September 21, 2005

Dear Shareholder:

A special meeting of Salomon Brothers Municipal Partners Fund Inc. and Salomon Brothers Municipal Partners Fund II Inc. will be held at American Conference Centers, 780 Third Avenue, New York, New York 10017, on October 21, 2005, at 9:00 a.m. (New York time), to vote on the proposals listed in the enclosed joint proxy statement.

Citigroup Inc., the parent company of the Funds' investment adviser, Salomon Brothers Asset Management Inc, has entered into an agreement to sell substantially all of its worldwide asset management business, including the Funds' investment adviser, to Legg Mason, Inc. The sale will cause the Funds' current management agreements to terminate. In order for the management of each Fund to continue uninterrupted after the sale, we are asking the shareholders of each Fund to approve a new management agreement for the Fund. Each Fund's total fees for advisory and administrative services will remain the same under its new management agreement.

**The Directors responsible for your Fund recommend that you vote FOR this proposal.**

**You are invited to attend the meeting in person. If you do not expect to attend the meeting, we encourage you to vote by completing, signing and dating the enclosed white proxy card and promptly returning it in the accompanying postage-paid return envelope OR by following the enclosed instructions to vote by telephone or over the Internet. Your vote on these matters is important.**

If you have any questions about the proposals to be voted on, please call Computershare Fund Services at 1-866-718-0017.

Sincerely,

R. Jay Gerken  
Chairman

**IMPORTANT NEWS  
FOR FUND SHAREHOLDERS**

**While we encourage you to read the full text of the enclosed Joint Proxy Statement, for your convenience, we have provided a brief overview of the matters to be voted on.**

*Questions and Answers*

- Q.* What am I being asked to vote FOR in this proxy?
- A.* You are being asked to vote in favor of a proposal to approve a new management agreement for your Fund with your Fund's current investment adviser. This new management agreement will take effect when your Fund's current investment adviser becomes a subsidiary of Legg Mason, Inc.
- Q.* Why am I being asked to vote on a new management agreement?
- A.* Citigroup Inc. is the parent company of the Funds' investment adviser. Citigroup has entered into an agreement to sell its asset management business, Citigroup Asset Management, which includes the Funds' investment adviser, to Legg Mason, Inc. The sale will cause the Funds' current management agreements to terminate. The sale will not be completed unless a number of conditions are met. One of these conditions is that shareholders of a certain number of the Funds managed by Citigroup affiliates approve the proposed new agreements. Your Fund's Board of Directors has approved, and recommends that you approve, the new management agreement.
- Q.* What prompted the sale of Citigroup Asset Management to Legg Mason?
- A.* Citigroup advised that after careful review, it has determined that its emphasis should continue to be on expanding access to investment products through various distribution channels rather than focusing on managing proprietary and third party investment products.
- Q.* How will the sale of Citigroup Asset Management potentially benefit me?
- A.* The combination of Legg Mason and Citigroup Asset Management will create one of the world's largest asset management organizations representing over \$800 billion in assets under management. Following the transaction, Citigroup Asset Management will be part of an organization focused on the asset management business but will still have the opportunity to continue its strong working partnership with the Citigroup businesses and will also have new opportunities to grow.
- Q.* How does the proposed new management agreement differ from my Fund's current agreement?
- A.* The proposed new management agreement is substantially similar to the Funds' current management agreements. The Joint Proxy Statement describes differences between the current management agreements and the proposed new management agreement.

*Q.* Will my Fund's total fees for advisory and administrative services increase?

*A.* No. The total fees for advisory and administrative services will remain the same.

*Q.* Will there be any adviser changes?

*A.* Immediately following the sale of Citigroup Asset Management to Legg Mason, the adviser that currently manages your Fund will continue to manage the Fund. However, Legg Mason has advised the Fund Board members that it intends to combine the fixed income investment operations of Citigroup Asset Management with those of Legg Mason's wholly-owned subsidiary, Western Asset Management Company, and its affiliates ( Western Asset ). Western Asset focuses on managing fixed income assets on behalf of institutional separate accounts, retirement plans and other institutional investors, including mutual funds. As of June 30, 2005, Western Asset managed approximately \$230 billion in assets on behalf of its clients.

Legg Mason has advised the Fund Board members that, after the closing of the sale, Legg Mason will take steps to combine the investment management operations of Western Asset with the fixed income operations of the adviser to the

**Table of Contents**

Funds. Among other things, this may involve Western Asset and the adviser to the Funds sharing common systems and procedures, employees (including portfolio managers), investment and trading platforms, and other resources. Legg Mason may also wish to combine other Citigroup Asset Management operations with those of other Legg Mason subsidiaries.

It is expected that these combination processes, as well as the likelihood that certain fixed income portfolio managers or portfolio management teams may not remain with Citigroup Asset Management advisers or subadvisers or join Western Asset, will result in changes to portfolio managers or portfolio management teams for a number of the Funds, subject to Board consent and appropriate notice to shareholders and that, in other cases, the current portfolio managers or portfolio management teams will remain in place. Legg Mason has also advised the Fund Board members that, in the future, it may recommend that Western Asset or other Legg Mason subsidiaries be appointed as the adviser or subadviser to some or all of the Funds, subject to applicable regulatory requirements.

*Q.* How do the Board members suggest I vote in connection with the new management agreement?

*A.* After careful consideration, the Board of your Fund unanimously recommends that you vote FOR the approval of the new management agreement.

*Q.* Will my vote make a difference?

*A.* Your vote is needed to ensure that the proposal can be acted upon. We encourage all shareholders to participate in the governance of their Fund.

*Q.* Are the Funds paying for preparation, printing and mailing of this proxy?

*A.* No, all costs will be borne by Citigroup and Legg Mason whether or not the proposals are successful.

*Q.* Who do I call if I have questions?

*A.* If you need any assistance, or have any questions regarding the proposals or how to vote your shares, please call Computershare Fund Services at 1-866-718-0017.

*Q.* How do I vote my shares?

*A.* You can vote your shares by attending the meeting, or if you do not expect to attend, by completing and signing the enclosed white proxy card, and mailing it in the enclosed postage-paid envelope. Alternatively, you may vote by telephone by calling the toll-free number on the proxy card or by computer by going to the Internet address provided on the proxy card and following the instructions, using your proxy card as a guide.

**It is important that you vote promptly.**

**JOINT PROXY STATEMENT**

This Joint Proxy Statement is furnished in connection with the solicitation by the Board of Directors (each, a Board and collectively, the Boards, and each Director, a Board Member and collectively, the Board Members ) of Salomon Brothers Municipal Partners Fund Inc. and Salomon Brothers Municipal Partners Fund II Inc. (each, a Fund, and collectively, the Funds ) of proxies to be voted at the special meeting of shareholders of each Fund to be held at 9:00 a.m. (New York time) on Friday, October 21, 2005 at American Conference Centers, 780 Third Avenue, New York, New York 10017 (for each Fund, a Meeting, and collectively, the Meetings ), and at any and all adjournments thereof. The Meetings will be held for the purposes set forth in the accompanying Notice.

The Board of each Fund has determined that the use of this Joint Proxy Statement for each Meeting is in the best interest of the Fund and its shareholders in light of the similar matters being considered and voted on by the shareholders of each of the Funds. This Joint Proxy Statement and the accompanying materials are being mailed by the Boards on or about September 22, 2005.

Each Fund is organized as a Maryland corporation. The Funds are registered investment companies.

Shareholders of record at the close of business on August 22, 2005 are entitled to vote at the Meetings. Shareholders of the Funds are entitled to one vote for each share held. Holders of the preferred shares of the Funds have equal voting rights with the common shares of those Funds (i.e., one vote per share) and will vote together with those shares as a single class on the proposals on which they are entitled to vote.

On August 22, 2005, Salomon Brothers Municipal Partners Fund Inc. ( MNP ) had 5,757,094 shares of common stock outstanding and 800 shares of preferred stock outstanding and Salomon Brothers Municipal Partners Fund II Inc. ( MPT ) had 6,007,094 shares of common stock outstanding and 900 shares of preferred stock outstanding. On August 22, 2005 the net assets of MNP were \$127,172,866 and the net assets of MPT were \$133,551,476.

The Fund of which you are a shareholder is named on the white proxy card included with this Joint Proxy Statement. If you own shares in more than one Fund as of August 22, 2005, you may receive more than one white proxy card. Please complete EACH white proxy card you receive, or if you vote by telephone or over the Internet, please vote on the proposals affecting EACH Fund you own.

All properly executed proxies received prior to a Fund s Meeting will be voted at that Meeting. On the matters coming before each Meeting as to which a shareholder has specified a choice on that shareholder s proxy, the shares will be voted accordingly. If a proxy is properly executed and returned and no choice is specified, the shares will be voted FOR approval of the new management agreement. Shareholders who execute

## Edgar Filing: SALOMON BROTHERS MUNICIPAL PARTNERS FUND II INC - Form DEF 14A

proxies may revoke them at any time before they are voted by filing with the applicable Fund a written notice of revocation, by delivering a duly executed proxy bearing a later date or by attending the Meeting and voting in person.

**Annual reports are sent to shareholders of record of each Fund following the Fund's fiscal year end. Each Fund will furnish, without charge, a copy of its annual report and most recent semi-annual report succeeding the annual report, if any, to a shareholder upon request. Such written or oral requests should be directed to the Fund at 125 Broad Street, New York, New York 10004, or by calling toll free at 1-800-725-6666.**

Please note that only one annual report or Joint Proxy Statement may be delivered to two or more shareholders of a Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual report or the Joint Proxy Statement, or for instructions as to how to request a separate copy of these documents or as to how to request a single copy if multiple copies of these documents are received, shareholders should contact the applicable Fund at the address and phone number set forth above.

**VOTE REQUIRED AND MANNER OF VOTING PROXIES**

A quorum of shareholders is required to take action at each Meeting. For both of the Funds, a majority of the shares entitled to vote at each Meeting, represented in person or by proxy, will constitute a quorum of shareholders at that Meeting.

Votes cast by proxy or in person at each Meeting will be tabulated by the inspectors of election appointed for that Meeting. The inspectors of election will determine whether or not a quorum is present at the Meeting. The inspectors of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which proxies have been returned but (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) as present for purposes of determining a quorum.

Broker-dealer firms, including Citigroup Global Markets Inc. ( CGMI ) and other Citigroup Inc. ( Citigroup ) affiliates, holding shares of a Fund in street name for the benefit of their customers and clients, will request the instructions of such customers and clients on how to vote their shares on each Item before the Meetings. The New York Stock Exchange ( NYSE ) has taken the position that broker-dealers that are members of the NYSE and that have not received instructions from a customer prior to the date specified in the broker-dealer firms request for voting instructions may not vote such customer s shares on the new management agreements in Item 1. A signed proxy card or other authorization by a beneficial owner of Fund shares that does not specify how the beneficial owner s shares are to be voted on a proposal may be deemed an instruction to vote such shares in favor of the applicable proposal.

If you hold shares of a Fund through a bank or other financial institution or intermediary (called a service agent) that has entered into a service agreement with the Fund or the Fund s distributor, the service agent may be the record holder of your shares. At the Meetings, a service agent will vote shares for which it receives instructions from its customers in accordance with those instructions. A signed proxy card or other authorization by a shareholder that does not specify how the shareholder s shares should be voted on a proposal may be deemed an instruction to vote such shares in favor of the applicable proposal. If a service agent is not a member of the NYSE, it may be permissible for the service agent to vote shares with respect to which it has not received specific voting instructions from its customers on Item 1. Some service agents are affiliates of Citigroup and, therefore, have an interest in the outcome of the voting on the new management agreements in Item 1, and stand to benefit if this proposal is approved. For example, if shareholders of the Funds fail to approve the new management agreements, the transaction involving Citigroup, which is described below under the heading Description of the Transaction, may not be consummated or the payments to Citigroup in connection with the Transaction may be reduced. With respect to any shares for which a Citigroup-affiliated service agent (other than a broker-dealer) is the holder of record and for which it does not receive voting instructions from its customers, such service agent intends to vote those shares in the same proportion as the votes received from its customers for which instructions have been received.

## Edgar Filing: SALOMON BROTHERS MUNICIPAL PARTNERS FUND II INC - Form DEF 14A

If you beneficially own shares that are held in street name through a broker-dealer or that are held of record by a service agent, and if you do not give specific voting instructions for your shares, they may not be voted at all or, as described above, may be voted in a manner that you may not intend. Therefore, you are strongly encouraged to give your broker-dealer or service agent specific instructions as to how you want your shares to be voted.

Approval of Item 1 requires the affirmative vote of a majority of the outstanding voting securities of the relevant Fund. Under applicable law, the vote of a majority of the outstanding voting securities means the affirmative vote of the lesser of (a) 67% or more of the voting securities of the Fund that are present at the Meeting or represented by proxy if holders of shares representing more than 50% of the outstanding voting securities of the Fund are present or represented by proxy or (b) more than 50% of the outstanding voting securities of the Fund.

## **Table of Contents**

Approval of the proposal will occur only if a sufficient number of votes at the Meeting are cast FOR that proposal. Abstentions and broker non-votes are not considered votes cast and, therefore, do not constitute a vote FOR. Abstentions and broker non-votes effectively result in a vote AGAINST Item 1.

Properly executed white proxy cards will be voted by the persons named therein in the manner directed by the shareholder executing the proxy. Properly executed white proxy cards that do not give specific direction with respect to specific proposals will be voted FOR Item 1 and in the best judgment of the named proxies as to any other matters.

### **ITEM 1 TO APPROVE A NEW MANAGEMENT AGREEMENT**

At the Meeting, you will be asked to approve a new management agreement between your Fund and the investment adviser (each a New Management Agreement and collectively, the New Management Agreements). A general description of the proposed New Management Agreement and a general comparison of the proposed New Management Agreement and the investment management agreements currently in effect for the Funds (each, a Current Management Agreement and collectively, the Current Management Agreements) are included below. More detailed comparisons are included in *Appendix A*. The form of the New Management Agreement is attached hereto as *Appendix B*.

Salomon Brothers Asset Management Inc ( SBAM or the Adviser ) currently provides investment advisory services to the Funds. The Adviser is responsible for the Funds overall investment strategy and its implementation. The date of each Fund s Current Management Agreement and the date on which it was last approved by shareholders is provided in *Appendix C*. Both Current Management Agreements were approved for continuance on July 25-26, 2005.

The Board Members are proposing a New Management Agreement for each Fund because the Current Management Agreements will terminate when the Adviser s parent company, Citigroup, sells its interest in the Adviser to Legg Mason, Inc. ( Legg Mason ). This transaction is discussed in more detail below. The Investment Company Act of 1940, as amended (the 1940 Act ), requires that an advisory agreement of an investment company provide for automatic termination of the agreement in the event of its assignment (as defined in the 1940 Act). A sale of a controlling block of an investment adviser s voting securities generally is deemed to result in an assignment of the investment adviser s advisory agreements. The consummation of the transaction discussed below will constitute a sale of a controlling block of voting securities of the Adviser that will result in the automatic termination of each Current Management Agreement.

### **Description of the Transaction**

On June 23, 2005, Citigroup entered into a definitive agreement (the Transaction Agreement ) with Legg Mason under which Citigroup will sell substantially all of its asset management business, Citigroup Asset Management ( CAM ), to Legg Mason in exchange for the broker-dealer and investment banking businesses of Legg Mason, a number of shares of Legg Mason common stock representing 4.39% of the outstanding voting securities of Legg Mason and a number of shares of non-voting, convertible preferred stock representing approximately 10% of the pro-forma common stock of Legg Mason (on an as converted basis) and, subject to certain adjustments, approximately \$550 million in the form of a five-year loan facility provided to Legg Mason by Citigroup Corporate and Investment Banking (the Transaction ). Subject to certain adjustments, the total value of the Transaction (based on the average price of Legg Mason common stock prior to June 23, 2005) is approximately \$3.7 billion. As a result of the Transaction, the Adviser to the Funds will become a wholly owned subsidiary of Legg Mason.

## Edgar Filing: SALOMON BROTHERS MUNICIPAL PARTNERS FUND II INC - Form DEF 14A

Consummation of the Transaction is subject to certain terms and conditions, including, among others: (1) Citigroup and Legg Mason obtaining certain required regulatory approvals, (2) consent by certain advisory clients of CAM representing no less than 75% of the revenue attributable to the assets under management for such clients to continue their advisory relationship with CAM following the consummation of the Transaction and (3) conversion of Legg Mason's subsidiary, Legg Mason Trust, fsb, from a federal thrift charter to a trust company chartered under state law or the National Bank Act that is not a bank, thrift or savings association under the Bank Holding Company Act. Although there is no assurance that the Transaction will be completed, if each of the terms and conditions is satisfied or waived, the closing of the Transaction is expected by Citigroup and Legg Mason to take place during the fourth quarter of 2005.

Legg Mason, whose principal executive offices are at 100 Light Street, Baltimore, Maryland 21202, is a financial services holding company. Legg Mason is a holding company that currently provides asset management, securities brokerage, investment banking and related financial services through its subsidiaries. As of June 30, 2005, Legg Mason's

## **Table of Contents**

asset management operation had aggregate assets under management of approximately \$397 billion, of which, approximately \$248 billion (62%) represented fixed income assets, and \$75 billion (19%) represented assets in mutual and closed-end funds sponsored by Legg Mason and its affiliates.

In anticipation of the Transaction, members of the Funds' Boards met in person on July 11, 2005 and August 12, 2005 for purposes of, among other things, considering whether it would be in the best interests of each Fund and its shareholders to approve the New Management Agreement between the Fund and the Fund's Adviser. The 1940 Act requires that the New Management Agreement be approved by the Fund's shareholders in order for it to become effective. At those Board meetings, and for the reasons discussed below (see Board Considerations below), each Board, including a majority of the Board Members who are not interested persons of the Funds or the Adviser as defined in the 1940 Act (the

Independent Board Members), unanimously approved each New Management Agreement applicable to the Funds overseen by that Board and unanimously recommended its approval by shareholders in order to assure continuity of investment advisory services to the Fund after the Transaction. In the event shareholders of a Fund do not approve the New Management Agreement, the Fund's Board will take such action as it deems to be in the best interests of the Fund and its shareholders.

It is anticipated that the names of the Funds and the Adviser will remain the same immediately following the closing of the Transaction, but will eventually change. Upon closing of the Transaction, Legg Mason will have a license which will permit the Funds and the Adviser to continue using their current names for up to twelve months following the closing.

## **Section 15(f) of the 1940 Act**

Citigroup is relying on Section 15(f) of the 1940 Act. Section 15(f) provides in substance that when a sale of a controlling interest in an investment adviser occurs, the investment adviser or any of its affiliated persons may receive any amount or benefit in connection with the sale so long as two conditions are satisfied. The first condition of Section 15(f) is that during the three-year period following the consummation of a transaction, at least 75% of the investment company's board of directors must not be interested persons (as defined in the 1940 Act) of the investment adviser or predecessor adviser. Each of the Funds currently meets this test. Second, an unfair burden must not be imposed on the investment company as a result of the transaction relating to the sale of such interest, or any express or implied terms, conditions or understandings applicable thereto. The term unfair burden (as defined in the 1940 Act) includes any arrangement during the two-year period after the transaction whereby the investment adviser (or predecessor or successor adviser), or any interested person (as defined in the 1940 Act) of such an adviser, receives or is entitled to receive any compensation, directly or indirectly, from the investment company or its security holders (other than fees for bona fide investment advisory or other services) or from any person in connection with the purchase or sale of securities or other property to, from or on behalf of the investment company (other than bona fide ordinary compensation as principal underwriter for the investment company). Citigroup and Legg Mason have agreed under the Transaction Agreement not to take, and have informed the Boards that they will not take, any action that is not contemplated by the Transaction, or fail to take any action, that to their respective knowledge would cause any of the requirements of Section 15(f) not to be met.

## **The New Management Agreement**

As noted above, under the requirements of the 1940 Act, each Fund is required to enter into a new advisory agreement as a result of the Transaction. The Current Management Agreements pursuant to which the Funds currently receive investment advisory services differ in many cases from other CAM advised Funds and in some cases contain outdated provisions. CAM management has proposed that the Funds use this opportunity to both standardize the terms of the agreements used in the fund complex and to update the agreements.

## Edgar Filing: SALOMON BROTHERS MUNICIPAL PARTNERS FUND II INC - Form DEF 14A

The fees payable to the Adviser under each New Management Agreement will in each case be no greater than the aggregate fees currently payable to the Adviser by the Fund for investment management and fund administration services. In addition, the Adviser has assured each Board that it will continue to provide the same level of advisory and administrative services to each Fund under the New Management Agreements as provided under the Current Management Agreements. CAM has assured the Boards that the nature and scope of services provided under the Current Management Agreements will continue undiminished under the New Management Agreements.

The New Management Agreements reflect, consistent with recent regulatory initiatives, an increased role for a Fund's Board particularly in areas where the Adviser may have a conflict of interest in providing services to a Fund. For example, in recent years the Securities and Exchange Commission (the SEC) has focused on proxy voting by investment companies, adopting new disclosure and reporting requirements, and focusing on the duty of an investment adviser to vote proxies in the

## **Table of Contents**

best interests of a fund and its shareholders. The New Management Agreements require the Adviser to exercise voting and other rights pertaining to a Fund's portfolio securities subject to such direction as a Fund's Board may provide. Also, in recent years there has been an increased focus on the payment of brokerage fees by investment companies in connection with their portfolio transactions, and the role of a fund's adviser in selecting brokers to execute a fund's trades, in particular where the adviser may benefit directly, such as in the use of soft dollars (as described below). The New Management Agreements, while permitting the Adviser to select brokers for the Funds and to utilize soft dollars as now permitted under applicable law, permits the Funds' Boards to adopt policies and procedures relating to brokerage practices that may limit the broad authority granted to the Adviser in the New Management Agreements.

The New Management Agreements also include fund administration services as well as investment management functions. Because both of these functions are currently performed by personnel of the Adviser or its affiliates, and because of the importance of all of these functions, it is proposed that both functions be provided under one agreement, which will be subject to annual review by a Fund's Board both as to the services provided and the fees payable thereunder. The Current Management Agreements also provide for the provision of administration and investment management services under one agreement.

## **Comparison of Current Management Agreements to the New Management Agreement**

Set forth below is a general description of the terms of the New Management Agreements and a general comparison with the terms of the Current Management Agreements. A copy of the form of New Management Agreement is included in this Joint Proxy Statement as *Appendix B* and you should refer to *Appendix B* for the complete terms of the New Management Agreement. A more detailed examination of the material differences between the New Management Agreements and the Current Management Agreements on a Fund by Fund basis is set forth on *Appendix A*, and you should refer to *Appendix A* to determine how the New Management Agreement may differ in any material respect from your Fund's Current Management Agreement.

**Fees.** There is no change in the aggregate fees payable by either Fund to the Adviser for investment management and fund administration services under the New Management Agreement. The current fee schedule for management services for each Fund is set forth in *Appendix C*.

**Investment Management Services.** Each New Management Agreement provides that, subject to the supervision of the Fund's Board, the Adviser will regularly provide the Fund with investment research, advice, management and supervision; will furnish a continuous investment program for the Fund's portfolio of securities and other investments consistent with the Fund's investment objectives, policies and restrictions; will determine from time to time what securities and other investments will be purchased, retained or sold by the Fund; and will implement those decisions, all subject to the provisions of the Fund's governing documents, the 1940 Act, the applicable rules and regulations of the SEC, and other applicable federal and state law, as well as any specific policies adopted by the Fund's Board and disclosed to the Adviser. Each Current Management Agreement contains similar provisions.

As noted above, under each Fund's New Management Agreement, the Adviser is authorized to place orders pursuant to its investment determinations for the Fund either directly with the issuer or with any broker or dealer, foreign currency dealer, futures commission merchant or others selected by it. Subject to any policies and procedures of each Fund's Board that may modify or restrict the Adviser's authority regarding the execution of the Fund's portfolio transactions provided in the Agreement and described below, brokers or dealers may be selected by the Adviser who also provide brokerage and research services (as those terms are defined in Section 28(e) of the Securities Exchange Act of 1934, as amended) (1934 Act) to the Funds and/or the other accounts over which the Adviser or its affiliates exercise investment discretion, a practice commonly referred to as soft dollars. The Adviser is authorized to pay a broker or dealer who provides such brokerage and research services a commission for executing a portfolio transaction for a Fund that is in excess of the amount of commission or spread another broker or dealer would have charged for effecting that transaction if the Adviser determines in good faith that such amount of commission is reasonable in relation to the value of the brokerage and research services provided by such broker or dealer. This determination may be viewed either in terms

of that particular transaction or the overall responsibilities that the Adviser and its affiliates have with respect to accounts over which they exercise investment discretion.

Both Funds' Current Management Agreements also authorize the Adviser to select brokers and dealers for the execution of portfolio transactions, with such limitations as are also described in *Appendix A*. However, neither of the Current Management Agreements give specific authority to the Board of a Fund, as do the New Management Agreements, to adopt policies and procedures that may modify or restrict the Adviser's authority regarding trades for the Fund.

---

**Table of Contents**

Each New Management Agreement further provides that the Adviser will provide advice and recommendations with respect to other aspects of the business and affairs of the Fund, and will exercise voting rights, rights to consent to corporate action and any other rights pertaining to a Fund's portfolio securities subject to such direction as the Board may provide, and will perform such other functions of investment management and supervision as may be directed by the Board. The Current Management Agreements do not have similar provisions. Neither of the Current Management Agreements requires or otherwise mentions proxy voting on behalf of a Fund. Neither of the Current Management Agreements gives specific authority to the Board of the Fund to provide direction to the Adviser with respect to proxy voting.

**Fund Administration Services.** Each New Management Agreement provides that the Adviser will also perform such administrative and management services as may from time to time be reasonably requested by the Fund as necessary for the operation of the Fund, subject to the direction and control of the Board. Such administrative services include (i) supervising the overall administration of the Fund, including negotiation of contracts and fees with and the monitoring of performance and billings of the Fund's transfer agent, shareholder servicing agents, custodian and other independent contractors or agents; (ii) providing certain compliance, fund accounting, regulatory reporting, and tax reporting services; (iii) preparing or participating in the preparation of Board materials, registration statements, proxy statements and reports and other communications to shareholders; (iv) maintaining the Fund's existence; and (v) during such times as shares are publicly offered, maintaining the registration and qualification of the Fund's shares under federal and state laws. The Adviser is also required to supply the Fund's Board and officers with all information and reports reasonably required by them and reasonably available to the Adviser. The Adviser further oversees the maintenance and preservation of all books and records with respect to the Fund's securities transactions and the keeping of the Fund's books of account in accordance with all applicable federal and state laws and regulations. In addition, each New Management Agreement requires the Adviser to furnish the Fund, at its own expense, with office facilities, including space, furniture and equipment and all personnel reasonably necessary for the operation of the Fund. Each New Management Agreement also requires the Adviser to provide each Fund with persons satisfactory to the Fund's Board to serve as officers and employees of the Fund and to permit any of its directors, officers and employees, who may be elected as Board Members or officers of the Fund to serve in the capacities in which they are elected.

Both of the Funds currently have in place an agreement providing for similar administrative services to be provided by the Adviser. As in the New Management Agreement, these administrative services are included with investment management services in one agreement. The Adviser has provided assurances to the Boards that it will provide at least the same level of services under a Fund's New Management Agreement as are currently provided under the existing management agreement pertaining to that Fund.

**Payment of Expenses.** The New Management Agreement requires the Adviser to bear all expenses, and to furnish all necessary services, facilities and personnel in connection with its responsibilities to provide a Fund with investment advisory and administrative services under the New Management Agreement. Except for these expenses, the Adviser is not responsible for a Fund's expenses as described more fully in *Appendix A*. As described in *Appendix A*, each Current Management Agreement also requires that the Adviser bear all expenses in connection with the performance of its services under the Current Management Agreement.

**Conflicts of Interest.** As noted above, the New Management Agreement contains several provisions that address potential conflicts of interest that may arise in a typical investment advisory relationship. In addition to those provisions discussed above, the New Management Agreement provides that the Adviser may not deal with itself, or with members of a Fund's Board or any principal underwriter of the Fund, as principals or agents, in making purchases or sales of securities or other property for the Fund, nor may the Adviser purchase any securities from an underwriting or selling group in which the Adviser or its affiliates is participating, or arrange for purchases and sales of securities between a Fund and another account advised by the Adviser or its affiliates, except in each case as permitted under the 1940 Act, the applicable rules and regulations promulgated thereunder by the SEC and interpretive guidance issued thereunder by the SEC staff and in accordance with such policies and procedures as may be adopted by a Fund from time to time. The New Management Agreement specifically provides that personnel of the Adviser, even if serving a Fund as a Board Member, officer or employee, may nonetheless engage in any other business or devote his or her time and attention in part to the management or other aspects of any other business, whether of a similar nature or a dissimilar nature. In addition, the Adviser may engage in any other business or render services of any kind, including investment advisory and management services, to any other fund, firm, individual or association. However, the New Management Agreement also provides that if the purchase or sale of securities consistent with the investment policies of a Fund or one or more other accounts of the Adviser is considered at or about the same time, transactions in such securities must be allocated among the accounts in a manner deemed equitable by

## **Table of Contents**

the Adviser. In addition, if transactions of a Fund and another client are combined, as permitted by applicable laws and regulations, such transactions must be consistent with the Adviser's policies and procedures as presented to the Board from time to time.

As more fully described in *Appendix A*, the Current Management Agreements address some, but not all, of these potential conflicts.

**Limitation on Liability.** Under each New Management Agreement, the Adviser assumes no responsibility other than to render the services called for by the New Management Agreement in good faith, and the Adviser is not liable for any error of judgment or mistake of law, or for any loss arising out of any investment or for any act or omission in the execution of securities transactions for a Fund. The Adviser is not protected however, for willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of its reckless disregard of its obligations and duties under the Agreement. This same limitation of liability applies to affiliates of the Adviser who may provide services to the Fund as contemplated by the New Management Agreement.

Except as described in *Appendix A*, each Current Management Agreement contains similar provisions that limit the liability of the Adviser to the Fund, except for liability for willful misfeasance, bad faith, or gross negligence on its part in the performance of its duties or by reason of its reckless disregard of its obligations and duties under the Current Management Agreement. The Current Management Agreements, however, do not specifically mention losses arising out of any investment or any act or omission in the execution of securities transactions for a Fund. Unlike the New Management Agreements, the Current Management Agreements do not specifically require the Adviser to act in good faith. The Adviser has informed the Boards that the same standard of care applicable under the Current Management Agreements is intended to apply under the New Management Agreements, as well. These differences are more fully described in *Appendix A*.

**Term and Continuance.** If approved by shareholders of a Fund, the New Management Agreement for the Fund will terminate, unless sooner terminated as set forth therein, two years from the date of implementation. Thereafter, if not terminated, each New Management Agreement will continue in effect from year to year if such continuance is specifically approved at least annually (i) by the Board or (ii) by a vote of a majority of the outstanding voting securities of the Fund, provided that in either event the continuance is also approved by a majority of the Board Members who are not interested persons of any party to the New Management Agreement. The Current Management Agreements have similar provisions for their term and continuance, although the initial dates of the Agreements differ, and the initial terms have elapsed.

**Termination.** The New Management Agreement for each Fund provides that the Agreement may be terminated at any time without the payment of any penalty by the Fund upon not more than sixty days' and not less than thirty days' written notice to the Adviser or by the Adviser upon not less than ninety days' written notice to the Fund. A Fund may effect termination by action of the Board or by vote of a majority of the outstanding voting securities of the Fund, accompanied by appropriate notice. Both the Current Management Agreement and the New Management Agreement will terminate automatically in the event of their assignment (as defined in the 1940 Act). The Current Management Agreements contain similar termination provisions.

## **Board Considerations**

At meetings held on August 12, 2005, the Board of each Fund, including the Independent Board Members, unanimously approved the New Management Agreement between the Fund and its Adviser.

## Edgar Filing: SALOMON BROTHERS MUNICIPAL PARTNERS FUND II INC - Form DEF 14A

To assist the Boards in their consideration of the New Management Agreements, Legg Mason provided materials and information about Legg Mason, including its financial condition and asset management capabilities and organization, and Legg Mason and CAM provided materials and information about the Transaction between Legg Mason and Citigroup. The Independent Board Members, through their independent legal counsel, also requested and received additional information from CAM and Legg Mason in connection with their consideration of the agreements. The additional information was provided in advance of and at the August meetings. In addition, the Independent Board Members consulted with their counsel on various occasions on, and received from their counsel a memorandum outlining, among other things, the legal standards and certain other considerations relevant to the Board Members' deliberations.

On July 11, 2005 and August 12, 2005, members of the Boards discussed with CAM management and certain Legg Mason representatives the Transaction and Legg Mason's general plans and intentions regarding the Funds, including the

## **Table of Contents**

preservation, strengthening and growth of CAM's business and its combination with Legg Mason's business. The Board Members also inquired about the plans for and anticipated roles and responsibilities of certain CAM employees and officers after the Transaction. The Independent Board Members of each Board also conferred separately and with their counsel about the Transaction on a number of occasions, including in connection with the July discussion and August meeting.

At each Board's August meeting, representatives of CAM and Legg Mason made presentations to and responded to questions from the Board. After the presentations and after reviewing the written materials provided, the Independent Board Members met in executive session with their counsel to consider the New Management Agreements.

Among other things, the Board Members considered:

(i) the reputation, financial strength and resources of Legg Mason and its investment advisory subsidiaries;

(ii) that Legg Mason and its wholly-owned subsidiary, Western Asset Management Company and its affiliates (Western Asset), are experienced and respected asset management firms, and that Legg Mason has advised the Board Members that (a) it intends to combine the fixed income investment operations (including money market fund operations) of CAM with those of Western Asset and may also wish to combine other CAM operations with those of other Legg Mason subsidiaries; (b) after the closing of the Transaction, it will take steps to combine the investment management operations of Western Asset with the fixed income operations of the Adviser to the Funds, which, among other things, may involve Western Asset and the Adviser to the Funds sharing common systems and procedures, employees (including portfolio managers), investment and trading platforms, and other resources; (c) it is expected that these combination processes will result in changes to portfolio managers or portfolio management teams for a number of the Funds, subject to Board consent and appropriate notice to shareholders, and that, in other cases, the current portfolio managers or portfolio management teams will remain in place; and (d) in the future, it may recommend that Western Asset or other Legg Mason subsidiaries be appointed as the adviser or subadviser to one or both of the Funds, subject to applicable regulatory requirements;

(iii) that CAM management and Legg Mason have advised the Boards that following the Transaction, there is not expected to be any diminution in the nature, quality and extent of services provided to the Funds and their shareholders by the Adviser, including compliance services;

(iv) the assurances from Citigroup and Legg Mason that, for a three year period following the closing of the Transaction, the Adviser will have substantially the same access to the Citigroup sales force when distributing shares of the Funds as is currently provided to CAM and that other arrangements between the Adviser and Citigroup sales channels will be preserved;

(v) that Legg Mason and Citigroup intend to enter into an agreement in connection with the Transaction under which Citigroup-affiliated broker-dealers will continue to offer the Funds as investment products, and the potential benefits to Fund shareholders from this and other third-party distribution access;

(vi) the potential benefits to Fund shareholders from being part of a combined fund family with Legg Mason-sponsored funds, including possible economies of scale and access to investment opportunities;

Edgar Filing: SALOMON BROTHERS MUNICIPAL PARTNERS FUND II INC - Form DEF 14A

(vii) that Citigroup and Legg Mason would derive benefits from the Transaction and that as a result, they have a financial interest in the matters that were being considered;

(viii) the potential effects of regulatory restrictions on the Funds if Citigroup-affiliated broker-dealers remain the Funds' principal underwriters;

(ix) the fact that each Fund's total advisory and administrative fees will not increase by virtue of the New Management Agreements, but will remain the same;

(x) the terms and conditions of the New Management Agreements, including the differences from the Current Management Agreements (see Comparison of Current Management Agreements to the New Management Agreement above and *Appendix A*), and the benefits of a single, uniform form of agreement covering these services;

(xi) that in July 2005 each Board had performed a full annual review of the Current Management Agreements as required by the 1940 Act, and had determined that the Adviser has the capabilities, resources and personnel necessary to provide the advisory and administrative services currently provided to each Fund; and that the advisory and/or management fees paid by each Fund represent reasonable compensation to the Adviser in light of the nature, extent and quality of the services to be provided by the Adviser, the investment performance of each Fund and the Adviser, the

**Table of Contents**

costs of the services to be provided and the profits to be realized by the Adviser and its affiliates from the relationship with the Funds, the extent to which economies of scale may be realized as each Fund grows, the reflection of these economies of scale in the fee levels for the benefit of Fund shareholders, and such other matters as the Board Members considered relevant in the exercise of their reasonable judgment (the date of each Board's most recent full annual review of the Current Management Agreements is noted in *Appendix C*);

(xii) that the Funds would not bear the costs of obtaining shareholder approval of the New Management Agreements; and

(xiii) that under the Transaction Agreement, Citigroup and Legg Mason have agreed not to take any action that is not contemplated by the Transaction or fail to take any action that to their respective knowledge would cause any of the requirements of Section 15(f) not to be met.

Certain of these considerations are discussed in more detail below.

In their deliberations, the Board Members considered information received in connection with their recent approval of continuance of each Current Management Agreement in addition to information provided by Legg Mason and CAM in connection with their evaluation of the terms and conditions of the New Management Agreements. The Board Members did not identify any particular information that was all-important or controlling, and each Board Member attributed different weights to the various factors. The Board Members evaluated all information available to them on a Fund-by-Fund basis, and their determinations were made separately in respect of each Fund. The Board Members, including a majority of the Independent Board Members, concluded that the terms of the New Management Agreements are fair and reasonable, that the fees stated therein are reasonable in light of the services to be provided to each Fund, and that the New Management Agreements should be approved and recommended to Fund shareholders.

*Nature, Quality and Extent of Services Provided*

In evaluating the nature, quality and extent of the services to be provided by the Adviser under the New Management Agreements, the Board Members considered, among other things, the expected impact, if any, of the Transaction on the operations, facilities, organization and personnel of the Adviser; the potential implications of regulatory restrictions on the Funds following the Transaction; the ability of the Adviser to perform its duties after the Transaction; and any anticipated changes to the current investment and other practices of the Funds. The Board Members considered Legg Mason's advice that, after the closing of the Transaction, Legg Mason intends to review all aspects of the Funds' operations (including equity, fixed income and money market fund operations). The Board Members considered Legg Mason's advice that it intends to combine the fixed income investment operations of CAM with those of Western Asset and may also wish to combine other CAM operations with those of other Legg Mason subsidiaries. The Board Members noted that Western Asset is an experienced and respected institutional asset manager that focuses on managing fixed income assets on behalf of institutional separate accounts, retirement plans and other institutional investors, including mutual funds. The Board Members further noted that, as of June 30, 2005, Western Asset managed approximately \$230 billion in assets on behalf of its clients. The Board Members considered Legg Mason's advice that, after the closing of the sale, Legg Mason will take steps to combine the investment management operations of Western Asset with the fixed income operations of the Adviser, which, among other things, may involve Western Asset and the Adviser sharing common systems and procedures, employees (including portfolio managers), investment and trading platforms, and other resources. The Board Members also considered Legg Mason's advice that it is expected that the combination processes described above will result in changes to portfolio managers or portfolio management teams for a number of the Funds, subject to Board consent and appropriate notice to shareholders, and that, in other cases, the current portfolio managers or portfolio management teams will remain in place. The Board Members also considered Legg Mason's advice that, in the future, Legg Mason may recommend that Western Asset or other Legg Mason subsidiaries be appointed as the adviser or subadviser to some or all of the Funds, subject to applicable regulatory requirements.

## Edgar Filing: SALOMON BROTHERS MUNICIPAL PARTNERS FUND II INC - Form DEF 14A

The Board Members were advised that if Citigroup-affiliated broker-dealers remain the Funds' principal underwriters, the Funds would continue to be subject to restrictions concerning certain transactions involving Citigroup affiliates (for example, transactions with a Citigroup broker-dealer acting as principal) absent regulatory relief or clarification.

Based on their review of the materials provided and the assurances they had received from CAM management and Legg Mason, the Board Members determined that the Transaction was not expected to adversely affect the nature and quality of services provided by the Adviser and that the Transaction was not expected to have a material adverse effect on the ability of

## **Table of Contents**

the Adviser to provide those services. It was noted, however, that, in addition to the changes previously described, it is expected that there will be other changes in personnel following the Transaction or after the combination of CAM's operations with those of Legg Mason subsidiaries. The Board Members noted that if current portfolio managers or other personnel cease to be available, each Board would consider all available options, which could include seeking the investment advisory or other services of Legg Mason affiliates or investment advisers not affiliated with Legg Mason. In this regard, it was noted that Legg Mason has indicated that it could potentially make available to the Adviser additional portfolio management resources in the event of loss of CAM personnel for particular investment disciplines. Accordingly, the Board Members concluded that, overall, they were satisfied at the present time with assurances from Legg Mason and CAM as to the expected nature, extent and quality of the services to be provided to the Funds under the New Management Agreements.

### *Costs of Services Provided and Profitability*

In evaluating the costs of the services to be provided by the Adviser under the New Management Agreements and the profitability to the Adviser of their relationships with the Funds, the Board Members considered, among other things, whether advisory and administrative fees or other expenses would change as a result of the Transaction. Based on their review of the materials provided and the assurances they had received from CAM management and Legg Mason, the Board Members determined that the Transaction would not increase the fees payable for advisory and administrative services and that overall Fund expenses were not expected to increase materially as a result of the Transaction. The Board Members noted that it was not possible to predict how the Transaction would affect the Adviser's profitability from its relationship with the Funds, but that they had been satisfied in their most recent review of the Current Management Agreements that the Adviser's level of profitability from its relationship with the Funds was not excessive. It was noted that in conjunction with that review, the Board Members had obtained an independent accountant's review of the methodology used to determine the Adviser's profitability. The Board Members concluded that, overall, they were satisfied that currently, the Adviser's level of profitability from its relationship with each Fund was not excessive.

The Board Members noted that they expect to receive Adviser profitability information on an annual basis and thus be in a position to evaluate whether any adjustments in Fund fees and/or fee breakpoints would be appropriate.

### *Fall-Out Benefits*

In evaluating the fall-out benefits to be received by the Adviser under the New Management Agreements, the Board Members considered whether the Transaction would have an impact on the fall-out benefits received by virtue of the Current Management Agreements. Based on their review of the materials provided, including materials received in connection with their recent approval of the continuance of each Current Management Agreement, and their discussions with CAM management, Legg Mason and Western Asset, the Board Members determined that those benefits could include increased ability for Legg Mason to distribute shares of its funds and other investment products and to obtain research services using the Funds' portfolio transaction brokerage. The Board Members noted that any such benefits were difficult to quantify with certainty at this time, and indicated that they would continue to evaluate them going forward.

### *Fees and Economies of Scale*

In reviewing the Transaction, the Board Members considered, among other things, whether advisory and administrative fees or other expenses would change as a result of the Transaction. Based on the assurances they had received from CAM management and Legg Mason, the Board Members determined that as a result of the Transaction, each Fund's total advisory and administrative fees would not increase. The Board Members noted that in conjunction with their recent deliberations concerning the Current Management Agreements, the Board Members had determined that the total fees for advisory and administrative services for the Funds were reasonable in light of the services provided. It was

noted that in conjunction with the recent review of the Current Management Agreements, the Board Members had received, among other things, a report from Lipper, Inc. ( Lipper ) comparing each Fund 's fees, expenses and performance to those of a peer group for that Fund selected by Lipper, and information as to the fees charged by the Adviser to other registered investment company clients for investment management services. The Board Members concluded that because the advisory and administrative fees for each Fund were not expected to increase as a result of the Transaction, each Fund 's fees for advisory and administrative services remain appropriate and that no fee reductions or breakpoints were necessary at this time. The Board Members recognized that Legg Mason may realize economies of scale from the Transaction based on certain consolidations and synergies of operations.

## **Table of Contents**

### *Investment Performance*

The Board Members noted that investment performance for the Funds was satisfactory or better. Following the closing of the Transaction, these steps may include combining certain CAM operations with those of certain Legg Mason subsidiaries. The Boards noted Legg Mason's considerable investment management experience and capabilities, but were unable to predict what effect, if any, consummation of the Transaction would have on the future performance of the Funds.

### **Information about the Adviser**

The Adviser is a registered investment adviser and is an indirect wholly owned subsidiary of Citigroup. The Adviser is a Delaware corporation that is wholly owned by Citigroup Financial Products Inc., which is wholly owned by Citigroup Global Market Holdings Inc., which is a wholly owned subsidiary of Citigroup. Citigroup businesses offer a broad range of financial services—asset management, banking and consumer finance, credit and charge cards, insurance, investments, investment banking and trading—and use diverse channels to make them available to consumer and corporate customers around the world. The Adviser provides administrative services to the Funds. These administrative services are provided under the Funds' Current Management Agreement. The address of Citigroup and the Adviser is 399 Park Avenue, New York, New York 10022.

The tables set forth in *Appendix D* show amounts paid to affiliates of the Adviser during the Funds' most recently completed fiscal year for the services noted in the Appendix. There were no other material payments by the Funds to the Adviser or any of their affiliates during that period.

The Funds paid no brokerage commissions to Legg Mason and its affiliated brokers during the Funds' most recently completed fiscal year. There were no other material payments by the Funds to Legg Mason or its affiliates during that period.

The name and principal occupation of the directors and principal executive officers of the Adviser are as set forth in *Appendix E*. The principal address of each individual as it relates to his or her duties at the Adviser is the same as that of the Adviser.

The Adviser provides investment advisory services to certain other funds that may have investment objectives and policies similar to those of the Funds. The table set forth in *Appendix F* lists other funds advised by the Adviser, the net assets of those funds, and the management fees the Adviser received from those funds during the fiscal years ended on the dates noted.

### **Shareholder Approval**

To become effective with respect to a particular Fund, the New Management Agreement must be approved by a vote of a majority of the outstanding voting securities of the Fund. The vote of a majority of the outstanding voting securities is defined in the 1940 Act as the lesser of the vote of (i) 67% or more of the voting securities of the Fund entitled to vote thereon present at the Meeting or represented by proxy if holders of more than 50% of the outstanding voting securities are present or represented by proxy; or (ii) more than 50% of the outstanding voting securities of the Fund entitled to vote thereon. Each New Management Agreement was approved by the Independent Board Members,

separately, and by the Board of the applicable Fund, as a whole, after consideration of all factors which it determined to be relevant to its deliberations, including those discussed above. The Board of each Fund also determined to submit the Fund's New Management Agreement for consideration by the shareholders of the Fund.

**The Board of each Fund recommends that shareholders of each Fund vote FOR the approval of the New Management Agreement.**

### **ADDITIONAL INFORMATION**

#### **Legal Proceedings Relating to Citigroup Affiliates and Certain of the Board Members**

Beginning in June 2004, class action lawsuits alleging violations of the federal securities laws were filed against CGMI and a number of its affiliates, including Smith Barney Fund Management LLC ( "SBFM" ) and SBAM (the "Managers" ), substantially all of the mutual funds managed by the Managers (the "Defendant Funds" ), and Directors or Trustees of the Defendant Funds (collectively, the "Defendants" ). The complaints alleged, among other things, that CGMI created various undisclosed incentives for its brokers to sell Smith Barney and Salomon Brothers funds. In addition, according to the complaints, the Managers caused the Defendant Funds to pay excessive brokerage commissions to CGMI for steering clients towards proprietary funds. The complaints also alleged that the defendants breached their fiduciary duty to the Defendant Funds by improperly charging Rule 12b-1 fees and by drawing on fund assets to make undisclosed payments of soft dollars and excessive brokerage commissions. The complaints also alleged that the Defendant Funds failed to adequately disclose certain of the allegedly wrongful conduct. The complaints sought injunctive relief and compensatory and punitive damages, rescission of the Defendant Funds' contracts with the Managers, recovery of all fees paid to the Managers pursuant to such contracts and an award of attorneys' fees and litigation expenses.

On December 15, 2004, a consolidated amended complaint (the "Complaint" ) was filed alleging substantially similar causes of action. While the lawsuit is in its earliest stages, to the extent that the Complaint purports to state causes of action against the Defendant Funds, CAM believes the Defendant Funds have significant defenses to such allegations, which the Defendant Funds intend to vigorously assert in responding to the Complaint.

Additional lawsuits arising out of these circumstances and presenting similar allegations and requests for relief may be filed against the Defendant Funds in the future.

By Letter of Acceptance, Waiver and Consent dated March 18, 2005, CGMI accepted and consented, without admitting or denying the allegations or findings, to the entry of findings by the NASD arising from CGMI's sales of Class B and Class C shares of mutual funds in approximately 18,000 customer households and approximately 90,000 transactions between January 1, 2002 and June 30, 2003. CGMI, through its registered representatives, known as financial consultants ( "FCs" ), either did not adequately disclose at the point of sale, or did not adequately consider in connection with its recommendations to customers to purchase Class B and Class C shares, the differences in share classes and that an equal investment in Class A shares would generally have been more advantageous for the customers.

In particular, the FCs did not consider that large investments in Class A shares of mutual funds entitle customers to breakpoint discounts on sales charges, generally beginning at the \$50,000 investment level, which are not available for investments in Class B shares. In fact, customers may be entitled to breakpoints based upon a single mutual fund purchase, multiple purchases in the same family of funds, and/or mutual fund investments held, at the time of the new purchase, by members of the customer's household, as that term is defined in the prospectus of the fund in which the shares are being purchased. Class B shares are also subject to contingent deferred sales charges ( "CDSCs" ) for a period of time, generally six years, as well as higher ongoing Rule 12b-1 fees for as long as the Class B shares are held. The CDSCs and/or the higher ongoing Rule 12b-1 fees significantly impact the return on customers' mutual fund investments.

In addition, CGMI's supervisory and compliance policies and procedures were not reasonably designed to ensure that FCs consistently provided adequate disclosure of, or consideration to, the benefits of the various share classes as they applied to individual customers. As a result of the foregoing, CGMI violated NASD Conduct Rules 2110, 2310, and 3010.

On May 31, 2005, the SEC issued an order in connection with the settlement of an administrative proceeding against SBFM and CGMI relating to the appointment of an affiliated transfer agent for the Smith Barney family of mutual funds (the Smith Barney Funds ).

The SEC order finds that SBFM and CGMI willfully violated Section 206(1) of the Investment Advisers Act of 1940 ( Advisers Act ). Specifically, the order finds that SBFM and CGMI knowingly or recklessly failed to disclose to the Boards of the Smith Barney Funds in 1999 when proposing a new transfer agent arrangement with an affiliated transfer agent: that First Data Investors Services Group ( First Data ), the Smith Barney Funds then-existing transfer agent, had offered to continue as transfer agent and do the same work for substantially less money than before; and that CAM, the Citigroup business unit that includes the Smith Barney Fund s investment manager and other investment advisory companies, had entered into a side letter with First Data under which CAM agreed to recommend the appointment of First Data as

## **Table of Contents**

sub-transfer agent to the affiliated transfer agent in exchange, among other things, for a guarantee by First Data of specified amounts of asset management and investment banking fees to CAM and CGMI. The order also finds that SBFM and CGMI willfully violated Section 206(2) of the Advisers Act by virtue of the omissions discussed above and other misrepresentations and omissions in the materials provided to the Smith Barney Funds' Boards, including the failure to make clear that the affiliated transfer agent would earn a high profit for performing limited functions while First Data continued to perform almost all of the transfer agent functions, and the suggestion that the proposed arrangement was in the Smith Barney Funds' best interests and that no viable alternatives existed. SBFM and CGMI do not admit or deny any wrongdoing or liability. The settlement does not establish wrongdoing or liability for purposes of any other proceeding.

The SEC censured SBFM and CGMI and ordered them to cease and desist from violations of Sections 206(1) and 206(2) of the Advisers Act. The order requires Citigroup to pay \$208.1 million, including \$109 million in disgorgement of profits, \$19.1 million in interest, and a civil money penalty of \$80 million. Approximately \$24.4 million has already been paid to the Smith Barney Funds, primarily through fee waivers. The remaining \$183.7 million, including the penalty, has been paid to the U.S. Treasury and will be distributed pursuant to a plan to be prepared by Citigroup and submitted within 90 days of the entry of the order for approval by the SEC. The order also requires that transfer agency fees received from the Smith Barney Funds since December 1, 2004 less certain expenses be placed in escrow and provides that a portion of such fees may be subsequently distributed in accordance with the terms of the order.

The order requires SBFM to recommend a new transfer agent contract to the Smith Barney Fund Boards within 180 days of the entry of the order; if a Citigroup affiliate submits a proposal to serve as transfer agent or sub-transfer agent, an independent monitor must be engaged at the expense of SBFM and CGMI to oversee a competitive bidding process. Under the order, Citigroup also must comply with an amended version of a vendor policy that Citigroup instituted in August 2004. That policy, as amended, among other things, requires that when requested by a Smith Barney Fund Board, CAM will retain at its own expense an independent consulting expert to advise and assist the Board on the selection of certain service providers affiliated with Citigroup.

At this time, there is no certainty as to how the proceeds of the settlement will be distributed, to whom such distributions will be made, the methodology by which such distributions will be allocated, and when such distributions will be made.

The foregoing speaks only as of the date of this Proxy Statement. Additional lawsuits presenting allegations and requests for relief arising out of or in connection with any of the foregoing matters may be filed against these and related parties in the future.

The Funds did not implement the transfer agent arrangement described above and therefore will not receive any portion of the distributions.

## **5% Share Ownership**

As of August 22, 2005, the persons listed in *Appendix G* owned of record the amounts indicated of the common or preferred shares of the Funds indicated in *Appendix G*.

## **Security Ownership of Management**

## Edgar Filing: SALOMON BROTHERS MUNICIPAL PARTNERS FUND II INC - Form DEF 14A

As of August 22, 2005, one officer of the Fund, Peter J. Wilby, owned beneficially approximately 2.80% of the outstanding common shares of MNP's capital stock and approximately 5.25% of the outstanding common shares of MPT's capital stock, through accounts held by himself as an individual and jointly with members of his family. Mr. Wilby owned no preferred shares of MNP or MPT. All other Board Members and officers of both Funds owned, in the aggregate, less than 1% of the outstanding shares of each class of the Funds' capital stock at that date.

### **Section 16(a) Beneficial Interest Reporting Compliance**

Section 30(h) of the 1940 Act and Section 16(a) of the 1934 Act require Board Members and officers, the investment adviser, affiliated persons of the investment adviser and persons who own more than 10% of a registered class of a registered closed-end investment company's equity securities to file forms reporting their affiliation with that closed-end investment company and reports of ownership and changes in ownership of that closed-end investment company's shares with the SEC and the NYSE or American Stock Exchange, as applicable. These persons and entities are required by SEC regulations to furnish the closed-end investment company with copies of all Section 16(a) forms they file.

## **Table of Contents**

Based on a review of these forms furnished to each Fund, each Fund believes that its Board Members and officers, the Adviser and affiliated persons of the Adviser have complied with all applicable Section 16(a) filing requirements during its last fiscal year. To the knowledge of management of the Funds, no shareholder of a Fund owns more than 10% of a registered class of a Fund's equity securities, except as set forth in *Appendix G*.

## **Submission of Shareholder Proposals**

A shareholder proposal intended to be presented at a Fund's next annual meeting of shareholders must be (or must have been) received at the offices of that Fund, 125 Broad Street, 10<sup>th</sup> Floor, New York, New York 10004, not later than November 29, 2005, in the case of MNP, or May 6, 2005, in the case of MPT, to be included in the proxy statement and the form of proxy relating to that meeting. The submission by a shareholder of a proposal for inclusion in the proxy statement does not guarantee that it will be included in a proxy statement. Shareholder proposals are subject to certain regulations under the federal securities laws.

The persons named as proxies for a Fund's next annual meeting of the shareholders will have discretionary authority to vote on any matter presented by a shareholder for action at that meeting unless that Fund receives (or received) notice of the matter between January 28, 2006 and February 26, 2006, in the case of MNP, or between July 9, 2005 and August 9, 2005, in the case of MPT, in which case these persons will not have discretionary voting authority except as provided in the SEC's rules governing shareholder proposals.

## **Shareholder Communications**

Shareholders of each Fund can send communications to its Board and to individual Board Members in accordance with the following process: each Fund's Audit Committee has established guidelines and procedures regarding the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters (collectively, "Accounting Matters"). Persons with complaints or concerns regarding Accounting Matters may submit their complaints to the Fund's Chief Compliance Officer ("CCO"). Persons who are uncomfortable submitting complaints to the CCO, including complaints involving the CCO, may submit complaints directly to the Fund's Audit Committee Chair (together with the CCO, "Complaint Officers"). Complaints may be submitted on an anonymous basis.

The CCO may be contacted at:

Citigroup and Legg Mason. These costs will be borne by Citigroup and Legg Mason whether or not the proposal is successful. Solicitation may be made by letter or telephone by officers or employees of the Adviser, or by dealers and their representatives. Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies. Citigroup and Legg Mason will reimburse brokerage firms, custodians, banks and fiduciaries for their expenses in forwarding the Joint Proxy Statement and proxy materials to the beneficial owners of each Fund's shares. In addition, CAM, on behalf of each Fund, has retained Georgeson Shareholder Communications Inc., 17 State Street, New York, New York 10004, a proxy solicitation firm, to assist in the solicitation of proxies. It is anticipated that Georgeson Shareholder Communications Inc. will be paid approximately \$48,500 for such solicitation services (plus reimbursements of out-of-pocket expenses), to be shared equally between Citigroup and Legg Mason. Georgeson Shareholder Communications Inc. may solicit proxies personally and by telephone.

## **Fiscal Year**

The fiscal year end of each Fund is as set forth in *Appendix C*.

## **General**

Management does not intend to present and does not have reason to believe that any other items of business will be presented at the Meetings. However, if other matters are properly presented at the Meetings for a vote, the proxies will be voted by the persons acting under the proxies upon such matters in accordance with their judgment of the best interests of the Fund.

A list of shareholders entitled to be present and to vote at each Meeting will be available at the offices of the Funds, 125 Broad Street, New York, New York, for inspection by any shareholder during regular business hours beginning ten days prior to the date of the Meetings.

Failure of a quorum to be present at any Meeting will necessitate adjournment. The chairman of the Meeting or persons named in the enclosed proxy may also move for an adjournment of any Meeting to permit further solicitation of proxies with respect to any of the proposals if they determine that adjournment and further solicitation is reasonable and in the best interests of the Fund. Under the By-Laws, a meeting may be adjourned from time to time without further notice by the chairman of the meeting. In each case, the meeting may be adjourned to a date not more than 120 days after the original record date.

**Comparison of Terms of Management Agreements**

This *Appendix A* contains a chart comparing the principal terms of the Current Management Agreements with the corresponding terms of the proposed New Management Agreements for both of the Funds.

You should note that the chart contains only a description of the principal provisions of the Current Management Agreements and may not include all of the terms of those Agreements, or the exact wording of those provisions described. The amount of compensation and dates of effectiveness and term of the Current Management Agreements have been omitted. You can find the dates of the Current Management Agreements and the compensation payable under the Agreements in *Appendix C*.

For the purposes of the description of the provisions of the Current Management Agreements, you should note that many of the terms used in your Current Management Agreement may have been changed for the sake of consistency. For example, references to *Manager* or *Investment Adviser* have been disregarded in favor of the consistent use of the term *Adviser*, references to *Directors* have been disregarded in favor of the consistent use of the term *Board*, and references to *Articles of Incorporation* and *Charter* have been disregarded in favor of *governing documents*. In addition, grammatical differences, such as the use of singular versus plural, have been disregarded.

Note that capitalized terms used but not defined in the descriptions of the New Management Agreement have the meanings ascribed to them in the Form of New Management Agreement appearing in *Appendix B*.

The complete text of the form of New Management Agreement is included in *Appendix B* and you should refer to that Appendix for the complete terms of the Agreement.

### Current Management Agreement

As manager of the Fund's assets, the Adviser will make investments for the Fund's accounts in accordance with the investment objective and limitations set forth in the governing documents, the Registration Statement, the 1940 Act, the provisions of the Code relating to regulated investment companies, and policy decisions adopted by the Fund's Board from time to time. The Adviser will advise the Fund's officers and Board, at such times as the Fund's Board may specify, of investments made for the Fund's account and will, when requested by the Fund's officers or Board, supply the reasons for making such investments.

**Brokerage Transactions.** The Adviser is authorized, to the extent permitted by applicable law, to select brokers for the execution of trades for the Fund, which broker may be an affiliate of the Adviser.

The Adviser is authorized, for the purchase and sale of the Fund's portfolio securities, to employ such dealers and brokers as may, in the judgment of the Adviser, implement the policy of the Fund to obtain the best net results taking into account such factors as price, including dealer spread, the size, type and difficulty of the transaction involved, the firm's general execution and operational facilities and the firm's risk in positioning the securities involved. Consistent with this policy, the Adviser is authorized to direct the execution of the Fund's portfolio transactions to dealers and brokers furnishing statistical information or research deemed by the Adviser to be useful or valuable to the performance of its investment advisory functions for the Fund. Information so received will be in addition to and not in lieu of the services required to be performed by the Adviser. It is understood that the expenses of the Adviser will not necessarily be reduced as a result of the receipt of such information or research.

**Transactions with Affiliates.** The Adviser is authorized on behalf of the Fund, from time to time when deemed to be in the best interests of the Fund and to the extent permitted by applicable law, to purchase or sell securities in which the Adviser or any of its affiliates underwrites, deals in or makes a market and may perform or seek to perform investment banking services for issuers of those securities. The Adviser is further authorized to select brokers affiliated with the Adviser for the execution of trades for the Fund as described above under Brokerage Transactions.

### New Management Agreement

The Adviser is also responsible for providing advice and recommendations with respect to other aspects of the business and affairs of the Fund, for exercising voting rights, rights to consent to corporate action and any other rights pertaining to a Fund's portfolio securities, subject to such direction as the Board may provide, and for performing such other functions of investment management and supervision as may be directed by the Board.

The Adviser will place orders pursuant to its investment determinations for the Fund either directly with the issuer or with any broker or dealer, foreign currency dealer, futures commission merchant or others selected by it.

**Brokerage Transactions.** In connection with the selection of such brokers or dealers and the placing of such orders, brokers or dealers may be selected who also provide brokerage and research services (as those terms are defined in Section 28(e) of the Securities Exchange Act of 1934, as amended) to the Funds and/or the other accounts over which the Adviser or its affiliates exercise investment discretion. The Adviser is authorized to pay a broker or dealer who provides such brokerage and research services a commission for executing a portfolio transaction for a Fund which is in excess of the amount of commission another broker or dealer would have charged for effecting that transaction if the Adviser determines in good faith that such amount of commission is reasonable in relation to the value of the brokerage and research services provided by such broker or dealer. This determination may be viewed in terms of either that particular transaction or the overall responsibilities which the Adviser and its affiliates have with respect to accounts over which they exercise investment discretion. The Board may adopt policies and procedures that modify and restrict the Adviser's authority regarding the execution of the Fund's portfolio transactions.

**Transactions with Affiliates.** The Fund authorizes any entity or person associated with the Adviser which is a member of a national securities exchange to effect any transaction on the exchange for the account of the Fund which is permitted by Section 11(a) of the Securities Exchange Act of 1934, as amended, and Rule 11a2-2(T) under that Act, and the Fund consents to the retention of compensation by such person or entity for such transactions in accordance with Rule 11a2-2(T)(a)(2)(iv). However, the Adviser agrees that it will not deal with itself, or with members of the Board or any principal underwriter of the Fund, as principals or agents in making purchases or sales of securities or other property for the account of a Fund, nor will it purchase any securities from an underwriting or selling group in which the Adviser or its affiliates is participating, or arrange for purchases and sales of securities between a Fund and another account advised by

**Use of Sub-Advisers or Sub-Administrators.** Subject to the Board's approval, the Adviser or the Fund may engage one or more investment sub-advisers or sub-administrators, so long as (i) the Adviser supervises the activities of each sub-adviser or sub-administrator, (ii) the contracts entered into by the Adviser with any such sub-adviser or sub-administrator impose on them all of the conditions to which the Adviser is subject under the New Management Agreement, and (iii) such contracts are entered into in accordance with and meet all requirements of the 1940 Act and rules thereunder.

The Adviser is required to surrender promptly to the Fund any of such records upon the Fund's request.

The Adviser, at its own expense, is also required to furnish the Fund with office facilities, including space, furniture and equipment and officers and employees satisfactory to the Fund's Board. **Fees.** In consideration of the services to be rendered by the Adviser under the Current Management Agreement, the Fund will pay the Adviser a monthly fee in United States dollars on the first business day of each month for the previous month at an annual rate set forth in the Fund's Current Management Agreement<sup>1</sup> based on the value of the Fund's average weekly net assets including the proceeds of any outstanding borrowings used for leverage. If the fee payable to the Adviser begins to accrue before the end of any month or if the Current Management Agreement terminates before the end of any month, the fee for the period from such date to the end of such month or from the beginning of such month to the date of termination, as the case may be, will be prorated according to the proportion which such period bears to the full month in which such effectiveness or termination occurs. For purposes of calculating each such monthly fee, the value of the Fund's net assets will be computed at the time and in the manner specified in the Registration Statement.

**Limitation of Liability of the Adviser; Indemnification and Advancement of Expenses.** The Adviser will not be liable for any error of judgment or mistake of law or for any act or omission or any loss suffered by the Fund in connection with the matters to which the Current Management Agreement relates, provided that nothing in the Agreement will be deemed to protect or purport to protect the Adviser against any liability to the Fund or its shareholders to which the Adviser would otherwise be subject by reason of willful misfeasance, bad faith or gross negligence on its part in the performance of its duties or from reckless disregard by it of its obligations and duties under the Agreement.

The Fund will indemnify the Adviser against, and hold it harmless from, any and all losses, claims, damages, liabilities or expenses (including reasonable counsel fees and expenses) including any amounts paid in satisfaction of judgments, in compromise or as fines or penalties, not resulting from willful misfeasance, bad faith or gross negligence on its part in the performance of its duties or from reckless disregard by it of its obligations and duties under the Agreement. If the New Management Agreement is terminated as of any date not the last day of a month, the management fee is to be accordingly adjusted and prorated.

**Limitation of Liability of the Adviser; Indemnification and Advancement of Expenses.** The Adviser (and any affiliates of the Adviser performing services for the Fund contemplated by the New Management Agreement and the partners, shareholders, directors, officers and employees of the Adviser and such affiliates) assumes no responsibility under the New Management Agreement other than to render the services described in the agreement, in good faith, and will not be liable for any error of judgment or mistake of law, or for any loss arising out of any investment or for any act or omission in the execution of securities transactions for a Fund, except by reason of willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of its reckless disregard of its obligations and duties.

The Board may adopt policies and procedures that modify and restrict the Manager's authority regarding the execution of the Fund's portfolio transactions provided herein. The Manager shall also provide advice and recommendations with respect to other aspects of the business and affairs of the Fund, shall exercise voting rights, rights to consent to corporate action and any other rights pertaining to a Fund's portfolio securities subject to such direction as the Board may provide, and shall perform such other functions of investment management and supervision as may be directed by the Board.

(b) Subject to the direction and control of the Board, the Manager shall perform such administrative and management services as may from time to time be reasonably requested by the Fund as necessary for the operation of the Fund, such as (i) supervising the overall administration of each Fund, including negotiation of contracts and fees with and the monitoring of performance and billings of the Fund's transfer agent, shareholder servicing agents, custodian and other independent contractors or agents, (ii) providing certain compliance, fund accounting, regulatory reporting, and tax reporting services, (iii) preparing or participating in the preparation of Board materials, registration statements, proxy statements and reports and other communications to shareholders, (iv) maintaining the Fund's existence, and (v) during such times as shares are publicly offered, maintaining the registration and qualification of the Fund's shares under federal and state laws. (c) The Fund hereby authorizes any entity or person associated with the Manager which is a member of a national securities exchange to effect any transaction on the exchange for the account of the Fund which is permitted by Section 11(a) of the Securities Exchange Act of 1934, as amended, and Rule 11a2-2(T) thereunder, and the Fund hereby consents to the retention of compensation for such transactions in accordance with Rule 11a2-2(T)(a)(2)(iv). Notwithstanding the foregoing, the Manager agrees that it will not deal with itself, or with members of the Board or any principal underwriter of the Fund, as principals or agents in making purchases or sales of securities or other property for the account of a Fund, nor will it purchase any securities from an underwriting or selling group in which the Manager or its affiliates is participating, or arrange for purchases and sales of securities between a Fund and another account advised by the Manager or its affiliates, except in each case as permitted by the 1940 Act and in accordance with such policies and procedures as may be adopted by a Fund from time to time, and will comply with all other provisions of the Governing Documents and the Fund's then-current Prospectus and Statement of Additional Information relative to the Manager and its directors and officers.

(4) Subject to the Board's approval, the Manager or the Fund may enter into contracts with one or more investment sub-advisers or sub-administrators, including without limitation, affiliates of the Manager, in which the Manager delegates to such investment sub-advisers or sub-administrators any or all its duties specified hereunder, on such terms as the Manager will determine to be necessary, desirable or appropriate, provided that in each case the Manager shall supervise the activities of each such sub-adviser or sub-administrator and further provided that such contracts impose on any investment sub-adviser or sub-administrator bound thereby all the conditions to which the Manager is subject hereunder and that such contracts are entered into in accordance with and meet all applicable requirements of the 1940 Act.

5. (a) The Manager, at its expense, shall supply the Board and officers of the Corporation with all information and reports reasonably required by them and reasonably available to the Manager and shall furnish the Fund with office facilities, including space, furniture and equipment and officers and employees satisfactory to the Board. In compliance with the requirements of Rule 31a-3 under the 1940 Act, the Manager hereby agrees that any records that it maintains for the Fund are the property of the Fund, and further agrees to surrender promptly to the Fund any of such records upon the Fund's request. The Manager further agrees to arrange for the preservation of the records required to be maintained by Rule 31a-1 under the 1940 Act for the periods prescribed by Rule 31a-2 under the 1940 Act. The Manager shall authorize and permit any of its directors, officers and employees, who may be elected as Board members or officers of the Fund, to serve in the capacities in which they are elected.

6. No member of the Board, officer or employee of the Corporation or Fund shall receive from the Corporation or Fund any salary or other compensation as such member of the Board, officer or employee while he is at the same time a director, officer, or employee of the Manager or any affiliated company of the Manager, except as the Board may decide. This paragraph shall not apply to Board members, executive committee members, consultants and other persons who are not regular members of the Manager's or any affiliated company's staff.

7. As compensation for the services performed and the facilities furnished and expenses assumed by the Manager, including the services of any consultants retained by the Manager, the Fund shall pay the Manager, as promptly as possible after the last day of each month, a fee, computed daily at an annual rate set forth opposite the Fund's name on Schedule A annexed hereto, provided however, that if the Fund invests all or substantially all of its assets in another registered investment company for which the Manager or an affiliate of the Manager serves as investment adviser or investment manager, the annual fee computed as set forth on such Schedule A shall be reduced by the aggregate management fees allocated to that Fund for the Fund's then-current fiscal year from such other registered investment company. The first payment of the fee shall be made as promptly as possible at the end of the month succeeding the effective date of this Agreement, and shall constitute a full payment of the fee due the Manager for all services prior to that date. If this Agreement is terminated as of any date not the last day of a month, such fee shall be paid as promptly as possible after such date of termination, shall be based on the average daily net assets of the Fund in that period from the beginning of such month to such date of termination, and shall be that proportion of such average daily net assets as the number of business days in such period bears to the number of business days in such month. The average daily net assets of the Fund shall in all cases be based only on business days and be computed as of the time of the regular close of business of the New York Stock Exchange, or such other time as may be determined by the Board.

8. The Manager assumes no responsibility under this Agreement other than to render the services called for hereunder, in good faith, and shall not be liable for any error of judgment or mistake of law, or for any loss arising out of any investment or for any act or omission in the execution of securities transactions for a Fund, provided that nothing in this Agreement shall protect the Manager against any liability to the Fund to which the Manager would otherwise be subject by reason of willful misfeasance, bad faith, or gross negligence in the performance of its duties or by reason of its reckless disregard of its obligations and duties hereunder. As used in this Section 8, the term "Manager" shall include any affiliates of the Manager performing services for the Corporation or the Fund contemplated hereby and the partners, shareholders, directors, officers and employees of the Manager and such affiliates.

9. Nothing in this Agreement shall limit or restrict the right of any director, officer, or employee of the Manager who may also be a Board member, officer, or employee of the Corporation or the Fund, to engage in any other business or to devote his time and attention in part to the management or other aspects of any other business, whether of a similar nature or a dissimilar nature, nor to limit or restrict the right of the Manager to engage in any other business or to render services of any kind, including investment advisory and management services, to any other fund, firm, individual or association. If the purchase or sale of securities consistent with the investment policies of a Fund or one or more other accounts of the Manager is considered at or about the same time, transactions in such securities will be allocated among the accounts in a manner deemed equitable by the Manager. Such transactions may be combined, in accordance with applicable laws and regulations, and consistent with the Manager's policies and procedures as presented to the Board from time to time.

15. This Agreement embodies the entire agreement and understanding between the parties hereto, and supersedes all prior agreements and understandings relating to the subject matter hereof. Should any part of this Agreement be held or made invalid by a court decision, statute, rule or otherwise, the remainder of this Agreement shall not be affected thereby. This Agreement shall be binding on and shall inure to the benefit of the parties hereto and their respective successors.

16. This Agreement shall be construed and the provisions thereof interpreted under and in accordance with the laws of the State of New York.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their officers thereunto duly authorized.

<sup>1</sup> The base fee for Salomon Brothers Investors Value Fund Inc ( Investors Fund ) and The Salomon Brothers Fund Inc ( SBF ) may be increased or decreased based on the performance of the applicable Fund relative to the investment record of the Standard and Poor's Composite Index of 500 Stocks (the S&P 500 Index ). At the end of each calendar quarter, for each percentage point by which the investment performance of the applicable Fund exceeds or is exceeded by the investment record of the S&P 500 Index over the one year period ending on the last day of the calendar quarter for which the adjustment is being calculated, the base fee will be adjusted upward or downward by the product of (i) 1/4 of .01% multiplied by (ii) the average daily net assets of the applicable Fund for the one year period preceding the end of the calendar quarter. If the amount by which Investors Fund or SBF outperforms or underperforms the S&P 500 Index is not a whole percentage point, a pro rata adjustment shall be made. However, there will be no performance adjustment unless the investment performance of the applicable Fund exceeds or is exceeded by the investment record of the S&P 500 Index by at least one percentage point. The maximum quarterly adjustment is 1/4 of .10%, which would occur if the applicable Fund's performance exceeds or is exceeded by the S&P 500 Index by ten or more percentage points. The first performance adjustment was paid on September 30, 1995 for Investors Fund and on June 30, 1995 for SBF for the one-year periods ended on such dates after which any performance adjustment has been calculated quarterly based on a rolling one-year period.
