On September 29, 2003, Aviall, Inc. announced that its business unit, Aviall Services, expanded its current product line aftermarket representation relationship with Honeywell Lighting and Electronics covering commercial products for most regions of the world. Aviall will be responsible for the aftermarket parts sales, including marketing, order administration, warehousing and product distribution for Honeywell airline and general aviation aircraft lighting products. The agreement will be phased-in with a commencement date of October 1, 2003, and estimated sales over the 10-year contract life are expected to exceed \$500 million.
