(1) Price was initially reported as the average of the closing price of a share of CACI stock as reported by the NYSE for the five business days immediately preceding the date of the grant. The actual price, as now reported, represents the closing price of a share of CACI International Inc common stock the day immediately preceding the date of grant.

(2) Amount represents the actual number of securities granted based on the director fees deferred by reporting person and the price of a share of CACI International Inc common stock on the date derivative securities were granted. Amount previously reported represented number of underlying securities purchased by Registrant to partially fulfill obligations under the derivative security agreements.

(3) Represents the price of a share of CACI International Inc common stock at close of business on date that derivitave securities were granted. The price previously, and incorrectly, reported represented the price at which underlying securities were acquired by Registrant

instead of the price on the date the derivative securities were granted.

(4) Represents the date derivative securities were granted
