E. Nelson Mills was appointed our president in July 2010 and continues to serve as one of our directors. From April 2007 to March 29, 2010, he served as one of our independent directors until he became a Senior Vice President of Wells Capital, Inc. ("Wells Capital"). From February 2006 to March 29, 2010, Mr. Mills served as an independent director of Wells Timberland REIT, Inc. ("Wells Timberland REIT") and continues to serve on its board of directors. From 2006 to 2008, Mr. Mills also served as an independent director of Institutional REIT, Inc. ("Institutional REIT"), a prior public program sponsored by Wells Real Estate Funds, Inc. ("Wells Real Estate Funds"). Mr. Mills served as the president and chief operating officer of Williams Realty Advisors, LLC from 2005 to 2009. While at Williams Realty Advisors, Mr. Mills was responsible for investment and financial strategy and in charge of the design, formation and operation of a series of real estate investment funds.

Prior to joining Williams Realty Advisors in December 2004, Mr. Mills was a financial consultant to Timbervest, LLC, an investment manager specializing in timberland investments. From September 2000 to April 2004, Mr. Mills served as chief financial officer of Lend Lease Real Estate Investments (US), Inc., an investment manager specializing in the acquisition and management of commercial real estate, and from August 1998 to August 2000 served as a senior vice president of Lend Lease with responsibility for tax planning and administration and the supervision of various merger and acquisition activities. Prior to joining Lend Lease, Mr. Mills was a tax partner with KPMG LLP. Mr. Mills received a Bachelor of Science degree in Business Administration from the University of Tennessee and a Masters of Business Administration degree from the University of Georgia. Mr. Mills also is a Certified Public Accountant.

Among the most important factors that led to the board of directors' recommendation that Mr. Mills serve as our director are Mr. Mills' integrity, judgment, leadership, accounting and financial management expertise, commercial real estate expertise, familiarity with our company and public company director experience.

Leo F. Wells, III, is Chairman of the Board and one of our directors. Prior to July 2010 he also served as our President. Since 2005, Mr. Wells has served as the President and from 2005 to 2007 as a director of Wells Timberland REIT. Since 2007, he has served as the President and from July 2007 to June 2010 and since July 2010 as a director of Wells Core Office Income REIT, Inc. ("Wells Core REIT"). Both Wells Timberland REIT and Wells Core REIT are public programs, like us, sponsored by Wells Real Estate Funds, and not listed on a securities exchange. He also is the sole stockholder, sole director, and Treasurer of Wells Real Estate Funds, and served as President of Wells Real Estate Funds until February 2012. Wells Real Estate Funds directly or indirectly owns Wells Capital, Wells Management, Wells Investment Securities ("WIS"), Wells & Associates, Inc., Wells Development Corporation, Wells Asset

Management, Inc., Wells Real Estate Advisory Services II, LLC ("WREAS II") and Wells Core Office Income REIT Advisory Services, LLC. He also is the President, Treasurer, and sole director of Wells Capital; Wells Management; Wells Development Corporation, a company organized in 1997 to develop real estate properties; and Wells Asset Management, Inc., a company organized in 1997, which serves as an investment adviser to the Wells Family of Real Estate Funds. Treasurer, and a director of Wells & Associates, Inc., a real estate brokerage and investment company formed in 1976 and incorporated in 1978. From 1998 to 2009, Mr. Wells was also a trustee of the Wells Family of Real Estate Funds, an open-end management company organized as an Ohio business trust. From 1998 to 2007, Mr. Wells served as President and Chairman of the Board of Piedmont Office Realty Trust, Inc. ("Piedmont REIT"), formerly known as Wells Real Estate Investment Trust, Inc., a public REIT sponsored by Wells Real Estate Funds until April 16, 2007, when Piedmont REIT acquired entities affiliated with Wells Real Estate Funds and became a self-advised REIT. From 2006 to 2008, Mr. Wells was the President and a director of Institutional REIT.

Mr. Wells was a real estate salesman and property manager from 1970 to 1973 for Roy D. Warren & Company, an Atlanta-based real estate company, and he was associated from 1973 to 1976 with Sax Gaskin Real Estate Company, during which time he became a Life Member of the Atlanta Board of Realtors Million Dollar Club. From 1980 to February 1985 he served as Vice President of Hill-Johnson, Inc., a Georgia corporation engaged in the construction business. Mr. Wells holds a Bachelor of Business Administration degree in economics from the University of Georgia. Mr. Wells is a member of the Financial Planning Association (FPA).

Among the most important factors that led to the board of directors' recommendation that Mr. Wells serve as our director are Mr. Wells' leadership skills, integrity, judgment, knowledge of our company and our advisor, commercial real estate expertise, knowledge of the retail securities brokerage industry, and public company director experience. On August 26, 2003, Mr. Wells and WIS entered into a Letter of Acceptance, Waiver, and Consent ("AWC") with the National Association of Securities Dealers, Inc. ("NASD") relating to alleged rule violations. The AWC set forth the NASD's findings that WIS and Mr. Wells had violated conduct rules relating to the provision of noncash compensation of more than \$100 to associated persons of NASD member firms in connection with their attendance at the annual educational and due diligence conferences sponsored by WIS in 2001 and 2002. Without admitting or denying the allegations and findings against them, WIS and Mr. Wells consented in the AWC to various findings by the NASD, which are summarized in the following paragraph:

In 2001 and 2002, Wells Investment Securities sponsored conferences attended by registered representatives who sold its real estate investment products. Wells Investment Securities also paid for certain expenses of guests of the registered representatives who attended the conferences. In 2001, Wells Investment Securities paid the costs of travel to the conference and meals for many of the guests, and paid the costs of playing golf for some of the registered representatives and their guests. Wells Investment Securities later invoiced registered representatives for the cost of golf and for travel expenses of guests, but was not fully reimbursed for such. In 2002, Wells Investment Securities paid for meals for the guests. Wells Investment Securities also conditioned most of the 2001 conference invitations on attainment by the registered representatives of a predetermined sales goal for Wells Investment Securities products. This conduct violated the prohibitions against payment and receipt of noncash compensation in connection with the sales of these products contained in NASD's Conduct Rules 2710, 2810, and 3060. In addition, Wells Investment Securities and Mr. Wells failed to adhere to all of the terms of their written undertaking, made in March 2001, not to engage in the conduct described above, thereby failing to observe high standards of commercial honor and just and equitable principles of trade in violation of NASD Conduct Rule 2110.

WIS consented to a censure, and Mr. Wells consented to suspension from acting in a principal capacity with an NASD member firm for one year. WIS and Mr. Wells also agreed to the imposition of a joint and several fine in the amount of \$150,000. Mr. Wells' one-year suspension from acting in a principal capacity ended on October 6, 2004.

Douglas P. Williams is our Executive Vice President, Secretary, and Treasurer and one of our directors. Mr. Williams also is Executive Vice President, Secretary, and Treasurer of Wells Timberland REIT since 2005 and served as a director of Wells Timberland REIT from 2005 to 2007. Since 2007, he also has served as the Executive Vice President, Secretary, Treasurer of Wells Core REIT and served as a director of Wells Core REIT from 2007 to 2010. He also is a Senior Vice President of WRES II and a Vice President, Chief Financial Officer, Treasurer, and a director of WIS. Mr. Williams also is a Vice President of Wells Real Estate Funds and a Vice President and Secretary of Wells Asset Management, Inc. Mr. Williams served as Executive Vice President, Secretary, and Treasurer and a director of Piedmont REIT from 2000 to 2007 and of Institutional REIT from 2006 to 2008.

From 1996 to 1999, Mr. Williams served as Vice President and Controller of OneSource, Inc., a leading supplier of janitorial and landscape services, where he was responsible for corporate-wide accounting activities and financial

analysis. Mr. Williams was employed by ECC International Inc., a supplier to the paper industry and to the paint, rubber, and plastic industries, from 1982 to 1995. While at ECC, Mr. Williams served in a number of key accounting positions, including: Corporate Accounting Manager, U.S. Operations; Division Controller, Americas Region; and Corporate Controller, America/Pacific Division. and for one year after leaving ECC, Mr. Williams was employed by Lithonia Lighting, a manufacturer of lighting fixtures, as a Cost and General Accounting Manager and Director of Planning and Control. Mr. Williams received a Bachelor of Arts degree from Dartmouth College and a Masters of Business Administration degree from the Amos Tuck School of Graduate Business Administration at Dartmouth College.

Among the most important factors that led to the board of directors' recommendation that Mr. Williams serve as our director for another term are Mr. Williams' integrity, judgment, leadership skills, accounting and financial management expertise, familiarity with our company and our advisor, commercial real estate expertise, knowledge of the retail securities brokerage industry, and public company director experience.

Based solely on our review of copies of the reports filed with the SEC and written representations of our directors and executive officers, we believe all persons subject to these reporting requirements filed the reports on a timely basis in 2011 except as follows: one report disclosing one transaction related to his indirect ownership interest in Wells Capital was filed late by Mr. Wells.

ITEM 11. EXECUTIVE COMPENSATION

Compensation of Executive Officers

Our executive officers do not receive compensation directly from us for services rendered to us. Our executive officers are also officers of WREAS II, our advisor, and its affiliates and are compensated by these entities, in part, for their services to us. Under the terms of the advisory agreement, our advisor is responsible for providing our day-to-day management, subject to the authority of our board of directors. See Item 13 in this report for a discussion of the fees paid and expenses reimbursed to our advisor and its affiliates in connection with managing our operations. Pursuant to the advisory agreement, we reimburse our advisor for expenses incurred on our behalf. These expenses include salary reimbursements for the portion of Mr. Williams' salary allocated to us based on his time spent providing services to us for offering related activities. Reimbursable expenses under the advisory agreement also include salary reimbursements for Mr. Mills' salary, all of which is allocated to us because Mr. Mills was engaged by the advisor to serve in a management role dedicated solely to overseeing our operations. Mr. Williams' offering-related efforts on our behalf are only part of his responsibilities as an employee of the advisor and its affiliates, and consequently his salary is divided among several programs for reimbursement purposes. For the year ended December 31, 2011, no portion of Mr. Williams' salary was allocated to us because we terminated our third primary public offering in August 2010 and Mr. Williams' engaged in no offering-related activities on our behalf in 2011.

The following table shows the summary compensation reimbursements we have made to our advisor or its affiliates for the compensation of Messrs. Mills and Williams allocated to us for the past three years as applicable.

Cash Compensation

We pay each of our independent directors:

• an annual retainer of \$32,000;

• \$1,500 per regularly scheduled board meeting attended;

• \$1,500 per regularly scheduled committee meeting attended (in addition, the Audit Committee chairperson receives an annual retainer of \$7,500 and all other committee chairpersons receive annual retainers of \$5,000 for serving in that capacity); and

• \$500 per special board meeting attended whether held in person or by telephone conference.

In addition, we have reserved 100,000 shares of common stock for future issuance upon the exercise of stock options granted to the independent directors pursuant to our Independent Director Stock Option Plan (described below). All directors receive reimbursement of reasonable out-of-pocket expenses incurred in connection with attendance at meetings of the board of directors.

Independent Director Stock Option Plan

We have adopted an Independent Director Stock Option Plan. However, we suspended this plan in 2007 and do not expect to issue additional options to our independent directors until our shares of common stock are listed on a national securities exchange. Prior to suspending the plan, we had issued stock options to purchase 50,500 shares of common stock to our independent directors pursuant to this plan. Of these, options to purchase 29,500 shares of common stock remain outstanding. Available for future issuance under the plan are options to purchase 18,000 shares that were terminated in 2007 and options to purchase 3,000 shares that were terminated in 2006. We may not grant options under this plan at any time when the issuance of the shares underlying the grant, when combined with those issuable upon exercise of outstanding options or warrants granted to our advisor, directors, officers, or any of their affiliates, would exceed 10% of our outstanding shares.

The exercise price for all options granted to date is \$12.00 per share. The exercise price for subsequent options, if any, will be the greater of \$12.00 per share or the fair market value of the shares on the date they are granted. Fair market value is generally defined to mean (i) the closing sales price on the immediately preceding date on which sales were reported if the shares are listed on a securities exchange or (ii) the mean between the bid and offered prices as quoted by Nasdaq for such immediately preceding trading date if the shares are not listed on a securities exchange. However, if the conflicts committee of our board of directors (the "Conflicts Committee") determines that the fair market value of our shares is not properly reflected by such Nasdaq quotations, or if our shares are not quoted by Nasdaq, then the Conflicts Committee will determine fair market value in good faith.

We have authorized and reserved a total of 100,000 shares for issuance under the plan. If the number of outstanding shares is changed into a different number or kind of shares or securities through a reorganization or merger in which we are the surviving entity, or through a combination, recapitalization, or otherwise, we will make an appropriate adjustment in the number and kind of shares that may be issued pursuant to exercise of the options. We also will make a corresponding adjustment to the exercise price of the options granted prior to any change. Any such adjustment, however, will not change the total payment, if any, applicable to the portion of the options not exercised but will change only the exercise price for each share.

Options will lapse on the first to occur of (i) the tenth anniversary of the date we grant them, (ii) the removal for cause of the independent director as a member of the board of directors, or (iii) three months following the date the independent director ceases to be a director for any reason other than death or disability. Options may be exercised by payment of cash or through the delivery of common stock. Options are generally exercisable in the case of death or disability for a period of one year after death or the disabling event. No option issued may be exercised if such exercise would jeopardize our status as a REIT under the Internal Revenue Code. The independent directors may not sell, pledge, assign, or transfer their options other than by will or the laws of descent or distribution.

The term of the plan is 10 years. Upon our earlier dissolution or liquidation; upon our reorganization, merger, or consolidation with one or more corporations as a result of which we are not the surviving corporation; or upon sale of all or substantially all of our properties, the plan will terminate, and any outstanding options will terminate and be forfeited. The board of directors may provide in writing in connection with any such transaction for any or all of the following alternatives:

for the assumption by the successor corporation of the options granted or the replacement of the options with options covering the stock of the successor corporation, or a parent or subsidiary of such corporation, with appropriate adjustments as to the number and kind of shares and exercise prices;

for the continuance of the plan and the options by such successor corporation under the original terms; or for the payment in cash or shares of common stock in lieu of and in complete satisfaction of such options.

Compensation Committee Report

The Conflicts Committee of the board of directors, which is responsible for discharging the board's responsibilities relating to the compensation of our directors and would be expected to act upon matters of executive compensation as necessary has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, in reliance on these reviews and discussions, the Conflicts Committee recommended to the board of directors, and the board approved, the inclusion of the Compensation Discussion and Analysis in this Annual Report.

Richard W. Carpenter, Bud Carter, John L. Dixon, and
George W. Sands

Compensation Committee Interlocks and Insider Participation

We do not have a standing compensation committee as we have no paid employees and our executive officers do not receive compensation directly from us for services rendered to us. Our Conflicts Committee is responsible for discharging the board's responsibilities relating to the compensation of our directors and would be expected to act upon matters of executive compensation as necessary. The members of the Conflicts Committee are Neil H. Strickland, Charles R. Brown, Richard W. Carpenter, Bud Carter, John L. Dixon, and George W. Sands, each of whom is an independent director.

ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED SHAREHOLDER MATTERS**Securities Authorized for Issuance Under Equity Compensation Plans**

We have reserved 750,000 shares of common stock for issuance under our Stock Option Plan and 100,000 shares of common stock under the Independent Director Stock Option Plan. Both plans were approved by our stockholders in 2003 before we commenced our initial public offering. The following table provides summary information about securities issuable under our equity compensation plans.

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants, and rights	Weighted average exercise price of outstanding options, warrants, and rights	Number of securities remaining available for future issuance under equity compensation plans (1)
Equity compensation plans approved by security holders	29,500	\$12.00	820,500
Equity compensation plans not approved by security holders	—	—	—
Total	29,500	\$12.00	820,500

Includes 70,500 shares reserved for issuance under the Independent Director Stock Option Plan, which has been (1) suspended. We do not expect to issue additional options to our independent directors until our shares of common stock are listed on a national securities exchange.

Security Ownership of Certain Beneficial Owners

The following table shows, as of February 29, 2012, the amount of our common stock and stock options to purchase shares of our common stock (as indicated below) beneficially owned by (1) any person who is known by us to be the beneficial owner of more than 5% of the outstanding shares of common stock, (2) our directors, (3) our executive officers, and (4) all of our directors and executive officers as a group.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Transactions with Related Persons

Our charter requires our Conflicts Committee to review and approve all transactions involving our affiliates and us. Prior to entering into a transaction with an affiliate that is not covered by the advisory agreement with our advisor, a majority of the Conflicts Committee must conclude that the transaction is fair and reasonable to us and on terms and conditions not less favorable to us than those available from unaffiliated third parties. In addition, our Code of Ethics lists examples of types of transactions with affiliates that would create prohibited conflicts of interest. Under the Code of Ethics, our officers and directors are required to bring potential conflicts of interest to the attention of the chairman of our Audit Committee promptly. The Conflicts Committee has reviewed the material transactions between our affiliates and us. Set forth below is a description of such transactions.

Our Relationship with Wells Capital and WREAS II Advisory Agreement for 2011 and First Quarter 2012

Certain of our executive officers, E. Nelson Mills, Douglas P. Williams, and Randall D. Fretz, are also executive officers of Wells Real Estate Funds, our sponsor, which is the manager of WREAS II, our advisor. The chairman of our board of directors, Leo F. Wells, III, is the sole director of Wells Real Estate Funds and indirectly owns 100% of its equity. WREAS II provides our day-to-day management. Among the services provided by our advisor under the terms of the advisory agreement are the following:

- real estate acquisition services;
- asset management services;
- real estate disposition services;

Table of Contents

property management oversight services; and
administrative services.

Our advisor is at all times subject to the supervision of our board of directors and has only such authority as we may delegate to it as our agent. We renewed the advisory agreement (the "Renewed Advisory Agreement") with our advisor, WREAS II, in December 2011 for the period from January 1, 2012 through March 31, 2012. The Renewed Advisory Agreement is substantially the same as the agreement that was in effect through December 31, 2011, except that WREAS II has agreed to a limit on the reimbursement of certain expenses by us. Specifically, WREAS II will not be reimbursed for "portfolio general and administrative expenses" or "personnel expenses" incurred in the first quarter of 2012 to the extent they exceed \$4.5 million and \$2.5 million, respectively. As defined in the advisory agreement, "portfolio general and administrative expenses" refer to categories of costs set forth in a budget approved by our board of directors at a meeting on December 16, 2011. Generally, these are general and administrative costs (excluding the asset management fee) that relate to the portfolio as a whole rather than property-specific costs. "Personnel expenses" are defined in the advisory agreement to refer to all wages and other employee-related expenses of employees of WREAS II or its affiliates to the extent the employees are engaged in the management, administration, operation, and marketing of us but excluding personnel expenses reimbursable under another agreement, such as the property management agreement. The term of the advisory agreement is subject to an unlimited number of successive renewals upon mutual consent of the parties.

From January 1, 2011 through the most recent date practicable, which was December 31, 2011, we have compensated our advisor as set forth below:

Through July 31, 2011 we incurred acquisition fees payable to our advisor equal to 2.0% of gross proceeds from our public offerings of common stock for services in connection with the selection, purchase, development, or construction of real property. We incurred such acquisition fees upon receipt of proceeds from the sale of shares. Effective August 1, 2011, acquisition fees have been incurred at 1% of the property purchase price (excluding acquisition expenses); however, in no event may total acquisition fees for the 2011 calendar year exceed 2% of total gross offering proceeds. Acquisition fees from January 1, 2011 through December 31, 2011, totaled approximately \$1.3 million.

Asset management fees are incurred monthly at one-twelfth of 0.625% of the lesser of (i) gross cost, as defined, of all of our properties (other than those that fail to meet specified occupancy thresholds) and investments in joint ventures, or (ii) the aggregate value of our interest in the properties and joint ventures as established with the most recent asset-based valuation, until the monthly payment equals \$2.7 million (or \$32.5 million annualized), as of the last day of each preceding month. For the first three months of 2011, we generally paid monthly asset management fees equal to one-twelfth of 0.625% of the cost of all of our properties (other than those that fail to meet specified occupancy thresholds) and our investments in joint ventures; from April 2011 through December 2011, asset management fees were capped at \$2.7 million per month (or \$32.5 million annualized) following the March 2011 acquisition of the Market Square Buildings. With respect to (ii) above, we published our first net asset-based valuation (per share) on November 8, 2011, which has not impacted asset management fees incurred to date due to continued applicability of the \$2.7 million per month (\$32.5 million per annum) cap described above. Asset management fees from January 1, 2011 through December 31, 2011 totaled approximately \$32.1 million.

Additionally, we reimburse our advisor for all costs and expenses it incurs in fulfilling its asset management and administrative duties, which may include wages, salaries, taxes, insurance, benefits, information technology, legal and travel, and other out-of-pocket expenses of employees engaged in ongoing management, administration, operations, and marketing functions on our behalf. We do not, however, reimburse our advisor for personnel costs in connection with services for which our advisor receives acquisition fees or real estate commissions. Administrative reimbursements, net of reimbursements from tenants, from January 1, 2011 through December 31, 2011, totaled approximately \$11.6 million.

The Conflicts Committee considers our relationship with the advisor during 2011 to be fair. The Conflicts Committee evaluated the performance of the advisor and the compensation paid to the advisor in connection with its decision to renew the advisory agreement through December 31, 2011 and then again in connection with its decision to renew the advisory agreement through March 31, 2012. The Conflicts Committee believes that the amounts payable to the

advisor under the advisory agreement are similar to those paid by other publicly offered, unlisted, externally advised REITs and that this compensation was appropriate in order for the advisor to provide the desired level of services to us and our stockholders. The Conflicts Committee evaluates the advisor at least annually on factors such as (a) the amount of the fees paid to the advisor in relation to the size, composition, and performance of our portfolio; (b) the success of the advisor in generating opportunities that meet our investment objectives; (c) rates charged to other REITs and to investors other than REITs by advisors performing the same or similar services; (d) additional revenues realized by the advisor and its affiliates through their relationship with us, including loan administration, underwriting or broker commissions, servicing, engineering, inspection, and other fees; (e) the quality and extent of service and advice furnished by the advisor; (f) the performance of our portfolio, including income, conservation or appreciation of capital, frequency of problem

Table of Contents

investments, and competence in dealing with distress situations; and (g) the quality of our portfolio relative to the investments generated by the advisor for its own account.

Advisory Agreement Renewal

On April 1, 2012, we renewed the advisory agreement with WREAS II for an additional three months (the "April Renewed Advisory Agreement"). The April Renewed Advisory Agreement is effective from April 1, 2012 through June 30, 2012 and has materially the same terms as the agreement that was in effect through March 31, 2012, with limits on reimbursements to WREAS II of "portfolio general and administrative expenses" and "personnel expenses," as defined, to the extent they would exceed approximately \$4.5 million and \$2.5 million, respectively, for the period from April 1, 2012 through June 30, 2012. In addition, the April Renewed Advisory Agreement includes a limit of \$1.5 million on acquisition fees during the term of the agreement.

Proposed Agreements with Wells Real Estate Funds and its Affiliates

Although we can give no assurance that the parties will be able to come to agreement, we are working to document and agree to the following proposed arrangements with Wells Real Estate Funds and its affiliates:

Advisory Agreements. We are in negotiations to enter into an advisory agreement for the period from July 1 through December 31, 2012. The parties expect that the total fees and reimbursements under this agreement, which we refer to as the "Initial Term Advisory Agreement," would reflect savings of approximately \$375,000 to our company.

Following the expiration of the Initial Term Advisory Agreement, the parties expect to enter into a subsequent advisory agreement for another year with fees and reimbursements being approximately \$1,750,000 less than we pay for such services under the current payment terms. This one-year advisory agreement, which we refer to as the "Renewal Advisory Agreement," and the Initial Term Advisory Agreement would each be terminable on 60 days' notice without penalty by either party. The Renewal Advisory Agreement would also automatically terminate upon our exercise of the WREAS II Assignment Option, which is described below.

We expect that stockholder and communications services (currently provided under our advisory agreement) would be covered under a separate agreement with Wells Real Estate Funds or an affiliate of Wells Real Estate Funds (the "Investor Services Agreement"). The savings referenced in the prior paragraph are inclusive of the amounts expected to be paid under the Investor Services Agreement. Accordingly, if we enter into the Initial Term Advisory Agreement, the Renewal Advisory Agreement and the Investor Services Agreement, from July 1, 2012 through December 31, 2013, we would expect to receive all of the services we currently receive from the Advisor and its affiliates under our current advisory agreement for a total cost that is approximately \$2,125,000 less than we would pay for such services under current payment terms. The Investor Services Agreement would commence on July 1, 2012 for a six-month term. We expect the Investor Services Agreement would be renewed on the same terms for a one-year term commencing January 1, 2013. The Investor Services Agreement would be terminable on 60 days' notice without penalty. Also, upon the exercise of the WREAS II Assignment Option, certain caps designed to ensure the savings described above would expire.

Transitional Services Agreement. Subject to coming to terms on final documentation, Wells Real Estate Funds has indicated a willingness to enter into a Transitional Services Agreement pursuant to which Wells Real Estate Funds would be obligated to assign WREAS II to us at a time of our choosing during the term of the Renewal Advisory Agreement. We refer to this option as the "WREAS II Assignment Option." No payment would be associated with this assignment. However, we would agree to pay Wells Real Estate Funds for the work required to transfer sufficient employees, proprietary systems and processes and assets to WREAS II to prepare for a successful transition to self-management. The Transitional Services Agreement would commence on July 1, 2012 and run through December 31, 2013. We would pay Wells Real Estate Funds \$500,000 per month for the first 12 months for these services, with no additional payments required during the last six months of the agreement's term. The Transitional Services Agreement would not be terminable by either party except for cause. Should we exercise the proposed WREAS II Assignment Option prior to December 31, 2013, we must also agree to enter into a consulting agreement with Wells Real Estate Funds pursuant to which Wells Real Estate Funds would consult with us regarding certain of the matters covered by the Renewal Advisory Agreement at a price equal to the amounts remaining to be paid under that agreement less the costs assumed by us in connection with the assignment.

Agreements with Wells Real Estate Funds After Our Self-management. Upon becoming self-managed through the exercise of the WREAS II Assignment Option, we would expect to have the following agreements in place with Wells Real Estate Funds or its affiliates:

• Investor Services Agreement (described above), with payment terms to be negotiated.

Table of Contents

Operations and Administrative Support Agreement with respect to the provision of human resources services, certain information technology services (such as desktop support services) and accounts payable administration. Whether we enter into this agreement would be solely at our discretion depending upon our needs at that time. Assuming we had 50 employees during the first year that we were self-managed, we estimate the maximum annual costs under such an agreement would be less than \$900,000.

Lease and Occupancy Agreement, with respect to the leasing of office space at a cost of approximately \$250,000 per year. Whether we enter into this agreement would be solely at our discretion as we might choose to lease space elsewhere.

Master Property Management, Leasing and Construction Management Agreement (the "Master Property Management Agreement"). We are already parties to this agreement with Wells Management Company. The current agreement is terminable without penalty on 60 days' notice. Whether we terminate this agreement or renew or modify it following our becoming self-managed would be solely at our discretion. We expect this agreement would be at market rates.

Our Relationship with WIS

Mr. Wells indirectly owns 100% of our dealer-manager, WIS. In addition, Messrs. Fretz and Williams are directors of WIS. Prior to concluding our primary public offering, our dealer-manager was entitled to receive selling commissions of 7% and a dealer-manager fee of 2.5% of aggregate gross offering proceeds, except that no selling commissions or dealer-manager fees are paid in connection with the sale of our shares under the dividend reinvestment plan. Our primary public equity offering closed mid-2010. Therefore, from January 1, 2011 through December 31, 2011, we incurred no selling commissions or dealer-manager fees to WIS.

The Conflicts Committee believes that this arrangement with WIS is fair.

Our Relationship with Wells Management

Wells REIT II is party to a property management, leasing, and construction management agreement with WREAS II (the "Management Agreement"), which automatically renewed on October 24, 2011 for a one-year term. Wells Management assigned all of its rights, title, and interest in the Management Agreement to WREAS II on January 1, 2011. Wells REIT II consented to such assignment as required by the Management Agreement. As part of this assignment, Wells Management guarantees the performance of all of the WREAS II obligations under the Management Agreement. Mr. Wells indirectly owns 100% of Wells Management. In consideration for supervising the management, leasing, and construction of certain of our properties, we pay the following fees to WREAS II under the Management Agreement:

For each property for which WREAS II provides property management services, we pay WREAS II a market-based property management fee based on gross monthly income of the property.

For each property for which WREAS II provides leasing agent services, WREAS II is entitled to: (i) a one-time fee in an amount not to exceed one month's rent for the initial rent-up of a newly constructed building; (ii) a market-based commission based on the net rent payable during the term of a new lease; (iii) a market-based commission based on the net rent payable during the term of any renewal or extension of any tenant lease; and (iv) a market-based commission based on the net rent payable with respect to expansion space for the remaining portion of the initial lease term.

For each property for which WREAS II provides construction management services, WREAS II is entitled to receive from us that portion of lease concessions for tenant-directed improvements that are specified in the lease or lease renewal, subject to a limit of 5% of such lease concessions and a management fee to be determined for other construction management activities.

The Conflicts Committee believes that the above-described arrangements with WREAS II and Wells Management are fair and reasonable and on terms and conditions no less favorable to us than those available from unaffiliated third parties. Property management and construction fees incurred from January 1, 2011 through December 31, 2011 were \$4.8 million.

Director Independence

Although our shares are not listed for trading on any national securities exchange, a majority of the members of our board of directors, and all of the members of the Audit Committee, the Nominating and Corporate Governance Committee and all of the other committees of our board of directors are "independent" as defined by the NYSE. The

NYSE standards provide that to qualify as an independent director, in addition to satisfying certain bright-line criteria, the board of directors must affirmatively determine that a director has no material relationship with us (either directly or as a partner, stockholder, or officer of an organization that has a relationship with us). The board of directors has determined that Charles R. Brown, Richard W. Carpenter, Bud Carter, John L. Dixon, George W. Sands, and Neil H. Strickland each satisfies the bright-line criteria and that none has a relationship with us that would interfere with such person's ability to exercise independent judgment as a member of the board. The following

13

Table of Contents

transactions and relationships between our directors and our affiliates were considered by the board under the applicable independence definitions in determining that these directors are independent.

In determining that Messrs. Brown, Carpenter, Carter, Dixon, Sands, and Strickland were independent under our charter and the standards of the NYSE, the board of directors considered the transactions, relationships and arrangements noted below. Mr. Strickland served as an independent trustee of the Wells Family of Real Estate Funds from 1998 to 2010. Mr. Sands joined the board of directors of Wells Timberland REIT as an independent director on March 23, 2010 and as of May 10, 2010 was designated the chairman of their audit committee. In addition, Bud Carter currently chairs three monthly peer groups for Vistage International, a leadership organization that offers members monthly peer workshops, one-on-one business coaching, speaker presentations, social networking and a library of online content for business executives. Messrs. Wells and Fretz are each members of separate peer groups chaired by Mr. Carter. Mr. Carter also meets privately each month with each member of the groups attended by Messrs. Wells and Fretz. Each group consists of up to 18 members. Wells Capital pays the fees associated with the participation of the Wells officers in the peer groups. These amounts are not reimbursed by our company. Wells Capital paid Vistage International the following amounts with respect to the foregoing participation for each of the last three years: \$24,960 for 2009, \$25,420 for 2010 and \$26,280 for 2011. Mr. Carter's compensation from Vistage International is a percentage of each enrollee's monthly dues. In each of the last three years, the total amount that Mr. Carter received from Vistage International related to the participation of the two Wells officers represented less than 5% of Mr. Carter's total compensation from Vistage International in that year. Mr. Carter has no equity interest in Vistage International.

ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES

Independent Auditors

During the year ended December 31, 2011 Deloitte & Touche LLP served as our independent auditor and provided certain domestic and international tax and other services. Deloitte & Touche LLP has served as our independent auditor since May 14, 2008. The Audit Committee has engaged Deloitte & Touche LLP as our independent auditor to audit our financial statements for the year ended December 31, 2012. The Audit Committee may, however, select new auditors at any time in the future in its discretion if it deems such decision to be in our best interest. Any decision to select new auditors would be disclosed to the stockholders in accordance with applicable securities laws.

Representatives from Deloitte & Touche LLP are expected to be present at the annual meeting, to have the opportunity to make a statement if they desire to do so, and to be available to respond to appropriate questions posed by any stockholders.

Preapproval Policies

The Audit Committee Charter imposes a duty on the Audit Committee to preapprove all auditing services performed for us by our independent auditors, as well as all permitted nonaudit services (including the fees and terms thereof) in order to ensure that the provision of such services does not impair the auditors' independence. Unless a type of service to be provided by the independent auditors has received "general" preapproval, it will require "specific" preapproval by the Audit Committee.

All requests or applications for services to be provided by the independent auditor which do not require specific preapproval by the Audit Committee will be submitted to management and must include a detailed description of the services to be rendered. Management will determine whether such services are included within the list of services that have received the general preapproval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the independent auditors.

Requests or applications to provide services that require specific preapproval by the Audit Committee will be submitted to the Audit Committee by both the independent auditors and the Principal Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence. The Chairman of the Audit Committee has been delegated the authority to specifically preapprove all services not covered by the general preapproval guidelines up to an amount not to exceed \$75,000 per occurrence. Amounts requiring preapproval in excess of \$75,000 per occurrence require specific preapproval by all members of the Audit Committee prior to engagement of our independent auditors. All amounts specifically preapproved by the Chairman of the Audit Committee in accordance with this policy are to be disclosed to the full

Audit Committee at the next regularly scheduled meeting.

All services rendered by Deloitte & Touche LLP for the year ended December 31, 2011 were preapproved in accordance with the policies and procedures described above.

Table of Contents

Principal Auditor Fees

The Audit Committee reviewed the audit and nonaudit services performed by our principal auditor, Deloitte & Touche LLP, as well as the fees charged by the principal auditor for such services. In its review of the nonaudit service fees, the Audit Committee considered whether the provision of such services is compatible with maintaining the independence of the principal auditor. The aggregate fees billed to us for professional accounting services, including the audit of our annual financial statements by our principal auditor for the years ended December 31, 2011 and 2010, are set forth in the table below.

For purposes of the preceding table, the principal auditor's professional fees are classified as follows:

Audit fees – These are fees for professional services performed for the audit of our annual financial statements and the required review of quarterly financial statements and other procedures performed by the principal auditor in order for them to be able to form an opinion on our consolidated financial statements. These fees also cover services that are normally provided by independent auditors in connection with statutory and regulatory filings or engagements, including reviews of our financial statements included in our registration statements, as amended. Audit fees are presented for the period to which the audit work relates.

Audit-related fees – These are fees for assurance and related services that traditionally are performed by independent auditors that are reasonably related to the performance of the audit or review of the financial statements, such as due diligence related to acquisitions and dispositions, attestation services that are not required by statute or regulation, internal control reviews, and consultation concerning financial accounting and reporting standards.

Tax fees – These are fees for all professional services performed by professional staff in our independent auditor's tax division, except those services related to the audit of our financial statements. These include fees for tax compliance, tax planning and tax advice, including federal, state, and local issues. Services also may include assistance with tax audits and appeals before the IRS and similar state and local agencies, as well as federal, state, and local tax issues related to due diligence. Tax fees are presented for the period in which the services were provided.

All other fees – These are fees for any services not included in the above-described categories, including assistance with internal audit plans and risk assessments.
