See Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant for a description of the Fifth Amended and Restated Senior Revolving Credit Agreement, dated as of August 2, 2010 (the Senior Credit Agreement), between Petrohawk Energy Corporation (the Company), each of the lenders from time to time party thereto (the Lenders), BNP Paribas, as administrative agent for the Lenders, Bank of America, N.A. and Bank of Montreal as co-syndication agents for the Lenders, and JPMorgan Chase Bank, N.A., Wells Fargo Bank, N.A., Royal Bank of Canada and Barclays Bank PLC, as co-documentation agents for the Lenders.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Amendment to Senior Credit Agreement

On August 2, 2010, the Company entered into the Senior Credit Agreement, which amends and restates its Fourth Amended and Restated Senior Revolving Credit Agreement dated October 14, 2009. The Senior Credit Agreement is a \$2.0 billion facility with a borrowing base of approximately \$1.1 billion, roughly \$1.0 billion of which relates to the Company's oil and gas properties and up to \$100 million (currently limited as described below) of which relates to the Company's midstream business. The portion of the borrowing base which relates to the Company's oil and gas properties will be redetermined on a semi-annual basis (with the Company and the Lenders each having the right to one annual interim unscheduled redetermination) and adjusted based on the Company's oil and gas properties, reserves, other indebtedness and other relevant factors. The component of the borrowing base related to the Company's midstream business is limited to the lesser of \$100 million or 3.5 times midstream EBITDA, and is automatically determined quarterly. The initial available borrowing base aggregates approximately \$1.05 billion. Amounts outstanding under the Senior Credit Agreement will bear interest at specified margins over the London Interbank Offered Rate of 2.00% to 3.00% for Eurodollar loans or at specified margins over the Alternate Base Rate (ABR) of 1.00% to 2.00% for ABR loans. These margins will fluctuate based on the utilization of the facility. Borrowings under the Senior Credit Agreement will be secured by first priority liens on substantially all of the Company's assets, including pursuant to the terms of the Fifth Amended and Restated Guarantee and Collateral Agreement, all of the assets of, and equity interests in, the Company's subsidiaries. Amounts drawn down on the facility will mature on July 1, 2014.

The Senior Credit Agreement contains customary financial and other covenants, including maintenance of a ratio of consolidated earnings before interest, income taxes, depreciation, depletion, amortization and other non-cash charges to consolidated interest expense for the trailing four fiscal quarters to be not less than 2.5 to 1.0, and maintenance of the ratio of consolidated current assets to consolidated current liabilities to be not less than 1.0 to 1.0. In addition, the Company is subject to covenants limiting dividends and other restricted payments, transactions with affiliates, incurrence of debt, changes of control, asset sales, and liens on properties.

The foregoing summary of the terms of the Senior Credit Agreement and the security interests and liens granted in connection therewith is qualified in its entirety by reference to the Senior Credit Agreement and the Fifth Amended and Restated Guarantee and Collateral Agreement, attached hereto as Exhibits 10.1 and 10.2, respectively.
