NEWS RELEASE

TSX-V: TMM

TIMMINS RESPONDS TO ADJOURNMENT OF CAPITAL GOLD

SHAREHOLDERS MEETING

VANCOUVER, B.C. **Timmins Gold Corp.** (TSX-V:TMM) announced today that it has mailed a letter to the Capital Gold Board of Directors responding to Capital Gold's intention to convene the Capital Gold shareholder's meeting solely for the purpose of securing an adjournment. The text of the letter is set out below:

BY EMAIL

Board of Directors

Capital Gold Corporation

76 Beaver Street, 14th Floor

New York, NY 10005

Attention: John Cutler,
Chairman of the M&A Committee

Gentlemen:

Edgar Filing: CAPITAL GOLD CORP - Form 425

As you know, we have increased our offer in connection with the proposed merger of Timmins and Capital Gold to provide 2.27 common shares of Timmins Gold and US\$0.25 in cash for each share of Capital Gold common stock. We continue to believe that our offer is superior to Gammon's latest offer. In addition, we have expressed concerns regarding any effort by Capital Gold to unilaterally postpone the stockholders meeting currently scheduled to be held tomorrow, as we believe that the stockholders will, if given the opportunity to vote, reject the proposed merger with Gammon Gold and send a loud message that they prefer a transaction with Timmins.

We read with interest Capital Gold's press release of today, which confirms, among other things, that (i) Capital Gold will not attempt to unilaterally postpone the stockholders' meeting currently scheduled to be held tomorrow, (ii) Capital Gold will convene the stockholders' meeting for the sole purpose of having the stockholders vote on a proposal to adjourn the meeting to a date, time and place that will be determined sometime following the adjournment, (iii) Capital Gold will be preparing a supplemental proxy statement/prospectus, and (iv) Capital Gold will be providing the stockholders sufficient time to consider the content of the supplemental disclosures.

Given Capital Gold's public announcement, we will not be attending the meeting tomorrow. We will, instead, deliver our proxy voting against any adjournment. In the event that the stockholders should approve a proposal to adjourn the meeting to a later date, we expect that Capital Gold will provide the stockholders with sufficient time to digest any supplemental materials that might be distributed before reconvening the stockholders' meeting. Under applicable Delaware precedents, that time period is no less than 20 days. *See In Re: The Topps Co. S'holders Litig.*, C.A. No. 2786-VCS (Del. Ch. June 18, 2007) (ORDER); *Louisiana Municipal Police Employees' Retirement Sys. v. Crawford*, C.A. No. 2635-N (Del. Ch. Feb. 13, 2007) (Chandler, C.).

We look forward to continuing a dialogue respecting Timmins' offer, which has and continues to provide value to Capital Gold's stockholders that is greater and superior to the value represented by the proposed acquisition of Capital Gold by Gammon.

Sincerely,

Bruce Bragagnolo

NO MATTER HOW YOU LOOK AT IT, TIMMINS' OFFER IS SUPERIOR

Timmins' increased offer to exchange 2.27 common shares of Timmins and US\$0.25 in cash for each share of Capital Gold common stock provides Capital Gold shareholders with total consideration of US\$6.00 per Capital Gold share and exceeds the value of the Gammon offer by US\$0.46 (or 8.4%) per Capital Gold share, based on closing share prices on March 17, 2011. In addition, based on the volume-weighted average of the respective share prices for the last 60 trading days, Timmins' proposal has a value of US\$5.81 per Capital Gold share and exceeds the value of the Gammon offer by US\$0.35 per Capital Gold share, or about 6.4%.

Timmins also announced that it will amend the terms of its exchange offer, which has not yet commenced, for all of the outstanding shares of Capital Gold common stock to reflect the increased offer.
