Due to ongoing review and analysis of certain contributions that may be required with respect to certain past and present Cascade Corporation Savings and Investment Plan (the Plan) participants, the Plan was unable to complete the annual audit by the filing deadline. The Plan believes that the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2008, will reflect a decrease in net assets available for benefits of approximately \$20.2 million. The decrease is due primarily to the net depreciation in the fair value of investments as a result of the economic recession.
