Item 1.01 Entry into a Material Definitive Agreement.

On June 9, 2006, the Board of Directors (the *Board*) of Discovery Partners International, Inc. (the *Company* or *DPI*) approved an amendment to the automatic non-employee director option grants under the Company's 2000 Stock Incentive Plan (the *Plan*), subject to the closing of the merger described in that certain Agreement and Plan of Merger and Reorganization (the *Merger Agreement*), by and among DPI, Infinity Pharmaceuticals, Inc. (*Infinity*) and Darwin Corp., a wholly-owned subsidiary of DPI, pursuant to which Infinity will become a wholly-owned subsidiary of the Company (the *Merger*). The full text of this amendment is set forth in Amendment No. 1 to the Plan (*Amendment No. 1*) in Annex H to DPI's Registration Statement on Form S-4 (the *Form S-4*) filed with the Securities and Exchange Commission (the *SEC*) on May 24, 2006. The Merger Agreement is incorporated herein by reference to Annex A to the Form S-4.

Under Amendment No. 1 to the Plan, the following non-statutory stock option grants were approved:

Each non-employee director who serves on the Board immediately after the closing of the Merger shall receive a stock option to purchase 75,000 shares of the combined company's common stock, 25,000 shares of which will vest one year after the date of grant, with the remainder vesting in quarterly installments of 6,250 shares beginning at the end of the first quarter thereafter.

Each non-employee director serving as a director on the third anniversary of (i) the closing of the Merger, in case of directors serving on the Board immediately after the closing of the Merger, or (ii) his or her election to the Board, in the case of directors elected after the closing of the Merger, shall, at the date of the first annual stockholders meeting following such third anniversary and annually thereafter, receive a stock option to purchase 15,000 shares of the combined company's common stock which will vest in equal quarterly installments of 3,750 shares beginning at the end of the first quarter after the date of grant.

Each non-employee director serving in the following Board and Board committee positions will receive additional stock options to purchase shares of the combined company's common stock in the following indicated amounts upon commencement of service in such position and on each anniversary thereafter for which the director continues to serve in such position. Each of these grants will be exercisable in equal quarterly installments beginning at the end of the first quarter after the date of the grant, provided the holder continues to serve in the applicable position:

Position:	Stock Option Grant:
Lead Outside Director	25,000 shares
Lead Research and Development Director	10,000 shares
Chairman of the Audit Committee of the Board	10,000 shares
Chairman of the Compensation Committee of the Board	5,000 shares
Chairman of the Nominating and Corporate Governance Committee of the Board	5,000 shares

Separately, the Board, other than Colin Dollery and Alan Lewis, approved an amendment to the Plan and certain stock option awards for Messrs. Dollery and Lewis to provide that, subject to the closing of the Merger and their resignation from the Board, all outstanding stock options held by Messrs. Dollery and Lewis will become exercisable for three (3) years from the date of their resignations. In addition, the Company will reimburse up to \$10,000 each for any liability Messrs. Dollery and Lewis may incur as a result of the extension of the exercise period for their options under Section 409A of the Internal Revenue Code of 1986, as amended. These reimbursement amounts will be reduced to the extent they reduce DPI's net cash at closing, as described in the Merger Agreement, below \$70 million.
