Item 2.02. Results of Operations and Financial Condition.

On February 5, 2019, Spirit Airlines, Inc. (the “Company” or “Spirit”) issued a press release announcing its unaudited financial results for the fourth quarter and full year 2018. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Non-GAAP financial measures that reflect adjustments from historical financial data prepared under GAAP, including adjustments for special items, are included in the press release as supplemental disclosures because the Company believes they are useful indicators of the Company's operating performance for comparative purposes. These non-GAAP financial measures are well recognized performance measurements in the airline industry that are frequently used by investors, securities analysts and other interested parties in comparing the operating performance of companies in the airline industry. The non-GAAP financial measures provided have limitations as an analytical tool. Because of these limitations, non-GAAP financial measures should not be considered in isolation or as a substitute for performance measures calculated in accordance with GAAP. The Company has also provided in the press release reconciliations of these non-GAAP financial measures to the appropriate GAAP financial measures.

Item 7.01 Regulation FD Disclosure.

The information in this report furnished pursuant to Item 7.01 shall not be deemed “filed” for the purposes of Section 18 of the Securities and Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section. It may only be incorporated by reference in another filing under the Exchange Act or the Securities Act of 1933, as amended (the “Securities Act”), if such subsequent filing specifically references the information furnished pursuant to Item 7.01 of this report.

On February 5, 2019, the Company provided an update to investors regarding the Company's first quarter and full year 2019 guidance; a copy of which is attached hereto as Exhibit 99.2 and is incorporated herein by reference. The guidance provided therein is only an estimate of what the Company believes is realizable as of the date of this investor update. Actual results may vary from the guidance and the variations may be material. The Company undertakes no intent or obligation to publicly update or revise any of these projections, whether as a result of new information, future events or otherwise, except as required by law.
