Euroseas Ltd. Declares Quarterly Dividend, and Sets Date for the Release of Second Quarter 2010 Results, Conference Call and Webcast

08/03/10 Maroussi, Athens, Greece August 3, 2010 - Euroseas Ltd., (NASDAQ:ESEA) an owner and operator of drybulk carriers and container vessels and provider of seaborne transportation for dry bulk and containerized cargoes, announced today that the Company's Board of Directors has declared a dividend of \$0.06 per common share for the second quarter of 2010. The dividend is payable on September 03, 2010 to all shareholders of record as of August 25, 2010. This is the 20th consecutive quarterly dividend since the company accessed the capital markets in August 2005 and signifies an increase of 20% over the last quarter's dividend.

Furthermore, the company announced today that it will release its financial results for the second quarter ended June 30, 2010, on Tuesday, August 10, 2010, after the market closes in New York. The following day, Wednesday, August 11, 2010, at 10:00 am EDT, the Company's management will host a conference call and webcast to discuss the results.

Aristides Pittas, Chief Executive Officer of Euroseas, stated, "We have been one of the very few companies able to continue paying dividends during the biggest shipping crisis since the early eighties. This, despite the fact that the crisis for containerships, which comprise the biggest part of our fleet, has been much deeper and longer than for drybulk vessels. We are now increasing our dividend as we are gaining confidence that the apparent recovery and normalisation of the container market will assist our company to return to profitability by 2011. Our strategy of growing the company with investments in both the drybulk and container markets as opportunities arise whilst rewarding our shareholders with significant dividends remains unaltered.
