Item 1.01 Entry into a Material Definitive Agreement.

Stockholder Ratification and Approval of Certain Proposals Submitted to Stockholders as Described in Our Definitive Proxy Statement, Including the DCT Industrial Trust Inc. 2006 Long-Term Incentive Plan and DCT Industrial Trust Inc. 2006 Incentive Compensation Plan

As previously disclosed in our Current Report on Form 8-K filed on July 27, 2006, we entered into a contribution agreement (the Contribution Agreement), dated as of July 21, 2006, with DCT Industrial Operating Partnership LP (f/k/a Dividend Capital Operating Partnership LP) (our Operating Partnership) and Dividend Capital Advisors Group LLC (DCAG), the parent company of Dividend Capital Advisors LLC, our former affiliated external advisor (our Former Advisor). The Contribution Agreement provides that, subject to approval by our stockholders and subject to the satisfaction of certain other conditions, the entire outstanding membership interest, and all economic interests, in our Former Advisor will be contributed by DCAG to our Operating Partnership in exchange for aggregate consideration of 15,111,111 units of limited partnership interest (the OP Units) in our Operating Partnership, which includes the modification of a special series of units of limited partnership interest in our Operating Partnership held by DCAG into OP Units (the Modification). We refer to this transaction as the Internalization.

In connection with the proposed Internalization, we filed a definitive proxy statement (the Proxy Statement) with the Securities and Exchange Commission (the Commission) on September 1, 2006. In the Proxy Statement, we described and asked our stockholders to consider and vote on seven proposals (as described below) at our 2006 Annual Meeting of Stockholders (the Annual Meeting).

On October 6, 2006, we held our Annual Meeting, and at such meeting our stockholders elected the seven nominees described in the Proxy Statement to our Board of Directors (our Board) to hold office until the earlier of our 2007 Annual Meeting of Stockholders or their respective successors are duly nominated and elected by our Board. Those nominees were: Thomas G. Wattles, Evan H. Zucker, James R. Mulvihill, Phillip R. Altinger, Tripp H. Hardin, John C. O'Keefe and Bruce L. Warwick, all of whom were being re-elected to our Board by our stockholders except for Messrs. Altinger and Warwick, who were appointed by our Board as directors after our 2005 Annual Meeting of Stockholders and thus were elected for the first time by our stockholders (as opposed to our Board) at the Annual Meeting. In addition, at the Annual Meeting, our stockholders approved resolutions ratifying and approving the following proposals: (i) the ratification of our selection of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2006; (ii) the approval of the Internalization; (iii) the approval of our Second Articles of Amendment and Restatement (our Pre-Listing Charter), which is an amendment and restatement of our prior Articles of Incorporation, to modify certain provisions of our prior Articles of Incorporation to reflect that we would become self-advised upon consummation of the Internalization and to change the name of our company to DCT Industrial Trust Inc.; (iv) the adoption of our DCT Industrial Trust Inc. 2006 Long-Term Incentive Plan (our Long-Term Incentive Plan); and (v) the adoption of our DCT Industrial Trust Inc. 2006 Incentive Compensation Plan (our Incentive Compensation Plan).

We adjourned the Annual Meeting until Tuesday, October 10, 2006, solely with respect to the proposal to approve our Third Articles of Amendment and Restatement (our Post-Listing Charter), which is a further amendment and restatement of our Pre-Listing Charter that will only become effective upon a listing of our shares of common stock, par value \$0.01 per share (our Common Stock) on a national securities exchange (the Post-Listing Charter Amendment Proposal). The principal purpose of the amendment contemplated by the Post-Listing Charter Amendment Proposal is to modify certain provisions of our Pre-Listing Charter to conform more closely to the articles of incorporation of other real estate investment trusts (REITs) whose securities are publicly traded and listed on the New York Stock Exchange, Inc. On Tuesday, October 10, 2006, we reconvened the Annual Meeting and our stockholders approved our Post-Listing Charter Amendment Proposal.

A copy of our Long-Term Incentive Plan and our Incentive Compensation Plan are attached hereto as Exhibits 10.1 and 10.2, respectively, and are incorporated by reference into this Item 1.01. Descriptions of the material terms of our Long-Term Incentive Plan and our Incentive Compensation Plan can be found in the sections of the Proxy Statement entitled Proposal VI: The Long-Term Incentive Plan Proposal Summary of the Plan and Proposal VII: The Incentive Compensation Plan Proposal Summary of the Incentive Compensation Plan, respectively, and are incorporated by reference into this Item 1.01.

On October 10, 2006, we closed the Internalization. In connection with the closing of the Internalization, we issued the 15,111,111 OP Units to DCAG, which included the Modification. Following the closing of the Internalization, on October 10, 2006, we filed our Pre-Listing Charter with the State Department of Assessment and Taxation of the State of Maryland (the SDAT), which, among other things, changed our name from Dividend Capital Trust Inc. to DCT Industrial Trust Inc.

On October 10, 2006, we filed with the Commission a Registration Statement on Form S-8 to register shares of our Common Stock to be granted pursuant to our Long-Term Incentive Plan.

Indemnification Agreements

On October 6, 2006, our Board authorized us to enter into indemnification agreements with our directors and officers. Each of these agreements will provide that we will indemnify the relevant indemnitee against, and advance certain expenses relating to, liabilities incurred in the performance of such indemnitee's duties on our behalf to the fullest extent permitted under applicable law and our Pre-Listing Charter and clarifies the procedures and presumptions that will apply if such indemnitee seeks such indemnification or advancement of expenses. A copy of a form of this agreement is attached hereto as Exhibit 10.3.

The following officers of our Company and members of our Board, who are entering into these indemnification agreements, have material relationships with us and our affiliates: (i) Mr. Thomas G. Wattles, our Executive Chairman and a director, is entitled to receive 8.084% of the net cash flow of DCAG (a Cash Flow Interest), and has indirect beneficial ownership and control with his spouse of a 12.825% membership interest in DCAG, and accordingly received, through such interests, a beneficial interest in 1,222,000 OP Units in connection with the Internalization, which, if such OP Units were exchanged for shares of our Common Stock on a one-for-one basis, would represent an aggregate of 0.724% of our outstanding shares of Common Stock, as of October 13, 2006; (ii) Mr. James R. Mulvihill, a director, has a 12.280% Cash Flow Interest and indirect beneficial ownership and control with his spouse of a 23.014% membership interest in DCAG, and accordingly received, through such interests, a beneficial interest in 1,856,000 OP Units in connection with the Internalization, which, if such OP Units were exchanged for shares of our Common Stock on a one-for-one basis, would represent an aggregate of 1.070% of our outstanding shares of Common Stock, as of October 13, 2006; and (iii) Mr. James D. Cochran, our President and Chief Investment Officer, Daryl H. Mechem, our Managing Director of Operations, Matthew T. Murphy, our Treasurer and Senior Vice President of Finance, and Michael J. Ruen, our Senior Vice President, collectively have an aggregate 9.987% Cash Flow Interest, and accordingly collectively received, through such collective interests, a beneficial interest in an aggregate of 1,510,000 OP Units in connection with the Internalization, which, if such OP Units were exchanged for shares of our Common Stock on a one-for-one basis, would represent an aggregate of 0.871% of our outstanding shares of Common Stock, as of October 13, 2006.

Amendments to Operating Partnership's Partnership Agreement

On October 10, 2006, in connection with and before the closing of the Internalization, as general partner and on behalf of our Operating Partnership, we entered into Amendment Number Two (Amendment Two) to the Limited Partnership Agreement of our Operating Partnership (the Partnership Agreement), to reflect therein and give effect to the Modification.

Also on October 10, 2006, after the closing of the Internalization and after we filed our Pre-Listing Charter with the SDAT as described above, we filed a Certificate of Amendment (the Certificate of Amendment) with the Secretary of State of the State of Delaware (the Delaware Secretary of State) to change the name of our Operating Partnership from Dividend Capital Operating Partnership LP to DCT Industrial Operating Partnership LP.

In addition, on October 10, 2006, after the closing of the Internalization, filing our Pre-Listing Charter with the SDAT and filing the Certificate of Amendment with the Delaware Secretary of State, in each case, as described above, we, as general partner and on behalf of our Operating Partnership, amended and restated the Limited Partnership Agreement of our Operating Partnership (as so amended and restated, the Amended and Restated Partnership Agreement) to, among other things (including ministerial changes), establish the terms of the LTIP Units as a separate class of limited partner interests designed to qualify as profits interests for U.S. federal income tax purposes. As profits interests, LTIP Units initially will not have full parity, on a per-Unit basis, with OP Units with respect to liquidating distributions. Upon the occurrence of certain specified events, LTIP Units can over time achieve full parity with OP Units and therefore accrete to an economic value for the participant equivalent to OP Units. If such parity is achieved, LTIP Units may be converted, subject to the satisfaction of applicable vesting conditions, on a one-for-one basis into OP Units, which in turn are redeemable by the holder for shares of our Common Stock on a one-for-one basis or for the cash value of such shares, at our election. However, there are circumstances under which LTIP Units will not achieve parity with OP Units, and until such parity is achieved, the value that a holder of LTIP Units could realize for a given number of LTIP Units will be less than the value of an equal number of shares of our Common Stock and may even be zero. LTIP Units, whether vested or unvested, will entitle the holder to receive non-liquidating distributions in an amount equal to the dividends or non-liquidating distributions made with respect to the number of shares of our Common Stock underlying those LTIP Units from and after the date specified by us in connection with the issuance of the LTIP Units.

A copy of Amendment Two and the Amended and Restated Partnership Agreement are attached hereto as Exhibits 10.4 and 10.5, respectively.

Item 1.02 Termination of a Material Definitive Agreement.

Termination of Dealer Manager Agreements

In connection with the Internalization, (i) we entered into a Termination Agreement (the Public Offering Termination Agreement), dated as of October 10, 2006, with Dividend Capital Securities LLC (the Dealer Manager), pursuant to which, effective upon the consummation of the Internalization, that certain Dealer Manager Agreement by and between us and the Dealer Manager (the Company's Dealer Manager Agreement), relating to our prior continuous public offerings, would be terminated; and (ii) as general partner and on behalf of our Operating Partnership, we also entered into a Termination Agreement (the Private Placement Termination Agreement), dated as of October 10, 2006, with the Dealer Manager, pursuant to which, effective upon the consummation of the Internalization, that certain Dealer Manager Agreement by and between our Operating Partnership and the Dealer Manager (the Operating Partnership's Dealer Manager Agreement), relating to our Operating Partnership's prior private placements of undivided tenancy-in-common interests in certain of its properties (the Private Placements), would be terminated. Since the Internalization was consummated on October 10, 2006, each of the Company's Dealer Manager Agreement and our Operating Partnership's Dealer Manager Agreement were terminated pursuant to and in accordance with the Public Offering Termination Agreement and the Private Placement Termination Agreement, respectively.

Prior to the termination of the Company's Dealer Manager Agreement and our Operating Partnership's Dealer Manager Agreement, our prior continuous public offerings of shares of our Common Stock and our Operating Partnership's Private Placements were managed by the Dealer Manager, pursuant to the terms of those respective agreements.

Prior to the termination of the Company's Dealer Manager Agreement and our Operating Partnership's Dealer Manager Agreement, the Dealer Manager was paid certain dealer manager fees and sales commissions. In addition, pursuant to our first and second continuous public offerings, the Dealer Manager earned one soliciting dealer warrant for every 25 shares of our Common Stock sold. The holder of a soliciting dealer warrant has the right to purchase one share of Common Stock for \$12.00. In September 2005, our Board approved and we issued approximately 2.2 million soliciting dealer warrants to the Dealer Manager representing all of the warrants the Dealer Manager earned in connection with our first and second continuous public offerings.

The Dealer Manager currently owns warrants that are exercisable into 2,060,514 shares of our Common Stock at an exercise price of \$12.00 per share. The Dealer Manager is owned by Dividend Capital Securities Group LLLP, in which Thomas Wattles and James Mulvihill and their affiliates indirectly own limited partnership interests.

A copy of the Public Offering Termination Agreement and the Private Placement Termination Agreement are attached hereto as Exhibits 10.6 and 10.7, respectively, and are incorporated by reference into this Item 1.02.

Termination of Intellectual Property Licensing Agreement

In connection with the Internalization, as general partner and on behalf of our Operating Partnership, we entered into a Termination Agreement (the Facilitator Termination Agreement), dated as of October 10, 2006, with Dividend Capital Exchange Facilitators LLC (the Facilitator), pursuant to which, effective upon the consummation of the Internalization, that certain Intellectual Property Licensing Agreement by and between our Operating Partnership and the Facilitator (the Facilitator Agreement) would be terminated. Since the Internalization was consummated on October 10, 2006, the Facilitator Agreement was terminated pursuant to and in accordance with the Facilitator Termination Agreement.

Prior to the termination of the Facilitator Agreement, the Facilitator was responsible for the facilitation of transactions associated with our Operating Partnership's Private Placements.

Messrs. Thomas Wattles and James Mulvihill and their affiliates have ownership interests in the Facilitator.

A copy of the Facilitator Termination Agreement is attached hereto as Exhibits 10.8 and is incorporated by reference into this Item 1.02.
