ITEM 5.03 AMENDMENTS TO ARTICLES OF INCORPORATION OR BYLAWS; CHANGE IN FISCAL YEAR.

Amendment and Restatement of Certificate of Incorporation

On February 7, 2011, NeoPhotonics Corporation (the Company) filed an amended and restated certificate of incorporation (the Restated Certificate) with the Secretary of State of the State of Delaware in connection with the closing of the Company's initial public offering of shares of its common stock. The Company's board of directors and stockholders previously approved the Restated Certificate to be filed in connection with, and to be effective upon, the closing of the Company's initial public offering.

The Restated Certificate amends and restates in its entirety the Company's amended and restated certificate of incorporation to, among other things:

authorize 100,000,000 shares of common stock;

eliminate all references to the previously existing series of preferred stock and authorize 10,000,000 shares of undesignated preferred stock that may be issued from time to time by the Company's board of directors in one or more series;

permit the Company's board of directors to adopt, amend or repeal the bylaws without obtaining stockholder approval;

require the approval of at least 66 2/3% of the shares entitled to vote at an election of directors to adopt, amend or repeal the bylaws or repeal the provisions of the Restated Certificate;

require the approval of at least a majority of the shares entitled to vote at an election of directors to remove directors with cause;

prohibit the removal of directors without cause, subject to the rights of any series of preferred stock to elect additional directors under specified circumstances;

establish a classified board of directors, as a result of which the successors to the directors whose terms have expired will be elected to serve from the time of election and qualification until the third annual meeting following their election;

prohibit stockholder action by written consent in lieu of a meeting, thereby requiring all stockholder actions to be taken at a meeting of the Company's stockholders;

require advance notice of stockholder nominations for election to the Company's board of directors and of business to be brought by stockholders before any meeting of the Company's stockholders; and

amend the provisions relating to the limitation on liability of directors of the Company.

The foregoing description is qualified in its entirety by reference to the Restated Certificate, a copy of which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.

Amendment and Restatement of Bylaws

On February 7, 2011, the Company adopted amended and restated bylaws in connection with the closing of the Company's initial public offering of shares of its common stock. The Company's board of directors and stockholders previously approved the amended and restated bylaws to be adopted in connection with, and to be effective upon, the closing of the Company's initial public offering.

Edgar Filing: NEOPHOTONICS CORP - Form 8-K

The amended and restated bylaws, among other things:

provide that special meetings of stockholders may be called only by (i) the chairman of the board of directors, (ii) the chief executive officer or (iii) the board of directors acting pursuant to a resolution adopted by a majority of the total number of authorized directors whether or not there exist any vacancies in previously authorized directorships;

establish advance notice requirements for stockholder nominations for election to the Company's board of directors and for proposals to be brought by stockholders before any meeting of the Company's stockholders;

prohibit stockholder action by written consent in lieu of a meeting, thereby requiring all stockholder actions to be taken at a meeting of the Company's stockholders;

set forth the rights, powers and manner of acting of the board of directors and officers of the Company;

establish a classified board of directors, as a result of which the successors to the directors whose terms have expired will be elected to serve from the time of election and qualification until the third annual meeting following their election;

permit the Company's board of directors to create committees of the board of directors; and

provide for the indemnification of directors and officers of the Company, and allow the indemnification of employees and agents of the Company, in each case to the extent not prohibited by applicable law.

The foregoing description is qualified in its entirety by reference to the Company's amended and restated bylaws, a copy of which is attached hereto as Exhibit 3.2 and is incorporated herein by reference.

On February 7, 2011, the Company closed the initial public offering of 8,625,000 shares of its common stock at a price of \$11.00 per share for aggregate gross proceeds of \$94,875,000 (prior to deducting underwriting discounts and commissions and offering expenses).
