Item 2.05. Costs Associated with Exit or Disposal Activities

On November 7, 2013, after reviewing strategic options with a goal to focus on the provision of secure access solutions, the Board of Directors of Identive Group, Inc. (the "Company") committed to a plan designed to simplify the Company's business structure. The plan, as currently contemplated, will result in the sale of the Company's Multicard U.S. business group as well as the sale of all of the assets related to the Company's services Tagtrail platform. The Company expects to execute agreements to sell each of these assets in the next six months; however, the Company cannot assure any outcome or the timing of any outcome related to this process.

For financial reporting purposes, beginning in the fourth fiscal quarter of 2013, the Company intends to classify the assets related to its Multicard U.S. business group and its Tagtrail services platform as discontinued operations, and expects to report income from discontinued operations and a separate expected disposal loss from the write-down to fair value of the net assets held for sale. At this time, the Company is unable in good faith to make a determination of an estimate or range of estimates with respect to the charges associated with this decision. As permitted by Item 2.05 of Form 8-K, the Company will file an amendment to this Current Report on Form 8-K under Item 2.05 within four business days after the Company's determination of such estimate or range of estimates.

On November 13, 2013, the Company issued a press release announcing its intent to dispose of non-core assets.
