Notice of Proposed Amendment of Certificate of Incorporation

Wendy's/Arby's Group, Inc. hereby provides additional notice, under Section 242 of the Delaware General Corporation Law, that it is submitting a proposed amendment to the Company's Certificate of Incorporation (the Charter) for stockholder approval at the 2011 annual meeting of stockholders (which appears as Proposal 2 in the Company's proxy materials for the 2011 annual meeting).

Proposal 2 would amend the Charter to delete the provisions requiring that directors be elected by plurality vote. Approval of this amendment will allow majority voting in director elections, as explained below. If the Charter is amended as proposed to delete the plurality voting requirement for director elections, then the Board of Directors will amend the Company's By-Laws to provide that, in an uncontested director election (i.e., an election where stockholders are not offering competing candidates and the number of nominees does not exceed the number of directors to be elected), a nominee for director would be elected or re-elected as a director only if the votes for his or her election exceed the votes against his or her election. Because Delaware law specifies that an incumbent director who is not re-elected will nevertheless remain on the Board of Directors until a successor is elected or until he or she is removed from the Board, the Company's Corporate Governance Guidelines would require that, if an incumbent director is not re-elected by the required vote, then he or she must resign from the Board of Directors unless the Board decides to reject the resignation and retain the director on the Board.

The proposed amendment to Article V, Section 9 of the Charter is set forth below, with deletions indicated by strikeout and additions indicated by underline:

SECTION 9. Except as otherwise provided by law, at any meeting of stockholders of the Corporation the presence in person or by proxy of the holders of a majority in voting power of the outstanding stock of the Corporation entitled to vote shall constitute a quorum for the transaction of business brought before the meeting in accordance with this Certificate of Incorporation and, a quorum being present, the affirmative vote of the holders of a majority in voting power present in person or represented by proxy and entitled to vote shall be required to effect action by stockholders; provided, however, that, subject to the provisions of any class or series of Preferred Stock, the vote required for the election of directors shall be set forth in, and governed by, the By-laws ~~the affirmative vote of a plurality in voting power present in person or represented by proxy and entitled to vote shall be required to effect elections of directors.~~

This summary is qualified by reference to Proposal 2 set forth in the proxy statement for the 2011 annual meeting of stockholders and the text of the proposed amendment set forth above. You are urged to read the proxy materials in their entirety by following the instructions on the Notice Regarding the Availability of Proxy Materials.
