Item 8.01. Other Events.

As previously reported in the Current Report on Form 8-K filed by Vonage Holdings Corp. (the Company) on April 25, 2008, the Company signed a non-binding letter of intent on April 18, 2008 with a third party financing source to provide \$215 million in a private debt financing, subject to certain conditions. Although the terms of the financing arrangement may change, the Company currently expects that approximately two-thirds of the financing will be provided through a senior secured credit facility and approximately one-third will be provided through the issuance of convertible secured notes.

On June 16, 2008, the third party financing source and the Company agreed to extend the exclusivity period under the non-binding letter of intent from June 13, 2008 to June 23, 2008 to permit the third party financing source to continue to negotiate the terms of the financing commitment. The other party has not agreed to deliver a financing commitment and there can be no assurance that the financing will be successfully consummated.

While the Company may elect to update forward-looking statements at some point in the future, it specifically disclaims any obligation to do so, and therefore, you should not rely on these forward-looking statements as representing our views as of any date subsequent to today.
