SECTION 8 - OTHER EVENTS

ITEM 8.01 OTHER EVENTS.

Edgar Filing: LASERSIGHT INC /DE - Form 8-K

LaserSight Incorporated laid off approximately 20% of its workforce on December 20, 2005 in an effort to reduce costs and improve its operating efficiency. In addition, the Company is rebalancing and adjusting its resources to optimize its operating efficiency.

As disclosed previously, the Company has focused its business in China since emerging from Chapter 11 reorganization in June 2004. In 2005, the Company's exclusive distributor in China has been the Company's primary customer. The Company is currently selling its products to China on a month-by-month basis, and actual sales have not kept up with the Company's sales targets and production schedule. Furthermore, product manufacturing has been negatively impacted by the lack of adequate working capital caused by the reduced sales volume and delays in payment from the Company's Chinese distributor. The Company is working with its Chinese distributor and other distributors to secure increased sales. In 2006, the Company will have a reduced sales projection, thus a reduced manufacturing schedule.
