INTRODUCTION

This Information Statement is furnished to holders of shares of common stock, \$0.001 par value (the "Common Stock") of OSK Capital III Corp. (the "Company") to notify such stockholders that on or about July 29, 2004 the Company received written consents in lieu of a meeting of stockholders from holders of a majority of the shares of Voting Securities representing in excess of 94% of the total issued and outstanding shares of voting stock of the Company approving the Certificate of Amendment to the Certificate of Incorporation of the Company, pursuant to which the number of shares of Common Stock that the Company is authorized to issue will be increased from 25,000,000 shares to

Edgar Filing: OSK CAPITAL III CORP - Form PRE 14C

125,000,000 shares.

This amendment was adopted by our Board of Directors and the majority stockholders (the "Majority Stockholders") of our Company in accordance with the Corporation Law of the State of Nevada. The Majority Stockholders own 3,150,000 shares of Common Stock or approximately 94.99% of our outstanding Voting Securities. No other votes were required or necessary to adopt this amendment, and none are being solicited hereunder. See the captions "Voting Securities and Principal Holders Thereof" and "Amendment to the Certificate of Incorporation and Vote Required for Approval," herein.

PURPOSE OF INCREASING NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

The Company's Board of Directors believes that it is desirable to have additional authorized shares of Common Stock available for possible future financings, possible future acquisition transactions and other general corporate purposes. The Company's Board of Directors believes that having such additional authorized shares of Common Stock available for issuance in the future should give the Company greater flexibility and may allow such shares to be issued without the expense and delay of a special shareholders' meeting. Although such issuance of additional shares with respect to future financings and acquisitions would dilute existing shareholders, management believes that such transactions would increase the value of the Company to its shareholders. The increase in authorized common stock will not have any immediate effect on the rights of existing shareholders. However, the Board of Directors will have the authority to issue authorized common stock without requiring future stockholder approval of such issuances, except as may be required by the Articles of Incorporation or applicable law.

2

The proposed increase in the authorized number of shares of Common Stock could have a number of effects on the Company's stockholders depending upon the exact nature and circumstances of any actual issuances of authorized but unissued shares. The increase could have an anti-takeover effect, in that additional shares could be issued (within the limits imposed by applicable law) in one or more transactions that could make a change in control or takeover of the Company more difficult. For example, additional shares could be issued by the Company so as to dilute the stock ownership or voting rights of persons seeking to obtain control of the Company. Any such issuance of additional stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of Common Stock and such additional shares could be used to dilute the stock ownership or voting rights of a person seeking to obtain control of the Company. Similarly, the issuance of additional shares to certain persons allied with the Company's management could have the effect of making it more difficult to remove the Company's current management by diluting the stock ownership or voting rights of persons seeking to cause such removal. The Board of Directors is not aware of any attempt, or contemplated attempt, to acquire control of the Company, and this action is not being undertaken with the intent that it be utilized as a type of anti-takeover device.

There are currently no plans, arrangements, commitments or understandings for the issuance of the additional shares of Common Stock.

The amendment to the Company's Articles of Incorporation shall be filed with the Nevada Secretary of State so that Article 4 of the Certificate of Incorporation shall be as follows:

Edgar Filing: OSK CAPITAL III CORP - Form PRE 14C

ARTICLE FOURTH.

This corporation shall be authorized to issue the capital stock of the Company, to be designated as Common Stock ("Common Stock"). The total number of shares of Common Stock that the corporation shall have authority to issue is 125,000,000, \$0.001 par value per share.

This amendment will become effective on the later of the opening of business on [date], or a date that is at least 21 days from the mailing of this Information Statement to our stockholders.

This amendment is the only matter covered by this Information Statement.

3

Vote Required

Pursuant to NRS 78.385 and NRS 78.390, the affirmative vote of the holders of a majority of our outstanding voting stock is sufficient to amend our Articles of Incorporation to increase the number of authorized shares of our common stock to 125,000,000 shares, which vote was obtained by majority written consent. As a result, the Share Increase Amendment was approved and no further votes will be needed.

Effective Date

Under applicable federal securities laws, the Authorized Share Increase Amendment cannot be effective until at least 20 calendar days after this Information Statement is sent or given to our stockholders. The Authorized Share Increase Amendment will become effective upon filing with the Secretary of State of Nevada. It is anticipated that the foregoing will take place as soon as practicable, but in no event sooner than 20 calendar days after this Information Statement is mailed to our stockholders.

DISSENTERS' RIGHTS

Under Nevada Law, our dissenting shareholders are not entitled to appraisal rights with respect to our amendment, and we will not independently provide our shareholders with any such right.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No director, executive officer, nominee for election as a director, associate of any director, executive officer or nominee for election as a director, or any other person has any substantial interest, direct or indirect, by security holdings or otherwise, in the proposed amendment to our Certificate of Incorporation which is not shared by all other stockholders.

AMENDMENT TO THE CERTIFICATE OF INCORPORATION AND VOTE REQUIRED FOR APPROVAL

Nevada Law.

Nevada Revised Statutes ("NRS") 78.390 provides that every amendment to our Articles of Incorporation shall first be adopted by the resolution of the Board of Directors and then be subject to the approval of stockholders entitled to

Edgar Filing: OSK CAPITAL III CORP - Form PRE 14C

vote on any such amendment. Under NRS 78.390 and the Company's bylaws, an affirmative vote by stockholders holding shares entitling them to exercise at least a majority of the voting power is sufficient amend the Articles of Incorporation. NRS 78.320 provides that, unless otherwise provided in the Articles of Incorporation or the bylaws, any action required or permitted to be taken at a meeting of the stockholders may be taken without a meeting if, before or after the action, a written consent thereto is signed by stockholders holding at least a majority of the voting power. In order to eliminate the costs and management time involved in holding a special meeting, the Company's Board of Directors voted to utilize, and did in fact obtain, the written consent of the holders of a majority in the interest of the outstanding common stock. The Majority Stockholders own 3,150,000 shares of Common Stock or approximately 94.99% of our outstanding voting securities. No other votes are required or necessary to adopt these amendments, and none are being solicited hereunder.

The directors, executive officers who represent the Majority Stockholders have voted, in writing, to approve the resolutions to amend our Certificate of Incorporation to effect the various amendments outlined above collectively own approximately 94.99% of our outstanding voting securities; accordingly, this percentage being a majority, no additional votes are required or necessary to adopt these amendments to our Certificate of Incorporation, and none are being solicited hereunder. See the captions "Voting Securities and Principal Holders Thereof" and "Amendment to the Certificate of Incorporation and Vote Required for Approval," herein.
