6. Indemnification
of Directors
and Officers

The Israeli Companies Law, 5759-1999, or the Companies Law, describes the fiduciary duty of an office holder as a duty to act in good faith and for the benefit of the company, including by refraining from actions in which he has a conflict of interest or that compete with the company's business, refraining from exploiting a business opportunity of the company in order to gain a benefit for himself or for another person, and disclosing to the company any information and documents which are relevant to the company and that were obtained by him in his or her capacity as an office holder. The duty of care is defined as an obligation of caution of an office holder that requires the office holder to act at a level of competence at which a reasonable office holder would have acted in the same position and under the same circumstances, including by adopting reasonable means for obtaining information concerning the profitability of the act brought for his approval.

Under the Companies Law, a company may not exempt an office holder from liability with respect to a breach of his fiduciary duty, but may exempt in advance an office holder from his liability to the company, in whole or in part, with respect to a breach of his duty of care.

Pursuant to the Companies Law, a company may indemnify an office holder against a monetary liability imposed on him by a court including in settlement or arbitration proceedings, and against reasonable legal expenses in a civil proceeding or in a criminal proceeding in which the office holder was found to be innocent or in which he was convicted of an offense which does not require proof of a criminal intent. The indemnification of an office holder must be expressly allowed in the articles of association, under which the company may (i) undertake in advance to indemnify its office holders with respect to categories of events that can be foreseen at the time of giving such undertaking and up to an amount determined by the board of directors to be reasonable under the circumstances, or (ii) provide indemnification retroactively at amounts deemed to be reasonable by the board of directors.

A company may also procure insurance for an office holder's liability in consequence of an act performed in the scope of his office. in the following cases: (a) a breach of the duty of care of such office holder, (b) a breach of the fiduciary duty, only if the office holder acted in good faith and had reasonable grounds to believe that such act would not be detrimental to the company, or (c) a monetary obligation imposed on the office holder for the benefit of another person.

A company may not indemnify an office holder against, nor enter into an insurance contract which would provide coverage for, any monetary liability incurred as a result of any of the following:

- a breach by the office holder of his fiduciary duty unless the office holder acted in good faith and had a reasonable basis to believe that the act would not prejudice the company;
- a breach by the office holder of his duty of care if such breach was done intentionally or recklessly; any act or omission done with the intent to derive an illegal personal gain; or
- any fine or penalty levied against the office holder as a result of a criminal offense.

In addition, under the Companies Law, indemnification of, and procurement of insurance coverage for a company's office holders must be approved by the company's audit committee and board of directors and, in specified circumstances, by the company's shareholders.

Our Articles of Association allow us to exempt any office holder to the maximum extent permitted by law, before or after the occurrence giving rise to such exemption. Our Articles of Association also provide that we may indemnify an office holder to the maximum extent permitted by law, against any liabilities he or she may incur in such capacity, limited with respect (i) to the categories of events that can be foreseen in advance by our board of directors when authorizing such undertaking and (ii) to the amount of such indemnification as determined retroactively by our board of directors to be reasonable in the particular circumstances. Similarly, we may also agree to indemnify an office holder for past occurrences, whether or not we are obligated under any agreement to provide such indemnification. We have obtained directors' and officers' liability insurance covering our officers and directors and those of our subsidiaries for certain claims. In addition, as of July 31, 2007, we received approval of our shareholders authorizing us to provide our directors and officers with letters granting them indemnification to the fullest extent permitted under Israeli law, and we have subsequently provided such letters.

Our Articles of Association also allow us to procure insurance covering any past or present office holder against any liability which he or she may incur in such capacity, to the maximum extent permitted by law. Such insurance may also cover us for indemnifying such office holder.

9. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

5

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) That, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
