Item 1.01. Entry into a Material Definitive Agreement.

On June 6, 2012, UK Greetings Limited (UKG) and Lakeshore Lending Limited (Lakeshore), each of which is a wholly-owned subsidiary of American Greetings Corporation (American Greetings), entered into an Agreement (the Agreement) with (a) Clinton Cards PLC and its subsidiaries, Birthdays Retail Limited, Clinton Cards (Essex) Limited, Papertree Limited, Selectacard Limited, Strand Cards Limited, and The Greetings Store Group Limited (collectively, the Sellers), and (b) Peter Mark Saville, Simon Vincent Freakley and Anne Clare O Keefe, each of which is a partner of Zolfo Cooper LLP (collectively, the Joint Administrators), in their respective capacities as joint administrators of each of the Sellers (acting as agent of each of the Sellers), for the purchase by Lakeshore (the Acquisition) of certain assets and the related business of the Sellers.

The Sellers, which operate a specialty greeting card retail chain in the United Kingdom, were placed into administration on May 9, 2012 after Lakeshore acquired all of the outstanding senior secured debt of Clinton Cards PLC for approximately £35 million. Administration is a procedure broadly similar to Chapter 11 bankruptcy in the United States, which gives a debtor (under the control of its administrators) an opportunity to restructure its business. The legacy business of the Sellers had been an important customer to American Greetings' international business for approximately forty years, and was one of American Greetings' largest customers.

Under the terms of the Agreement, it is expected that Lakeshore will acquire from the Sellers approximately 400 stores, together with related inventory and overhead, as well as the Clinton Cards and related brands. The final number of stores acquired will depend on negotiations with landlords at each respective location, who must generally consent to the assignment of the leases for such stores on terms that are acceptable to Lakeshore. If Lakeshore cannot negotiate leases assignments that are acceptable, or if the applicable landlord withholds consent to the assignment of its store lease, then Lakeshore may close the stores and the Sellers will be responsible for any further obligations under the store lease. The stores and assets not acquired by Lakeshore remain part of the administration process under the direction of the Joint Administrators. It is anticipated that the remaining assets will be liquidated and proceeds will be used to repay the Sellers' creditors, including Lakeshore. The Joint Administrators previously announced that they identified approximately 350 stores to be closed and were seeking concessions from certain creditors of the Sellers, particularly its landlords.

The Joint Administrators conducted an auction of the remaining assets of the business of the Sellers that they believed constituted a viable ongoing business. Lakeshore bid £23 million for certain of these remaining assets. The bid took the form of a credit bid that uses a portion of the outstanding senior secured debt owed to Lakeshore by Clinton Cards to pay the purchase price for the assets. Lakeshore will seek to recover the approximately £12 million remaining senior secured debt claim held by it through the liquidation process. However, it is possible that there may not be sufficient proceeds, net of administration costs, to cover the entire remaining investment. The liquidation process, and the negotiations with landlords for stores included in the Acquisition, is expected to take approximately six to twelve months.

The foregoing description of the Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.
