INFORMATION CONCERNING THE PROXY MATERIALS AND THE ANNUAL MEETING

Our Board of Directors is soliciting proxies to be voted at the 2010 Annual Meeting of Stockholders to be held on February 9, 2010. Your vote is very important. For this reason, our Board is requesting that you permit your common stock to be represented at the Annual Meeting by the persons named as proxies for the Annual Meeting. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully.

Our principal executive offices are located at 43 Manning Road, Billerica, Massachusetts 01821. Our main telephone number is (978) 663-7598. In this proxy statement, CSP Inc. is sometimes referred to as the Company and CSPI.

Internet Availability of Proxy Materials and Annual Report

These proxy solicitation materials are available at www.amstock.com/proxyservices/viewmaterial.Asp?CoNumber=01524 on or about December 29, 2009 to all stockholders entitled to vote at the Annual Meeting. A copy of our Annual Report on Form 10-K for the fiscal year ended September 30, 2009 will be made available at www.amstock.com/proxyservices/viewmaterial.Asp?CoNumber=01524 concurrently with these proxy solicitation materials.

Pursuant to the rules adopted by the Securities and Exchange Commission, which is referred to in this proxy statement as the SEC, the Company is required to provide access to our proxy materials via the Internet. Accordingly, we are furnishing proxy materials to our stockholders primarily via the Internet, rather than mailing printed copies of these materials to each stockholder. The Company believes that this new process should expedite stockholders' receipt of proxy materials, lower the costs incurred by the Company for the Annual Meeting and help to conserve natural resources. On or about December 29, 2009, we mailed to our stockholders a Notice of Internet Availability of Proxy Materials, in the form of a mailing titled "Important Notice Regarding the Availability of Proxy Materials," that contains instructions on how to access and review the proxy materials, including this proxy statement and our Annual Report on Form 10-K, on a website referred to in such notice and how to access a proxy card to vote on the Internet or by telephone. The Notice of Internet Availability of Proxy Materials also contains instructions on how to receive a paper copy of the proxy materials and how to instruct us to send future proxy materials to stockholders electronically by email. Any stockholder's election to receive the Proxy Materials by email will remain in effect until such stockholder terminates the request. If you receive a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request one. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, currently or on an ongoing basis, please follow the instructions included in the Notice of Internet Availability of Proxy Materials.

QUESTIONS AND ANSWERS REGARDING THE ANNUAL MEETING

Where and when is the Annual Meeting of Stockholders?

Our annual meeting of stockholders will be held at our executive offices, 43 Manning Road, Billerica, Massachusetts at 9:00 a.m. local time on February 9, 2010.

Who may vote at the Annual Meeting?

You may vote if our records show that you owned your shares on December 18, 2009, which is the record date. At the close of business on the record date, 3,587,925 shares of our common stock were issued and outstanding and eligible to vote. You may cast one vote for each share of common stock held of record by you on the record date on all matters presented.

Table of Contents

Why did I receive a notice in the mail this year regarding the Internet availability of proxy materials instead of printed proxy materials?

The Company has elected to provide access to the proxy materials over the Internet. We believe that this initiative will enable the Company to provide proxy materials to stockholders more quickly, reduce the impact of our Annual Meeting on the environment, and reduce costs.

What is the difference between holding shares as a stockholder of record and beneficial owner?

Most of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Co., you are considered the stockholder of record with respect to those shares, and the Notice of Internet Availability of Proxy Materials was sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us via the Internet, by telephone or by mail, or to vote in person at the Annual Meeting.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares, which are held in street name, and the Notice of Internet Availability of Proxy Materials is being provided to you by your broker, bank or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting, unless you request, complete and deliver a proxy from your broker, bank or nominee. Your broker, bank or nominee has sent you a voting instruction card for you to use in directing the broker, bank or nominee how to vote your shares.

How many votes can be cast by all stockholders?

Each share of our common stock is entitled to one vote. There is no cumulative voting. We had 3,587,925 shares of common stock outstanding and entitled to vote on the record date.

How many votes must be present to hold the Annual Meeting?

We must have a quorum in order to hold the Annual Meeting and conduct business. A majority of our issued and outstanding shares as of the record date constitutes a quorum. Shares are counted if you are present at the Annual Meeting or a proxy card has been properly submitted by you or on your behalf. In general, abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. The vote on each matter submitted to stockholders is tabulated separately. American Stock Transfer & Trust Co. will tabulate the votes.

How many votes are required to elect directors?

Directors are elected by a *plurality* of the votes cast. This means that the two individuals nominated for election to the Board of Directors who receive the most FOR votes (among votes properly cast in person or by proxy) will be elected; a nominee does not need to receive a majority to be elected. If you withhold authority to vote with respect to the election of a nominee, your shares will not be voted with respect to that nominee. Your shares will be counted for purposes of determining whether there is a quorum.

How many votes are required to ratify the appointment of the Company's independent auditors?

Ratification of the appointment of McGladrey & Pullen, LLP as the Company's independent auditors requires the affirmative vote of a majority of the shares represented and entitled to vote at the Annual Meeting.

Table of Contents

You may vote either **FOR** or **AGAINST** ratification of the appointment, or you may abstain. A properly executed proxy marked **ABSTAIN** with respect to the ratification of the appointment will not be counted as a vote cast with respect to such ratification.

How do I vote?

You may vote in one of three ways:

Over the Internet

If your shares are registered in your name: Vote your shares over the Internet by accessing the proxy online voting website at: **www.voteproxy.com** and following the on-screen instructions. You will need the company number, account and control numbers that appears on your Notice of Internet Availability of Proxy Materials when you access the web page.

If your shares are held in the name of a broker, bank or other nominee: Vote your shares over the Internet by following the voting instructions that you receive from such broker, bank or other nominee.

By Telephone

If your shares are registered in your name: Vote your shares over the telephone by accessing the telephone voting system toll-free at **1-800-PROXIES (1-800-776-9437)** in the United States or **1-718-921-8500** from foreign countries from any touch-tone telephone and following the telephone voting instructions. The telephone instructions will lead you through the voting process. You will need the Company number, account and control numbers that appears on your Notice of Internet Availability of Proxy Materials when you call.

If your shares are held in the name of a broker, bank or other nominee: Vote your shares over the telephone by following the voting instructions you receive from such broker, bank or other nominee.

By Mail

If you received these annual meeting materials by mail: Vote by signing and dating the proxy card(s) and returning the card(s) in the prepaid envelope. Also, you can vote over the Internet or by using a toll-free telephone number. Instructions about these ways to vote appear on the proxy card. If you vote via the Internet or by telephone, please have your proxy card and control number available.

What if I submit my proxy but do not vote for one or more of the proposals?

If you submit your proxy via the Internet, by telephone or by returning your signed proxy card, but do not mark or specify selections, it will be voted in accordance with the recommendations of the Board of Directors. If you indicate a choice with respect to any matter to be acted upon on your proxy, the shares will be voted in accordance with your instructions.

If you are a beneficial owner and hold your shares through a broker and do not submit your selections in accordance with the instructions received from your broker, the broker or other nominee will determine if it has discretionary authority to vote on the particular matter. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have discretion to vote such shares on routine matters, but not on non-routine matters. Routine matters include ratification of auditors. Non-routine matters include matters such as the election of directors. If the broker determines it does not have discretionary authority to vote on a particular matter, it will indicate a broker non-vote for such matter in the proxy. Broker non-votes are treated as present for purposes of determining the presence of a quorum, but are also treated as not entitled to vote.

Can I change or revoke my vote after submitting it?

Yes. After you submit your vote via the Internet, by telephone or by mail, you retain the power to revoke your proxy or change your vote. You can revoke your proxy or change your vote at any time before it is

Table of Contents

exercised by giving written notice to our corporate secretary specifying such revocation. You may change your vote by timely delivery of a valid, later-dated proxy or by voting by ballot at the Annual Meeting if you are a record holder.

Who can attend the Annual Meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend. Each stockholder may also bring guests to the meeting if there is space available.

Where can I find more information?

We file annual, quarterly and current reports, proxy statements, and other information with the Securities and Exchange Commission (SEC). Our common stock is traded on the NASDAQ Global Market (NASDAQ) under the symbol CSPI. You may read and copy any document that we file at the SEC's Public Reference Room at 100 F Street, N.E., Room 1580, Washington, D.C. 20549. Our SEC filings are also available to the public on the SEC's website at <http://www.sec.gov>.

Who can help answer my questions?

If you have additional questions about the matters proposed for consideration at the Annual Meeting, you should contact:

CSP Inc.

43 Manning Road

Billerica, MA 01821

Attn: Gary W. Levine, Chief Financial Officer

Phone: (978) 663-7598 ext. 1200

What should I do now?

Carefully read this document and either submit your vote via the Internet or by telephone or, if voting by mail, indicate on the proxy card how you want to vote. If voting by mail, sign, date and mail your proxy card in the enclosed prepaid return envelope as soon as possible. You should submit your vote now even if you expect to attend the Annual Meeting and vote in person. Submitting your vote now will not prevent you from later canceling or revoking your proxy right until the meeting, and will ensure that your shares are voted if you later find you cannot attend the Annual Meeting.

How do I find out the voting results?

Preliminary voting results will be announced at the Annual Meeting, and the final voting results will be published in our quarterly report on Form 10-Q for the quarter ending March 31, 2010, which we will file with the SEC.

After the Form 10-Q is filed, you may obtain a copy by visiting our website or the SEC's website, contacting our Investor Relations department by calling 978-663-7598, or writing to Investor Relations, CSP Inc., 43 Manning Road, Billerica, Massachusetts 01821.

PROPOSAL ONE:

ELECTION OF DIRECTORS

Our Board of Directors currently consists of five members and is divided into three classes, referred to as Class I, Class II and Class III. The directors in each class serve for a term of three years and until their successors are duly elected and qualified. As the term of one class expires, a successor class is elected at the annual meeting of stockholders for that year. We currently have two Class II Directors, whose terms will expire at the Annual Meeting to be held on February 9, 2010; two Class III Directors, whose terms will expire at the 2011 Annual Meeting; and one Class I Director, whose term will expire at the 2012 Annual Meeting.

Our Nominating Committee has nominated Messrs. Lyons and Hall to serve as Class II Directors for a three-year term.

If you withhold authority to vote with respect to the election of either nominee, your shares will not be voted with respect to the nominee(s) indicated. Your shares will be counted for purposes of determining whether there is a quorum.

Messrs. Lyons and Hall are currently members of our Board of Directors. Although we expect the nominees to accept nomination and to serve if elected, if a nominee is unable to serve at the time of election, then proxies will be voted for another nominee or the Board may fix the number of directors at a lesser number or leave a vacancy to be filled by the Board of Directors at a later date.

PROPOSAL TWO:

RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT AUDITORS

McGladrey & Pullen, LLP currently serves as the Company's independent auditors, and that firm conducted the audit of the Company's accounts for fiscal year 2009. The Audit Committee has appointed McGladrey & Pullen, LLP to serve as independent auditors to conduct an audit of the Company's accounts for fiscal year 2010.

Selection of the Company's independent auditors is not required to be submitted to a vote of the stockholders of the Company for ratification. However, the Board of Directors is submitting this matter to the stockholders as a matter of good corporate practice. If the stockholders fail to vote in favor of the selection, the Audit Committee will reconsider whether to retain McGladrey & Pullen, LLP and may retain that firm or another without re-submitting the matter to the Company's stockholders. Even if stockholders vote in favor of the appointment, on an advisory basis, the Audit Committee may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and the stockholders.

Representatives of McGladrey & Pullen, LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

The Board recommends a vote FOR ratification of McGladrey & Pullen, LLP as our independent auditors for fiscal year 2010.

Unless marked to the contrary, proxies received will be voted FOR ratification of the selection of McGladrey & Pullen, LLP.

Table of Contents

CORPORATE GOVERNANCE

We believe that good corporate governance and fair and ethical business practices are crucial not only to the proper operation of our company, but also to building and maintaining confidence in the integrity, reliability and transparency of the securities markets. We have kept abreast of the actions taken in the past few years by Congress, the SEC and NASDAQ to improve and enhance corporate governance, and we take our responsibilities in this area very seriously. This section explains some of the things we have done, or are considering, to improve the way we run CSPI.

Independent Directors

Rules and regulations of the SEC and NASDAQ require that a majority of our Board be independent. The Board has reviewed those rules and regulations and has determined that Messrs. Lyons, Hall, James and Williams are independent directors. As required by NASDAQ rules, the independent directors convene regularly scheduled meetings at which only independent directors are present.

Meetings and Committees of the Board of Directors

Our Board met five times during the fiscal year ended September 30, 2009. In addition, the Audit Committee met five times, the Compensation Committee met once, and the Nominating Committee met once. Mr. Hall attended at least 80% and all other members attended all of the meetings of the Board and of the committees of which they were a member.

Policies and Procedures for the Review and Approval of Transactions with Related Parties

Our Board has no formal policies and procedures for the review and approval of transactions with related parties. However, the Audit Committee has the responsibility of reviewing and approving transactions with related parties. In connection with the review of any related party transactions, the Audit Committee considers, among other matters, the nature, timing and duration of the transactions, the relationships of the parties to the transactions, whether the transactions are in the ordinary course of the Company's business, the dollar value of the transactions and whether the transactions are in the interests of the Company. The Audit Committee did not consider any related party transactions in fiscal year 2009.

Code of Ethics

We have adopted a code of ethics that applies to all of our executive officers, directors and employees, and which is available in the Investor Relations section (under Corporate Governance) of our website at www.cspi.com. A copy of the code of ethics can also be obtained, without charge, by written request to Investor Relations, CSP Inc., 43 Manning Road, Billerica, Massachusetts 01821.

Communications with our Board of Directors

Our stockholders may communicate directly with the members of our Board or the individual chairmen of the standing Board committees by writing directly to those individuals c/o CSP Inc. at the following address: 43 Manning Road, Billerica, Massachusetts 01821. Our policy is to forward, and not to intentionally screen, any mail received at our corporate office for an individual to that individual.

Policy Regarding Board Attendance

It is our policy that all members of the Board attend the annual meeting of stockholders in person, although we recognize that our directors occasionally may be unable to attend for personal or professional reasons. We generally hold a meeting of the Board on the same date as the annual meeting of stockholders. In 2009, all directors attended the annual meeting.

Table of Contents

Director Candidates and Selection Process

The Nominating Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information:

the name and address of the stockholder and the class and number of shares of our stock beneficially owned by the stockholder and owned of record by the stockholder; and

all information relating to the candidate that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, or any other applicable statute, rule or regulation (including such person's written consent to being named in the proxy statement as a nominee and to serve as a director if elected).

Article III, Section 4 of our by-laws requires that the stockholder recommendation and information described above must be received by our corporate secretary at our executive offices not less than 90 days prior to the date of our annual meeting of stockholders; provided, however, that if the annual meeting (or a special meeting in lieu of the annual meeting) is to be held on a date prior to such specified date, and if less than 100 days' notice or prior public disclosure of the date of such annual or special meeting is given or made, notice by the stockholder to be timely must be so received not later than the close of business on the 10th day following the earlier of the day on which notice of the date of the scheduled meeting was mailed or the day on which public disclosure was made of the date of such annual or special meeting. The Nominating Committee did not receive any stockholder nominee recommendations for the 2010 Annual Meeting.

The Nominating Committee believes that the minimum qualifications for serving as one of our directors are that a nominee demonstrate significant accomplishment in his or her field, ability to make a meaningful contribution to the Board's oversight of our business affairs and have an excellent record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific knowledge, experience and skills, availability in light of other commitments, potential conflicts of interest and independence from our management and CSPI.

The Nominating Committee may use any number of methods to identify potential nominees, including personal, management, and industry contacts, recruiting firms and, as described above, candidates recommended by stockholders. The Nominating Committee did not engage any third-party recruiting firms to identify nominees in fiscal 2010.

Once a person has been identified by the Nominating Committee as a potential candidate, the committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the chairman or another member of the committee will contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee will request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering, and conduct one or more interviews with the candidate, other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments, and may seek management input on the candidate. The committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder.

COMMITTEES OF THE BOARD OF DIRECTORS

Audit Committee

Our Audit Committee consists of Messrs. James (chairman), Hall and Williams. The Board determined that the members of our Audit Committee are not only independent, but also are financially literate for purposes of NASDAQ rules (that is, able to read and understand financial statements). In addition, the Board has concluded that Mr. James qualifies as an audit committee financial expert. Mr. James was a CPA and worked in public accounting from 1962 to 1965. He was chief financial officer of Systems Engineering Laboratories in Ft. Lauderdale, Florida from 1969 to 1980, has served on numerous audit committees and currently serves on the audit committee of Concurrent Computer Corporation.

Our Audit Committee is responsible for overseeing our accounting and financial reporting processes and the audits of our financial statements. The committee acts in an oversight capacity and relies on the work and assurances of both management, which has primary responsibility for our financial statements, and our independent auditors, who are responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles. The Audit Committee adopted a written charter, a current copy of which is available in the Investor Relations section (under Corporate Governance) of our web site at www.cspi.com. A copy of the charter is also available to stockholders upon request, addressed to CSP Inc., Attn: Corporate Secretary, 43 Manning Road, Billerica, Massachusetts 01821.

Nominating Committee

The members of the Nominating Committee are Messrs. Williams (chairman), James, Hall and Lyons, each of whom is an independent director. The functions of our Nominating Committee include the following:

identify and recommend to the Board individuals qualified to serve as our directors;

recommend directors to serve on committees of the Board; and

advise the Board with respect to matters of Board composition and procedures.

Our Nominating Committee is governed by a charter, a current copy of which is available in the Investor Relations section (under Corporate Governance) of our web site at www.cspi.com. A copy of the charter is also available to stockholders upon request, addressed to CSP Inc., Attn: Corporate Secretary, 43 Manning Road, Billerica, Massachusetts 01821.

Compensation Committee

Our Compensation Committee is composed of Messrs. Lyons (chairman), James and Hall, each of whom is an independent director. This committee is charged with reviewing and approving executive officers' compensation and administering our stock option plans. For fiscal 2009, compensation consultants had no role in determining or recommending the amount or form of executive or director compensation. NASDAQ rules require that the compensation of the chief executive officer be determined, or recommended to the Board for its determination, by either a majority of independent directors or a wholly-independent Compensation Committee. NASDAQ rules prohibit a company's CEO from being present during voting or deliberations with respect to his compensation. Compensation of all other executive officers is required to be determined in the same manner, except that the CEO is permitted to be present.

Our Compensation Committee adopted a written charter, a current copy of which is available in the Investor Relations section (under Corporate Governance) of our web site at www.cspi.com. A copy of the charter is also available to stockholders upon request, addressed to CSP Inc., Attn: Corporate Secretary, 43 Manning Road, Billerica, Massachusetts 01821.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our officers, directors, and persons who own more than 10% of a registered class of our equity securities (our common stock) to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater-than-10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely upon a review of Forms 3, 4, 5 and amendments thereto furnished to the Company during fiscal 2009, and written representations that Form 5 was required and duly filed with the SEC, the Company believes that all Section 16(a) filing requirements applicable to its officers, directors and greater-than-10% stockholders were fulfilled in a timely manner, except that (1) no Form 3 appears to have been filed by Eliot Rose, a greater-than-10% stockholder and (2) Christopher Hall inadvertently omitted to file a Form 4 with respect to a restricted stock award of 2,500 shares on February 5, 2009 and a stock award of 200 shares on May 7, 2009.

**INFORMATION ABOUT OUR AUDIT COMMITTEE AND INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

Audit Committee Report

The following report of the Audit Committee should not be deemed to be soliciting material or to be filed with the SEC, nor should this information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into such a filing.

The Audit Committee believes that a candid, substantive and focused dialogue with the independent auditors is fundamental to the Committee's oversight responsibilities. In support of this view, our Committee periodically meets separately with the independent auditors, without management present. In the course of its discussion in these meetings, the Committee addresses a number of questions intended to bring to light any area of potential concern related to our financial reporting and internal controls. These questions include:

Whether there were any significant accounting judgments, estimates or adjustments made by management in preparing the financial statements that would have been made differently had the auditors themselves prepared and been responsible for the financial statements.

Whether the auditors have concluded that, based on the auditors' experience and their knowledge of CSPI, our financial statements fairly present to the investor, with clarity and completeness, our financial position and performance for each reporting period in accordance with generally accepted accounting principles and SEC disclosure requirements.

Whether the auditors have concluded that, based on their experience and knowledge of CSPI, we have implemented internal controls and internal audit procedures that are appropriate for the Company.

The Audit Committee recommended the engagement of McGladrey and Pullen, LLP (McGladrey) as our independent auditors for fiscal year 2009 and reviewed with the independent auditors their respective overall audit scope and plans. In reaching its recommendation, the Committee considered the qualifications of McGladrey and discussed with McGladrey their independence, including a review of any and all audit and non-audit services provided by them to the Company. The Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, and by the Sarbanes-Oxley Act of 2002. The Committee received and discussed with the independent auditors their written report required by the Independence Standards Board Standard No. 1, as modified or supplemented.

Management has reviewed the audited financial statements for fiscal 2009 with the Audit Committee, including a discussion of the quality and acceptability of the financial reporting, the reasonableness of significant accounting judgments and estimates and the clarity of disclosures in the financial statements. In connection with this review and discussion, the Audit Committee asked a number of follow-up questions of management and the independent auditors to help give the committee comfort in connection with its review.

In reliance on the review and discussion referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2009 for filing with the SEC, and our Board has accepted this recommendation.

The McGladrey report dated December 22, 2009 on the financial statements of the Company as of and for the fiscal year ended September 30, 2009 did not contain an adverse opinion or a disclaimer of opinion and was not modified as to uncertainty, audit scope or accounting principles.
