Item 1.01 Entry into a Material Definitive Agreement.

On August 5, 2015, InspireMD, Ltd. (“InspireMD”), a wholly owned subsidiary of InspireMD, Inc. (the “Company”), entered into a distribution agreement (the “Distribution Agreement”) with Penumbra, Inc. (“Penumbra”), pursuant to which Penumbra will act as the exclusive distributor of the Company’s CGuard carotid embolic prevention system products (the “Products”) in Austria, France, Sweden, Denmark, Norway, Finland, Estonia, Lithuania, Portugal, Switzerland and the United Kingdom and Ireland (the “Exclusive Territory”). The territory covered by the Distribution Agreement also includes non-exclusive rights to distribute the Products in Latvia, Benelux, Germany and Poland (together with the Exclusive Territory, the “Territory”).

Under the terms of the Distribution Agreement, InspireMD will use all commercially reasonable efforts to obtain all required permits, licenses and other approvals necessary to import, market or sell the Products in the Territory. Within 60 days after receipt of all such required approvals in a given Territory, Penumbra shall place its initial stocking order for the Products, for which Penumbra will pay one-half of the purchase price upon placing such order and the remainder of the purchase price 30 days after receipt of the Products and InspireMD’s invoice for such Products. If, in InspireMD’s reasonable discretion, Penumbra fails to order a sufficient quantity of Products to successfully commercialize the Products in the applicable Territory, then InspireMD may reduce the Territory covered by the Distribution Agreement upon providing 60 days’ notice to Penumbra.

The Distribution Agreement requires Penumbra to use commercially reasonable efforts to purchase Products in certain minimum target amounts agreed to by the parties for the 2015 and 2016 calendar years. For all subsequent calendar years during the term of the Distribution Agreement, the parties will agree to the minimum annual purchase targets at least 30 days prior to the commencement of such calendar year, which shall be determined in good faith by mutual agreement, taking into account various relevant factors, such as the sales attained during the preceding calendar year and prevailing market conditions, among others. The parties have fixed the initial prices to be paid by Penumbra for Products through December 31, 2015, which remain subject to certain reductions for inventory shelf life and other adjustments to be negotiated by the parties.

The initial term of the Distribution Agreement ends on December 31, 2018, unless sooner terminated pursuant to the termination rights set forth therein. Either party may terminate the Distribution Agreement (i) without cause upon providing 60 days’ notice to the other party, (ii) upon the other party’s material breach of the Distribution Agreement, which is not cured 30 days after written notice thereof from the non-breaching party and (iii) immediately without notice upon the bankruptcy, insolvency, dissolution, assignment for the benefit of creditors or similar event with respect to the other party. InspireMD may also terminate the Distribution Agreement if it reasonably believes that Penumbra, or any party acting on its behalf, has violated the United States Foreign Corrupt Practices Act of 1977. In addition, if at any time during the term of the Distribution Agreement, Penumbra distributes or offers for sale products that, in InspireMD’s reasonable judgment, compete with any of the Products, then InspireMD may terminate the Distribution Agreement or change the exclusive rights granted to non-exclusive rights upon providing 30 days’ notice to Penumbra.

Pursuant to the Distribution Agreement, InspireMD is subject to customary covenants and other continuing regulatory, record-keeping and reporting obligations.

The Distribution Agreement also contains a limited three year warranty for the Products and other mutual confidentiality and indemnification obligations for InspireMD and Penumbra.

The foregoing summary of the Distribution Agreement is not complete, and is qualified in its entirety by reference to the full text of such Distribution Agreement, which will be filed as an exhibit to the Company's Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2015.
