Item 8.01. Other Events.

The Board of Governors of the Federal Reserve System notified Discover Financial Services (the Company) on August 19, 2016 that it has no objections to the Company's repurchase of up to an additional \$100 million of shares of the Company's common stock through June 30, 2017. This amount is in addition to the \$1.95 billion of share repurchases included in the Company's 2016 capital plan. As previously disclosed on July 14, 2016, the Company's Board of Directors approved a \$2.5 billion share repurchase program that expires on October 31, 2017.

While the Company currently expects to increase the amount of share repurchases it plans to complete in third quarter 2016 by the additional \$100 million announced today, the timing and exact amount of repurchases will be based on market conditions and other factors.

Certain statements in this filing may constitute forward-looking statements. You are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date on which they are made, which reflect management's estimates, projections, expectations or beliefs at that time, and which are subject to significant risks and uncertainties that may cause actual results to differ materially. The amount and timing of any future share repurchases are subject to the discretion of the company's board of directors and will depend upon the company's results of operations, financial condition, cash requirements, future prospects, market conditions, capital requirements, applicable law and regulations (including federal securities laws and federal banking regulations) and other factors, and may be subject to regulatory approval or conditions. Additional factors impacting share repurchases can be found in Business Supervision and Regulation, Risk Factors and Management's Discussion and Analysis of Financial Condition and Results of Operations in the Company's annual report on Form 10-K for the year ended December 31, 2015, which is available at the SEC's internet site (www.sec.gov)
