

Section 1 - Conflict Minerals Disclosure

Exterran Corporation (“Exterran,” “our” or “we”) is a global market leader in the full-service natural gas compression business and a premier provider of operations, maintenance, service and equipment for oil and natural gas production, processing and transportation applications. We operate in three primary business lines: contract operations, aftermarket services and product sales. As of the fourth quarter of 2017, Exterran has substantially exited the Belleli EPC business. We are required to comply with Rule 13p-1 of the Securities Exchange Act of 1934, as amended, as implemented through SEC Specialized Disclosure Report on Form SD (“Rule 13p-1”).
