the audited consolidated financial statements are not subject to change as a result of such vote. As has been customary at prior annual meetings of the Bank's shareholders, officers of the Bank will be available to answer any questions that may be posed by shareholders of the Bank attending the Annual Meeting regarding the Bank's consolidated financial results.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR
THE APPROVAL OF THE BANK'S AUDITED CONSOLIDATED FINANCIAL STATEMENTS FOR THE
FISCAL YEAR ENDED DECEMBER 31, 2011.

TO APPOINT DELOITTE AS THE BANK'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2012

(PROPOSAL 2)

The Board recommends that the shareholders appoint Deloitte as independent registered public accounting firm for the fiscal year ending December 31, 2012, as auditors of the Bank, to report on the Bank's consolidated financial statements and to perform such other appropriate accounting services as may be required. The Bank has been advised by Deloitte that neither that firm nor any of its affiliates has any relationship with the Bank or its subsidiaries, other than the relationship that typically exists between independent auditors and their clients. Deloitte will have representatives present at the Annual Meeting who will have an opportunity to make a statement, if they so desire, and who will be available to respond to questions that may be posed by shareholders of the Bank attending the Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPOINTMENT OF DELOITTE AS THE BANK'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2012.

ELECTION OF DIRECTORS

(PROPOSAL 3)

The Board consists of ten directors in accordance with the Bank's Articles of Incorporation. Three directors are elected by the holders of the class A shares, five directors are elected by the holders of the class E shares, and two directors are elected by the holders of all classes of the Bank's common stock. In the event the number of issued and outstanding class F shares is equal to or greater than 15% of the total issued and outstanding shares of all classes of the Bank's common stock, the class F shareholders shall have the right to elect one director, and the total number of directors shall be increased from 10 to 11. As of the record date, there are no issued or outstanding class F shares.

Except for the Bank's Chief Executive Officer, Mr. Jaime Rivera, all the members of the Board are independent under the terms defined by applicable laws and regulations, including rules promulgated by the U.S. Securities and Exchange Commission (the "SEC") under the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"), Section 303A of the rules of the New York Stock Exchange (the "NYSE"), and Agreement No. 04-2001 of the Superintendency of Banks of the Republic of Panama ("Superintendency"). Information regarding the independence determination of directors is included on the Bank's website at <http://www.bladex.com/Investors Center/Corporate Governance>.

Members of the Board are elected at annual meetings of shareholders of the Bank, and each director serves a term of three years. Directors can be re-elected multiple times. In the election of members of the Board representing a class of shares of the Bank's common stock, the votes of the holders of such class of shares are counted separately as a class.

The holders of each class of common stock have cumulative voting rights with respect to the election of directors representing such class. This means that a shareholder of each class has a number of votes equal to the number of shares of such class held by the shareholder multiplied by the number of directors to be elected by such class, and the shareholder can cast all of the votes in favor of one candidate or distribute them among all of the directors to be elected, or among two or more of them, as the shareholder may decide. Shareholders also have cumulative voting rights in the election of directors who represent all classes of shares of the Bank's common stock.

At the Annual Meeting, common shareholders will be asked to elect three directors (one director to represent the holders of the class E shares of the Bank's common stock, and two directors to represent the holders of all classes of shares of the Bank's common stock) to the Board, each to serve a three-year term. The votes of the holders of the class E shares will be counted separately as a class for the purpose of electing the director to represent the holders of the class E shares. Each elected director will serve a three-year term. The Board has nominated Guillermo Güémez García to represent the holders of the class E shares, and Gonzalo Menéndez Duque and Jaime Rivera as directors to represent the holders of all classes of shares of the Bank's common stock.

One Director Nominated for Re-election to Represent Holders of Class E Shares

TO APPROVE, ON AN ADVISORY BASIS, THE BANK'S EXECUTIVE COMPENSATION

(PROPOSAL 4)

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") enacted in 2010, an advisory vote on the frequency of stockholders votes on executive compensation was conducted in connection with the 2011 Annual Meeting of Shareholders. The Board recommended, and the Bank's shareholders agreed, that the advisory vote on executive compensation be held on an annual basis. Upon review of the shareholder voting results concerning that proposal, the Bank's Board of Directors and Compensation Committee determined that the Bank will hold an annual advisory vote on executive compensation. Accordingly, the Bank is providing shareholders with an advisory (non-binding) vote on compensation programs for the Bank's executive officers (sometimes referred to as "say on pay"). This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Bank's executive officers as described in this proxy statement.

This vote is nonbinding. The Board and the Nomination and Compensation Committee, which is comprised of independent directors, expects to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

As described in detail under "Compensation of Executive Officers and Directors," the Bank's compensation programs are designed to attract, motivate and retain highly qualified executive officers who are able to achieve corporate objectives and create stockholder value. Equity compensation in the form of stock options and restricted stock units that are subject to further time-based vesting is a significant component of executive compensation. We believe that our compensation programs, with their balance of short-term incentives (including cash bonus awards) and long-term incentives (including equity awards that vest over four and up to five years) reward sustained performance that is aligned with long-term shareholder interests. Shareholders are encouraged to read "Compensation of Executive Officers and Directors" and the related narrative disclosure.

For the reasons outlined above, we believe that our executive compensation program is well-designed, appropriately aligns executive pay with the Bank's performance and incentivizes desirable behavior. Accordingly, we are asking you to endorse our executive compensation program by voting for the following resolution:

"Resolved, that the shareholders approve, on an advisory basis, the compensation of the Bank's executive officers as disclosed in the "Compensation of Executive Officers and Directors" and the related narrative disclosure in this Proxy Statement."

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE FOREGOING RESOLUTION FOR THE REASONS OUTLINED ABOVE.

Compensation of Executive Officers and Directors

The Nomination and Compensation Committee has reviewed and discussed this “Compensation of Executive Officers and Directors” section with the Bank’s management, and based on this review and discussion, the Nomination and Compensation Committee has recommended to the Board that the following “Compensation of Executive Officers and Directors” be included in the Bank’s Proxy Statement for 2012.

Executive Officers Compensation

The aggregate amount of cash compensation paid by the Bank during the year ended December 31, 2011, to the executive officers employed in Bladex’s Head Office as a group for services in all capacities was \$2,875,092. During

the fiscal year ended December 31, 2011, the Bank accrued, and paid on February 23, 2012, performance-based bonuses to the Bank's executive officers in the aggregate amount of \$1,303,000.

In addition, the aggregate amount of salaries and revenue sharing earned by the executive and non-executive employees of Bladex Asset Management during the year ended December 31, 2011, as a group, for services in all capacities, was \$1,215,382.

In February 2008, the Board approved the 2008 Stock Incentive Plan (the "2008 Plan"), which allows the Bank to grant restricted shares, restricted stock units, stock options and/or other similar compensation instruments to the directors, executive officers and other non-executive employees of the Bank.

On February 15, 2011, the Bank granted 68,652 restricted stock units and 57,243 stock options to executive officers of the Bank. The Bank granted an additional 25,844 restricted stock units and 14,810 stock options to other non-executive employees of the Bank. These stock options have an exercise price of \$17.81 and an expiration date of February 15, 2018. The restricted stock units vest at a rate of 25% per year, measured from the award date, with vesting occurring on each anniversary of the award date. The options vest at a rate of 25% per year, measured from the award date, with vesting occurring on each anniversary of the award date. As of December 31, 2011, the compensation cost charged against the Bank's 2011 income in connection with these restricted stock units and stock options was \$301,056 and \$45,970 respectively. The total remaining compensation cost of \$1,241,243 will be charged over a period of 3.13 years.

The Bank sponsors a defined contribution plan for its expatriate officers. The Bank's contributions are determined as a percentage of the eligible officer's annual salary, with each officer contributing an additional amount withheld from his salary. All contributions are administered by a trust through an independent third party. During 2011, the Bank charged to salaries expense \$119,074 with respect to the contribution plan. As of December 31, 2011, the total amount set aside or accrued by the Bank in 2011 to provide pension, retirement or similar benefits for executive officers was approximately \$255,109.

2011 Chief Executive Officer Compensation

The 2011 compensation of the Bank's Chief Executive Officer included a base salary of \$300,000, a performance-based cash bonus of \$250,000, a performance-based stock option and a restricted stock units grant with a value of \$325,000, an aggregate 2011 contribution from the Bank to the Chief Executive Officer's retirement plan account in the amount of \$25,699, and limited perquisites and other benefits amounting to \$10,450. In addition, the Chief Executive Officer has a contractual severance payment of \$300,000 in the event of his termination without cause.

Results of the Advisory 2011 Say on Pay Shareholder Vote

At the Company's annual meeting of shareholders held in April of 2011, our shareholders were asked to approve the Bank's fiscal 2010 executive compensation programs. A substantial majority (94%) of the votes cast on the say on pay proposal at that meeting were voted in favor of the proposal. The Nomination and Compensation Committee believes that these results affirm our shareholders' support of the Bank's approach to executive compensation, and therefore did not change its approach in 2011. The Nomination and Compensation Committee will continue working to ensure that the design of the Bank's executive compensation program is focused on long-term shareholder value creation and emphasizes pay for performance.

Compensation and Risk

The Bank reviews and monitors the extent to which compensation practices and programs for senior executives and employees whose activities, individually or as a group, may create incentives for excessive risk taking.

In light of the actions referred to above, the Bank and the Board have not identified any risks arising from the Bank's compensation policies and practices that are reasonably likely to have a material adverse effect on the Bank. Furthermore, certain aspects of the executive compensation programs, such as the combination of performance-based short-term cash bonuses and performance-based long-term stock options, reduce the likelihood of excessive risk-taking, and instead create incentives for senior executives to work for long-term growth of the Bank.

Board of Directors Compensation

Each non-employee director of the Bank receives an annual cash retainer of \$40,000 for his or her services as a director and the Chairman of the Board receives an annual cash retainer in the amount of \$85,000. This annual retainer covers seven Board and/or shareholders' meetings. If the Board meets more than seven times, the Bank will pay each director an attendance fee of \$1,500 for each additional Board and/or shareholders' meeting. The Chairman of the Board is eligible to receive an additional 50% of the attendance fee for each such additional Board, shareholders or committee meeting attended.

The Chairman of the Audit and Compliance Committee receives an annual retainer of \$20,000 and the Chairmen of the Assets and Liabilities Committee, Nomination and Compensation Committee, Credit Policy and Risk Assessment Committee, and Business Committee each receive an annual retainer of \$15,000. The non-Chairman members of the Audit and Compliance Committee receive an annual retainer of \$10,000 and the non-Chairman members of the Assets and Liabilities Committee, Nomination and Compensation Committee, Credit Policy and Risk Assessment Committee, and Business Committee, each receive an annual retainer of \$7,500. These annual retainers cover seven meetings of the Audit and Compliance Committee and six meetings each of the Assets and Liabilities Committee, Nomination and Compensation Committee, Credit Policy and Risk Assessment Committee, and Business Committee. When the Audit and Compliance Committee has met more than seven times and the Assets and Liabilities Committee, Nomination and Compensation Committee, Credit Policy and Risk Assessment Committee, and Business Committee have each met more than six times, the Bank will pay an attendance fee of \$1,000 for each additional committee meeting. The Chairman of each committee of the Board is eligible to receive an additional 50% for each additional committee meeting attended.

The aggregate amount of cash compensation paid by the Bank during the year ended December 31, 2011 to the directors of the Bank as a group for their services as directors was \$797,750.

The aggregate number of restricted shares awarded during the year ended December 31, 2011, to non-employee directors of the Bank as a group under the 2008 Plan was 25,541 class E shares, equal to \$50,000 for each non-employee director of the Bank and \$75,000 for the Chairman of the Board. As of December 31, 2011, the total cost for these restricted shares amounted to \$461,526 of which \$41,957 was registered during 2011, and the remaining compensation cost of \$419,569 for these restricted shares will be charged against income over a period of 4.55 years.

As of December 31, 2011, the Bank's executive officers and directors as a group, beneficially owned an aggregate of 892,673 class E shares, representing approximately 3.16% (based on 28,257,827 class E shares outstanding as of

A person is deemed to be the beneficial owner of securities that can be acquired within 60 days from December 31, 2011 through the exercise of any option or through the vesting of any restricted stock or restricted stock units. Ordinary shares subject to options that are currently exercisable or exercisable within 60 days, or that constitute restricted stock or restricted stock units that will vest within 60 days, are deemed outstanding for computing the beneficial ownership percentage of the person holding such options, restricted stock or restricted stock units, but are not deemed outstanding for computing the ownership percentage of any other person.
