EXPLANATORY NOTE

This Form 8-K/A is being filed as an amendment (<u>Amendment No. 1</u>) to the Current Report on Form 8-K filed by Google Inc. with the U.S. Securities and Exchange Commission on June 7, 2011 (<u>Original Filing</u>). The sole purpose of this Amendment No. 1 is to disclose Google s decision as to how frequently it will conduct future stockholder advisory votes regarding compensation awarded to its named executive officers. No other changes have been made to the Original Filing.

Item 5.07(d). Submission of Matters to a Vote of Security Holders.

At Google s 2011 Annual Meeting of Stockholders held on June 2, 2011, Google s stockholders voted on, among other matters, a proposal on the frequency of future stockholder advisory votes regarding compensation awarded to named executive officers. As previously reported by Google, the frequency of once every three years received the highest number of votes cast, as well as a majority of the votes cast on the proposal. Based on these results, and consistent with Google s recommendation, Google s Board of Directors has determined that Google will conduct future stockholder advisory votes regarding compensation awarded to its named executive officers once every three years. The next required stockholder advisory vote on the frequency of future stockholder advisory votes regarding compensation awarded to named executive officers will be conducted at Google s 2017 Annual Meeting of Stockholders.
