The board of directors of SeaSpine Holdings Corporation is soliciting proxies for use at the annual meeting of stockholders to be held on Wednesday, May 30, 2018 at 7:00 a.m., local time, at our principal executive offices located at 5770 Armada Drive, Carlsbad, California 92008. If you need directions to the location of the annual meeting, please contact us at (760) 727-8399. In this proxy statement, the terms "SeaSpine," the "Company," "we," "us" and "our" refer to SeaSpine Holdings Corporation.

We use the internet as the primary means of furnishing proxy materials to our stockholders. We are sending a Notice of Internet Availability of Proxy Materials (the Notice of Internet Availability) to our stockholders with instructions on how to access our other proxy materials online and how to request a printed copy of those materials if so desired. The electronic delivery of our proxy materials will significantly reduce our printing and mailing costs and the environmental impact of the circulation of our proxy materials. The Notice of Internet Availability was first sent or made available on or about April 19, 2018 to stockholders of record entitled to notice of, and to vote at, the annual meeting.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be Held on May 30, 2018: This proxy statement and our annual report are available electronically at www.proxydocs.com/SPNE.

GENERAL INFORMATION

What am I being asked to vote on?

There are three proposals scheduled for a vote:

Proposal No. 1: The election of two Class III directors for a three-year term to expire at the 2021 annual meeting of stockholders:

- Stuart M. Essig, Ph.D.; and
- Keith C. Valentine.

Proposal No. 2: Ratification of the appointment of RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018.

Proposal No. 3: Approval of the amendment and restatement of our 2015 Amended and Restated Incentive Award Plan, as amended.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

We use the internet as the primary means of furnishing proxy materials to our stockholders. We are sending a Notice of Internet Availability of Proxy Materials (the Notice of Internet Availability) to our stockholders with instructions on how to access our other proxy materials online and how to request a printed copy of those materials if so desired. There is no charge for requesting a printed copy. Please make your request for a printed copy on or before May 16, 2018 to facilitate timely delivery.

Stockholders may follow the instructions in the Notice of Internet Availability to elect to receive future proxy materials in print by mail or electronically by email. We encourage stockholders to take advantage of the availability of the proxy materials online to help reduce the environmental impact of our annual meetings and to reduce our printing and mailing costs.

What is the record date for the annual meeting?

The record date is April 5, 2018.

How many votes do I have?

Each share of our common stock has one vote on each matter submitted to our stockholders. Only stockholders of record at the close of business on the record date are entitled to vote at the annual meeting or any adjournment or postponement thereof.

What constitutes a quorum?

The presence at the annual meeting, in person or by proxy, of holders representing a majority of our outstanding common stock as of the record date constitutes a quorum at the meeting, permitting us to conduct our business. As of the record date, we had approximately 14,537,751 shares of common stock outstanding.

What are my voting choices?

With respect to the election of directors, you may either vote “For” the nominee or you may “Withhold” your vote for such nominee.

With respect to each of the other proposals to be voted on, you may vote “For” or “Against” such proposal or abstain from voting on such proposal.

How do I vote?

Stockholders of Record: Shares Registered in Your Name

If your shares are registered directly in your name with our registrar and transfer agent, you are considered, with respect to those shares, the “stockholder of record.” If you are a stockholder of record, there are several ways for you to vote your shares as described below. Whether or not you plan to attend the annual meeting, we urge you to vote by proxy to ensure that your vote is counted.

By Mail. If you received our proxy materials by mail, you may vote by proxy by completing, signing, dating and returning the proxy card in the self-addressed, postage-paid envelope provided. You should mail the proxy card in plenty of time to allow delivery prior to the meeting. Do not mail the proxy card if you are voting online or by telephone. If you properly complete your proxy card and send it in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not specify how you want your shares to be voted, your shares will be, as permitted, voted as recommended by our board of directors. If any other matter is properly presented at the annual meeting, your proxy will vote in accordance with his or her best judgment. As of the date of this proxy statement, we know of no matters to be acted on at the meeting, other than those discussed in this proxy statement.

By Phone. If you received our proxy materials by mail, you may vote by proxy by calling the toll-free telephone number on the proxy card (866-249-5109) and following the recorded instructions. Please note that to vote by phone you must do so by 5:00 p.m. Eastern Time on May 29, 2018.

Online. You may vote by proxy by visiting www.proxypush.com/SPNE and using your unique control number printed on your Notice of Internet Availability. Please note that to vote online you must do so by 5:00 p.m. Eastern Time on May 29, 2018.

In Person at the Annual Meeting. You may attend the annual meeting and vote in person even if you have already voted by proxy. To vote in person, come to the annual meeting, and we will give you a ballot at the annual meeting.

Beneficial Owners: Shares Registered in the Name of a Broker or Bank

If your shares are held in an account at a bank, broker, or other organization, you are the “beneficial owner” of those shares and those shares are considered as held in “street name.” If you are a beneficial owner of shares, you should have received a voting instruction form from the organization with whom you hold your shares rather than directly from us. The availability of online voting and voting by phone may depend on the voting procedures of the organization that holds your shares. If you wish to vote in person at the annual meeting, you must obtain a “legal proxy” from the organization that holds your shares. A legal proxy is a written document that authorizes you to vote your shares held in street name at the annual meeting. please contact the organization that holds your shares for instructions regarding obtaining a legal proxy. You must bring a copy of the legal proxy to the annual meeting. In order for your vote to be counted, you must hand both the copy of the legal proxy and your completed ballot to an usher to be provided to the inspector of election.

May I revoke my proxy or change my vote?

Stockholders of Record: Shares Registered in Your Name

If you are a stockholder of record, you may revoke your proxy and change your vote at any time before votes are cast in any one of the following ways:

By Mail. You may revoke your proxy and change your vote by signing and returning a new proxy card dated as of a later date, in which case only your latest proxy card received prior to the annual meeting will be counted

By Phone. You may change your vote using the phone voting method described above, in which case only your latest telephone proxy submitted prior to 5:00 p.m. Eastern Time on May 29, 2018 will be counted.

Online. You may change your vote using the online voting method described above, in which case only your latest proxy submitted online prior to 5:00 p.m. Eastern Time on May 29, 2018 will be counted.

In Person at the Annual Meeting. You may revoke your proxy and change your vote by attending the annual meeting and voting in person. However, your attendance at the annual meeting will not automatically revoke your proxy unless you properly vote at the annual meeting or specifically request that your prior proxy be revoked by delivering a written notice of revocation prior to the annual meeting to our corporate secretary.

Beneficial Owners: Shares Registered in the Name of a Broker or Bank

If you are a beneficial owner, the organization with whom you hold your shares (e.g. your broker or bank) can provide you with instructions on how to revoke or change your voting instructions.

What if I don't provide instructions as to how to vote my shares?

Stockholders of Record: Shares Registered in Your Name

If you are a stockholder of record and you:

- indicate when voting online or by phone that you wish to vote as recommended by our board of directors; or
- sign and return a proxy card without giving specific voting instructions,

then the persons named as proxy holders will vote your shares in the manner recommended by our board of directors on all proposals discussed in this proxy statement and as they may determine in their best judgment with respect to any other matters properly presented for a vote at the annual meeting.

Beneficial Owners: Shares Registered in the Name of a Broker or Bank

If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, then the organization that holds your shares may generally vote your shares in their discretion on "routine" matters but cannot vote on "non-routine" matters.

The following proposal is considered a routine matter:

- Proposal No. 2: Ratification of the appointment of RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018.

The following proposals are considered non-routine matters:

- Proposal No. 1: The election of two Class III directors for a three-year term to expire at the 2021 annual meeting of stockholders

- Proposal No. 3: Approval of the amendment and restatement of our 2015 Amended and Restated Incentive Award Plan, as amended.

If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of election that it does not have the authority to vote on that matter with respect to your shares. This is commonly referred to as a "broker non-vote."

What vote is required to elect directors and to approve each proposal?

Assuming a quorum is present, with respect to the election of directors (Proposal No. 1), the two nominees who receive the most "FOR" votes (among votes properly cast in person or by proxy) will be elected.

Assuming a quorum is present, with respect to Proposals No. 2 and 3, in each case, the proposal will be approved if a majority of the voting power of the shares entitled to vote at the annual meeting on the subject matter in question represented in person or by proxy vote "FOR" the proposal.

Voting results will be tabulated and certified by the inspector of elections, Mediant Communications, Inc., who also will be responsible for mailing our proxy materials.

What is the effect of abstentions and broker non-votes?

Quorum. Shares held by persons attending the annual meeting but not voting on one or more proposals, and shares represented by proxies that reflect a "broker non-vote" or that reflect abstentions as to one or more proposals, will be counted as present for purposes of determining the presence of a quorum.

Proposals. Abstentions are treated as shares present in person or by proxy and entitled to vote on the subject matter, so abstaining has the same effect as an "AGAINST" vote for purposes of determining whether our stockholders approved Proposals No. 2 and 3. However, because the election of directors (Proposal No. 1) is determined by a plurality of votes cast, abstentions will not be counted or have any effect on the outcome of that proposal.

Broker non-votes, if any, will not be counted as votes cast with regard to the election of directors, and will have no effect on the outcome of that proposal. A broker or other nominee may generally vote in their discretion on routine matters and therefore no broker non-votes are expected on Proposal No. 2, a routine matter. With respect to Proposal No. 3, a non-routine matter, broker non-votes are not entitled to vote on the subject matter and therefore will have no effect on the outcome of that proposal.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our current report on Form 8-K to be filed with the SEC within four business days after the annual meeting. If final voting results are not available to us in time to file a Form 8-K within such four-business day period, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

Who is paying the costs of soliciting these proxies?

We will pay all of the costs of soliciting these proxies. Our directors, officers and other employees may, without additional compensation, solicit proxies on our behalf in person, by telephone, or by other electronic communication. We will ask banks, brokerage firms, fiduciaries, custodians, and other similar organizations representing beneficial owners to forward the Notice of Internet Availability to beneficial owners, to forward printed proxy materials by mail to beneficial owners who specifically request them, and to obtain beneficial owners' voting instructions. We will reimburse such organizations for their expenses.

How do I obtain an Annual Report on Form 10-K?

A copy of our annual report on Form 10-K for the fiscal year ended December 31, 2017 as filed with the SEC without exhibits, will be furnished without charge to any of our stockholders upon written request to us at the address below:

SeaSpine Holdings Corporation
5770 Armada Drive
Carlsbad, California 92008
Attn: Corporate Secretary

We also make available free of charge all of our filings that are made electronically with the SEC, including Forms 10-K, 10-Q and 8-K. These filings can be found under the Investors section of our website at www.seaspine.com.

What are the implications of being an "emerging growth company?"

We are an "emerging growth company" as defined in the Jumpstart Our Business Startups Act of 2012 (the JOBS Act). Emerging growth companies are permitted to take advantage of certain reduced disclosure obligations, which we have done in this proxy statement. Accordingly, the information contained herein may be different than the information you receive from other public companies in which you hold stock. For example, emerging growth companies are permitted to provide reduced disclosure obligations regarding executive compensation and are not required to hold a nonbinding advisory vote on executive compensation.

We will remain an emerging growth company until the earliest of: (i) December 31, 2020 (the fiscal year-end following the fifth anniversary of the completion of our spin-off from Integra LifeSciences Holdings Corporation, or the Spin-Off); (ii) the end of the fiscal year in which the market value of our common stock that is held by non-affiliates exceeds \$700.0 million as of the last business day of the second fiscal quarter of that year; (iii) the end of the fiscal year in which our annual revenues exceed \$1.0 billion; and (iv) the date on which we issue more than \$1.0 billion in nonconvertible debt in any three-year period.

PROPOSAL NO. 1:

ELECTION OF DIRECTORS

Our amended and restated bylaws specify that the number of directors shall be eight, which number may be modified (but not reduced to less than three) from time to time by resolution of our board of directors. Our amended and restated certificate of incorporation and our amended and restated bylaws provide for the classification of our board of directors into three classes, as nearly equal in number as possible and with staggered terms of office, and provide that upon the expiration of the term of office for a class of directors, nominees for such class shall be elected for a term of three years or until their successors are duly elected and qualified, provided that the term of each director shall continue until the election and qualification of a successor and be subject to such director's earlier death, resignation or removal.

At the annual meeting, two nominees for director are to be elected as Class III directors for a three-year term expiring at our 2021 annual meeting of stockholders and until such individual's successor is elected and qualified. The Class I and Class II directors have one year and two years, respectively, remaining on their terms of office.

The nominees for election as Class III directors at the annual meeting, who were recommended for nomination by the nominating and corporate governance committee of our board of directors, are Stuart M. Essig, Ph.D. and Keith C. Valentine, each of whom is currently a member of our board of directors.

Holders of proxies solicited by this proxy statement will vote the proxies received by them as directed on the proxy card or, if no direction is made, for the election of Mr. Essig and Mr. Valentine. Each of them has consented to serving as a nominee, being named in this proxy statement, and serving on our board of directors if elected. If any nominee is unable or declines to serve as a director at the time of the annual meeting, the proxy holders may vote for any nominee designated by our board of directors to fill the vacancy.

All of our directors bring to our board of directors significant leadership experience derived from their professional experience and service as executives or board members of other companies. The process undertaken by the nominating and corporate governance committee in recommending qualified director candidates is described below under "Director Nominations Process." Certain individual qualifications and skills of our directors that contribute to our board of directors' effectiveness as a whole are described in the following paragraphs.

Between May 2011 and December 2013, Mr. Stephenson was President of the U.S. Spine business of Integra LifeSciences Holdings Corporation, where he was responsible for sales, marketing, research and development and other related functions. Mr. Stephenson served as President and CEO of SeaSpine, Inc. from 2002 until it was sold to Integra in May 2011. Mr. Stephenson has over 28 years of experience in the medical device industry with 17 years of experience in the spine market. Prior to cofounding SeaSpine, Inc. in 2002, Mr. Stephenson was Vice President of Sales & Marketing at Alphatec. Mr. Stephenson received a bachelor's degree in Business Administration from the University of Cincinnati and an M.B.A. degree from Xavier University. We believe that Mr. Stephenson adds value to our board of directors based on his extensive experience in the medical device industry and spine business, including as chief executive officer of SeaSpine, Inc. and president of Integra's U.S. spine business.

James M. Sullivan joined our board of directors in July 2015. Since 1992, Mr. Sullivan has been a director of Integra LifeSciences Holdings Corporation. In addition, Mr. Sullivan currently serves as presiding director of the Integra board of

directors, as the chairman of the nominating and corporate governance committee of Integra's board of directors and as a member of the audit committee of Integra's board of directors. He is a Co-Founder of, and the Principal Advisor to, the Clover Investment Group. Between 1986 and April 2009, he held several positions with Marriott International, Inc. (and its predecessor, Marriott Corp.), including Vice President of Mergers and Acquisitions and Executive Vice President of Lodging Development. Prior to joining Marriott, Mr. Sullivan was Chairman, President and Chief Executive Officer of Tenly Enterprises, Inc., a privately held company operating 105 restaurants. He also held senior management positions with Harrah's Entertainment, Inc., Holiday Inns, Inc., Kentucky Fried Chicken Corp. and Heublein, Inc. He was also a senior auditor with Arthur Andersen & Co. and served as a director of Classic Vacation Group, Inc. until its acquisition by Expedia, Inc. in March 2002. Mr. Sullivan received a B.S. degree in Accounting from Boston College and an M.B.A. degree from the University of Connecticut. We believe that Mr. Sullivan adds value to our board of directors based on his extensive experience as an executive officer and director of multiple public and private companies both within and outside of our industry.

Board Independence

Our board of directors has determined that each of Drs. Blanchard, Bradley and Essig and Messrs. Fekete and Sullivan are independent under applicable rules of the Nasdaq Stock Market LLC (Nasdaq).

Board Leadership Structure

Our leadership is structured such that the chair of our board of directors and chief executive officer positions are separated. We separate the roles of chief executive officer and chair of the board of directors in recognition of the differences between the two roles. The chief executive officer is responsible for setting the strategic direction for our company and the day-to-day leadership and performance of our company, while the chair of the board of directors sets the agenda for meetings of our board of directors and acts as an interface between our board of directors and senior leadership team. Mr. Stephenson, the chair of our board of directors, has extensive executive experience in the medical device industry generally, as well as the specific business segment in which we operate, and brings substantial experience and leadership that enhances the effectiveness of our board of directors as a whole. In addition, because Mr. Stephenson is not an independent director, our board of directors has designated Dr. Essig as lead independent director. As lead independent director, Dr. Essig serves as the primary liaison between our chief executive officer and our independent directors and presides over executive sessions of independent directors (outside the presence of management and non-independent directors).

Pursuant to our corporate governance guidelines, our board of directors may choose its chair in any manner that it deems to be in the best interests of our company. Our corporate governance guidelines do not require that we separate the roles of chair and chief executive officer or that we designate a lead independent director. However, our board of directors believes this leadership structure is appropriate for our company at this time. Based on our current circumstances, this structure, together with our other corporate governance practices, provides strong independent oversight of management, while ensuring clear strategic alignment throughout our company.

The Board's Role in Risk Oversight

Our board of directors is responsible for oversight of risks facing our company, while our management is responsible for day-to-day management of risk. Our board of directors, as a whole, directly administers its risk oversight function. In addition, the risk oversight function is also administered through the standing committees of our board of directors, which oversee risks inherent in their respective areas of responsibility, reporting to our board of directors regularly and involving our board of directors as necessary. For example, the audit committee oversees our financial exposure and financial reporting related risks, and the compensation committee oversees risks related to our compensation programs and practices. Our board of directors as a whole directly oversees our strategic and business risk, including financial risk, through regular interactions with our management and, from time-to-time, input from independent advisors. We believe the leadership structure of our board of directors supports its role in risk oversight, with our executive officers responsible for assessing and managing risks facing our company on a day-to-day basis and the chair, lead independent director and other members of our board of directors providing oversight of such risk management.

Board of Directors Meetings

Our board of directors holds at least four regularly scheduled meetings per year and additional special meetings as necessary. During 2017, our board of directors held 5 meetings. Each director is expected to prepare for and attend all regularly scheduled and special meetings of the board and all committees on which the director sits (including separate meetings of independent directors), unless unusual circumstances make attendance impractical. Our board of directors may also take action

from time to time by written or electronic consent. Our board of directors meets regularly outside the presence of management and the independent directors also hold regular executive sessions without management or any non-independent directors present. The lead independent director, currently Dr. Essig, chairs these executive sessions. Each of the directors who served during the past year attended at least 75% of the aggregate of the total number of meetings of our board of directors and meetings of committees on which he served.

Committees of the Board of Directors

We have three standing committees: the audit committee, the compensation committee and the nominating and corporate governance committee. Each of these committees has a written charter approved by our board of directors. A copy of each charter can be found under the Investors section of our website at www.seaspine.com. The current members of the committees are identified in the following table. During 2017, the audit committee held 5 meetings; the compensation committee held 3 meetings; and the nominating and corporate governance committee held 3 meetings.

Audit Committee

All members of our audit committee meet the requirements for financial literacy under applicable SEC and Nasdaq rules. Our board of directors has determined that all members of the audit committee are “audit committee financial experts” under applicable SEC rules and that each has the financial sophistication required under applicable Nasdaq rules. Our board of directors also determined that all members of the audit committee are independent directors, under applicable SEC and Nasdaq rules, including Section 10A of the Securities Exchange Act of 1934, as amended (the Exchange Act). The purpose of the audit committee is to oversee our accounting and financial reporting processes and the audits of our financial statements. This committee’s responsibilities include, among other things:

- appointing our independent registered public accounting firm;
- reviewing the qualifications, independence and quality control procedures of our independent registered public accounting firm and the experience and qualifications of its senior personnel;
- evaluating the performance of our independent registered public accounting firm;
- approving the audit and non-audit services to be performed by our independent registered public accounting firm;
- establishing procedures for the receipt, retention and treatment of complaints we receive regarding accounting, internal accounting controls or auditing matters;
- discussing with management and our independent registered public accounting firm the results of our annual audit and the review of our quarterly unaudited financial statements;
- determining, based upon review of the annual audit and review of our annual financial statements, whether to recommend to our board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year subject to the audit;
- reviewing, overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters;
- discussing with our internal counsel or outside counsel any legal matters brought to its attention that could reasonably be expected to have a material impact on our financial statements;
-

preparing the report with respect to our audited financial statements that the SEC requires for inclusion in each of our annual proxy statements;
• reviewing and approving any related party transactions on an ongoing basis;

reviewing and reassessing, at least annually, its charter and submitting any recommended changes to our board of directors for its consideration; and

reviewing and evaluating, at least annually, its performance and the performance of its members, including compliance with its charter.

Report of the Audit Committee Related of the Board of Directors

This report of the audit committee is required by the SEC and, in accordance with the SEC's rules, will not be deemed to be part of or incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act or under the Exchange Act, except to the extent that we specifically incorporate this information by reference, and will not otherwise be deemed "soliciting material" or "filed" under either the Securities Act or the Exchange Act.

Our management is responsible for the preparation, presentation, and integrity of our financial statements, for the appropriateness of the accounting principles and reporting policies that we use and for establishing and maintaining adequate internal control over financial reporting. RSM US LLP, our independent registered public accounting firm for 2017, was responsible for performing an independent audit of our financial statements and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

The audit committee reviewed and discussed with management our audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2017 (the Form 10-K). The audit committee also reviewed and discussed with RSM US LLP the audited financial statements in the Form 10-K. In addition, the audit committee discussed with RSM US LLP those matters required to be discussed by Auditing Standard No. 1301 (Communications with Audit Committees), as adopted by the Public Company Accounting Oversight Board (the PCAOB). Additionally, RSM US LLP provided to the audit committee the written disclosures and the letter required by applicable requirements of the PCAOB regarding RSM US, LLP's communications with the audit committee concerning independence. The audit committee also discussed with RSM US LLP its independence from our company.

Based on the reviews and discussions referred to above, the audit committee recommended to our board of directors that the audited financial statements be included in the Form 10-K for filing with the SEC.

The foregoing report has been furnished by the audit committee of our board of directors.

Respectfully submitted,

Michael Fekete, Chair

Cheryl R. Blanchard

James M. Sullivan

Compensation Committee

Our board of directors has determined that all members of the compensation committee are independent directors, under applicable Nasdaq rules. The primary purpose of the compensation committee is to discharge the responsibilities of our board of directors relating to compensation of our executive officers, including our named executives officers, and non-employee directors and to administer our equity-based compensation plans.

The committee's responsibilities include, among other things:

- reviewing, at least annually, our overall compensation strategy, philosophy and practices;
- reviewing and approving the corporate goals and objectives relating to the compensation of our chief executive officer, evaluating the performance of our chief executive officer in light of these goals, and determining and approving the compensation of our chief executive officer based on such evaluation;
- reviewing and approving, at least annually, all elements of compensation of all our other officers and non-employee directors, and certain other employees;
- managing, reviewing and approving all of our annual bonus, long-term incentive compensation, stock option, employee pension, health and welfare benefit plans;
- determining our policy with respect to change of control and "parachute" payments;
- reviewing and approving, at least annually, the risk assessment of our compensation policies and practices;
- evaluating its performance and the performance of its members, including compliance with its charter; and

reviewing and reassessing, at least annually, its charter and submitting any recommended changes to our board of directors for its consideration.

With respect to non-employee director compensation, the compensation committee reviews compensation practices and policies at least annually and makes a recommendation to our board of directors as to the amount, form and terms of non-employee director compensation. Our board of directors, taking the compensation committee's recommendation into consideration, sets the amount, form and terms of non-employee director compensation.

In setting the compensation of our executive officers, our compensation committee takes into consideration the recommendations of our chief executive officer, who presents the committee with assessments of the performance of our company and individual members of our senior leadership team, including our executive officers, including against pre-established corporate goals, and proposals for executive officer compensation packages. Our chief executive officer also makes proposals regarding the terms of our equity incentive plans, in which all of our employees and directors may be eligible to participate, long-term equity incentive awards under such plans, and the terms of and goals under our short-term incentive plans, including guidelines for each performance period under our annual incentive program. From time to time, other executive officers are invited to make presentations or provide financial or other information to our compensation committee to assist it in setting and assessing the achievement of corporate goals and reviewing other aspects of executive compensation. The compensation committee typically meets in executive session following presentations by management. While our chief executive officer may be present during the compensation committee's deliberation and determination of other executive officers' compensation, he is not present during the compensation committee's deliberation and determination of his compensation. Our compensation committee's decisions are made by it in its sole discretion.

At the time of the Spin-Off in July 2015 and through early 2017, our management utilized the compensation consulting firm, Willis Towers Watson (WTW), to provide advice regarding executive officer and non-employee director compensation practices and programs. WTW has not been engaged to conduct a review and evaluation of our executive officer or non-employee director compensation program as a whole since the Spin-Off. Rather, in light of WTW's familiarity with our company and history, from time to time, our management contacts WTW with specific questions in order to assist management in providing information and making recommendations to our compensation committee regarding executive officer and non-employee director compensation. At times, WTW also provides advice to management regarding the terms of our broad-based equity incentive plans, including our Amended and Restated 2015 Incentive Award Plan, as amended. The compensation committee conducted a conflict of interest assessment in February 2016 and February 2017, which included taking into consideration the factors set forth in Rule 10C-1(b)(4) under the Exchange Act, and concluded that WTW's work has not raised any conflict of interest. Neither management nor the compensation committee has used WTW regarding executive officer or director compensation since early 2017.

Nominating and Corporate Governance Committee

Our board of directors has determined that all members of the nominating and corporate governance committee are independent directors under applicable Nasdaq rules. The purpose of the nominating and corporate governance committee is to assist our board of directors in discharging its responsibilities regarding the identification of qualified candidates to become directors, the selection and recommendation to our board of directors of nominees for election as directors at our annual meetings of stockholders (or special meetings of stockholders at which directors are to be elected), and the selection and recommendation to our board of directors of candidates to fill any vacancies on our board of directors and any committees thereof, the development and recommendation to our board of directors of a set of corporate governance guidelines, oversight of evaluation of our board of directors and taking a leadership role in shaping our corporate governance policies. The committee's responsibilities include, among other things:

- reporting and making recommendations to our board of directors concerning governance matters;
- recommending the creation of additional committees of our board of directors or the elimination of certain of such committees;
- evaluating its performance and the performance of its members, including compliance with its charter; and
-

reviewing and reassessing, at least annually, its charter and submitting any recommended changes to our board of directors for its consideration.

Director Nomination Process

Director Qualifications

Our goal is to assemble a group of directors that collectively provide an appropriate balance of experience, skills and characteristics that enable our board of directors to fulfill its responsibilities. In evaluating director nominees, the nominating and corporate governance committee and board of directors considers, among others, the following factors:

- fundamental qualities of intelligence, honesty, good judgment, high ethics and standards of integrity, fairness and responsibility;
- experience in corporate management, such as serving as an officer or former officer of a publicly held company;
- a general understanding of marketing, finance and other elements relevant to the success of a publicly traded company in today's business environment;
- experience relevant to our industry and with relevant social policy concerns;
- experience as a board member or executive officer of other companies; and
- the ability to make independent analytical inquiries.

Other than consideration of the foregoing and other similar factors, there are no stated minimum criteria for director nominees, although the nominating and corporate governance committee may also consider such other factors as it may deem to be in the best interests of our company and stockholders, including the number of other boards of directors on which an individual serves. The nominating and corporate governance committee does, however, believe it appropriate for at least one, and preferably, several, members of our board of directors to meet the criteria for an "audit committee financial expert" under applicable SEC rules, and that a majority of the members of our board of directors are "independent" under applicable Nasdaq rules. The nominating and corporate governance committee also believes it appropriate for our president and chief executive officer to serve as a member of our board of directors. Our directors' performance and qualification criteria are reviewed annually by the nomination and corporate governance committee.

Identification and Evaluation of Nominees for Directors

The nominating and corporate governance committee identifies nominees for director by first evaluating the current members of our board of directors willing to continue in service. Current members with qualifications and skills that are consistent with the nominating and corporate governance committee's criteria for board of director service and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of our board of directors with that of obtaining a new perspective or expertise. Before nominating a sitting director for reelection, the nominating and corporate governance committee will also consider the director's performance on, participation in and contributions to the activities of our board of directors and the director's past attendance at meetings of the board and on the committees on which he or she served.

If any member of our board of directors does not wish to continue in service or if our board of directors decides not to re-nominate a member for re-election, the nominating and corporate governance committee may identify the desired skills and experience of a new nominee in light of the criteria above. The nominating and corporate governance committee will take into account the advice and recommendations of other members of our board, our chief executive officer and other members of our senior leadership team, and, in its discretion, may seek third-party resources to assist in the selection and/or evaluation process. The nominating and corporate governance committee may also review the composition and qualification of the boards of directors of our competitors, and may seek input from industry experts or analysts. The nominating and corporate governance committee reviews the qualifications, experience and background of the candidates. In making its determinations, the nominating and corporate governance committee evaluates each individual in the context of our board of directors as a whole, with the objective of assembling a group that can best perpetuate the success of our company and represent stockholder interests through the exercise of sound business judgment. After review and deliberation of all feedback and data, the nominating and corporate governance committee makes its recommendation to our board of directors.

The nominating and corporate governance committee evaluates nominees recommended by stockholders in the same manner as it evaluates other nominees. To date, we have not received director candidate recommendations from our stockholders. In the event that we do receive a director candidate recommendation from a stockholder, the nominating

and corporate governance committee will conduct an initial evaluation of the proposed nominee and, if it determines the proposed nominee may be a qualified candidate, it will, along with one or more members of our management team, interview the proposed nominee to determine whether he or she might be suitable to serve as a director. If, based on the criteria set forth above and our board of directors' specific needs at such time, the nominating and corporate governance committee determines the proposed nominee would be a valuable addition to our board of directors, it will recommend to our board of directors such

proposed nominee's nomination. We do not intend to treat stockholder recommendations in any manner different from other recommendations.

Under our corporate governance guidelines and amended and restated bylaws, stockholders wishing to suggest a candidate for director should write to our corporate secretary and provide such information about the stockholder and the proposed candidate as is set forth in our amended and restated bylaws and as would be required by SEC rules to be included in a proxy statement. In addition, the stockholder must include the consent of the candidate and describe any arrangements or undertakings between the stockholder and the candidate regarding the nomination. In order to give the nominating and corporate governance committee sufficient time to evaluate a recommended candidate and/or include the candidate in our proxy statement for next year's annual meeting of stockholders, the recommendation should be received by our corporate secretary at our principal executive offices in accordance with our procedures detailed in the section below entitled "Stockholder Proposals."

Director Compensation

Our non-employee director compensation program compensates our non-employee directors for their service with annual retainers and long-term equity-based compensation. Below is a description of the material terms of that program related to director compensation for 2017.

Annual Retainers

Each non-employee director is entitled to receive annual retainers in the following amounts, pro-rated for any partial year of service:

Board Chair Annual Retainer	\$75,000
Non-Chair Director Annual Retainer	\$50,000
Chair of Audit Committee Additional Annual Retainer	\$15,000
Chair of Compensation Committee Additional Annual Retainer	\$15,000
Chair of Nominating and Corporate Governance Committee Additional Annual Retainer	\$15,000
Lead Independent Director Additional Annual Retainer	\$25,000

Annual retainers generally are paid in cash quarterly in arrears promptly following the end of the applicable calendar quarter, but in no event more than 30 days after the end of such quarter. Non-employee directors may elect to receive shares of restricted stock in lieu of their annual retainer. If a timely election is made, the applicable director will be granted on the date of the annual meeting of stockholders that occurs in the year following such election such number of shares of restricted stock as is equal to such director's aggregate annual retainer divided by the per share fair market value of our common stock on the grant date, and generally will cover the twelve-month period thereafter. The shares underlying the award will vest with respect to 25% of the shares subject to the award on the last day of each three-month period following the applicable grant date, subject to continued service through the applicable vesting date. To be timely, an election must be made prior to the last day of the calendar year immediately preceding the calendar year for which such election is being made.

Equity Compensation

Initial Awards. Each non-employee director who is initially elected or appointed to serve on our board of directors automatically will be granted restricted stock, referred to as an Initial Award, on the date he or she is initially elected or appointed. The number of shares of restricted stock granted will equal \$100,000 (\$150,000 for the board chair) divided by the per share fair market value of our common stock on date he or she is initially elected or appointed. No Initial Awards were granted during 2017.

Annual Awards. Each non-employee director serving on our board of directors as of the date of each annual stockholder meeting automatically will be granted restricted stock, referred to as an Annual Award, on the date of such meeting. The number of shares of restricted stock granted will equal \$100,000 (\$150,000 for the board chair) divided by the per share fair market value of our common stock on the date of the applicable annual stockholder meeting.

Vesting.

Each Initial Award and Annual Award granted under our non-employee director compensation program prior to March 22, 2018 vested or will vest with respect to 25% of the shares underlying the award on each quarterly anniversary of the applicable grant date, subject to continued service through the applicable vesting date. In addition, each such award will vest in full immediately prior to a change in control of our company, subject to continued service until immediately prior to such change in control and will vest in full upon the director's death or disability. If a director stands for reelection at an annual meeting but is not reelected to our board of directors at such annual meeting, any outstanding award then-held by the director will vest in full on the date on which such director is not reelected. On March 22, 2018, subject to approval by our stockholders of the Restated Plan (as defined in "Proposal No. 3," below) our board of directors amended our non-employee director compensation program to incorporate into such program certain provisions related to the vesting of Initial Awards and Annual Awards as necessary to be consistent with the terms of the Restated Plan. Accordingly, with respect to Initial Awards and Annual Awards granted after March 22, 2018 and assuming our stockholders approve the Restated Plan, each Initial Award and Annual Award granted under our non-employee director compensation program will vest with respect to 100% of the shares underlying the award on the one-year anniversary of the applicable grant date, subject to continued service through the applicable vesting date. In addition, each award will vest in full upon the director's death or disability and, if a director stands for reelection at an annual meeting but is not reelected to our board of directors at such annual meeting, any outstanding Annual Award then held by the director will vest in full on the date of such annual meeting. If our stockholders do not approve the Restated Plan, then the vesting of Initial Awards and Annual Awards granted after March 22, 2018 will vest in accordance with the terms described in the paragraph above.

Stock options granted by Integra to these non-employee directors were split into two stock options – a stock option to purchase shares of Integra common stock and a stock option to purchase shares of our common stock. The combined intrinsic value of the two resulting stock options was approximately equal to the intrinsic value of the original Integra stock option immediately prior to the Spin-Off.

PROPOSAL NO. 2:

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee has selected RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018 and has further directed that management submit the selection for ratification by the stockholders at the annual meeting. RSM US LLP audited our financial statements for the fiscal year ending December 31, 2017. One or more representatives of RSM US LLP are expected to be present at the annual meeting, will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.

Stockholder ratification of the selection of RSM US LLP as our independent registered public accounting firm is not required by Delaware law, our amended and restated certificate of incorporation, or our amended and restated bylaws. However, the selection of RSM US LLP to our stockholders for ratification is being submitted as a matter of good corporate practice. If our stockholders fail to ratify the selection, our audit committee will reconsider whether to retain the firm. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the audit committee determines that such a change would be in the best interests of our company and our stockholders.

Vote Required

Assuming a quorum is present at the annual meeting, this proposal will be approved if a majority of the voting power of the shares entitled to vote on this proposal represented in person or by proxy vote “FOR” the proposal.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” RATIFICATION OF THE SELECTION OF RSM US, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2018.

Independent Registered Public Accounting Firm’s Fees

The following table represents aggregate fees billed to us for services rendered for the year ended December 31, 2017 by RSM US LLP.

	Year Ended December 31, 2017
Audit Fees ⁽¹⁾	\$ 574,098
Audit Related Fees ⁽²⁾	35,600
Tax Fees ⁽³⁾	—
All Other Fees ⁽⁴⁾	2,333
	\$ 612,031

Audit Fees consist of fees billed for professional services for audit and the review of our quarterly reports on Form (1) 10-Q, statutory audits, professional services in connection with SEC registration statements and comfort letters, and related services that are normally provided in connection with regulatory filings or engagements.

(2) Audit Related Fees consist of fees for services related to an employee benefit plan audit.

(3) We did not engage RSM US LLP to perform any professional services for tax compliance, tax advice or tax planning in 2017.

(4) All Other Fees consists annual licensing fees for an accounting database subscription.

Our audit committee has considered whether the provision of non-audit services is compatible with maintaining the independence of RSM US LLP, and has concluded that the provision of such services is compatible with maintaining the independence of our auditors.

On March 28, 2017, our audit committee dismissed PricewaterhouseCoopers LLP (PwC) as our independent registered public accounting firm. PwC's audit reports on our consolidated financial statements for the fiscal years ended December 31, 2016 and 2015 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles. During our two most recent fiscal years, which ended December 31, 2016 and December 31, 2015, and the subsequent interim period through March 28, 2017, (i) there were no "disagreements" (within the meaning set

forth in Item 304(a)(1)(iv) of Regulation S-K) with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to PwC's satisfaction, would have caused PwC to make reference to the subject matter of the disagreements in connection with their reports; and (ii) there were no "reportable events" (within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K). In accordance with Item 304(a)(3) of Regulation S-K, we requested that PwC furnish us with a letter addressed to the United States Securities and Exchange Commission stating whether or not PwC agrees with above statements. PwC furnished the requested letter, stating its agreement with such statements, and a copy is filed as Exhibit 16.1 to our current report on Form 8-K filed with the SEC on March 31, 2017.

On March 28, 2017, our audit committee approved the engagement of RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. During the years ended December 31, 2015 and 2016 and through March 28, 2017, neither we, nor any person acting on our behalf, consulted RSM US LLP regarding (i) the application of accounting principles to a specified transaction, either completed or proposed, (ii) the type of the audit opinion that might be rendered on our financial statements, and RSM US LLP did not provide any written report or oral advice to us that RSM US LLP concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue, or (iii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) or a reportable event of the type described in Item 304(a)(1)(v) of Regulation S-K.

Pre-Approval Policies and Procedures

Under the audit committee charter, the audit committee must pre-approve all audit and non-audit services provided by the independent registered public accounting firm. The policy, as described below, sets forth the procedures and conditions for such pre-approval of such services.

Our management submits requests for approval in writing to the audit committee, which reviews such requests and approves or declines to approve the requests. The audit committee's pre-approval of audit and non-audit services is not required if the engagement for the services is entered into pursuant to pre-approval policies and procedures established by the audit committee regarding our engagement of the independent registered public accounting firm, provided that the policies and procedures are detailed as to the particular service, the audit committee is informed of each service provided and such policies and procedures do not include delegation of the audit committee's responsibilities under the Exchange Act to our management.

The audit committee may delegate to one or more of its members the authority to grant pre-approvals, provided that such approvals are presented to the audit committee at a subsequent meeting. If the audit committee elects to establish pre-approval policies and procedures regarding non-audit services, the audit committee must be informed of each non-audit service provided by our independent registered public accounting firm.

The audit committee pre-approved all audit and permitted non-audit services provided by RSM US LLP in 2017. The audit committee has determined that the rendering of the services other than audit services by RSM US LLP is compatible with maintaining RSM US LLP's independence.

PROPOSAL NO. 3:

APPROVAL OF THE AMENDMENT AND RESTATEMENT OF THE COMPANY'S AMENDED AND RESTATED 2015 INCENTIVE AWARD PLAN, AS AMENDED

We are asking our stockholders to vote for approval of an amendment and restatement of our Amended and Restated 2015 Incentive Award Plan, as amended. The Amended and Restated 2015 Incentive Award Plan, as amended, in effect prior to February 1, 2018 is referred to herein as the "2015 Plan." On February 1, 2018, our board of directors approved an amendment of the 2015 Plan, pursuant to which the share reserve was increased by 350,000 shares over the then-existing share reserve under the 2015 Plan, and on March 22, 2018, our board of directors approved a further amendment and restatement of the 2015 Plan, pursuant to which (among other things) the share reserve was increased by an additional 2,376,000 shares, in each case subject to stockholder approval. The final amended and restated 2015 Plan, incorporating all of these amendments, is referred to in this proposal as the "Restated Plan."

The principal features of the Restated Plan are summarized below, but the summary is qualified in its entirety by reference to the Restated Plan itself. The Restated Plan is attached to this proxy statement as Appendix A.

Description of Proposed Amendments

Increase in Share Reserve; Introduction of Fungible Share Pool. We strongly believe that an employee equity compensation program is a necessary and powerful incentive and retention tool that benefits all stockholders.

Without giving effect to the February 1, 2018 and March 22, 2018 amendments, the aggregate number of shares that may be issued or transferred pursuant to awards under the 2015 Plan is the sum of (1) the number of shares that were issuable upon exercise or vesting of the Adjusted Awards (as defined below), and (2) 3,509,500 shares.

Under the Restated Plan, an aggregate of 2,726,000 additional shares will be reserved for issuance under the Restated Plan relative to the share reserve under the 2015 Plan, consisting of 350,000 shares from the February 1, 2018 amendment and 2,376,000 shares from the March 22, 2018 amendment and restatement.

Under the terms of the Restated Plan, the shares available for issuance may be used for all types of awards under a fungible pool formula. Pursuant to this fungible pool formula, the authorized share limit will be reduced by one share of common stock for every one share subject to an option or stock appreciation right, or SAR, granted under the Restated Plan, and by 1.82 shares of common stock for every one share subject to a "full value award" granted under the Restated Plan on or after March 22, 2018. For purposes of the Restated Plan, a full value award is an award pursuant to which shares of our common stock are issuable other than an option, a SAR, or any other award for which the participant pays the intrinsic value existing as of the date of grant (whether directly or by foregoing a right to receive a payment from us).

On March 5, 2018, we granted to 9 employees, including the executive officers, an aggregate of 341,808 restricted stock units, which awards were granted, in part, out of the share reserve increase incorporated by the amendment to the 2015 Plan on February 1, 2018, and all of which were granted subject to stockholder approval (the "Contingent RSUs"). In the event stockholder approval of the Restated Plan is not obtained, all of the Contingent RSUs will automatically be forfeited, the Restated Plan will cease to be effective and the original 2015 Plan (in effect prior to the adoption of the amendments on February 1, 2018 and March 22, 2018), and all outstanding awards granted out of the original share reserve under the 2015 Plan (other than any Contingent RSUs), will continue in full force and effect. If our stockholders do not approve the Restated Plan (and, as a result, the February 1, 2018 and March 22, 2018 amendments cease to be effective and the Contingent RSUs are forfeited), as of March 23, 2018, a total of 319,003 shares would remain available for issuance under the 2015 Plan.

The 2015 Plan was first adopted by our board of directors and approved by Integra, our sole stockholder prior to the Spin-Off, in 2015. Prior to the Spin-Off, Integra had stock options, restricted stock awards, performance stock awards, contract stock awards and restricted stock units outstanding under three plans, the 2000 Equity Incentive Plan, the 2001 Equity Incentive Plan, and the 2003 Equity Incentive Plan. In connection with the Spin-Off, certain Integra equity awards were converted to SeaSpine equity awards under the 2015 Plan (these awards are referred to as "Adjusted Awards"). In general, each Adjusted Award is subject to the same terms and conditions as were in effect prior to the Spin-Off.

In addition to the foregoing, as of March 23, 2018, there were 1,000,000 shares reserved for issuance under the 2016 Employment Inducement Incentive Award Plan (the “2016 Plan”). Pursuant to Nasdaq Marketplace Rule 5635(c), awards under the 2016 Plan generally may only be granted to an individual who has not previously been an employee of our company or a member of our board of directors, and such awards must be granted in connection with such individual’s commencement of employment with our company and as an inducement material to his or her entering into employment with our company. No awards have been granted to date under the 2016 Plan. If the Restated Plan is approved by our stockholders pursuant to this Proposal 3, our board of directors will not grant any awards under the 2016 Plan. As a result, if the Restated Plan is approved by our stockholders, the only shares we would have available for issuance of equity awards (other than pursuant to our employee stock purchase plan) would be the shares reserved for issuance under the Restated Plan.

All of the foregoing share numbers may be adjusted for changes in our capitalization and certain corporate transactions, as described below under the heading “Certain Transactions and Terminations.”

Addition of Minimum Vesting Provision. The Restated Plan adds a minimum vesting period such that awards granted under the Restated Plan will not vest earlier than the first anniversary of the applicable grant date (subject to limited exceptions).

Share Counting Provisions. In general, when awards granted under the Restated Plan (including the Adjusted Awards) are forfeited, expire or are settled in cash, or when the shares subject to a full value award are forfeited by the holder or repurchased by us, including to satisfy any tax withholding obligation with respect to a full value award, the shares reserved for those awards will be returned to the share reserve and be available for future awards in an amount corresponding to the reduction in the share reserve previously made with respect to such award (provided, however, that, in the event shares subject to an award are tendered or withheld to satisfy any tax withholding obligation at a tax withholding rate in excess of the employer’s minimum statutory withholding rates for federal, state, local and foreign taxes, the shares tendered or withheld to satisfy the tax withholding at a rate in excess of the employer’s minimum statutory withholding obligation shall not be added back to share reserve). However, the following shares will not be returned to the share reserve under the Restated Plan: shares of common stock that are delivered by the grantee or withheld by us as payment of the exercise price in connection with the exercise of an option or SAR or payment of the tax withholding obligation in connection with an option or SAR; shares purchased on the open market with the cash proceeds from the exercise of options or SARs or otherwise; and shares subject to a SAR that are not issued in connection with the stock settlement of the SAR on its exercise.

Other Amendments. The Restated Plan makes certain changes to the 2015 Plan intended to reflect compensation and governance best practices or to conform the plan to developments in applicable law:

No Automatic Change in Control Vesting for Awards. The Restated Plan does not have automatic accelerated vesting provisions for awards in connection with a Change in Control (as defined in the Restated Plan), other than in connection with the non-assumption of awards or upon a qualifying termination on or following the date of such Change in Control. In addition, in the event of a Change in Control, to the extent that the surviving entity declines to continue, convert, assume or replace outstanding awards, then all such awards will become fully vested and exercisable in connection with the transaction, provided, however, that for any awards granted under the Restated Plan that are subject to performance-based vesting, such awards will be subject to accelerated vesting at the greater of (1) the actual performance level as of the date of the Change in Control (as determined by the plan administrator) with respect to all open performance periods, or (2) the target level of performance pro-rated based on the period elapsed between the beginning of the applicable performance period and the date of the Change in Control.

Limitations on Dividend and Dividend Equivalent Payments on Unvested Awards. The Restated Plan provides that dividends and dividend equivalents may not be paid on awards subject to vesting conditions unless and until such conditions are met.

Tax Withholding. The Restated Plan permits the plan administrator to allow for the withholding or surrender of shares in satisfaction of tax withholding with respect to awards with a value up to the maximum individual statutory tax rate

in the applicable jurisdiction at the time of such withholding (or such other rate as may be required to avoid the liability classification of the applicable award under generally accepted accounting principles in the United States of America).

Removal of 162(m) Provisions. The Restated Plan removes certain provisions applicable to awards intended to qualify as performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code, or the Code, given the repeal of the performance-based compensation exception pursuant to the Tax Cuts and Jobs Act of 2017, subject

to certain limited transition relief.

Maximum Term of Incentive Stock Options and Stock Appreciation Rights. The Restated Plan provides that the maximum term of stock options and SARs granted under the Restated Plan will be eight years.

Incentive Stock Option Limitations. The Restated Plan provides that the maximum number of shares that may be issued pursuant to incentive stock options, or “ISOs,” will be 7,000,000, increased from 3,509,500 shares under the 2015 Plan. In addition, the Restated Plan provides that ISOs may be granted under the Restated Plan through February 1, 2028.

The Restated Plan is not being amended in any material respect other than to reflect the changes described above.

Equity Incentive Awards Are Critical to Long-Term Stockholder Value Creation

The table below presents information about the number of shares that were subject to various outstanding equity awards under the 2015 Plan, and the shares remaining available for issuance under the 2015 Plan as of March 23, 2018, as well as the effect of the proposed aggregate increase to the share reserve under the Restated Plan and the Contingent RSUs granted, in part, out of such increase. There are no outstanding awards under the 2016 Plan. Other than our employee stock purchase plan, we do not maintain any other equity incentive plans. As noted above, if the Restated Plan is approved by our stockholders pursuant to this Proposal 3, our board of directors will not grant any future awards under the 2016 Plan. As a result, assuming approval of this Proposal 3, the only shares we would have available for issuance of equity awards (other than pursuant to our employee stock purchase plan) would be the shares reserved for issuance under the Restated Plan.

(1) Based on 14,535,827 shares of our common stock outstanding as of March 23, 2018.

(2) Based on the closing price of our common stock on March 23, 2018 of \$9.75 per share.

(3) Includes the share increase approved by the Company's stockholders on June 7, 2016. Does not include (a) the number of shares subject to outstanding Adjusted Awards as of March 23, 2018, or (b) the 184,013 shares that have become available for issuance under the 2015 Plan as a result of the forfeiture of Adjusted Awards since the adoption of the 2015 Plan through March 23, 2018 pursuant to the terms of the 2015 Plan.

(4) Contingent RSUs were granted, in part, out of the proposed aggregate increase to the share reserve pursuant to the Restated Plan and were granted subject to stockholder approval. In the event stockholder approval of the Restated Plan is not obtained, all Contingent RSUs will automatically be forfeited. Because the Contingent Awards were granted prior to March 22, 2018, the fungible share ratio did not apply to such awards.

In determining whether to approve the Restated Plan, including the proposed increase to the share reserve under the Restated Plan over the share reserve under the 2015 Plan, our board of directors considered the following:

The share reserve under the Restated Plan (including the increases from both the February 1, 2018 and March 22, 2018 amendments) represents, as of March 23, 2018, an aggregate increase of 1,726,000 shares from the aggregate number of shares reserved for issuance under the 2016 Plan and the 2015 Plan. If the Restated Plan is approved, it will represent the only equity plan under which we are able to grant equity awards and we will no longer grant awards under the 2016 Plan.

Although we have shares available for issuance under the 2016 Plan, pursuant to Nasdaq Marketplace Rule 5635(c), awards under the 2016 Plan generally may only be granted to an individual who has not previously been an employee of our company or a member of our board of directors, and such awards must be granted in connection with such individual's commencement of employment with our company and as an inducement material to his or her entering into employment with our company. Combining the outstanding share reserve under the 2016 Plan (and discontinuing the use of the 2016 Plan) with the reservation of additional shares under our existing 2015 Plan will allow us more flexibility in our equity grant practices and ensure that we retain an important compensation tool for all employees, not just new employees.

In determining the size of the share reserve under the Restated Plan, our board of directors considered the number of equity awards granted by our company under the 2015 Plan since the Spin-Off (not including the 277,143 Adjusted Awards outstanding as of March 23, 2018). In fiscal years 2015, 2016 and 2017, equity awards representing a total of approximately 1,647,956 shares, 1,033,556 shares and 949,465 shares, respectively, were granted under the 2015 Plan (not including the Adjusted Awards), for an annual equity burn rate of 14.5%, 9% and 7%, respectively. This represents a three-year average burn rate of 10.2%. Equity burn rate is calculated by dividing (1) the number of shares subject to equity awards granted during the fiscal year by (2) the number of shares outstanding at the end of the period.

We expect the proposed aggregate share reserve under the Restated Plan to provide us with enough shares for awards for at least two years, assuming we continue to grant awards consistent with our recent practices and usage, as reflected in our recent burn rate. Notably, in 2016 (for our directors) and 2017 (for our employees) we shifted the form of equity awards from primarily stock options to primarily full value awards and we may, in the future, shift the form of equity awards back to primarily stock options or a blend of stock options and full value awards. Further, our use of the share reserve is dependent on the price of our shares and hiring activity during the next few years and forfeitures of outstanding awards. Furthermore, future circumstances may require us to change our current equity grant practices. We cannot predict our future equity grant practices, the future price of our shares or future hiring activity with any degree of certainty at this time, and the share reserve under the Restated Plan could last for a shorter or longer time.

In fiscal years 2015, 2016 and 2017, the end of year overhang rate was approximately 18.0%, 31.4% and 24.9%, respectively (which overhang rates were 21.9%, 37.7% and 26.9%, respectively, if Adjusted Awards were included). If the Restated Plan is approved, we expect our overhang at the end of 2018 will be approximately 40.9% (which

overhang rate would be 42.9% if Adjusted Awards are included). Overhang is calculated by dividing (1) the sum of the number of shares subject to equity awards outstanding at the end of the fiscal year plus shares remaining available for issuance for future awards at the end of the fiscal year by (2) the number of shares outstanding at the end of the fiscal year

In light of the factors described above, and the fact that the ability to continue to grant equity compensation is vital to our ability to continue to attract and retain employees in the extremely competitive labor markets in which we compete, our board of directors has determined that the size of the share reserve under the Restated Plan is reasonable and appropriate at this time. Our board of directors will not create a subcommittee to evaluate the risk and benefits for issuing shares under the Restated Plan.

Compensation and Governance Best Practices

The Restated Plan reflects a broad range of compensation and governance best practices, with some of the key features of the Restated Plan as follows:

No Increase to Shares Available for Issuance without Stockholder Approval. Without stockholder approval, the Restated Plan prohibits any alteration or amendment that operates to increase the total number of shares of common stock that may be issued under the Restated Plan (other than adjustments in connection with certain corporate reorganizations and other events).

- **No Automatic Change in Control Vesting for Awards.** The Restated Plan does not have automatic accelerated vesting provisions for awards in connection with a Change in Control (other than in connection with the non-assumption of awards or a qualifying termination on or following the date of such Change in Control).

Limitations on Dividend Payments on Unvested Awards. Dividends and dividend equivalents may not be paid on awards subject to vesting conditions unless and until such conditions are met.

Limitations on Grants. The maximum number of shares of our common stock that may be subject to one or more awards granted to any one participant pursuant to the Restated Plan during any calendar year is 500,000. However, this number may be adjusted to take into account equity restructurings and certain other corporate transactions as described below. The maximum amount that may be paid in cash to any one participant during any calendar year pursuant to awards initially payable in cash granted under the Restated Plan is \$2,500,000.

No Repricing or Replacement of Options or Stock Appreciation Rights. The Restated Plan prohibits, without stockholder approval: (1) the amendment of options or SARs to reduce the exercise price, and (2) the replacement of an option or SAR with cash or any other award when the exercise or base price per share of the option or SAR exceeds the fair market value of the underlying shares, except with respect to any Substitute Award (as defined in “Limitations on Awards and Shares Available” below).

No In-the-Money Option or Stock Appreciation Right Grants. The Restated Plan prohibits the grant of options or SARs with an exercise or base price less than 100% of the fair market value of our common stock on the date of grant.

Minimum Vesting Provisions. The Restated Plan includes a minimum vesting period such that awards granted under the Restated Plan will not vest earlier than the first anniversary of the applicable grant date (subject to limited exceptions).

Reasonable Share Counting Provisions. In general, when awards granted under the Restated Plan are forfeited, expire or are settled in cash, or when the shares subject to a full value award are forfeited by the holder or repurchased by us, including to satisfy any tax withholding obligation with respect to a full value award, the shares reserved for those awards will be returned to the share reserve and be available for future awards in an amount corresponding to the reduction in the share reserve previously made with respect to such award (provided, however, that, notwithstanding the foregoing, in the event shares subject to an award are tendered or withheld to satisfy any tax withholding obligation at a tax withholding rate in excess of the employer’s minimum statutory withholding rates for federal, state, local and foreign taxes, the shares tendered or withheld to satisfy the tax withholding at a rate in excess of the employer’s minimum statutory withholding obligation shall not be added back to share reserve). However, the

following shares will not be returned to the share reserve under the Restated Plan: shares of common stock that are delivered by the grantee or withheld by us as payment of the exercise price in connection with the exercise of an option or SAR or payment of the tax withholding obligation in connection with an option or SAR; shares purchased on the open market with the

cash proceeds from the exercise of options or SARs or otherwise; and shares subject to a SAR that are not issued in connection with the stock settlement of the SAR on its exercise.

Stockholder Approval Requirement

Stockholder approval of the Restated Plan is necessary in order for us to (1) meet the stockholder approval requirements of Nasdaq, and (2) grant ISOs thereunder.

If the Restated Plan is not approved by our stockholders, the Restated Plan will cease to be effective, the 2015 Plan (in effect prior to the amendments approved by our board of directors on February 1, 2018 and March 22, 2018) and the 2016 Plan will continue in full force and effect, and we may continue to grant awards under the 2015 Plan and the 2016 Plan, subject to their terms, conditions and limitations, using the shares available for issuance thereunder. In addition, all of the Contingent RSUs subject to stockholder approval will terminate.

Summary of the Restated Plan

Purpose

The purpose of the Restated Plan is to promote our success and enhance our value by linking the individual interests of the members of our board of directors and our employees and consultants to those of our stockholders and by providing such individuals with an incentive for outstanding performance to generate superior returns to our stockholders. The Restated Plan is further intended to provide us flexibility in our ability to motivate, attract, and retain the services of the members of our board of directors, our employees and our consultants upon whose judgment, interest, and special effort the successful conduct of our business is largely dependent.

Administration

The Restated Plan will be administered by the compensation committee of our board of directors, which may delegate its duties and responsibilities to a subcommittee of our board of directors and/or officers for awards to certain non-executive employees, subject to certain limitations that may be imposed under applicable law or regulation, including Section 16 of the Exchange Act, and/or stock exchange rules, as applicable. The full board of directors will administer the Restated Plan with respect to awards to members of the board of directors. Our compensation committee, or the board of directors, as applicable, is referred to as the "plan administrator" of the Restated Plan. The plan administrator will have the authority to grant and set the terms of all awards under (including, but not limited to, the exercise price, grant price, or purchase price, any performance criteria, any restrictions or limitations on the award, any schedule for vesting, lapse of forfeiture restrictions or restrictions on the exercisability of an award, and accelerations or waivers thereof, and any provisions related to non-competition and recapture of gain on an award, based in each case on such considerations as the plan administrator in its sole discretion determines), make all determinations and interpretations under, prescribe all forms for use with, accelerate wholly or partially the vesting or lapse of restrictions of any award or portion thereof at any time after the grant of an award, and adopt rules for the administration of, the Restated Plan, subject to its express terms and conditions.

Eligibility

Employees, consultants and directors of SeaSpine and our affiliates are eligible to receive awards under the Restated Plan. In addition, any person who received an Adjusted Award, will participate in the Restated Plan to the extent they hold Adjusted Awards. As of March 23, 2018, we had approximately 321 employees, 77 consultants, and 7 non-employee directors who were eligible to participate in the 2015 Plan, as well as 5 non-employees who held Adjusted Awards, and who will be eligible to participate in the Restated Plan.

Limitation on Awards and Shares Available

The aggregate number of shares that may be issued or transferred pursuant to awards under the Restated Plan is the sum of (1) the number of shares issuable upon exercise or vesting of the number of Adjusted Awards as of the date of the Spin-Off and (2) 6,235,500, which shares may be authorized but unissued shares, or shares purchased in the open market. Grants under the Restated Plan of stock options and SARs reduce the shares available under the Restated Plan on a one-for-one basis. However, the number of shares authorized for issuance under the Restated Plan will be decreased by 1.82 shares for each share subject to a full value award granted under the Restated Plan on or after March 22, 2018 (which, for the avoidance of doubt, does not include the Contingent RSUs). The payment of dividend equivalents in cash in conjunction with any outstanding

awards will not be counted against the shares available for issuance under the Restated Plan. There are no outstanding awards under the 2016 Plan and no awards will be granted under the 2016 Plan following the effective date of the Restated Plan.

If an award under the Restated Plan (including an Adjusted Award) is forfeited, expires or is settled for cash, any shares subject to such award may, to the extent of such forfeiture, expiration or cash settlement, be used again for new grants under the Restated Plan. Any shares of restricted stock repurchased by us at the same price paid by the participant so that such shares are returned to us will again be available for new grants under the Restated Plan. In addition, shares that are tendered or withheld to satisfy any tax withholding obligation with respect to a full value award granted under the Restated Plan may be used again for new grants under the Restated Plan; provided, however, that, notwithstanding the foregoing, in the event shares subject to an award are tendered or withheld to satisfy any tax withholding obligation at a tax withholding rate in excess of the employer's minimum statutory withholding rates for federal, state, local and foreign taxes, the shares tendered or withheld to satisfy the tax withholding at a rate in excess of the employer's minimum statutory withholding obligation shall not be added back to share reserve. Any shares that again become available for grant will be added back in an amount corresponding to the reduction in the share reserve previously made in connection with such award. However, the following shares may not be used again for grant under the Restated Plan: (1) shares tendered by a participant or withheld by us in payment of the exercise price of an option or SAR; (2) any shares tendered or withheld to satisfy any tax withholding obligation with respect to an option or SAR; (3) shares subject to a SAR that are not issued in connection with the stock settlement of the SAR on its exercise; and (4) shares purchased on the open market with the cash proceeds from the exercise of options or otherwise.

Awards granted under the Restated Plan upon the assumption of, or in substitution for, awards authorized or outstanding under a qualifying equity plan maintained by an entity with which we enter into a merger or similar corporate transaction ("Substitute Awards") will not reduce the shares available for grant under the Restated Plan. The maximum number of shares of our common stock that may be subject to one or more awards granted to any one person pursuant to the Restated Plan during any calendar year is 500,000 and the maximum amount that may be paid under a cash award pursuant to the Restated Plan to any one participant during any calendar year period is \$2,500,000. The maximum number of shares that may be issued under the Restated Plan upon the exercise of ISOs is 7,000,000. The closing share price per share for our common stock on the Nasdaq Capital Market on March 23, 2018 was \$9.75.

All of the foregoing share numbers may be adjusted for changes in our capitalization and certain corporate transactions, as described below under the heading "Certain Transactions and Terminations."

Awards

The Restated Plan provides for the grant of stock options, including ISOs and nonqualified stock options, or NSOs, SARs, restricted stock, restricted stock units, or RSUs, performance shares, dividend equivalents, stock payments, other incentive awards, and cash awards. Certain awards under the Restated Plan may constitute or provide for a deferral of compensation, subject to Section 409A of the Code, which may impose additional requirements on the terms and conditions of such awards. All awards under the Restated Plan will be set forth in written or electronic award agreements, which will detail all terms and conditions of the awards, including any applicable vesting and payment terms and post-termination exercise limitations. Awards other than cash awards generally will be settled in shares of our common stock, but the plan administrator may provide for cash settlement of any award. A brief description of each award type follows.

Stock options, including ISOs, as defined under Section 422 of the Code, and NSOs may be granted pursuant to the Restated Plan. Stock options provide for the purchase of shares of our common stock in the future at an exercise price set on the grant date of the stock option. ISOs, by contrast to NSOs, may provide tax deferral beyond exercise and favorable capital gains tax treatment to their holders if certain holding period and other requirements of the Code are satisfied. The exercise price of a stock option may not be less than 100% of the fair market value of the underlying share on the date of grant (or 110%, in the case of ISOs granted to certain significant stockholders), except with respect to certain substitute options granted in connection with a corporate transaction. The term of a stock option

granted on or after March 22, 2018 may not be longer than eight years (or five years, in the case of ISOs granted to certain significant stockholders). Vesting conditions determined by the plan administrator may apply to stock options and may include continued service, performance and/or other conditions.

SARs may be granted pursuant to the Restated Plan. SARs entitle their holder, upon exercise, to receive from us an amount equal to the appreciation of the shares subject to the award between the grant date and the exercise date. The exercise price of a SAR may not be less than 100% of the fair market value of the underlying share on the date of grant (except with respect to certain substitute SARs granted in connection with a corporate transaction) and the term of a SAR granted on or after March 22, 2018 may not be longer than eight years. Vesting conditions determined by the plan administrator may apply to SARs and may include continued service, performance and/or other conditions.

Restricted stock, RSUs and performance shares may be granted pursuant to the Restated Plan. Restricted stock is an award of nontransferable shares of our common stock that remain forfeitable unless and until specified conditions are met, and which may be subject to a purchase price. RSUs are contractual promises to deliver shares of our common stock in the future, which may also remain forfeitable unless and until specified conditions are met. Delivery of the shares underlying RSUs may be deferred under the terms of the award or at the election of the participant, if the plan administrator permits such a deferral. Performance shares are contractual rights to receive a range of shares of our common stock in the future based on the attainment of specified performance goals, in addition to other conditions that may apply to these awards. Conditions applicable to restricted stock, RSUs and performance shares may be based on continuing service, the attainment of performance goals and/or such other conditions as the plan administrator may determine. In addition, with respect to performance shares and shares of restricted stock subject to vesting, dividends which are paid prior to vesting will be paid to the holder only to the extent that the vesting conditions are satisfied. Dividend equivalents may be granted pursuant to the Restated Plan, except that no dividend equivalents may be payable with respect to stock options or SARs pursuant to the Restated Plan. Dividend equivalents represent the right to receive the equivalent value of dividends paid on shares of our common stock and may be granted alone or in tandem with awards, other than stock options or SARs. Dividend equivalents are credited as of dividend record dates during the period between the date an award is granted and the date such award vests, is exercised, is distributed or expires, as determined by the plan administrator. Dividends and dividend equivalents may not be paid on awards subject to vesting conditions granted under the Restated Plan unless and until such conditions are met. Stock payments, other incentive awards and cash awards may be granted pursuant to the Restated Plan. Stock payments are awards of fully vested shares of our common stock that may, but need not, be made in lieu of base salary, bonus, fees or other cash compensation otherwise payable to any individual who is eligible to receive awards. Other incentive awards are awards other than those enumerated in this summary that are denominated in, linked to or derived from shares of our common stock or value metrics related to our shares, and may remain forfeitable unless and until specified conditions are met. Cash awards are cash incentive bonuses subject to performance goals. Performance awards may also be granted pursuant to the Restated Plan. Performance awards include any of the foregoing awards that are granted subject to vesting and/or payment based on the attainment of specified performance goals.

For purposes of the Restated Plan, the performance criteria to be used in setting performance goals applicable to performance-based awards will be determined by our compensation committee. Such performance criteria may include, without limitation: (i) net earnings or losses (either before or after one or more of the following: (A) interest, (B) taxes, (C) depreciation, (D) amortization and (E) non-cash equity-based compensation expense); (ii) gross or net sales or revenue or sales or revenue growth; (iii) net income (either before or after taxes); (iv) adjusted net income; (v) operating earnings or profit (either before or after taxes); (vi) cash flow (including, but not limited to, operating cash flow and free cash flow); (vii) year-end cash; (viii) return on assets or return on net assets; (ix) asset turnover; (x) return on capital (or invested capital) and cost of capital; (xi) return on stockholders' equity; (xii) total stockholder return; (xiii) return on sales; (xiv) gross or net sales; (xv) return on capital; (xvi) gross or net profit or operating or income margin; (xvii) costs, reductions in costs and cost control measures; (xviii) expenses; (xix) working capital; (xx) earnings or loss per share; (xxi) price per share or dividends per share (or appreciation in and/or maintenance of such price or dividends); (xxii) regulatory achievements or compliance (including, without limitation, regulatory body approval for commercialization of a product); (xxiii) implementation or completion of critical projects; (xxiv) market share; (xxv) economic value or economic value added; (xxvi) asset or inventory turnover; (xxvii) cost or expenses; (xxviii) mergers and acquisition integration; (xxix) financial and other capital-raising transactions; (xxx) increase in customer base or customer retention, satisfaction and/or growth; (xxxi) employee satisfaction; (xxxii) recruiting and maintaining personnel; (xxxiii) environmental health and safety; (xxxiv) diversity; and (xxxv) quality, any of which may be measured either in absolute terms for us or any subsidiary, division or business unit of SeaSpine or an individual or as compared to any incremental increase or decrease or as compared to results of a peer group or to market performance indicators or indices.

The achievement of each performance goal may be determined in accordance with applicable accounting standards. At the time of grant, our compensation committee may provide that adjustments will be made for purposes of

determining the achievement of one or more of the performance goals established for an award. Such adjustments may include, without limitation: (i) items related to a change in applicable accounting standards; (ii) items relating to financing activities; (iii) expenses for restructuring or productivity initiatives; (iv) other non-operating items; (v) items related to acquisitions; (vi) items attributable to the business operations of any entity acquired by the Company during the performance period; (vii) items related to the sale or disposition of a business or segment of a business; (viii) items related to discontinued operations that do not qualify as a segment of a business under applicable accounting standards; (ix) items attributable to any stock dividend, stock

split, combination or exchange of stock occurring during the performance period; (x) any other items of significant income or expense which are determined to be appropriate adjustments; (xi) items relating to unusual or extraordinary corporate transactions, events or developments; (xii) items related to amortization of acquired intangible assets; (xiii) items that are outside the scope of the Company's core, on-going business activities; (xiv) items relating to acquired in-process research and development; (xv) items relating to changes in tax laws; (xvi) items relating to major licensing or partnership arrangements; (xvii) items relating to asset impairment charges; (xviii) items relating to gains or losses for litigation, arbitration and contractual settlements; (xix) items attributable to expenses incurred in connection with a reduction in force or early retirement initiative; or (xx) items relating to any other unusual or nonrecurring events or changes in applicable law, applicable accounting standards or business conditions.

Director Compensation

During the term of the Restated Plan, our board of directors may establish compensation for non-employee directors, subject to the limitations in the Restated Plan. The current director compensation policy is described under "Director Compensation" above. Our board of directors will from time to time determine the terms, conditions and amounts of all such non-employee director compensation in its discretion and pursuant to the exercise of its business judgment, taking into account such factors, circumstances and considerations as it shall deem relevant from time to time, which adjustments may be undertaken without stockholder approval.

Minimum Vesting Requirement

The Restated Plan contains a minimum vesting period which provides that Awards will be subject to a minimum vesting period of one year from the date of grant. This required vesting period will not apply: (1) to awards involving an aggregate number of shares not in excess of five percent of the Restated Plan's share reserve as of March 22, 2018 (after giving effect to the amendment and restatement of the 2015 Plan approved by our board of directors on March 22, 2018), (2) upon the participant's death, disability or termination as a service provider, (3) to any Substitute Award that does not reduce the vesting period of the award being replaced, and (4) to any awards made to non-employee directors in payment of or exchange for other compensation already earned and payable. For purposes of other awards made to non-employee directors, a vesting period will be deemed to be one year if it runs from the date of one annual meeting of the Company's stockholders to the next annual meeting of the Company's stockholders.

Certain Transactions and Terminations

The plan administrator has broad discretion to take action under the Restated Plan, as well as make adjustments to the terms and conditions of existing and future awards, to prevent the dilution or enlargement of intended benefits and facilitate necessary or desirable changes in the event of certain transactions and events affecting our common stock, such as stock dividends, stock splits, mergers, acquisitions, consolidations and other corporate transactions. In addition, in the event of certain non-reciprocal transactions with our stockholders known as "equity restructurings," the plan administrator will make equitable adjustments to the Restated Plan and outstanding awards.

In the event of a Change in Control in which the consideration to the company or the company's stockholders in such transaction consists of at least 20% in publicly-traded securities of the acquiror or its affiliate, all outstanding stock options will be continued, converted, assumed or replaced by the publicly-traded successor entity, with appropriate adjustments as to the number and kind of shares and prices of such options.

In the event of a Change in Control, to the extent that the surviving entity declines to continue, convert, assume or replace outstanding awards, then all such awards will become fully vested and exercisable in connection with the transaction, provided, however, that for any awards granted under the Restated Plan that are subject to performance-based vesting, such awards will be subject to accelerated vesting at the greater of (1) the actual performance level as of the date of the Change in Control (as determined by the plan administrator) with respect to all open performance periods, or (2) the target level of performance, pro-rated based on the period elapsed between the beginning of the applicable performance period and the date of the Change in Control. Upon or in anticipation of a Change in Control, the plan administrator may cause any outstanding awards to terminate at a specified time in the future.

In addition, in the event that a Change in Control occurs with respect to which a participant's outstanding awards are continued, converted, assumed or replaced by the acquirer or successor entity, and the participant incurs a qualifying termination on or following the date of such Change in Control, (1) each outstanding award held by such participant, other than any award subject to performance vesting, will become fully vested (and, as applicable, exercisable) upon such qualifying termination and (2) each outstanding stock option held by such participant will remain exercisable for the full original term of such option.

In the event of a participant's death or disability, all restrictions on such participant's restricted stock award (other than restricted stock granted to participants in France) will lapse and such restricted stock will vest.

Foreign Participants, Claw-Back Provisions, Transferability, and Participant Payments

The plan administrator may modify award terms, establish sub-plans and/or adjust other terms and conditions of awards, subject to the share limits described above, in order to facilitate grants of awards subject to the laws and/or stock exchange rules of countries outside the U.S. All awards will be subject to the provisions of any claw-back policy implemented by us to the extent set forth in such claw-back policy and/or in the applicable award agreement. With limited exceptions for estate planning, domestic relations orders, certain beneficiary designations and the laws of descent and distribution, awards under the Restated Plan are generally non-transferable prior to vesting and are exercisable only by the participant. With regard to tax withholding, exercise price and purchase price obligations arising in connection with awards under the Restated Plan, the plan administrator may, in its discretion, accept cash or check, shares of our common stock that meet specified conditions, a "market sell order" or such other consideration as it deems suitable.

Amendment and Termination; Repricing Without Stockholder Approval Prohibited

Our board of directors may amend or terminate the Restated Plan at any time; however, except in connection with certain changes in our capital structure, stockholder approval will be required for any amendment that increases the number of shares available under the Plan, "reprices" any stock option or SAR, or cancels any stock option or SAR in exchange for cash or another award when the stock option or SAR price per share exceeds the fair market value of the underlying shares. No ISOs may be granted under the Restated Plan after February 1, 2028; however, the Restated Plan does not have a specified expiration date and will otherwise continue in effect until terminated by us.

U.S. Federal Income Tax Consequences

The following is a summary of the general federal income tax consequences to U.S. taxpayers and us of awards granted to U.S. taxpayers under the Restated Plan. Tax consequences for any particular individual may be different. If an optionee is granted a non-qualified stock option under the Restated Plan, the optionee should not have taxable income on the grant of the option. Generally, the optionee should recognize ordinary income at the time of exercise in an amount equal to the fair market value of a share of our common stock at such time, less the exercise price paid. The optionee's basis in the common stock for purposes of determining gain or loss on a subsequent sale or disposition of such shares generally will be the fair market value of our common stock at the time the optionee exercises such option. Any subsequent gain or loss will be taxable as a capital gain or loss. We or our subsidiaries or affiliates generally should be entitled to a federal income tax deduction at the time and for the same amount as the optionee recognizes ordinary income.

A participant receiving ISOs will not recognize taxable income upon grant. Additionally, if applicable holding period requirements are met, the participant will not recognize taxable income at the time of exercise. However, the excess of the fair market value of our common stock received over the exercise price is an item of tax preference income potentially subject to the alternative minimum tax. If stock acquired upon exercise of an ISO is held for a minimum of two years from the date of grant and one year from the date of exercise, the gain or loss (in an amount equal to the difference between the fair market value at the time of sale and the exercise price) upon disposition of the stock will be treated as a long-term capital gain or loss, and we will not be entitled to any deduction. If the holding period requirements are not met, the ISO will be treated as one that does not meet the requirements of the Code for ISOs and the tax consequences described for nonqualified stock options will apply.

The current federal income tax consequences of other awards authorized under the Restated Plan generally follow certain basic patterns: SARs are taxed and deductible in substantially the same manner as non-qualified stock options; nontransferable restricted stock subject to a substantial risk of forfeiture results in income recognition equal to the excess of the fair market value over the price paid, if any, only at the time the restrictions lapse (unless the recipient elects to accelerate recognition as of the date of grant); RSUs, performance awards, dividend equivalents and other types of awards are generally subject to tax at the time of payment based on the fair market value of the award at such time. Compensation otherwise effectively deferred is taxed when paid. In each of the foregoing cases, we will generally have a corresponding deduction at the time the participant recognizes income, subject to Section 162(m) of the Code with respect to "covered employees."

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding the beneficial ownership of our common stock as of March 31, 2018, for:

- each person or group of affiliated persons who, to our knowledge, owns more than 5% of our common stock;
- each of our named executive officers;
- each of our directors and nominees; and
- all of our current executive officers and directors as a group.

We have determined beneficial ownership in accordance with applicable SEC rules, and the information reflected in the table below is not necessarily indicative of beneficial ownership for any other purpose. Under applicable SEC rules, beneficial ownership includes any shares of common stock as to which a person has sole or shared voting power or investment power and any shares of common stock which the person has the right to acquire within 60 days after March 31, 2018 through the exercise of any option, warrant or right or through the conversion of any convertible security. Unless otherwise indicated in the footnotes to the table below and subject to community property laws where applicable, we believe, based on the information furnished to us, that each of the persons named in this table has sole voting and investment power with respect to the shares indicated as beneficially owned.

The information set forth in the table below is based on 14,535,827 shares of our common stock issued and outstanding on March 31, 2018. In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed to be outstanding all shares of common stock subject to options, warrants, rights or other convertible securities held by that person that are currently exercisable or will be exercisable within 60 days after March 31, 2018. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person. Except as otherwise noted, the address for each person listed in the table below is c/o SeaSpine Holdings Corporation, 5770 Armada Drive, Carlsbad, California 92008.

Narrative to Summary Compensation Table

Base Salaries

Our named executive officers' base salaries are set by our compensation committee to be commensurate with their positions as named executive officers of a public company and are expected to provide a steady source of income sufficient to permit these officers to focus their time and attention on their work duties and responsibilities. As of March 5, 2017, the 2017 annual base salaries for Messrs. Valentine, Bostjancic and Keran increased from \$515,000, \$334,750 and \$334,750, respectively, to \$530,450, \$344,792 and \$344,792, respectively.

Any future adjustments to the base salary of our named executive officers will be reflective of factors such as the scope of their responsibilities, background, track record, training and experience, as well as competitive external market positioning and the overall market demand for such executives at the time compensation decisions are made. As with total executive compensation, we intend that executive base salaries should be competitive with the range of salaries for executives in similar positions and with similar responsibilities. An executive's base salary will be evaluated together with components of the executive's other compensation to ensure that the executive's target and actual total compensation is consistent with our overall compensation philosophy.

In February 2018, our compensation committee approved base salary increases for 2018 for our named executive officers. Their base salaries were increased to the following amounts effective as of March 4, 2018: Mr. Valentine, \$546,363; Mr. Bostjancic, \$375,000; and Mr. Keran, \$355,136. Mr. Bostjancic's increase reflected, in part, additional responsibilities he assumed within supply chain operations.

Annual Incentive Program

In February 2016, our compensation committee established a new annual incentive program under our Amended and Restated 2015 Incentive Award Plan (the 2015 Plan). The annual incentive program provides annual bonus opportunities for the senior leadership team members designated as participants by our compensation committee, including each of our named executive officers. The annual incentive program is designed to motivate and reward participants for their contributions to the Company. The potential amount of the bonuses awarded is based on corporate and individual performance. Our compensation committee establishes the corporate performance metrics at the beginning of each fiscal year and also determines the relative weight of those metrics. A portion of a participant's annual bonus will also be determined in the discretion of our compensation committee based on the participant's individual performance and such other factors as our compensation committee deems appropriate. The payout level for each participant's annual bonus will range between 0% and 200% of the target bonus amount established by our compensation committee. Generally, a participant must remain employed with us through the date of payment of his or her annual bonus to remain eligible to receive such bonus.

In February 2017, our compensation committee established guidelines for the 2017 performance period of the annual incentive program. The target bonus amount for the named executive officers for 2017 was 85% of base salary for Mr. Valentine, and 50% of base salary for each of Messrs. Bostjancic and Keran. For 2017, 75% of each participant's annual bonus was determined based on achievement relative to corporate performance metrics and 25% was determined based on individual performance. The corporate performance metrics for 2017 were revenue, new product revenue, net cash spend, and new product launches, weighted 30%, 20%, 30% and 20%, respectively. The guidelines also set forth achievement levels within each corporate performance metric (from 50% to 150%), though achievement levels are intended as benchmarks, rather than binary requirements or minimums / maximums, and did not mandate linear interpolation between achievement levels.

The table below sets forth the company's actual performance relative to the 100% target of each corporate performance metric. The weighted achievement of the corporate performance metrics set forth in the table below reflects management's assessment of performance. For revenue and new product revenue, management's assessment was based on linear interpolation between achievement levels, except that, with respect to new product revenue, management recommended the achievement level should be capped at 150% (without the cap, the achievement level would have been 193%). In determining the amounts of the bonuses for 2017, our compensation committee considered the weight associated with each corporate performance metric, whether the metric had been met, the degree and quality of performance for partially achieved metrics, the level of difficulty of achieving a metric, and the conditions or changes in circumstances that affected the ability to achieve or desirability of achievement of a particular metric. In particular, net cash spend was greater than the target amount largely as a result of opportunistic investments in product launches during the second half of the year that we were able to make due to additional net proceeds from our at-the-market equity offering program. After considering these factors, our compensation committee determined to award a

corporate performance metric achievement level of 100% for the 2017 performance period. Although the sum of the weighted achievement of the corporate performance metrics was 102% (with new product revenue capped at 150%) (or 110%, without the cap on new product revenue), our compensation committee determined that 100% was appropriate under the circumstances. The committee also determined that each named executive officer's individual performance was at a high level in 2017 when compared to his individual performance goals. Amounts paid under our annual incentive program for the 2017 performance period are reported in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table, above.

Corporate Performance Metric	Weight	100% Target	Actual Result	Weighted Achievement
Revenue	30%	\$134 million	\$131.8 million	22%
New Product Revenue	20%	\$16.5 million	\$18.4 million	30%*
Net Cash Spend	30%	\$13.5 million	\$15.7 million	30%
Product Launches	20%	9	9	20%
TOTAL				102%

* Reflects management's recommendation to cap the achievement level at 150%.

In February 2018, our compensation committee established guidelines for the 2018 performance period of the annual incentive program. Target bonuses under the annual incentive program for the named executive officers for 2018 will be as follows: 85% of base salary for Mr. Valentine and 50% of base salary for each of Messrs. Bostjancic and Keran. For 2018, 75% of each participant's annual bonus will be determined based on achievement relative to corporate performance metrics and 25% will be determined based on individual performance. The corporate performance metrics for 2018 will be revenue, free cash flow, and new product launches, weighted 50%, 30% and 20%, respectively. The removal of "new product revenue" as a separate corporate performance metric reflects our focus on growing overall revenue and maintaining accountability to generating revenue from new products, as well as legacy products. The guidelines set forth achievement levels within each corporate performance metric (from 50% to 150%), though achievement levels are intended as benchmarks, rather than binary requirements or minimums / maximums, and do not mandate linear interpolation between achievement levels.

Equity Compensation

In 2016, our compensation committee granted stock options to each of our named executive officers. All stock options granted by our compensation committee to our named executive officers have a term of eight years from the date of grant and were granted with an exercise price equal to the fair market value of our common stock on the date of grant. The vesting terms of such options are described in footnotes to the 2017 Outstanding Equity Awards at Fiscal Year End table set out in under "Outstanding Equity Awards at Fiscal Year-End," below. In general, a named executive officer is required to be employed on a vesting date to be eligible to vest in these time-based awards, subject to acceleration under certain circumstances as described under "Executive Compensation Arrangements," below.

In 2017, our compensation committee granted RSUs to each of our named executive officers. The vesting terms of such RSUs are described in footnotes to the 2017 Outstanding Equity Awards at Fiscal Year End table set out in under "Outstanding Equity Awards at Fiscal Year-End," below.

Other Elements of Compensation

Retirement Plans

We maintain a 401(k) retirement savings plan for our employees, including our named executive officers, who satisfy certain eligibility requirements. Our named executive officers are eligible to participate in the 401(k) plan on the same terms generally applicable to other full-time employees. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan, and making matching contributions, adds to the overall desirability of our executive compensation package and further incentivizes our employees, including our named executive officers, in accordance with our compensation policies. We provide matching contributions to our employees equal to 100% of the first 1% of their eligible compensation and 50% of the next 4% of their eligible compensation, up to a maximum matching contribution of \$4,125 per employee.

Employee Benefits and Perquisites

Additional benefits available to our employees including our named executive officers, include medical, dental, and vision benefits, medical and dependent care flexible spending accounts, short-term and long-term disability insurance, accidental death and dismemberment insurance and basic life insurance coverage.

* In the footnotes below, the vesting that will occur in the future is subject to the officer continuing to be employed with us through the applicable vesting date.

This option vested or will vest in equal quarterly installments over four years, with the first installment vesting on March 31, 2016; provided that no portion of the option vested until the first anniversary of the officer's first day of (1) employment with us, at which time the portion of the option that would have vested but for this one-year cliff, vested. This option began vesting for Messrs. Valentine, Bostjancic and Keran in June 2016, March 2016 and November 2016, respectively.

(2) This option vested as to 25% of the underlying shares on May 1, 2016, and the remaining 75% vested or will vest in twelve substantially equal quarterly installments thereafter.

(3) This option vested as to 25% of the underlying shares on November 1, 2016, and the remaining 75% vested or will vest in twelve substantially equal quarterly installments thereafter.

Represents shares subject to RSUs, 35,938 shares of which vested on January 1, 2018 for Mr. Valentine and 15,573 (4) shares of which vested on January 1, 2018 for each of Messrs. Bostjancic and Keran and the balance of which will vest in equal installments on each of January 1, 2019 and 2020.

In 2015 and before the Spin-Off, Integra's compensation committee granted two restricted stock awards to Mr. Bostjancic. As was the case with other individuals who were employed or engaged by us or one of our affiliates (5) following the Spin-Off, these awards were converted into a SeaSpine restricted stock award covering a number of shares of our common stock such that the pre-Spin-Off value of the underlying Integra restricted stock award was approximately preserved. As of December 31, 2017, 1,028 shares subject to this award had not vested. These shares vested on March 23, 2018.

(6) The dollar amounts shown in this column are calculated by multiplying the number of shares shown in the adjacent column by the closing market price of our common stock as reported on Nasdaq on December 29, 2017 (\$10.12),

the last trading day of our fiscal year.

Executive Compensation Arrangements

Following is a summary of the employment and severance arrangements entered into with our named executive officers.

37

Keith Valentine Employment Agreement

On April 28, 2015, we entered into an employment agreement with Keith Valentine, pursuant to which he serves as our chief executive officer. Mr. Valentine's employment commenced May 1, 2015 and, unless earlier terminated, his employment as our chief executive officer will terminate on May 1, 2019.

Mr. Valentine is entitled to receive an annual base salary of \$500,000 and is eligible for an annual bonus opportunity targeted at least at 85% of his annual base salary. Mr. Valentine's base salary is subject to annual review and may be increased in the discretion of the compensation committee of our board of directors.

Mr. Valentine received a nonqualified stock option to purchase 325,000 shares of our common stock with a term of eight years and that vested with respect to 25% of the shares on May 1, 2016 and, with respect to the remaining 75% of the shares, will vest in equal quarterly installments over the following three-year period, subject to his continued service through the applicable vesting date. If his employment is terminated due to his death or disability, then all the shares subject to this option will vest and become exercisable in full. Mr. Valentine is eligible to receive a discretionary annual equity award as determined by our compensation committee in its sole discretion. The amount, form and mix of such award will be determined by our compensation committee in its discretion after giving consideration to annual equity-based awards granted to chief executive officers in our peer group. However, it is anticipated such award will be in the form of restricted stock units with a value equal to 1.5 times his then-current annual base salary and will vest over a three-year period.

If Mr. Valentine's employment is terminated outside the context of a change in control by us other than for "cause," or as a result of death or "disability," or by Mr. Valentine for "good reason" (each, as defined in his employment agreement), then, in addition to accrued amounts:

- he will receive a lump sum payment equal to 2.99 times his annual base salary;
- he will receive company-subsidized healthcare continuation coverage for Mr. Valentine and his dependents for up to eighteen months after his termination date;
- the vesting of any equity awards that are outstanding immediately prior to such termination and that vest solely based on the passage of time will be accelerated; and
- he will be eligible to receive a pro-rated annual bonus for the year in which the termination occurs.

If Mr. Valentine's employment is terminated within twelve months following a change in control by us other than cause, death or disability, or by Mr. Valentine for good reason, then he will be entitled to receive the same payments and benefits as described above, except he will receive a lump sum payment equal to 2.99 times the sum of his annual base salary and target bonus opportunity.

Mr. Valentine's right to receive the severance payments described above is subject to Mr. Valentine executing a general release of claims against us. In addition, to the extent that any payment or benefit received in connection with a change in control would be subject to an excise tax under Section 4999 of the Code, such payments and/or benefits will be subject to a "best pay cap" reduction, if such reduction would result in a greater net after-tax benefit to Mr. Valentine than receiving the full amount of such payments.

Mr. Valentine's employment agreement contains an employee non-solicitation covenant that extends for 18 months following a termination of his employment. We agreed to reimburse Mr. Valentine for up to \$35,000 in legal fees and expenses incurred in connection with the drafting, review and negotiation of his employment agreement and the option agreement related to the stock option described above.

Letter Agreements

In March 2015 and October 2015, we entered into an employment offer letter with each of Messrs. Bostjancic and Keran, respectively, pursuant to which they serve as our chief financial officer and vice president and general counsel, respectively. These offer letters set forth their initial annual base salary and target annual bonus opportunity.

In addition, Mr. Bostjancic's offer letter states that he is eligible to receive a discretionary annual equity award with value no greater than \$210,000, and that, in connection with the Spin-Off, Mr. Bostjancic was eligible to receive (i)

one or more equity awards, including a stock option to purchase shares of our common stock, with an aggregate fair value of \$252,078 and (ii) relocation assistance of up to \$100,000 in connection with his move to California.

Senior Leadership Retention and Severance Plan

In January 2016, our compensation committee adopted the Senior Leadership Retention and Severance Plan, or the Severance Plan. The Severance Plan provides our named executive officers (other than Mr. Valentine, who is not an eligible participant) and the other members of our senior leadership team with certain severance benefits.

Under the Severance Plan, if a participant's employment is terminated prior to a change in control or more than twelve months following a change in control by us without "cause" (and other than by reason of death or disability) or by the participant for "good reason" (each as defined in the Severance Plan), then the participant will be entitled to a lump sum payment equal to his or her annual base salary, less his or her accrued but unused paid time off.

Under the Severance Plan, if a participant's employment is terminated within twelve months following a change in control by us without cause (and other than by reason of death or disability) or by the participant for good reason, then the participant will be entitled to the following payments and benefits:

• A lump sum payment equal to two times his or her annual base salary, less his or her accrued but unused paid time off;

A lump sum payment equal to the estimated monthly premium cost of continuing health care coverage (including, without limitation, medical, dental and vision coverage) for the participant and his or her dependents who are covered immediately prior to the termination under the federal law known as COBRA for twenty-four months; and

Accelerated vesting of any equity awards that are outstanding immediately prior to such termination and that vest solely based on the passage of time. In addition, as applicable, each such award shall remain exercisable until the date that is twelve months after the date of termination (which, for these purposes, will be deemed to have occurred on the vesting date that would have occurred immediately following the termination, had such termination not occurred) (but in no event beyond the original expiration date of such award).

A participant's right to receive the severance payments pursuant to the Severance Plan is contingent on his or her executing a general release of claims against us. In addition, to the extent that any payment or benefit received in connection with a change in control would be subject to an excise tax under Section 4999 of the Code, such payments and/or benefits will be subject to a "best pay cap" reduction, if such reduction would result in a greater net after-tax benefit to the participant than receiving the full amount of such payments.

The Severance Plan superseded the severance provisions contained in the employment offer letters we entered into with each of Messrs. Bostjancic and Keran.

The Amended and Restated 2015 Incentive Award Plan is a broad-based incentive plan, which allows for the grant of stock options, restricted stock, dividend equivalents, stock payments, restricted stock units, performance shares, other incentive awards, stock appreciation rights, and cash awards to employees, consultants and non-employee directors. If an award under the plan is forfeited, expires or is settled for cash, any shares subject to such award may, to the extent of such forfeiture, expiration or cash settlement, be used again for new grants under the plan. In addition, shares tendered or withheld to satisfy tax withholding obligations associated with an award may be used again for new grants under the plan. However, the following shares may not be used again for grant under the plan: (1) shares tendered by a participant or withheld by us in payment of the exercise price of an option; (2) shares subject to a stock appreciation right that are not issued in connection with the stock settlement of the SAR on its exercise; and (3) shares purchased on the open market with the cash proceeds from the exercise of options.

Includes 6,377 shares subject to outstanding restricted stock unit awards, none of which have an exercise price. The (2) weighed-average exercise price of outstanding options, warrants and rights excluding such outstanding restricted stock units awards is \$11.23.

Includes 718,882 shares subject to outstanding restricted stock unit awards, none of which have an exercise price. (3) The weighed-average exercise price of outstanding options, warrants and rights excluding such outstanding restricted stock units awards is \$14.80.

In 2016, we established the SeaSpine Holdings Corporation 2016 Employment Inducement Incentive Award Plan. The plan is a broad-based incentive plan which allows for the issuance of stock-based awards, including non-qualified stock options, restricted stock awards, performance awards, restricted stock unit awards and stock (4) appreciation rights, to any prospective officer or other employee who has not previously been an employee or director of SeaSpine or an affiliate or who is commencing employment with SeaSpine or an affiliate following a bona-fide period of non-employment by SeaSpine or an affiliate. We have not awarded any awards under the plan as of March 31, 2018.

Policies Regarding Tax Deductibility of Compensation

Within our performance-based compensation program, we aim to compensate the named executive officers in a manner that is tax-effective for us without sacrificing the effectiveness of the incentive programs being offered to executives. Prior to December 22, 2017, Section 162(m) of the Code restricted the ability of publicly held companies to take a federal income tax deduction for compensation paid to certain of its executive officers to the extent that compensation exceeds \$1.0 million per covered officer in any fiscal year.

On December 22, 2017, President Trump signed into law tax reform legislation, which is commonly referred to as the Tax Cuts and Jobs Act (the “Tax Act”). Among other things, the legislation eliminates the performance-based compensation exception under Section 162(m) of the Code. As a result, our compensation committee currently expects that, in respect to fiscal 2018 and beyond, any compensation amounts over \$1 million paid to any named executive officer will no longer be deductible. However, the Tax Act provides a transition rule with respect to remuneration that is provided pursuant to a written binding contract that was in effect on November 2, 2017 and that is not materially modified after that date. No assurance can be given that the compensation associated with awards granted prior to November 2, 2017 will qualify for the transitional relief, due to ambiguities and uncertainties as to the application and interpretation of newly revised Section 162(m) and the related requirements for transitional relief. Our compensation committee believes that stockholder interests are best served if its discretion and flexibility in structuring and awarding compensation are not restricted, even though some compensation awards may have resulted in the past, and may result in the future, in non-deductible compensation expenses to our company.

Compensation Committee Interlocks and Insider Participation

During 2017, no member of our compensation committee was one of our officers or employees, or was one of our former officers, or had any relationship requiring disclosure under Item 404 of Regulation S-K. During 2017, none of our executive officers served as a member of the board of directors or compensation committee of any entity that has

one or more executive officers serving as a member of our board of directors or compensation committee.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Since January 1, 2017 there has not been, nor is there currently proposed, any transaction in which we were or are to be a participant and the amount involved exceeds \$120,000 and in which any of our directors or executive officers, any nominee for director, any beneficial owner of more than 5% of any class of our voting securities or any of their respective affiliates or immediate family members, had, or will have, a direct or indirect material interest.

Potential Conflicts of Interest

A number of our directors and officers continue to own common stock of Integra LifeSciences Holdings Corporation (in at least one case, a substantial amount), as well as, in some cases, equity awards covering Integra stock. The direct interests of our directors and officers and related entities in common stock of Integra could create, or appear to create, potential conflicts of interest with respect to matters involving both Integra and us that could have different implications for Integra than they do for us. As a result, we may be precluded from pursuing certain opportunities on which we would otherwise act, including growth opportunities.

Following the Spin-Off, Integra and SeaSpine have operated, and will continue to operate, independently, and neither will have any ownership interest in the other. Our executive officers and board of directors have fiduciary duties to our stockholders. Likewise, any such persons who serve in similar capacities at Integra have fiduciary duties to Integra stockholders. Therefore, such persons may have conflicts of interest or the appearance of conflicts of interest with respect to matters involving or affecting more than one of the companies to which they owe fiduciary duties. For example, there may be the potential for a conflict of interest when SeaSpine or Integra looks at acquisitions and other corporate opportunities that may be suitable for each of them. Any potential conflicts that arise will be addressed on a case-by-case basis, keeping in mind the applicable fiduciary duties owed by the directors of each company. From time to time, we may enter into transactions with Integra and/or its subsidiaries or other affiliates. There can be no assurance that the terms of any such transactions will be as favorable to SeaSpine, Integra, or any of their subsidiaries or affiliates as would be the case where there is no overlapping director. See “Policies and Procedures for Related Party Transactions” below for a discussion of certain procedures we have adopted to address any such potential conflicts that may arise.

Policies and Procedures for Related Party Transactions

Our board of directors has adopted a written related person transaction policy to set forth the policies and procedures for the review and approval or ratification of related person transactions. Pursuant to this written policy, we will review all transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which we are a participant and the amount involved exceeds \$100,000, and in which any Related Person had, has or will have a direct or indirect interest. For purposes of the policy, a “Related Person” means:

- (a) any person who is, or at any time since the beginning of our last fiscal year was, a director or executive officer or a nominee to become one of our directors;
- (b) any person who is known to be the beneficial owner of more than 5% of any class of our voting securities;
- (c) any immediate family member of any of the persons described in paragraphs (a) or (b) above; and
- (d) any firm, corporation or other entity in which any of the persons described in paragraphs (a) or (b) above is employed or is a partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest.

If our legal department determines that a proposed transaction is a transaction for which approval is required under applicable SEC rules and regulations, the proposed transaction will be submitted to the audit committee for consideration at its next meeting. In those instances in which the legal department, in consultation with our chief executive officer or chief financial officer, determines that it is not practicable or desirable to wait until the next audit committee meeting, unless the audit committee chair or any of his or her immediate family members is the Related Person, the transaction will be presented to the audit committee chair, who has delegated authority to act between audit committee meetings with respect to these matters.

The audit committee (or the audit committee chair, as applicable) will consider all of the relevant facts and circumstances available to the committee, including (if applicable) but not limited to, the benefits to us; the impact on a director’s independence in the event the Related Person is a director, an immediate family member of a director or an

entity in which a director is a partner, stockholder or executive officer; the availability of other sources for comparable products or services; the terms of the transaction; and the terms available to unrelated third parties or to employees generally. No member of the audit committee shall participate in any review, consideration or approval of any related person transaction with respect

to which such member or any of his or her immediate family members is the Related Person. The audit committee (or the audit committee chair, as applicable) shall approve only those related person transactions that it determines in good faith are in, or are not inconsistent with, the best interests of our company and of our stockholders.

Indemnification of Officers and Directors

Our amended and restated certificate of incorporation and amended and restated bylaws provide that we will indemnify our directors and officers, and may indemnify our employees and other agents, to the fullest extent permitted by the Delaware General Corporation Law (the DGCL). The DGCL prohibits a company from limiting the liability of its directors for the following:

- any breach of the director's duty of loyalty to the company or to its stockholders;
- acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- unlawful payment of dividends or unlawful stock repurchases or redemptions; and
- any transaction from which the director derived an improper personal benefit.

Our amended and restated certificate of incorporation does not eliminate a director's duty of care and, in appropriate circumstances, equitable remedies, such as injunctive or other forms of non-monetary relief, remain available under the DGCL. This provision also does not affect a director's responsibilities under any other laws, such as the federal securities laws or other state or federal laws.

In addition to the indemnification required in our amended and restated certificate of incorporation and amended and restated bylaws, we have entered into indemnification agreements with each of our current directors and officers. These agreements provide for the indemnification of our directors and officers for certain expenses and liabilities incurred in connection with any action, suit, proceeding or alternative dispute resolution mechanism, or hearing, inquiry or investigation that may lead to the foregoing, to which they are a party, or are threatened to be made a party, by reason of the fact that they are or were a director, officer, employee, agent or fiduciary of our company, or any of our subsidiaries, by reason of any action or inaction by them while serving as such officer, director, agent or fiduciary, or by reason of the fact that they were serving at our request as a director, officer, employee, agent or fiduciary of another entity. In the case of an action or proceeding by or in the right of our company or any of our subsidiaries, no indemnification will be provided for any claim where a court determines that the indemnified party is prohibited from receiving indemnification, including any determination that any such indemnification by us is against public policy as expressed in the Securities Act. We believe that these amended and restated bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers.

We maintain general liability insurance covering certain liabilities of our directors and officers arising out of claims based on acts or omissions in their capacities as directors or officers, whether or not we would have the power to indemnify such person against such liability under the DGCL or the provisions of our amended and restated certificate of incorporation or amended and restated bylaws.

The limitation of liability and indemnification provisions in our amended and restated certificate of incorporation and amended and restated bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duties. They may also reduce the likelihood of derivative litigation against directors and officers, even though an action, if successful, might benefit us and our stockholders. A stockholder's investment may be harmed to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under Section 16(a) of the Exchange Act, our directors and executive officers, and beneficial owners of more than 10% of our common stock (collectively, reporting persons) are required to file reports of ownership of our common stock and changes in such ownership with the SEC. Reporting persons also are required by SEC rules to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of copies of such forms that we have received, or written representations from reporting persons, we believe that all Section 16(a) filing requirements

applicable to reporting persons were timely met during 2017.

DELIVERY OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other annual meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or only one set of other annual meeting materials addressed to those stockholders (unless otherwise requested by one or more of such stockholders). This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

Brokers with account holders who are our stockholders may be householding our proxy materials. A single Notice of Internet Availability of Proxy Materials may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from us (if you are a stockholder of record) or from your broker (if you are a beneficial owner) that we or they will be householding communications to your address, householding will continue until you are notified otherwise or until you notify your broker or us that you no longer wish to participate in householding.

If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, or if you currently receive multiple copies and would like to request a single copy, you may (1) notify your broker, (2) direct your written request to our Corporate Secretary at SeaSpine Holdings Corporation, 5770 Armada Drive, Carlsbad, California 92008 or (3) contact us by telephone at (760) 727-8399. Upon written or oral request to us, we will promptly deliver a separate copy of the Notice of Internet Availability of Proxy Materials or annual report and proxy statement, to any stockholder at a shared address to which a single copy of such material was delivered.

STOCKHOLDER PROPOSALS

The deadline for submitting stockholder proposals for inclusion in our proxy statement and form of proxy relating to our 2019 annual meeting of stockholders must be received at our principal executive offices no later than December 19, 2018, which is 120 days before the date this proxy statement was released to our stockholders. These proposals must comply with the requirements as to form and substance established by the SEC for such proposals in order to be included in our proxy statement and form of proxy.

Stockholder proposals for consideration at our 2019 annual meeting of stockholders, but not for inclusion in our proxy statement and form of proxy, must be delivered to the attention of our corporate secretary in writing at our principal executive offices no earlier than the close of business on January 30, 2019 and no later than the close of business on February 28, 2019, which dates are 90 calendar days and 120 calendar days before the first anniversary of the date of our 2018 annual meeting of stockholders. Under our amended and restated bylaws, the proposal must be submitted by a stockholder who is a stockholder of record when the notice that must accompany a stockholder proposal is delivered and at the date of the 2019 annual meeting. Stockholders are advised to review our amended and restated bylaws which also specify requirements as to the form and content of the notice that must accompany a stockholder proposal. If the date of our 2019 annual meeting of stockholders is advanced by more than 30 days or delayed by more than 70 days from the first anniversary date of our 2018 annual meeting of stockholders, then, to be timely, the required notice and stockholder proposal must be delivered as described above not earlier than 120 days prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made. If the stockholder fails to give notice by the applicable dates, then the persons named as proxies in the proxies solicited by our board of directors for the 2019 annual meeting may exercise discretionary voting power regarding any such proposal.

ANNUAL REPORT

Any person who was a beneficial owner of our common stock on the record date for the annual meeting may request a copy of our annual report, and it will be furnished without charge upon receipt of a written request identifying the person so requesting a report as our stockholder on such record date. Requests should be directed to SeaSpine Holdings Corporation, 5770 Armada Drive, Carlsbad, California 92008, Attention: Corporate Secretary.

OTHER MATTERS

We do not know of any business other than that described in this proxy statement that will be presented for consideration or action by the stockholders at the annual meeting. If, however, any other business is properly brought before the meeting, the persons named as proxies in the proxies solicited by our board of directors will vote the shares represented by proxies in their discretion regarding any such other business.

APPENDIX A

SEASpine HOLDINGS CORPORATION
AMENDED AND RESTATED
2015 INCENTIVE AWARD PLAN

(As Amended and Restated as of March 22, 2018)

ARTICLE 1.

PURPOSE

The purpose of the SeaSpine Holdings Corporation 2015 Incentive Award Plan (the “Plan”) is to promote the success and enhance the value of SeaSpine Holdings Corporation, a Delaware corporation (the “Company”) by linking the individual interests of Employees, Consultants, and members of the Board to those of the Company’s stockholders and by providing such individuals with an incentive for outstanding performance to generate superior returns to the Company’s stockholders. The Plan is further intended to provide flexibility to the Company and its subsidiaries in their ability to motivate, attract, and retain the services of those individuals upon whose judgment, interest, and special effort the successful conduct of the Company’s operation is largely dependent. In addition, the Plan is intended to govern Awards granted pursuant to the adjustment of awards originally granted under the Integra LifeSciences Holdings Corporation Third Amended and Restated 2003 Equity Incentive Plan (the “Integra Plan”) in accordance with the terms of the Employee Matters Agreement (each, an “Adjusted Award”).

(b) The Administrator may, in its sole discretion, provide that one or more adjustments shall be made to one or more of the Performance Goals. Such adjustments may include, but are not limited to, one or more of the following:

Performance Goals may be expressed in terms of overall performance of the Company, any Parent, Subsidiary, any division or business unit thereof or an individual.

2.42 "Performance Period" shall mean one or more periods of time, which may be of varying and/or overlapping durations, as the Administrator may select, over which the attainment of one or more Performance Goals will be measured for the purpose of determining a Participant's right to, vesting of, and/or the payment of, a Performance Award.

2.43 "Performance Share" shall mean a contractual right awarded under Section 9.5 hereof to receive a number of Shares or the cash value of such number of Shares based on the attainment of specified Performance Goals or other criteria determined by the Administrator.

27, 2016, and further amended and restated by the Board effective March 30, 2016, with such amendment and restatement approved by the stockholders of the Company on June 7, 2016 (as amended by the Board in August 2016, the “2016 Restatement”). The 2016 Restatement was further amended by the Board effective February 1, 2018 (the “February 2018 Amendment”), and further amended and restated by the Board effective March 22, 2018 (the “Effective Date”), in each case subject to approval by the stockholders of the Company, which amendment and final amendment and restatement (which includes the increase to the Share Limit pursuant to the February 2018 Amendment) is reflected herein.

2.46 “Program” shall mean any program adopted by the Administrator pursuant to the Plan containing the terms and conditions intended to govern a specified type of Award granted under the Plan and pursuant to which such type of Award may be granted under the Plan.

2.47 “Qualifying Termination” shall mean a termination of a Participant’s service (i) by the Company without Cause or (ii) by the Participant for Good Reason. In addition, a Qualifying Termination shall occur with respect to a Non-Employee Director to the extent such Non-Employee Director is required to resign in connection with the closing of a Change in Control or is removed from the Board in connection with the closing of a Change in Control.

2.48 “Restricted Stock” shall mean an award of Shares made under Article 8 hereof that is subject to certain restrictions and may be subject to risk of forfeiture.

2.55 “Subsidiary” shall mean (a) a corporation, association or other business entity of which fifty percent (50%) or more of the total combined voting power of all classes of capital stock is owned, directly or indirectly, by the Company and/or by one or more Subsidiaries, (b) any partnership or limited liability company of which fifty percent (50%) or more of the equity interests are owned, directly or indirectly, by the Company and/or by one or more Subsidiaries and (c) any other entity not described in clauses (a) or (b) above of which fifty percent (50%) or more of the ownership and the power (whether voting interests or otherwise), pursuant to a written contract or agreement, to direct the policies and management or the financial and the other affairs thereof, are owned or controlled by the Company and/or by one or more Subsidiaries.

2.56 “Substitute Award” shall mean an Award granted under the Plan in connection with a corporate transaction, such as a merger, combination, consolidation or acquisition of property or stock, in any case, upon the assumption of, or in substitution for, an outstanding equity award previously granted by a company or other entity that is a party to such transaction; provided, however, that in no event shall the

term “Substitute Award” be construed to refer to an award made in connection with the cancellation and repricing of an Option or Stock Appreciation Right.

2.57 “Successor Entity” shall have the meaning provided in Section 2.9(c)(i) hereof.

2.58 “Termination of Service” shall mean:

(a) As to a Consultant, the time when the engagement of a Participant as a Consultant to the Company and its Affiliates is terminated for any reason, with or without cause, including, without limitation, by resignation, discharge, death or retirement, but excluding terminations where the Consultant simultaneously commences or remains in employment and/or service as an Employee and/or Director with the Company or any Affiliate.

(b) As to a Non-Employee Director, the time when a Participant who is a Non-Employee Director ceases to be a Director for any reason, including, without limitation, a termination by resignation, failure to be elected, death or retirement, but excluding terminations where the Participant simultaneously commences or remains in employment and/or service as an Employee and/or Consultant with the Company or any Affiliate.

(c) As to an Employee, the time when the employee-employer relationship between a Participant and the Company and its Affiliates is terminated for any reason, including, without limitation, a termination by resignation, discharge, death, disability or retirement, but excluding terminations where the Participant simultaneously commences or remains in service as a Consultant and/or Director with the Company or any Affiliate.

(d) As to an Eligible Individual employed by or providing services to Integra or any Affiliate of Integra, “Termination of Service” shall have such meaning set forth in the applicable Integra Plan pursuant to which such Eligible Individual’s Adjusted Award was originally granted.

The Administrator, in its sole discretion, shall determine the effect of all matters and questions relating to any Termination of Service, including, without limitation, whether a Termination of Service has occurred, whether any Termination of Service resulted from a discharge for cause and whether any particular leave of absence constitutes a Termination of Service; provided, however, that, with respect to Incentive Stock Options, unless the Administrator otherwise provides in the terms of any Program, Award Agreement or otherwise, or as otherwise required by Applicable Law, a leave of absence, change in status from an employee to an independent contractor or other change in the employee-employer relationship shall constitute a Termination of Service only if, and to the extent that, such leave of absence, change in status or other change interrupts employment for the purposes of Section 422(a)(2) of the Code. For purposes of the Plan, a Participant’s employee-employer relationship or consultancy relationship shall be deemed to be terminated in the event that the Affiliate employing or contracting with such Participant ceases to remain an Affiliate following any merger, sale of stock or other corporate transaction or event (including, without limitation, a spin-off).

ARTICLE 3.

SHARES SUBJECT TO THE PLAN

3.1 Number of Shares.

(a) Subject to Sections 3.1(b), 12.1 and 12.2 hereof, the aggregate number of Shares which may be issued or transferred pursuant to Awards under the Plan shall be equal to the sum of (i) the number of Shares subject to all Adjusted Awards granted at the time of the Distribution, and (ii) 6,235,500 Shares (the “Share Limit”); provided, however, that any Shares subject to Full Value Awards granted on or after the Effective Date, shall be counted against the Share Limit as 1.82 Shares for every one Share subject thereto. In order that the applicable regulations under the Code relating to Incentive Stock Options be satisfied, the maximum number of Shares that may be issued under the Plan upon the exercise of Incentive Stock Options shall be 7,000,000 Shares. Notwithstanding the foregoing, to the extent permitted under Applicable Law and applicable stock exchange rules, Awards that provide for the delivery of Shares subsequent to the applicable grant date may be granted in excess of the Share Limit if such Awards provide for the forfeiture or cash settlement of such Awards to the extent that insufficient Shares remain under the Share Limit at the time that Shares would otherwise be issued in respect of such Award.

(b) If any Shares subject to an Award are forfeited or expire or such Award is settled for cash (in whole or in part), the Shares subject to such Award shall, to the extent of such forfeiture, expiration or cash settlement, again be available for future grants of Awards under the Plan and shall be added back to the Share Limit in the same number of Shares as were debited from the Share Limit in respect of the grant of such Award (as may be adjusted in accordance with Section 12.2 hereof). Notwithstanding anything to the contrary contained herein, the following Shares shall not be added back to the Share Limit and will not be available for future grants of Awards: (i) Shares tendered by a Participant or withheld by the Company in payment of the exercise price of an Option or Stock Appreciation Right; (ii) Shares tendered by a Participant or withheld by the Company to satisfy any tax withholding obligation with respect to an Option or a Stock Appreciation Right; (iii) Shares subject to a Stock Appreciation Right that are not issued in connection with the stock settlement of the Stock Appreciation Right on exercise thereof; and (iv) Shares purchased on the open market with the cash proceeds from the exercise of Options or otherwise. Shares tendered by a Participant or withheld by the Company to satisfy any tax withholding obligation with respect to a Full Value Award shall be added back to the Share Limit in the same number of Shares as were debited from the Share Limit in respect of the grant of such Award (as may be adjusted in accordance with Section 12.2 hereof); provided, however, that, notwithstanding the foregoing, in the event Shares subject to a Full Value Award are tendered by a Participant or withheld by the Company to satisfy any tax withholding obligation at a tax withholding rate in excess of the employer’s minimum statutory withholding rates for federal, state, local and foreign taxes (including the Participant’s social security, Medicare and any other employment tax obligation), such Shares tendered or withheld to satisfy the tax withholding at a rate in excess of the employer’s minimum statutory withholding obligation shall not be added back to the Share Limit and shall continue to be counted against the Share Limit in an amount corresponding to the reduction in the Share Limit previously made in accordance with Section 3.1(a) above. Any Shares repurchased by the Company under Section 8.4 hereof at the same price paid by the Participant so that such Shares are returned to the Company will again be available for Awards. The payment of Dividend Equivalents in cash in conjunction with any outstanding Awards shall not be counted against the Shares available for issuance under the Plan. Notwithstanding the provisions of this Section 3.1(b), no Shares may again be optioned, granted or awarded if such action would cause an Incentive Stock Option to fail to qualify as an incentive stock option under Section 422 of the Code.

(c) Substitute Awards shall not reduce the Shares authorized for grant under the Plan. Additionally, in the event that a company acquired by the Company or any Affiliate, or with which the Company or any Affiliate combines, has shares available under a pre-existing plan approved by its stockholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine

the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares authorized for grant under the Plan; provided, however, that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not employed by or providing services to the Company or its Affiliates immediately prior to such acquisition or combination.

3.2 Stock Distributed. Any Shares distributed pursuant to an Award may consist, in whole or in part, of authorized and unissued Common Stock, treasury Common Stock or Common Stock purchased on the open market.

3.3 Limitation on Number of Shares Subject to Awards. Notwithstanding any provision in the Plan to the contrary, and subject to Section 12.2 hereof, the maximum aggregate number of Shares with respect to one or more Awards that may be granted to any one person during any calendar year shall be 500,000 Shares and the maximum aggregate amount of cash that may be paid in cash during any calendar year with respect to one or more Awards payable in cash shall be \$2,500,000 (together, the "Individual Award Limits"), provided, however, that Adjusted Awards shall not be subject to the limitations set forth in this Section 3.3.

ARTICLE 4.

GRANTING OF AWARDS

4.1 Participation. The Administrator may, from time to time, select from among all Eligible Individuals, those to whom one or more Awards shall be granted and shall determine the nature and amount of each Award, which shall not be inconsistent with the requirements of the Plan. No Eligible Individual shall have any right to be granted an Award pursuant to the Plan.

4.2 Award Agreement. Each Award shall be evidenced by an Award Agreement stating the terms and conditions applicable to such Award, consistent with the requirements of the Plan and any applicable Program.

4.3 Limitations Applicable to Section 16 Persons. Notwithstanding anything contained herein to the contrary, with respect to any Award granted or awarded to any individual who is then subject to Section 16 of the Exchange Act, the Plan, any applicable Program and the applicable Award Agreement shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including Rule 16b-3 of the Exchange Act and any amendments thereto) that are requirements for the application of such exemptive rule, and such additional limitations shall be deemed to be incorporated by reference into such Award to the extent permitted by Applicable Law.

4.4 At-Will Service. Nothing in the Plan or in any Program or Award Agreement hereunder shall confer upon any Participant any right to continue as an Employee, Director or Consultant of the Company or any Affiliate, or shall interfere with or restrict in any way the rights of the Company or any Affiliate, which rights are hereby expressly reserved, to discharge any Participant at any time for any reason whatsoever, with or without cause, and with or without notice, or to terminate or change all other terms and conditions of any Participant's employment or engagement, except to the extent expressly provided otherwise in a written agreement between the Participant and the Company or any Affiliate.

4.5 Foreign Participants. Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws in other countries in which the Company and its Affiliates operate or have Employees, Non-Employee Directors or Consultants, or in order to comply with the requirements of any foreign securities exchange, the Administrator, in its sole discretion, shall have the power and authority to: (a) determine which Affiliates shall be covered by the Plan; (b) determine which Eligible Individuals outside the United States are eligible to participate in the Plan; (c) modify the terms and conditions of any Program or any Award granted to Eligible Individuals outside the United States to comply with applicable foreign laws or listing requirements of any such foreign securities exchange; (d) establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable; provided, however, that no such subplans and/or modifications shall increase the Share Limit or the Individual Award Limits; and (e) take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local governmental regulatory exemptions or approvals or listing requirements of any such foreign securities exchange. Notwithstanding the foregoing, the Administrator may not take any actions hereunder, and no Awards shall be granted, that would violate Applicable Law.

4.6 Stand-Alone and Tandem Awards. Awards granted pursuant to the Plan may, in the sole discretion of the Administrator, be granted either alone, in addition to, or in tandem with, any other Award granted pursuant to the Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

ARTICLE 5.

PROVISIONS APPLICABLE TO AWARDS INTENDED TO QUALIFY AS PERFORMANCE-BASED COMPENSATION

Notwithstanding any other provision of the Plan or any Award, with respect to any Award which is intended to continue to qualify as Performance-Based Compensation (as described in Section 162(m)(4)(C) of the Code prior to its repeal) pursuant to the transition relief rules in the Tax Cuts and Jobs Act of 2017, to the extent any of the provisions of the Plan or any Award (or any amendments hereto pursuant to this amendment and restatement of the Plan) would cause such Awards to fail to so qualify, any such provisions shall not apply to such Awards to the extent necessary to ensure the such Awards continue to so qualify. In addition, any Award which is intended to continue to qualify as Performance-Based Compensation (as described in Section 162(m)(4)(C) of the Code prior to its repeal) pursuant to the transition relief rules in the Tax Cuts and Jobs Act of 2017 shall be subject to any additional limitations as the Committee determines necessary for such Award to continue to so qualify. To the extent permitted by Applicable Law, and the Plan and any such Awards shall be deemed amended to the extent necessary to conform to such requirements.

ARTICLE 6.

GRANTING OF OPTIONS AND STOCK APPRECIATION RIGHTS

6.1 Granting of Options and Stock Appreciation Rights to Eligible Individuals. The Administrator is authorized to grant Options and Stock Appreciation Rights to Eligible Individuals from time to time, in its sole discretion, on such terms and conditions as it may determine which shall not be inconsistent with the Plan.

6.2 **Qualification of Incentive Stock Options.** No Incentive Stock Option shall be granted to any person who is not an Employee of the Company or any “parent corporation” or “subsidiary corporation” of the Company (as defined in Sections 424(e) and 424(f) of the Code, respectively). No person who qualifies as a Greater Than 10% Stockholder may be granted an Incentive Stock Option unless such Incentive Stock Option conforms to the applicable provisions of Section 422 of the Code. Any Incentive Stock Option granted under the Plan may be modified by the Administrator, with the consent of the Participant, to disqualify such Option from treatment as an “incentive stock option” under Section 422 of the Code. To the extent that the aggregate fair market value of stock with respect to which “incentive stock options” (within the meaning of Section 422 of the Code, but without regard to Section 422(d) of the Code) are exercisable for the first time by a Participant during any calendar year under the Plan and all other plans of the Company or any “parent corporation” or “subsidiary corporation” of the Company (as defined in Section 424(e) and 424(f) of the Code, respectively) exceeds one hundred thousand dollars (\$100,000), the Options shall be treated as Non-Qualified Stock Options to the extent required by Section 422 of the Code. The rule set forth in the preceding sentence shall be applied by taking Options and other “incentive stock options” into account in the order in which they were granted and the fair market value of stock shall be determined as of the time the respective options were granted. In addition, to the extent that any Options otherwise fail to qualify as Incentive Stock Options, such Options shall be treated as Non-Qualified Stock Options.

6.3 **Option and Stock Appreciation Right Exercise Price.** Except with respect to Adjusted Awards, the exercise price per Share subject to each Option and Stock Appreciation Right shall be set by the Administrator, but shall not be less than one hundred percent (100%) of the Fair Market Value of a Share on the date the Option or Stock Appreciation Right, as applicable, is granted (or, as to Incentive Stock Options, on the date the Option is modified, extended or renewed for purposes of Section 424(h) of the Code). In addition, in the case of Incentive Stock Options granted to a Greater Than 10% Stockholder, such price shall not be less than one hundred ten percent (110%) of the Fair Market Value of a Share on the date the Option is granted (or the date the Option is modified, extended or renewed for purposes of Section 424(h) of the Code).

6.4 **Option and Stock Appreciation Right Term.** The term of each Option and of each Stock Appreciation Right shall be set by the Administrator in its sole discretion; provided, however, that, with respect to any Option or Stock Appreciation Right granted on or after the Effective Date, the term shall not be more than eight (8) years from the date the Option or Stock Appreciation Right, as applicable, is granted, or five (5) years from the date an Incentive Stock Option is granted to a Greater Than 10% Stockholder. The Administrator shall determine the time period, including the time period following a Termination of Service, during which the Participant has the right to exercise the vested Options or Stock Appreciation Rights, which time period may not extend beyond the stated term of the Option or Stock Appreciation Right. Except as limited by the requirements of Section 409A or Section 422 of the Code, the Administrator may extend the term of any outstanding Option or Stock Appreciation Right, and may extend the time period during which vested Options or Stock Appreciation Rights may be exercised, in connection with any Termination of Service of the Participant, and may amend any other term or condition of such Option or Stock Appreciation Right relating to such a Termination of Service.

6.5 **Option and Stock Appreciation Right Vesting.**

(a) The terms and conditions pursuant to which an Option Stock or Appreciation Right vests in the Participant and becomes exercisable shall be determined by the Administrator and set forth in the applicable Award Agreement. Such vesting may be based on service with the Company or any Affiliate, any of the Performance Criteria, or any other criteria selected by the Administrator. Subject to Section 12.16, at any time after the grant of an Option or Stock Appreciation Right, the Administrator may, in its sole

discretion and subject to whatever terms and conditions it selects, accelerate the vesting of the Option or Stock Appreciation Right.

(b) No portion of an Option or Stock Appreciation Right which is unexercisable at a Participant's Termination of Service shall thereafter become exercisable, except as may be otherwise provided by the Administrator either in an applicable Program, the applicable Award Agreement or by action of the Administrator following the grant of the Option or Stock Appreciation Right.

6.6 Substitute Awards. Notwithstanding the foregoing provisions of this Article 6 to the contrary, in the case of an Option or Stock Appreciation Right that is a Substitute Award, the price per Share of the Shares subject to such Option or Stock Appreciation Right may be less than the Fair Market Value per share on the date of grant; provided, however, that the exercise price of any Substitute Award shall be determined in accordance with the applicable requirements of Sections 424 and 409A of the Code.

6.7 Substitution of Stock Appreciation Rights. The Administrator may, in its sole discretion, substitute an Award of Stock Appreciation Rights for an outstanding Option at any time prior to or upon exercise of such Option; provided, however, that such Stock Appreciation Rights shall be exercisable with respect to the same number of Shares for which such substituted Option would have been exercisable, and shall also have the same exercise price and remaining term as the substituted Option.

ARTICLE 7.

EXERCISE OF OPTIONS AND STOCK APPRECIATION RIGHTS

7.1 Partial Exercise. An exercisable Option or Stock Appreciation Right may be exercised in whole or in part. However, an Option or Stock Appreciation Right shall not be exercisable with respect to fractional shares and the Administrator may require that, by the terms of the Option or Stock Appreciation Right, a partial exercise must be with respect to a minimum number of Shares.

7.2 Manner of Exercise. All or a portion of an exercisable Option or Stock Appreciation Right shall be deemed exercised upon delivery of all of the following to the stock administrator of the Company, or such other person or entity designated by the Administrator, or his, her or its office, as applicable:

(a) A written or electronic notice complying with the applicable rules established by the Administrator stating that the Option or Stock Appreciation Right, or a portion thereof, is exercised. The notice shall be signed by the Participant or other person then-entitled to exercise the Option or Stock Appreciation Right or such portion of the Option or Stock Appreciation Right;

(b) Such representations and documents as the Administrator, in its sole discretion, deems necessary or advisable to effect compliance with Applicable Law. The Administrator may, in its sole discretion, also take such additional actions as it deems appropriate to effect such compliance including; without limitation, placing legends on share certificates and issuing stop transfer notices to agents and registrars;

(c) In the event that the Option or Stock Appreciation Right shall be exercised pursuant to Section 10.3 hereof by any person or persons other than the Participant, appropriate proof of the right of such person or persons to exercise the Option or Stock Appreciation Right, as determined in the sole discretion of the Administrator; and

(d) Full payment of the exercise price and applicable withholding taxes for the Shares with respect to which the Option or Stock Appreciation Right, or portion thereof, is exercised, in a manner permitted by the Administrator in accordance with Sections 10.1 and 10.2 hereof.

7.3 Notification Regarding Disposition. The Participant shall give the Company prompt written or electronic notice of any disposition of Shares acquired by exercise of an Incentive Stock Option which occurs within (a) two (2) years after the date of granting (including the date the Option is modified, extended or renewed for purposes of Section 424(h) of the Code) of such Option to such Participant, or (b) one (1) year after the date of transfer of such Shares to such Participant.

ARTICLE 8.

RESTRICTED STOCK

8.1 Award of Restricted Stock.

(a) The Administrator is authorized to grant Restricted Stock to Eligible Individuals, and shall determine the terms and conditions, including the restrictions applicable to each award of Restricted Stock, which terms and conditions shall not be inconsistent with the Plan, and may impose such conditions on the issuance of such Restricted Stock as it deems appropriate.

(b) The Administrator shall establish the purchase price, if any, and form of payment for Restricted Stock; provided, however, that if a purchase price is charged, such purchase price shall be no less than the par value of the Shares to be purchased, unless otherwise permitted by Applicable Law. In all cases, legal consideration shall be required for each issuance of Restricted Stock to the extent required by Applicable Law.

8.2 Rights as Stockholders. Subject to Section 8.4 hereof, upon issuance of Restricted Stock, the Participant shall have, unless otherwise provided by the Administrator, all the rights of a stockholder with respect to said shares, subject to the restrictions in an applicable Program or in the applicable Award Agreement, including the right to receive all dividends and other distributions paid or made with respect to the shares; provided, however, that, in the sole discretion of the Administrator, any extraordinary distributions with respect to the shares shall be subject to the restrictions set forth in Section 8.3 hereof. In addition, with respect Restricted Stock that is subject to performance-based vesting, dividends which are paid prior to vesting shall only be paid out to the Participant to the extent that the performance-based vesting conditions are subsequently satisfied and the share of Restricted Stock vests.

8.3 Restrictions. All shares of Restricted Stock (including any shares received by Participants thereof with respect to shares of Restricted Stock as a result of stock dividends, stock splits or any other form of recapitalization) shall, in the terms of an applicable Program or the applicable Award Agreement, be subject to such restrictions and vesting requirements as the Administrator shall provide. Subject to Section 12.16, by action taken after the Restricted Stock is issued, the Administrator may, on such terms and conditions as it may determine to be appropriate, accelerate the vesting of such Restricted Stock by removing any or all of the restrictions imposed by the terms of any Program or by the applicable Award Agreement. Restricted Stock may not be sold or encumbered until all restrictions are terminated or expire.

8.4 Repurchase or Forfeiture of Restricted Stock. If no purchase price was paid by the Participant for the Restricted Stock, upon a Termination of Service, the Participant's rights in unvested Restricted Stock

then subject to restrictions shall lapse and be forfeited, and such Restricted Stock shall be surrendered to the Company and cancelled without consideration. If a purchase price was paid by the Participant for the Restricted Stock, upon a Termination of Service the Company shall have the right to repurchase from the Participant the unvested Restricted Stock then-subject to restrictions at a cash price per share equal to the price paid by the Participant for such Restricted Stock or such other amount as may be specified in an applicable Program or the applicable Award Agreement. The Administrator in its sole discretion may provide that, upon certain events, including without limitation the Participant's death, retirement or disability, any other specified Termination of Service or any other event, the Participant's rights in unvested Restricted Stock shall not terminate, such Restricted Stock shall vest and cease to be forfeitable and, if applicable, the Company shall cease to have a right of repurchase.

8.5 **Certificates for Restricted Stock.** Restricted Stock granted pursuant to the Plan may be evidenced in such manner as the Administrator shall determine. Certificates or book entries evidencing shares of Restricted Stock must include an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company may, in its sole discretion, retain physical possession of any stock certificate until such time as all applicable restrictions lapse.

8.6 **Section 83(b) Election.** If a Participant makes an election under Section 83(b) of the Code to be taxed with respect to the Restricted Stock as of the date of transfer of the Restricted Stock rather than as of the date or dates upon which the Participant would otherwise be taxable under Section 83(a) of the Code, the Participant shall be required to deliver a copy of such election to the Company promptly after filing such election with the Internal Revenue Service.

8.7 **Death or Disability.** Except as otherwise determined by the Administrator, in the event of a Participant's death or disability (within the meaning of a "permanent and total disability" under Section 22(e)(3) of the Code), all restrictions on such Participant's Restricted Stock (other than Restricted Stock granted to Participants in France) shall lapse and such Restricted Stock shall become vested Shares.

ARTICLE 9.

PERFORMANCE AWARDS; DIVIDEND EQUIVALENTS; STOCK PAYMENTS; RESTRICTED STOCK UNITS; PERFORMANCE SHARES; OTHER INCENTIVE AWARDS

9.1 Performance Awards.

(a) The Administrator is authorized to grant Performance Awards to any Eligible Individual and to determine whether such Performance Awards shall be Performance-Based Compensation. The value of Performance Awards may be linked to any one or more of the Performance Criteria or other specific criteria determined by the Administrator, in each case on a specified date or dates or over any period or periods determined by the Administrator.

(b) Without limiting Section 9.1(a) hereof, the Administrator may grant Performance Awards to any Eligible Individual in the form of a cash bonus payable upon the attainment of objective Performance Goals, or such other criteria, whether or not objective, which are established by the Administrator, in each case on a specified date or dates or over any period or periods determined by the Administrator. Any such bonuses paid to a Participant which are intended to be Performance-Based Compensation shall be based

upon objectively determinable bonus formulas established in accordance with the provisions of Article 5 hereof.

9.2 Dividend Equivalents.

(a) Subject to Section 9.2(b) hereof, Dividend Equivalents may be granted by the Administrator, either alone or in tandem with another Award, based on dividends declared on the Common Stock, to be credited as of dividend payment dates during the period between the date the Dividend Equivalents are granted to a Participant and the date such Dividend Equivalents terminate or expire, as determined by the Administrator. Such Dividend Equivalents shall be converted to cash or additional Shares by such formula and at such time and subject to such limitations as may be determined by the Administrator. In addition, Dividend Equivalents with respect to an Award that is subject to performance-based vesting that are based on dividends paid prior to the vesting of such Award shall only be paid out to the Participant to the extent that the performance-based vesting conditions are subsequently satisfied and the Award vests.

(b) Notwithstanding the foregoing, no Dividend Equivalents shall be payable with respect to Options or Stock Appreciation Rights.

9.3 Stock Payments. The Administrator is authorized to make one or more Stock Payments to any Eligible Individual. The number or value of Shares of any Stock Payment shall be determined by the Administrator and may be based upon one or more Performance Criteria or any other specific criteria, including service to the Company or any Affiliate, determined by the Administrator. Stock Payments may, but are not required to be made in lieu of base salary, bonus, fees or other cash compensation otherwise payable to such Eligible Individual.

9.4 Restricted Stock Units. The Administrator is authorized to grant Restricted Stock Units to any Eligible Individual. The number and terms and conditions of Restricted Stock Units shall be determined by the Administrator. The Administrator shall specify the date or dates on which the Restricted Stock Units shall become fully vested and nonforfeitable, and may specify such conditions to vesting as it deems appropriate, including conditions based on one or more Performance Criteria or other specific criteria, including service to the Company or any Affiliate, in each case, on a specified date or dates or over any period or periods, as determined by the Administrator. The Administrator shall specify, or may permit the Participant to elect, the conditions and dates upon which the Shares underlying the Restricted Stock Units shall be issued, which dates shall not be earlier than the date as of which the Restricted Stock Units vest and become nonforfeitable and which conditions and dates shall be consistent with the applicable provisions of Section 409A of the Code or an exemption therefrom. On the distribution dates, the Company shall issue to the Participant one unrestricted, fully transferable Share (or the Fair Market Value of one such Share in cash) for each vested and nonforfeitable Restricted Stock Unit.

9.5 Performance Share Awards. Any Eligible Individual selected by the Administrator may be granted one or more Performance Share awards which shall be denominated in a number or range of Shares and the vesting of which may be linked to any one or more of the Performance Criteria, other specific performance criteria (in each case on a specified date or dates or over any period or periods determined by the Administrator) and/or time-vesting or other criteria, as determined by the Administrator.

9.6 Other Incentive Awards. The Administrator is authorized to grant Other Incentive Awards to any Eligible Individual, which Awards may cover Shares or the right to purchase or receive Shares or have a value derived from the value of, or an exercise or conversion privilege at a price related to, or that are otherwise payable in or based on, Shares, shareholder value or shareholder return, in each case, on a specified

date or dates or over any period or periods determined by the Administrator. Other Incentive Awards may be linked to any one or more of the Performance Criteria or other specific performance criteria determined appropriate by the Administrator.

9.7 Other Terms and Conditions. All applicable terms and conditions of each Award described in this Article 9, including without limitation, as applicable, the term, vesting conditions and exercise/purchase price applicable to the Award, shall be set by the Administrator in its sole discretion, provided, however, that the value of the consideration paid by a Participant for an Award shall not be less than the par value of a Share, unless otherwise permitted by Applicable Law.

9.8 Exercise upon Termination of Service. Awards described in this Article 9 are exercisable or distributable, as applicable, only while the Participant is an Employee, Director or Consultant, as applicable. The Administrator, however, in its sole discretion may provide that such Award may be exercised or distributed subsequent to a Termination of Service as provided under an applicable Program, Award Agreement, payment deferral election and/or in certain events, including without limitation, the Participant's death, retirement or disability or any other specified Termination of Service.

ARTICLE 10.

ADDITIONAL TERMS OF AWARDS

10.1 Payment. The Administrator shall determine the methods by which payments by any Participant with respect to any Awards granted under the Plan shall be made, including, without limitation: (a) cash or check, (b) Shares (including, in the case of payment of the exercise price of an Award, Shares issuable pursuant to the exercise of the Award) held for such period of time as may be required by the Administrator in order to avoid adverse accounting consequences, in each case, having a Fair Market Value on the date of delivery equal to the aggregate payments required, (c) delivery of a written or electronic notice that the Participant has placed a market sell order with a broker with respect to Shares then-issuable upon exercise or vesting of an Award, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company in satisfaction of the aggregate payments required; provided, however, that payment of such proceeds is then made to the Company upon settlement of such sale, (d) other form of legal consideration acceptable to the Administrator, or (e) any combination of the foregoing. The Administrator shall also determine the methods by which Shares shall be delivered or deemed to be delivered to Participants. Notwithstanding any other provision of the Plan to the contrary, no Participant who is a Director or an "executive officer" of the Company within the meaning of Section 13(k) of the Exchange Act shall be permitted to make payment with respect to any Awards granted under the Plan, or continue any extension of credit with respect to such payment with a loan from the Company or a loan arranged by the Company in violation of Section 13(k) of the Exchange Act.

10.2 Tax Withholding. The Company and its Affiliates shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company or an Affiliate, an amount sufficient to satisfy federal, state, local and foreign taxes (including the Participant's social security, Medicare and any other employment tax obligation) required by Applicable Law to be withheld with respect to any taxable event concerning a Participant arising in connection with any Award. The Administrator may in its sole discretion and in satisfaction of the foregoing requirement allow a Participant to satisfy such obligations by any payment means described in Section 10.1 hereof, including without limitation, by allowing such Participant to elect to have the Company or an Affiliate withhold Shares otherwise issuable under an Award

(or allow the surrender of Shares). The number of Shares which may be so withheld or surrendered shall be limited to the number of Shares which have a fair market value on the date of withholding or return no greater than the aggregate amount of such liabilities based on the minimum statutory withholding rates for federal, state, local and foreign income tax and payroll tax purposes that are applicable to such supplemental taxable income (or, to the extent provided by the Administrator, such higher withholding rate that is in no event greater than the maximum individual statutory tax rate in the applicable jurisdiction at the time of such withholding (or such other rate as may be required to avoid the liability classification of the applicable award under generally accepted accounting principles in the United States of America)); provided, however, to the extent such Shares were acquired by the Participant from the Company as compensation, the Shares must have been held for the minimum period required by applicable accounting rules to avoid a charge to the Company's earnings for financial reporting purposes; provided, further, that, any such Shares withheld or returned shall be rounded down to the nearest whole Share to the extent rounding down to the nearest whole Share does not result in the liability classification of the applicable Award under generally accepted accounting principles in the United States of America. The Administrator shall determine the fair market value of the Shares, consistent with applicable provisions of the Code, for tax withholding obligations due in connection with a broker-assisted cashless Option or Stock Appreciation Right exercise involving the sale of Shares to pay the Option or Stock Appreciation Right exercise price or any tax withholding obligation.

10.3 Transferability of Awards.

(a) Except as otherwise provided in Section 10.3(b) or (c) hereof:

(i) No Award under the Plan may be sold, pledged, assigned or transferred in any manner other than by will or the laws of descent and distribution or, subject to the consent of the Administrator, pursuant to a DRO, unless and until such Award has been exercised, or the Shares underlying such Award have been issued, and all restrictions applicable to such Shares have lapsed;

(ii) No Award or interest or right therein shall be subject to the debts, contracts or engagements of the Participant or his successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, hypothecation, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy) unless and until such Award has been exercised, or the Shares underlying such Award have been issued, and all restrictions applicable to such Shares have lapsed, and any attempted disposition of an Award prior to the satisfaction of these conditions shall be null and void and of no effect, except to the extent that such disposition is permitted by clause (i) of this provision; and

(iii) During the lifetime of the Participant, only the Participant may exercise an Award (or any portion thereof) granted to him under the Plan, unless it has been disposed of pursuant to a DRO. After the death of the Participant, any exercisable portion of an Award may, prior to the time when such portion becomes unexercisable under the Plan or the applicable Program or Award Agreement, be exercised by his personal representative or by any person empowered to do so under the deceased Participant's will or under the then-applicable laws of descent and distribution.

(b) Notwithstanding Section 10.3(a) hereof, with respect to transfers to Permitted Transferees, the Administrator, in its sole discretion, may determine to permit a Participant or a Permitted Transferee of such Participant to transfer an Award other than an Incentive Stock Option (unless such Incentive Stock Option is to become a Non-Qualified Stock Option) to any one or more Permitted Transferees of such Participant, subject to the following terms and conditions:

(i) an Award transferred to a Permitted Transferee

shall not be assignable or transferable by the Permitted Transferee (other than to another Permitted Transferee of the applicable Participant) other than by will or the laws of descent and distribution; (ii) an Award transferred to a Permitted Transferee shall continue to be subject to all the terms and conditions of the Award as applicable to the original Participant (other than the ability to further transfer the Award); and (iii) the Participant (or transferring Permitted Transferee) and the Permitted Transferee shall execute any and all documents requested by the Administrator, including without limitation, documents to (A) confirm the status of the transferee as a Permitted Transferee, (B) satisfy any requirements for an exemption for the transfer under Applicable Law and (C) evidence the transfer. In addition, and further notwithstanding Section 10.3(a) hereof, the Administrator, in its sole discretion, may determine to permit a Participant to transfer Incentive Stock Options to a trust that constitutes a Permitted Transferee if, under Section 671 of the Code and other Applicable Law, the Participant is considered the sole beneficial owner of the Incentive Stock Option while it is held in the trust.

(c) Notwithstanding Section 10.3(a) hereof, a Participant may, in the manner determined by the Administrator, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Program or Award Agreement applicable to the Participant, except to the extent the Plan, the Program and the Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Administrator. If the Participant is married or a domestic partner in a domestic partnership qualified under Applicable Law and resides in a "community property" state, a designation of a person other than the Participant's spouse or domestic partner, as applicable, as his or her beneficiary with respect to more than fifty percent (50%) of the Participant's interest in the Award shall not be effective without the prior written or electronic consent of the Participant's spouse or domestic partner. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto pursuant to the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is delivered to the Administrator prior to the Participant's death.

10.4 Conditions to Issuance of Shares.

(a) The Administrator shall determine the methods by which Shares shall be delivered or deemed to be delivered to Participants. Notwithstanding anything herein to the contrary, neither the Company nor its Affiliates shall be required to issue or deliver any certificates or make any book entries evidencing Shares pursuant to the exercise of any Award, unless and until the Administrator has determined, with advice of counsel, that the issuance of such Shares is in compliance with Applicable Law, and the Shares are covered by an effective registration statement or applicable exemption from registration. In addition to the terms and conditions provided herein, the Administrator may require that a Participant make such reasonable covenants, agreements, and representations as the Administrator, in its discretion, deems advisable in order to comply with Applicable Law.

(b) All Share certificates delivered pursuant to the Plan and all Shares issued pursuant to book entry procedures are subject to any stop-transfer orders and other restrictions as the Administrator deems necessary or advisable to comply with Applicable Law. The Administrator may place legends on any Share certificate or book entry to reference restrictions applicable to the Shares.

(c) The Administrator shall have the right to require any Participant to comply with any timing or other restrictions with respect to the settlement, distribution or exercise of any Award, including a window-period limitation, as may be imposed in the sole discretion of the Administrator.

- (d) No fractional Shares shall be issued and the Administrator shall determine, in its sole discretion, whether cash shall be given in lieu of fractional Shares or whether such fractional Shares shall be eliminated by rounding down.
- (e) The Company, in its sole discretion, may (i) retain physical possession of any stock certificate evidencing Shares until any restrictions thereon shall have lapsed and/or (ii) require that the stock certificates evidencing such Shares be held in custody by a designated escrow agent (which may but need not be the Company) until the restrictions thereon shall have lapsed, and that the Participant deliver a stock power, endorsed in blank, relating to such Shares.
- (f) Notwithstanding any other provision of the Plan, unless otherwise determined by the Administrator or required by Applicable Law, the Company and/or its Affiliates may, in lieu of delivering to any Participant certificates evidencing Shares issued in connection with any Award, record the issuance of Shares in the books of the Company (or, as applicable, its transfer agent or stock plan administrator).

10.5 Forfeiture and Claw-Back Provisions.

- (a) Pursuant to its general authority to determine the terms and conditions applicable to Awards under the Plan, the Administrator shall have the right to provide, in the terms of Awards made under the Plan, or to require a Participant to agree by separate written or electronic instrument, that: (i) any proceeds, gains or other economic benefit actually or constructively received by the Participant upon any receipt or exercise of the Award, or upon the receipt or resale of any Shares underlying the Award, must be paid to the Company, and (ii) the Award shall terminate and any unexercised portion of the Award (whether or not vested) shall be forfeited, if (x) a Termination of Service occurs prior to a specified date, or within a specified time period following receipt or exercise of the Award, (y) the Participant at any time, or during a specified time period, engages in any activity in competition with the Company, or which is inimical, contrary or harmful to the interests of the Company, as further defined by the Administrator or (z) the Participant incurs a Termination of Service for cause; and
- (b) All Awards (including any proceeds, gains or other economic benefit actually or constructively received by the Participant upon any receipt or exercise of any Award or upon the receipt or resale of any Shares underlying the Award) shall be subject to the applicable provisions of any claw-back policy implemented by the Company, whether implemented prior to or after the grant of such Award, including without limitation, any claw-back policy adopted to comply with the requirements of Applicable Law.

10.6 Prohibition on Repricing. Subject to Section 12.2 hereof, the Administrator shall not, without the approval of the stockholders of the Company, (a) authorize the amendment of any outstanding Option or Stock Appreciation Right to reduce its price per share, or (b) cancel any Option or Stock Appreciation Right in exchange for cash or another Award when the Option or Stock Appreciation Right price per share exceeds the Fair Market Value of the underlying Shares. Subject to Section 12.2 hereof, the Administrator shall have the authority, without the approval of the stockholders of the Company, to amend any outstanding Award to increase the price per share or to cancel and replace an Award with the grant of an Award having a price per share that is greater than or equal to the price per share of the original Award.

10.7 Settlement of Awards. Without limiting the generality of any other provision of the Plan, the Administrator may provide, in an Award Agreement or subsequent to the grant of an Award, in its discretion, that any Award may be settled in cash, Shares or a combination thereof.

10.8 Leave of Absence. Unless the Administrator provides otherwise, vesting of Awards granted hereunder shall be suspended during any unpaid leave of absence. Unless otherwise determined by the Administrator, a Participant shall not cease to be considered an Employee, Non-Employee Director or Consultant, as applicable, in the case of any (a) leave of absence approved by the Company, (b) transfer between locations of the Company or between the Company and any of its Affiliates or any successor thereof, or (c) change in status (Employee to Director, Employee to Consultant, etc.), provided that such change does not affect the specific terms applying to the Participant's Award.

10.9 Amendment of Awards. Subject to Applicable Law, the Administrator may amend, modify or terminate any outstanding Award, including but not limited to, substituting therefor another Award of the same or a different type, changing the date of exercise or settlement, and converting an Incentive Stock Option to a Non-Qualified Stock Option. The Participant's consent to such action shall be required unless (a) the Administrator determines that the action, taking into account any related action, would not materially and adversely affect the Participant, or (b) the change is otherwise permitted under the Plan (including, without limitation, under Section 12.2 or 12.10).

10.10 Data Privacy. As a condition of receipt of any Award, each Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of personal data as described in this Section 10.10 by and among, as applicable, the Company and its Affiliates for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan. The Company and its Affiliates may hold certain personal information about a Participant, including but not limited to, the Participant's name, home address and telephone number, date of birth, social security or insurance number or other identification number, salary, nationality, job title(s), any shares of stock held in the Company or any of its Affiliates, details of all Awards, in each case, for the purpose of implementing, managing and administering the Plan and Awards (the "Data"). The Company and its Affiliates may transfer the Data amongst themselves as necessary for the purpose of implementation, administration and management of a Participant's participation in the Plan, and the Company and its Affiliates may each further transfer the Data to any third parties assisting the Company and its Affiliates in the implementation, administration and management of the Plan. These recipients may be located in the Participant's country, or elsewhere, and the Participant's country may have different data privacy laws and protections than the recipients' country. Through acceptance of an Award, each Participant authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purposes of implementing, administering and managing the Participant's participation in the Plan, including any requisite transfer of such Data as may be required to a broker or other third party with whom the Company or any of its Affiliates or the Participant may elect to deposit any Shares. The Data related to a Participant will be held only as long as is necessary to implement, administer, and manage the Participant's participation in the Plan. A Participant may, at any time, view the Data held by the Company with respect to such Participant, request additional information about the storage and processing of the Data with respect to such Participant, recommend any necessary corrections to the Data with respect to the Participant or refuse or withdraw the consents herein in writing, in any case without cost, by contacting his or her local human resources representative. The Company may cancel Participant's ability to participate in the Plan and, in the Administrator's discretion, the Participant may forfeit any outstanding Awards if the Participant refuses or withdraws his or her consents as described herein. For more information on the consequences of refusal to consent or withdrawal of consent, Participants may contact their local human resources representative.

10.11 Adjusted Awards. Notwithstanding anything to the contrary contained herein (other than Sections 12.2(d)(i), (iii) and (iv), which shall apply to the Adjusted Awards as set forth therein), each Adjusted Award shall be subject to terms and conditions consistent with the applicable terms and conditions set forth

in the Integra Plan and the award agreement in effect for such Adjusted Award immediately prior to the Distribution, each as deemed modified in order to reflect (i) the adjustment of such Adjusted Award pursuant to Article III of the Employee Matters Agreement, (ii) that the Company is the issuer of the Common Stock subject to the Adjusted Award, and (iii) the Participant's status as an employee, director or consultant of the Company or Integra, as applicable, following the Distribution. Without limiting the generality of the foregoing, with respect to Adjusted Awards, references to employment or service, or termination of employment or service, in this Plan (including the incorporated terms and conditions of the Integra Plan, as deemed modified by the preceding sentence) and the applicable award agreement shall be deemed to refer to employment or service, or termination of employment or service, with the Company or Integra, whichever is the applicable service recipient with respect to the Participant following the Distribution. All determinations and interpretations relating to the application of this Plan and the incorporated terms and conditions of the Integra Plan (including the deemed modifications thereto) shall be made by the Administrator and shall be final and binding upon the Participants, the Company and all other interested persons

ARTICLE 11.

ADMINISTRATION

11.1 Administrator. The Committee (or another committee or a subcommittee of the Board assuming the functions of the Committee under the Plan) shall administer the Plan (except as otherwise permitted herein) and, unless otherwise determined by the Board, shall consist solely of two or more Non-Employee Directors appointed by and holding office at the pleasure of the Board, each of whom is intended to qualify as a "non-employee director" as defined by Rule 16b-3 of the Exchange Act and an "independent director" under the rules of any securities exchange or automated quotation system on which the Shares are listed, quoted or traded, in each case, to the extent required under such provision; provided, however, that any action taken by the Committee shall be valid and effective, whether or not members of the Committee at the time of such action are later determined not to have satisfied the requirements for membership set forth in this Section 11.1 or otherwise provided in the Company's charter or Bylaws or in any charter of the Committee. Except as may otherwise be provided in any charter of the Committee, appointment of Committee members shall be effective upon acceptance of appointment, Committee members may resign at any time by delivering written or electronic notice to the Board, and vacancies in the Committee may only be filled by the Board. Notwithstanding the foregoing, (a) the full Board, acting by a majority of its members in office, shall conduct the general administration of the Plan with respect to Awards granted to Non-Employee Directors and (b) the Board or Committee may delegate its authority hereunder to the extent permitted by Section 11.6 hereof. Should any Awards made under the Plan prior to November 2, 2017, be intended to qualify as Performance-Based Compensation within the meaning of Section 162(m)(4)(C) of the Code prior to its repeal, then all such determinations regarding such Awards will be made solely by a Committee comprised solely of two or more "outside directors" within the meaning of Section 162(m) of the Code.

11.2 Duties and Powers of Administrator. It shall be the duty of the Administrator to conduct the general administration of the Plan in accordance with its provisions. The Administrator shall have the power to interpret the Plan and all Programs and Award Agreements, and to adopt such rules for the administration, interpretation and application of the Plan and any Program as are not inconsistent with the Plan, to interpret, amend or revoke any such rules and to amend any Program or Award Agreement provided that the rights or obligations of the holder of the Award that is the subject of any such Program or Award Agreement are not materially adversely affected by such amendment, unless the consent of the Participant is obtained or such amendment is otherwise permitted under Section 12.10 hereof. Any such grant or award

under the Plan need not be the same with respect to each Participant. Any such interpretations and rules with respect to Incentive Stock Options shall be consistent with the provisions of Section 422 of the Code. In its sole discretion, the Board may at any time and from time to time exercise any and all rights and duties of the Committee under the Plan except with respect to matters which under Rule 16b-3 under the Exchange Act, Section 162(m) of the Code, or the rules of any securities exchange or automated quotation system on which the Shares are listed, quoted or traded are required to be determined in the sole discretion of the Committee.

11.3 Action by the Administrator. Unless otherwise established by the Board, in the Company's charter or Bylaws or in any charter of the Committee or as required by Applicable Law or, a majority of the Administrator shall constitute a quorum and the acts of a majority of the members present at any meeting at which a quorum is present, and acts approved in writing by all members of the Administrator in lieu of a meeting, shall be deemed the acts of the Administrator. To the greatest extent permitted by Applicable Law, each member of the Administrator is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Affiliate, the Company's independent certified public accountants, or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

11.4 Authority of Administrator. Subject to Applicable Law, the Administrator has the exclusive power, authority and sole discretion to:

- (a) Designate Eligible Individuals to receive Awards;
- (b) Determine the type or types of Awards to be granted to each Eligible Individual;
- (c) Determine the number of Awards to be granted and the number of Shares to which an Award will relate;
- (d) Determine the terms and conditions of any Award granted pursuant to the Plan, including, but not limited to, the exercise price, grant price, or purchase price, any performance criteria, any restrictions or limitations on the Award, any schedule for vesting, lapse of forfeiture restrictions or restrictions on the exercisability of an Award, and accelerations or waivers thereof, and any provisions related to non-competition and recapture of gain on an Award, based in each case on such considerations as the Administrator in its sole discretion determines;
- (e) Determine whether, to what extent, and under what circumstances an Award may be settled in, or the exercise price of an Award may be paid in cash, Shares, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;
- (f) Prescribe the form of each Award Agreement, which need not be identical for each Participant;
- (g) Decide all other matters that must be determined in connection with an Award;
- (h) Establish, adopt, or revise any rules and regulations as it may deem necessary or advisable to administer the Plan;
- (i) Interpret the terms of, and any matter arising pursuant to, the Plan, any Program or any Award Agreement;

- (j) Accelerate wholly or partially the vesting or lapse of restrictions of any Award or portion thereof at any time after the grant of an Award, subject to whatever terms and conditions it selects and Section 12.2; and
- (k) Make all other decisions and determinations that may be required pursuant to the Plan or as the Administrator deems necessary or advisable to administer the Plan.

11.5 Decisions Binding. The Administrator's interpretation of the Plan, any Awards granted pursuant to the Plan, any Program, any Award Agreement and all decisions and determinations by the Administrator with respect to the Plan are final, binding, and conclusive on all parties.

11.6 Delegation of Authority. To the extent permitted by Applicable Law, the Board or Committee may from time to time delegate to a committee of one or more members of the Board or one or more officers of the Company the authority to grant or amend Awards or to take other administrative actions pursuant to this Article 11; provided, however, that in no event shall an officer of the Company be delegated the authority to grant Awards to, or amend Awards held by, the following individuals: (a) individuals who are subject to Section 16 of the Exchange Act, or (b) officers of the Company (or Directors) to whom authority to grant or amend Awards has been delegated hereunder; provided, further, that any delegation of administrative authority shall only be permitted to the extent it is permissible under the Organizational Documents and other Applicable Law. Any delegation hereunder shall be subject to the restrictions and limits that the Board or Committee specifies at the time of such delegation or that are otherwise included in the applicable Organizational Documents, and the Board or Committee, as applicable, may at any time rescind the authority so delegated or appoint a new delegatee. At all times, the delegatee appointed under this Section 11.6 shall serve in such capacity at the pleasure of the Board or the Committee, as applicable, and the Board or the Committee may abolish any committee at any time and re-vest in itself any previously delegated authority.

ARTICLE 12.

MISCELLANEOUS PROVISIONS

12.1 Amendment, Suspension or Termination of the Plan.

(a) Except as otherwise provided in this Section 12.1, the Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Board; provided that, except as provided in Section 12.10 hereof, no amendment, suspension or termination of the Plan shall, without the consent of the Participant, impair any rights or obligations under any Award theretofore granted or awarded, unless the Award itself otherwise expressly so provides (including, without limitation, any amendment implemented pursuant to the amendment and restatement implemented on the Effective Date).

(b) Notwithstanding Section 12.1(a) hereof, the Administrator may not, except as provided in Section 12.2 hereof, take any of the following actions without approval of the Company's stockholders given within twelve (12) months before or after the action by the Administrator: (i) increase the Share Limit or any Individual Award Limit, (ii) reduce the price per share of any outstanding Option or Stock Appreciation Right granted under the Plan, or (iii) cancel any Option or Stock Appreciation Right in exchange for cash or another Award in violation of Section 10.6 hereof. Notwithstanding anything herein to the contrary, no Incentive Stock Option shall be granted under the Plan after February 1, 2028.

12.2 Changes in Common Stock or Assets of the Company, Acquisition or Liquidation of the Company and Other Corporate Events.

(a) In the event of any stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other change affecting the shares of the Company's stock or the share price of the Company's stock other than an Equity Restructuring, the Administrator may make equitable adjustments, if any, to reflect such change with respect to (i) the aggregate number and kind of shares that may be issued under the Plan (including, but not limited to, adjustments of the Share Limit and the Individual Award Limits and adjustments of the manner in which shares subject to Full Value Awards will be counted); (ii) the number and kind of Shares (or other securities or property) subject to outstanding Awards; (iii) the terms and conditions of any outstanding Awards (including, without limitation, any applicable performance targets or criteria with respect thereto); and/or (iv) the grant or exercise price per share for any outstanding Awards under the Plan. Any adjustment affecting an Award intended as Performance-Based Compensation shall be made consistent with the requirements of Section 162(m)(4)(c) of the Code prior to its repeal unless otherwise determined by the Administrator.

(b) In the event of any transaction or event described in Section 12.2(a) hereof or any unusual or nonrecurring transactions or events affecting the Company, any Affiliate, or the financial statements of the Company or any Affiliate, or of changes in Applicable Law or Applicable Accounting Standards, the Administrator, in its sole discretion, and on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event, is hereby authorized to take any one or more of the following actions whenever the Administrator determines that such action is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any Award under the Plan, to facilitate such transactions or events or to give effect to such changes Applicable Law or Applicable Accounting Standards:

(i) To provide for the termination of any such Award in exchange for an amount of cash and/or other property, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant's rights (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction or event described in this Section 12.2, the Administrator determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Company without payment);

(ii) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar options, rights or awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices;

(iii) To make adjustments in the number and type of securities subject to outstanding Awards and Awards which may be granted in the future and/or in the terms, conditions and criteria included in such Awards (including the grant or exercise price, as applicable);

(iv) To replace such Award with other rights or property selected by the Administrator in its sole discretion; and/or

(v) To provide that the Award cannot vest, be exercised or become payable after such event.

(c) In connection with the occurrence of any Equity Restructuring, and notwithstanding anything to the contrary in Sections 12.2(a) and 12.2(b) hereof:

(i) The number and type of securities subject to each outstanding Award and the exercise price or grant price thereof, if applicable, shall be equitably adjusted; and/or

(ii) The Administrator shall make such equitable adjustments, if any, as the Administrator in its discretion may deem appropriate to reflect such Equity Restructuring with respect to the aggregate number and kind of shares that may be issued under the Plan (including, but not limited to, adjustments to the Share Limit and the Individual Award Limits and adjustments of the manner in which shares subject to Full Value Awards will be counted).

The adjustments provided under this Section 12.2(c) shall be nondiscretionary and shall be final and binding on the affected Participant and the Company.

(d) Change in Control.

(i) Notwithstanding anything to the contrary in Section 12.2(b) above, Section 8.4 of the Integra Plan, or any applicable Award Agreement, if a Change in Control occurs and at least twenty percent (20%) of the aggregate fair market value of the consideration payable to the stockholders of the Company or the Company pursuant to such Change in Control (as determined by the Administrator) is to be paid in the form of securities of the successor or survivor entity, or a parent or affiliate thereof, which securities are, at the time of such Change in Control, listed on any established securities exchange (such as the New York Stock Exchange, the NASDAQ Capital Market, the NASDAQ Global Market and the NASDAQ Global Select Market) (the Company or such person, the "Publicly-Traded Successor Entity")), then all Options shall be continued, converted, assumed or replaced by such Publicly-Traded Successor Entity with a substantially similar Option covering the stock of the Publicly-Traded Successor Entity, with appropriate adjustments as to the number and kind of shares and prices of such Options.

(ii) If a Change in Control occurs and a Participant's outstanding Awards are not continued, converted, assumed, or replaced by the surviving or successor entity in such Change in Control (but after taking into account the requirements of Section 12.2(d)(i)), then immediately prior to the Change in Control such outstanding Awards, to the extent not continued, converted, assumed, or replaced, shall become fully vested and, as applicable, exercisable, and all forfeiture, repurchase and other restrictions on such Awards shall lapse immediately prior to such transaction, provided that, to the extent the vesting of any such Award is subject to the satisfaction of specified performance goals, such Award shall vest at the greater of (A) the target level of performance, pro-rated based on the period elapsed between the beginning of the applicable performance period and the date of the Change in Control, or (B) the actual performance level as of the date of the Change in Control (as determined by the Administrator) with respect to all open performance periods (and the vesting pursuant to this clause (ii) shall constitute "full vesting" for purposes of this Section 12.2(d)(ii)). Subject to Section 12.2(d)(i) above, upon, or in anticipation of, a Change in Control, the Administrator may cause any and all Awards outstanding hereunder to terminate at a specific time in the future, including but not limited to the date of such Change in Control, and shall give each Participant the right to exercise such Awards during a period of time as the Administrator, in its sole and absolute discretion, shall determine. For the avoidance of doubt, if the value of an Award that is terminated in connection with this Section 12.2(d) is zero or negative at the time of such Change in Control, such Award shall be terminated upon the Change in Control without payment of consideration therefor.

(iii) If a Change in Control occurs with respect to which a Participant's outstanding Awards are continued, converted, assumed or replaced by the surviving or successor entity in such Change in Control (including, without limitation, by a Publicly-Traded Successor Entity) if the Participant incurs a Qualifying Termination on or following the date of such Change in Control, then (A) each outstanding Award held by such Participant, other than any Award subject to performance-vesting, shall become fully vested (and, as applicable, exercisable) and all forfeiture restrictions thereon shall lapse upon such Qualifying Termination and (B) each outstanding Option held by such Participant may be exercised by the Participant (or the Participant's legal guardian or legal representative) until the original outside expiration date of such Option.

(iv) Notwithstanding anything to the contrary contained in Section 10.11 hereof or Sections 8.4 and 8.5(a)(ii) of the Integra Plan, Adjusted Awards shall also be considered Awards for purposes of this Section 12.2(d) and shall be subject to the provisions hereof.

(e) The Administrator may, in its sole discretion, include such further provisions and limitations in any Award, agreement or certificate, as it may deem equitable and in the best interests of the Company that are not inconsistent with the provisions of the Plan.

(f) Unless otherwise determined by the Administrator, no adjustment or action described in this Section 12.2 or in any other provision of the Plan shall be authorized to the extent it would (i) with respect to Awards which are intended to qualify as Performance-Based Compensation, cause such Award to fail to so qualify as Performance-Based Compensation, (ii) cause the Plan to violate Section 422(b)(1) of the Code, (iii) result in short-swing profits liability under Section 16 of the Exchange Act or violate the exemptive conditions of Rule 16b-3 of the Exchange Act, or (iv) cause an Award to fail to be exempt from or comply with Section 409A of the Code.

(g) The existence of the Plan, any Program, any Award Agreement and/or any Award granted hereunder shall not affect or restrict in any way the right or power of the Company, the stockholders of the Company or any Affiliate to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's or such Affiliate's capital structure or its business, any merger or consolidation of the Company or any Affiliate, any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Stock, the securities of any Affiliate or the rights thereof or which are convertible into or exchangeable for Common Stock or securities of any Affiliate, or the dissolution or liquidation of the Company or any Affiliate, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

(h) In the event of any pending stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other change affecting the Shares or the share price of the Common Stock including any Equity Restructuring, for reasons of administrative convenience, the Company in its sole discretion may refuse to permit the exercise of any Award during a period of up to thirty (30) days prior to the consummation of any such transaction.

12.3 Approval of Plan by Stockholders. This Plan shall be submitted for the approval of the Company's stockholders within twelve (12) months after February 1, 2018. Awards may be granted or awarded prior to such stockholder approval of this Plan; provided that no Shares shall be issued upon the exercise, vesting, distribution or payment of any such Awards prior to the time when the Plan is approved by the Company's stockholders; and, provided, further, that if such approval has not been obtained at the end

of said 12-month period, all Awards previously granted or awarded out of the increase to the Share Limit pursuant to the February 2018 Amendment or under the Plan after the Effective Date and subject to such stockholder approval shall thereupon be canceled and become null and void. If such stockholder approval is not obtained within such 12-month period, the February 2018 Amendment, this amended and restated Plan, and all Awards previously granted or awarded out of the increase to the Share Limit pursuant to the February 2018 Amendment or under this amended and restated Plan after the Effective Date shall thereupon be cancelled and become null and void, and the 2016 Restatement, as in effect prior to the February 2018 Amendment, and all Awards thereunder, shall continue in full force and effect in accordance with their terms.

12.4 No Stockholders Rights. Except as otherwise provided herein or in an applicable Program or Award Agreement, a Participant shall have none of the rights of a stockholder with respect to Shares covered by any Award until the Participant becomes the record owner of such Shares.

12.5 Paperless Administration. In the event that the Company establishes, for itself or using the services of a third party, an automated system for the documentation, granting or exercise of Awards, such as a system using an internet website or interactive voice response, then the paperless documentation, granting or exercise of Awards by a Participant may be permitted through the use of such an automated system.

12.6 Effect of Plan upon Other Compensation Plans. The adoption of the Plan shall not affect any other compensation or incentive plans in effect for the Company or any Affiliate. Nothing in the Plan shall be construed to limit the right of the Company or any Affiliate: (a) to establish any other forms of incentives or compensation for Employees, Directors or Consultants of the Company or any Affiliate or (b) to grant or assume options or other rights or awards otherwise than under the Plan in connection with any proper corporate purpose including without limitation, the grant or assumption of options in connection with the acquisition by purchase, lease, merger, consolidation or otherwise, of the business, stock or assets of any corporation, partnership, limited liability company, firm or association.

12.7 Compliance with Laws. The Plan, the granting and vesting of Awards under the Plan, the issuance and delivery of Shares and the payment of money under the Plan or under Awards granted or awarded hereunder are subject to compliance with all Applicable Law and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. Any securities delivered under the Plan shall be subject to such restrictions, and the person acquiring such securities shall, if requested by the Company, provide such assurances and representations to the Company as the Company may deem necessary or desirable to assure compliance with all Applicable Law. To the extent permitted by Applicable Law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such Applicable Law.

12.8 Titles and Headings, References to Sections of the Code or Exchange Act. The titles and headings of the sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control. References to sections of the Code or the Exchange Act shall include any amendment or successor thereto.

12.9 Governing Law. The Plan and any Programs or Award Agreements hereunder shall be administered, interpreted and enforced under the internal laws of the State of Delaware without regard to conflicts of laws thereof.

12.10 Section 409A. To the extent that the Administrator determines that any Award granted under the Plan is subject to Section 409A of the Code, the Plan, any applicable Program and the Award Agreement covering such Award shall be interpreted in accordance with Section 409A of the Code. Notwithstanding

any provision of the Plan to the contrary, in the event that the Administrator determines that any Award may be subject to Section 409A of the Code, the Administrator may adopt such amendments to the Plan, any applicable Program and the Award Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Administrator determines are necessary or appropriate to avoid the imposition of taxes on the Award under Section 409A of the Code, either through compliance with the requirements of Section 409A of the Code or with an available exemption therefrom, provided, however, that this Section 12.10 shall not create an obligation on the part of the Company to adopt any such amendment, policy or procedure or take any such other action, nor shall the Company have any liability for failing to do so.

12.11 No Rights to Awards. No Eligible Individual or other person shall have any claim to be granted any Award pursuant to the Plan, and neither the Company nor the Administrator is obligated to treat Eligible Individuals, Participants or any other persons uniformly.

12.12 Unfunded Status of Awards. The Plan is intended to be an “unfunded” plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Program or Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Affiliate.

12.13 Indemnification. To the extent allowable pursuant to Applicable Law and the Company’s charter and Bylaws, each member of the Board and any officer or other employee to whom authority to administer any component of the Plan is delegated shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; provided, however, that he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company’s Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

12.14 Relationship to other Benefits. No payment pursuant to the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Affiliate except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

12.15 Expenses. The expenses of administering the Plan shall be borne by the Company and its Affiliates.

12.16 Award Vesting Limitations. Subject to Section 12.2(d), Awards granted under the Plan shall vest no earlier than the first anniversary of the date the Award is granted, and no Award Agreement shall reduce or eliminate the foregoing minimum vesting requirement; provided, however, that, notwithstanding the foregoing, (i) an Award may provide that such minimum vesting restrictions may lapse or be waived upon the Participant’s Termination of Service; (ii) Awards that result in the issuance of an aggregate of up to 5% of the Share Limit available for issuance under Section 3.1(a) (immediately after the amendment and restatement implemented on the Effective Date) may be granted to any one or more Participants without respect to such minimum vesting requirement; (iii) the minimum vesting restrictions shall not apply to a Substitute Award that does not reduce the vesting period of the award being replaced; (iv) Awards made to

Non-Employee Directors in payment of or exchange for other compensation already earned and payable shall not be subject to the minimum vesting restrictions; and (v) for purposes of other Awards to Non-Employee Directors, a vesting period will be deemed to be one year if it runs from the date of one annual meeting of the Company's stockholders to the next annual meeting of the Company's stockholders.

3. Administration

a) The Plan shall be administered by the Committee. Each member of the Committee, while serving as such, shall be deemed to be acting in his or her capacity as a director of the Company. Acts approved by a majority of the members of the Committee at which a quorum is present, or acts without a meeting reduced to or approved in writing by a majority of the members of the Committee, shall be the valid acts of the Committee. Any authority of the Committee may be delegated either by the Committee or the Board to a committee of the Board or any other Plan administrator, but only to the extent such delegation complies with the requirements of section 162(m) of the Code, Rule 16b-3 promulgated under the Exchange Act or as required by any other applicable rule or regulation.

b) The Committee shall have the authority:

i) to select the Key Employees and Associates to be granted Awards under the Plan and to grant such Awards at such time or times as it may choose;

ii) to determine the type and size of each Award, including the number of Shares subject to the Award;

iii) to determine the terms and conditions of each Award;

iv) to amend an existing Award in whole or in part (including the extension of the exercise period for any NQSO), subject to the requirements set forth in subsection (c) below, and except that, without the consent of the Participant

holding the Award, the Committee shall not take any action under this clause if such action would adversely affect the rights of such Participant;

v) to adopt, amend and rescind rules and regulations for the administration of the Plan;

vi) to interpret the Plan and decide any questions and settle any controversies that may arise in connection with it; and

vii) to adopt such modifications, amendments, procedures, sub-plans and the like, which may be inconsistent with the provisions of the Plan, as may be necessary to comply with the laws and regulations of other countries in which the Company and its Related Corporations and Affiliates operate in order to assure the viability of Awards granted under the Plan to individuals in such other countries.

Such determinations and actions of the Committee, and all other determinations and actions of the Committee made or taken under authority granted by any provision of the Plan, shall be conclusive and shall bind all parties. Nothing in this subsection (b) shall be construed as limiting the power of the Board or the Committee to make the adjustments described in Sections 8.3 and 8.4.

c) Notwithstanding the foregoing, without approval of the Company's stockholders, no action of the Committee may, except as provided in Section 8.3 or Section 8.4, (i) reduce the exercise price per share of any outstanding Option or Stock Appreciation Right granted under the Plan, or (ii) cancel any Option or Stock Appreciation Right in exchange for cash or another Award when the Option or Stock Appreciation Right exercise price per share exceeds the Fair Market Value of the underlying Shares.

4. Effective Date and Term of Plan

a) Effective Date. This Third Amended and Restated 2003 Equity Incentive Plan, having been adopted by the Board on April 2, 2015, is subject to the approval of the stockholders of the Company in accordance with Section 9(b), and shall become effective on the date on which such approval is obtained.

b) Term of Plan. No Awards may be granted or awarded during any period of suspension or after termination of the Plan, and in no event may any Award be granted under the Plan after the tenth (10th) anniversary of the date of its adoption (the "Expiration Date"). Any Awards that are outstanding on the Expiration Date, or the date of termination of the Plan (if earlier), shall remain in force according to the terms of the Plan and the applicable Award Agreement.

5. Shares Subject to the Plan. The aggregate number of Shares that may be delivered under the Plan is 6,500,000. Further, no Key Employee shall receive Awards for more than 1,000,000 Shares in the aggregate during any calendar year under the Plan. However, the limits in the preceding two sentences shall be subject to the adjustment described in Sections 8.3 and 8.4. Shares delivered under the Plan may be authorized but unissued Shares, treasury Shares or reacquired Shares, and the Company may purchase Shares required for this purpose, from time to time, if it deems such purchase to be advisable. Any Shares still subject to an Option which expires or otherwise terminates for any reason whatsoever (including, without limitation, the surrender thereof) without having been exercised in full, any Shares that are still subject to an Award that is forfeited, any Shares withheld for the payment of taxes with respect to an Award, and the Shares subject to an Award which is payable in Shares or cash and that is satisfied in cash rather than in Shares shall continue to be available for Awards under the Plan.

6. Eligibility. The class of individuals who shall be eligible to receive Awards under the Plan shall be the Key Employees (including any directors of the Company who are also officers or Key Employees) and the Associates. More than one Award may be granted to a Key Employee or Associate under the Plan.

7. Types of Awards

7.1 Options

a) Kinds of Options. Both ISOs and NQSOs may be granted by the Committee under the Plan. However, ISOs may only be granted to Key Employees of the Company or of a Related Corporation. NQSOs may be granted to both Key Employees and Associates. Once an ISO has been granted, no action by the Committee that would cause the Option to lose its status as an ISO under the Code will be effective without the consent of the Participant holding the Option.

b) \$100,000 Limit. The aggregate Fair Market Value of the Shares with respect to which ISOs are exercisable for the first time by a Key Employee during any calendar year (counting ISOs under this Plan and under any other stock option plan of the Company or a Related Corporation) shall not exceed \$100,000. If an Option intended as an ISO is granted to a Key Employee and the Option may not be treated in whole or in part as an ISO pursuant to the \$100,000 limit, the Option shall be treated as an ISO to the extent it may be so treated under the limit and as an NQSO as to the remainder. For purposes of determining whether an ISO would cause the limit to be exceeded, ISOs shall be taken into account in the order granted. The annual limits set forth above for ISOs shall not apply to NQSOs.

c) Exercise Price. The exercise price of an Option shall be determined by the Committee, subject to the following:

- i) The exercise price of an ISO shall not be less than the greater of (A) 100 percent (110 percent in the case of an ISO granted to a More-Than-10-Percent Stockholder) of the Fair Market Value of the Shares subject to the Option, determined as of the time the Option is granted, or (B) the par value per Share.
- ii) The exercise price of an NQSO shall not be less than the greater of (A) 100 percent of the Fair Market Value of the Shares subject to the Option, determined as of the time the Option is granted, or (B) the par value per Share.

d) Term of Options. The term of each Option may not be more than 10 years (five years, in the case of an ISO granted to a More-Than-10-Percent Stockholder) from the date the Option was granted, or such earlier date as may be specified in the Award Agreement.

e) Exercise of Options. An Option shall become exercisable at such time or times (but not less than three months from the date of grant), and on such conditions, as the Committee may specify. The Committee may at any time and from time to time accelerate the time at which all or any part of the Option may be exercised. Any exercise of an Option must be in writing, signed by the proper person, and delivered or mailed to the Company, accompanied by (i) any other documents required by the Committee and (ii) payment in full in accordance with subsection (f) below for the number of Shares for which the Option is exercised (except that, in the case of an exercise arrangement approved by the Committee and described in subsection (f)(iii) or subsection (f)(iv) below, payment may be made as soon as practicable after the exercise). Only full shares shall be issued under the Plan, and any fractional share that might otherwise be issuable upon exercise of an Option granted hereunder shall be forfeited.

f) Payment for Shares. Shares purchased on the exercise of an Option shall be paid for as follows:

i) in cash or by check (acceptable to the Committee), bank draft, or money order payable to the order of the Company;

ii) in Shares previously acquired by the Participant; provided, however, that if such Shares were acquired through the exercise of an NQSO and are used to pay the Option price of an ISO, or if such Shares were acquired through the exercise of an ISO or an NQSO and are used to pay the Option price of an NQSO, such Shares have been held by the Participant for such period of time, if any, as required to avoid negative accounting consequences;

iii) by delivering a properly executed notice of exercise of the Option to the Company and a broker, with irrevocable instructions to the broker promptly to deliver to the Company the amount of sale or loan proceeds necessary to pay the exercise price of the Option; or

iv) to the extent that the applicable Award Agreement so provides or the Committee otherwise determines, in Shares issuable pursuant to the exercise of an NQSO or otherwise withheld in a net settlement of an NQSO; or

v) by any combination of the above-listed forms of payment.

In the event the Option price is paid, in whole or in part, with Shares, the portion of the Option price so paid shall be equal to the Fair Market Value on the date of exercise of the Option of the Shares surrendered or withheld in payment of such Option price.

7.2. Stock Appreciation Rights

a) Grant of Stock Appreciation Rights. Stock Appreciation Rights may be granted to a Key Employee or Associate by the Committee. Stock Appreciation Rights may be granted in tandem with, or independently of, Options granted under the Plan. A Stock Appreciation Right granted in tandem with an Option that is not an ISO may be granted either at or after the time the Option is granted. A Stock Appreciation Right granted in tandem with an ISO may be granted only at the time the ISO is granted.

b) Nature of Stock Appreciation Rights. A Stock Appreciation Right entitles the Participant to receive, with respect to each Share as to which the Stock Appreciation Right is exercised, the excess of the Share's Fair Market Value on the date of exercise over its Fair Market Value on the date the Stock Appreciation Right was granted. Such excess shall be paid in cash, Shares, or a combination thereof, as determined by the Committee.

c) Rules Applicable to Tandem Awards. When Stock Appreciation Rights are granted in tandem with Options, the number of Stock Appreciation Rights granted to a Participant that shall be exercisable during a specified period shall not exceed the number of Shares that the Participant may purchase upon the exercise of the related Option during such period. Upon the exercise of an Option, the Stock Appreciation Right relating to the Shares covered by such Option will terminate. Upon the exercise of a Stock Appreciation Right, the related Option will terminate to the extent of an equal number of Shares. The Stock Appreciation Right will be exercisable only at such time or times, and to the extent, that the related Option is exercisable and will be exercisable in accordance with the procedure required for exercise of the related Option. The Stock Appreciation Right will be transferable only when the related Option is transferable, and under the same conditions. A Stock Appreciation Right granted in tandem with an ISO may be exercised only when the Fair Market Value of the Shares subject to the ISO exceeds the exercise price of such ISO.

d) Exercise of Independent Stock Appreciation Rights. A Stock Appreciation Right not granted in tandem with an Option shall become exercisable at such time or times, and on such conditions, as the Committee may specify in the

Award Agreement. The Committee may at any time accelerate the time at which all or any part of the Stock Appreciation Right may be exercised. Any exercise of an independent Stock Appreciation Right must be in writing, signed by the proper person, and delivered or mailed to the Company, accompanied by any other documents required by the Committee.

e) Term of Stock Appreciation Rights. The term of each Stock Appreciation Right may not be more than 10 years from the date the Stock Appreciation Right was granted, or such earlier date as may be specified in the Award Agreement.

7.3. Restricted Stock

a) General Requirements. Restricted Stock may be issued or transferred to a Key Employee or Associate (for no cash consideration), to the extent permitted by applicable law.

b) Rights as a Stockholder. Unless the Committee determines otherwise, a Key Employee or Associate who receives Restricted Stock shall have certain rights of a stockholder with respect to the Restricted Stock, including voting and dividend rights, subject to the restrictions described in subsection (c) below and any other conditions imposed by the Committee at the time of grant. Unless the Committee determines otherwise, certificates evidencing shares of Restricted Stock will remain in the possession of the Company until such Shares are free of all restrictions under the Plan.

c) Restrictions. Except as otherwise specifically provided by the Plan, Restricted Stock may not be sold, assigned, transferred, pledged, or otherwise encumbered or disposed of, and if the Participant ceases to provide services to any of the Company and its Related Corporations and Affiliates for any reason, must be forfeited to the Company. These restrictions will lapse at such time or times, and on such conditions, as the Committee may specify in the Award Agreement. Upon the lapse of all restrictions, the Shares will cease to be Restricted Stock for purposes of the Plan. The Committee may at any time accelerate the time at which the restrictions on all or any part of the Shares will lapse.

d) Notice of Tax Election. Any Participant making an election under section 83(b) of the Code for the immediate recognition of income attributable to an Award of Restricted Stock must provide a copy thereof to the Company within 10 days of the filing of such election with the Internal Revenue Service.

7.4. Performance Stock; Performance Goals

a) Grant. The Committee may grant Performance Stock to any Key Employee or Associate, conditioned upon the meeting of designated Performance Goals. The Committee shall determine the number of Shares of Performance Stock to be granted.

b) Performance Period and Performance Goals. When Performance Stock is granted, the Committee shall establish the performance period during which performance shall be measured, the Performance Goals, and such other conditions of the Award as the Committee deems appropriate.

c) Delivery of Performance Stock. At the end of each performance period, the Committee shall determine to what extent the Performance Goals and other conditions of the Award have been met and the number of Shares, if any, to be delivered with respect to the Award.

7.5. Contract Stock

a) Grant. The Committee may grant Contract Stock to any Key Employee or Associate, conditioned upon the Participant's continued provision of services to the Company and its Related Corporations and Affiliates through the vesting date(s) specified in the Award Agreement. The Committee shall determine the number of Shares of Contract Stock to be granted.

b) Contract Date. When Contract Stock is granted, the Committee shall establish the Contract Date on which the Contract Stock shall be delivered to the Participant.

c) Delivery of Contract Stock. To the extent that the Participant has satisfied the vesting conditions as of the Contract Date, the Committee shall cause the Contract Stock to be delivered to the Participant in accordance with the terms of the Award Agreement.

7.6. Dividend Equivalent Rights. The Committee may provide for payment to a Key Employee or Associate of Dividend Equivalent Rights, either currently or in the future, or for the investment of such Dividend Equivalent Rights on behalf of the Participant; provided, however, that (i) Dividend Equivalent Rights may not be granted to Participants in connection with grants of Options or Stock Appreciation Rights and (ii) except to the extent otherwise provided in Award Agreements entered into prior to April 1, 2009, no Dividend Equivalent Right payments shall be made to a Participant with respect to any Award or part thereof prior to the date on which all performance vesting conditions relating to such Award or part thereof have been satisfied, waived or lapsed.

7.7 Stock Payments. The Committee is authorized to make one or more Stock Payments to any Key Employee or Associate. The number or value of Shares of any Stock Payment shall be determined by the Committee and may be based upon one or more Performance Goals or any other specific criteria, including service to the Company or any Related Corporation, determined by the Committee. Stock Payments may, but are not required to be made in lieu of base salary, bonus, fees or other cash compensation otherwise payable to such Key Employee or Associate.

7.8 Other Incentive Awards. The Committee is authorized to grant Other Incentive Awards to any Key Employee or Associate, which Awards may cover Shares or the right to purchase or receive Shares or have a value derived from the value of,

or an exercise or conversion privilege at a price related to, or that are otherwise payable in or based on, Shares, shareholder value or shareholder return, in each case, on a specified date or dates or over any period or periods determined by the Committee. Other Incentive Awards may be linked to any one or more of the Performance Goals or other specific performance criteria determined appropriate by the Committee.

8. Events Affecting Outstanding Awards

8.1. Termination of Service (Other Than by Death or Disability). If a Participant ceases to provide services to the Company and its Related Corporations and Affiliates for any reason other than death or Disability, as the case may be, the following shall apply:

a) Except as otherwise determined by the Committee, all Options and Stock Appreciation Rights held by the Participant that were not exercisable immediately prior to the Participant's termination of service shall terminate at that time. Any Options or Stock Appreciation Rights that were exercisable immediately prior to the termination of service will continue to be exercisable for six months (or for such longer period as the Committee may determine), and shall thereupon terminate, unless the Award Agreement provides by its terms for immediate termination or for termination in less than six months in the event of termination of service.

In no event, however, shall an Option or Stock Appreciation Right remain exercisable beyond the latest date on which it could have been exercised without regard to this Section. For purposes of this subsection (a), a termination of service shall not be deemed to have resulted by reason of a sick leave or other bona fide leave of absence approved for purposes of the Plan by the Committee.

b) Except as otherwise determined by the Committee, all Restricted Stock held by the Participant at the time of the termination of service must be transferred to the Company (and, in the event the certificates representing such Restricted Stock are held by the Company, such Restricted Stock shall be so transferred without any further action by the Participant), in accordance with Section 7.3.

c) Except as otherwise determined by the Committee, all Performance Stock, Other Incentive Awards, Contract Stock, and Dividend Equivalent Rights to which the Participant was not irrevocably entitled prior to the termination of service shall be forfeited and the Awards canceled as of the date of such termination of service.

8.2. Death or Disability. If a Participant dies or incurs a Disability, the following shall apply:

a) Except as otherwise determined by the Committee, all Options and Stock Appreciation Rights held by the Participant immediately prior to death or Disability, as the case may be, to the extent then exercisable, may be exercised by the Participant or by the Participant's legal representative (in the case of Disability), or by the Participant's executor or administrator or by the person or persons to whom the Option or Stock Appreciation Right is transferred by will or the laws of descent and distribution, at any time within the one-year period ending with the first anniversary of the Participant's death or Disability (or such shorter or longer period as the Committee may determine), and shall thereupon terminate. In no event, however, shall an Option or Stock Appreciation Right remain exercisable beyond the latest date on which it could have been exercised without regard to this Section. Notwithstanding the foregoing, except as otherwise determined by the Committee, in the event of a Participant's death or Disability, all outstanding Options and Stock Appreciation Rights held by a Participant (other than Participants in France) immediately prior to such death or Disability shall vest and become exercisable in full.

b) Except as otherwise determined by the Committee, all Restricted Stock held by the Participant at the date of death or Disability, as the case may be, must be transferred to the Company (and, in the event the certificates representing such Restricted Stock are held by the Company, such Restricted Stock shall be so transferred without any further action by the Participant), in accordance with Section 7.3. Notwithstanding the foregoing, except as otherwise determined by the Committee, in the event of a Participant's death or Disability, all restrictions on such Participant's Restricted Stock granted on or after May 17, 2012 (other than Restricted Stock granted to Participants in France) shall lapse and such Restricted Stock shall become vested Shares.

c) Except as otherwise determined by the Committee, all Performance Stock, Other Incentive Awards, Contract Stock, and Dividend Equivalent Rights to which the Participant was not irrevocably entitled prior to death or Disability, as the case may be, shall be forfeited and the Awards canceled as of the date of death or Disability.

8.3. Capital Adjustments. The maximum number of Shares that may be delivered under the Plan, and the maximum number of Shares with respect to which Awards may be granted to any Key Employee or Associate under the Plan,

both as stated in Section 5, and the number of Shares issuable upon the exercise or vesting of outstanding Awards under the Plan (as well as the exercise price per Share under outstanding Options or Stock Appreciation Rights), shall be proportionately adjusted, as may be deemed appropriate by the Committee, to reflect any increase or decrease in the number of issued Shares resulting from a subdivision (share-split), consolidation (reverse split), stock dividend, or similar change in the capitalization of the Company.

8.4. Certain Corporate Transactions

a) In the event of a corporate transaction (as, for example, a merger, consolidation, acquisition of property or stock, separation, reorganization, or liquidation), each outstanding Award shall be assumed by the surviving or successor entity; provided, however, that in the event of a proposed corporate transaction, the Committee may terminate all or a portion of any outstanding Award, effective upon the closing of the corporate transaction, if it determines that such termination is in the best interests of the Company. If the Committee decides to terminate outstanding Options or Stock Appreciation Rights, the Committee shall give each Participant holding an Option or Stock Appreciation Right to be terminated not less than seven days' notice prior to any such termination, and any Option or Stock Appreciation Right that is to be so terminated may be exercised (if and only to the extent that it is then exercisable) up to, and including the date immediately preceding such termination. Further, subject to Section 8.6 below, the Committee, in its discretion, may (i) accelerate, in whole or in part, the date on which any or all Options and Stock Appreciation Rights become exercisable, (ii) remove the restrictions from outstanding Restricted Stock, (iii) cause the delivery of any Performance Stock, even if the associated Performance Goals have not been met, (iv) cause the delivery of any Contract Stock, even if the Contract Date has not been reached, and/or Other Incentive Awards; and/or (v) cause the payment of any Dividend Equivalent Rights. The Committee also may, in its discretion, change the terms of any outstanding Award to reflect any such corporate transaction, provided that, in the case of ISOs, such change would not constitute a "modification" under section 424(h) of the Code, unless the Participant consents to the change.

b) With respect to an outstanding Award held by a Participant who, following the corporate transaction, will be employed by or otherwise providing services to an entity which is a surviving or acquiring entity in such transaction or an affiliate of such an entity, the Committee may, in lieu of the action described in subsection (a) above, arrange to have such surviving or acquiring entity or affiliate grant to the Participant a replacement award which, in the judgment of the Committee, is substantially equivalent to the Award.

8.5. Change in Control. Notwithstanding any other provision of this Plan and subject to Section 8.6 below:

a) (i) With respect to Awards granted under the Plan prior to January 1, 2013, all outstanding Options and all Stock Appreciation Rights shall become fully vested and exercisable, all Performance Stock and all Dividend Equivalent Rights shall become fully vested, all Contract Stock shall become immediately payable, and all restrictions shall be removed from any outstanding Restricted Stock, upon a Change in Control; and

(ii) To the extent allowed under applicable law or regulatory filings or unless otherwise determined by the Committee, with respect to Awards granted under the Plan on or after to January 1, 2013, in the event that a Change in Control occurs and the Participant incurs a Qualifying Termination on or within twelve (12) months following the date of such Change in Control, each outstanding Award held by a Participant, other than any Award subject to performance-vesting, shall become fully vested (and, as applicable, exercisable) and all forfeiture restrictions thereon shall lapse upon such Qualifying Termination."

b) "Change in Control" shall mean:

i) An acquisition (other than directly from the Company) of any voting securities of the Company ("Voting Securities") by any "Person" (as such term is used for purposes of section 13(d) or 14(d) of the Exchange Act) immediately after which such Person has "Beneficial Ownership" (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 50 percent or more of the combined voting power of all the then outstanding Voting Securities, other than the Company, any trustee or other fiduciary holding securities under any employee benefit plan of the Company or an affiliate thereof, or any corporation owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company; provided, however, that any acquisition from the Company or any acquisition pursuant to a transaction which complies with paragraph (iii)(A) and (B) below shall not be a Change in Control under this paragraph (i);

ii) The individuals who, as of March 1, 2003, are members of the Board (the "Incumbent Board") cease for any reason to constitute at least two-thirds of the Board; provided, however, that if the election, or nomination for election by the stockholders, of any new director was approved by a vote of at least two-thirds of the members of the Board who constitute Incumbent Board members, such new directors shall for all purposes be considered as members of the Incumbent Board as of March 1, 2003, provided further, however, that no individual shall be considered a member of

the Incumbent Board if such individual initially assumed office as a result of either an actual or threatened “Election Contest” (as described in Rule 14a-11 promulgated under the Exchange Act) or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board of Directors (a “Proxy Contest”) including by reason of any agreement intended to avoid or settle any Election Contest or Proxy Contest;

iii) consummation by the Company of a reorganization, merger, or consolidation or sale or other disposition of all or substantially all of the assets of the Company or the acquisition of assets or stock of another entity (a “Business Combination”), unless immediately following such Business Combination: (A) more than 50 percent of the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors of (I) the corporation

resulting from such Business Combination (the “Surviving Corporation”), or (II) if applicable, a corporation which as a result of such transaction owns the Company or all or substantially all of the Company’s assets either directly or through one or more subsidiaries (the “Parent Corporation”), is represented, directly or indirectly, by Company Voting Securities outstanding immediately prior to such Business Combination (or, if applicable, is represented by shares into which such Company Voting Securities were converted pursuant to such Business Combination), and such voting power among the holders thereof is in substantially the same proportions as their ownership, immediately prior to such Business Combination, of the Company Voting Securities; and (B) at least a majority of the members of the board of directors of the Parent Corporation (or, if there is no Parent Corporation, the Surviving Corporation) were members of the Incumbent Board at the time of the execution of the initial agreement, or the action of the Board, providing for such Business Combination;

iv) approval by the stockholders of the Company of a complete liquidation or dissolution of the Company; or
v) acceptance by the stockholders of the Company of shares in a share exchange if the stockholders of the Company immediately before such share exchange do not own, directly or indirectly, immediately following such share exchange more than 50 percent of the combined voting power of the outstanding Voting Securities of the corporation resulting from such share exchange in substantially the same proportion as their ownership of the Voting Securities outstanding immediately before such share exchange.

c) Notwithstanding the foregoing, if a Change in Control constitutes a payment event with respect to any Award which provides for the deferral of compensation and is subject to section 409A of the Code, the transaction or event described in subsection (i), (ii), (iii), (iv) or (v) with respect to such Award must also constitute a “change in control event,” as defined in Treasury Regulation § 1.409A-3(i)(5) to the extent required by section 409A.

8.6. Section 162(m); Section 409A. With respect to Awards which are intended to qualify as “performance-based compensation” as described in section 162(m)(4)(C) of the Code, no adjustment or action described in this Section 8 or in any other provision of the Plan shall be authorized to the extent that such adjustment or action would cause such Award to fail to so qualify as performance-based compensation, unless the Committee determines that the Award should not so qualify. No action shall be taken under this Section 8 which shall cause an Award to fail to comply with section 409A of the Code or the Treasury Regulations thereunder, to the extent applicable to such Award.

9. Amendment or Termination of the Plan

a) In General. The Board, pursuant to a written resolution, may from time to time suspend or terminate the Plan or amend it and, except as provided in Section 3(b)(iv), 7.1(a), and 8.4(a), the Committee may amend any outstanding Awards in any respect whatsoever; except that, without the approval of the stockholders (given in the manner set forth in subsection (b) below):

i) no amendment may be made that would:

(A) change the class of employees eligible to participate in the Plan with respect to ISOs;

(B) except as permitted under Section 8.3, increase the maximum number of Shares with respect to which ISOs may be granted under the Plan;

(C) increase the limits imposed in Section 5 on the maximum number of Shares which may be issued or transferred under the Plan or increase the individual award limit set forth in Section 5;

(D) extend the duration of the Plan under Section 4(b) with respect to any ISOs granted hereunder; or

(E) reprice or regrant through cancellation, or modify (except in connection with a change in the Company’s capitalization) any Award, if the effect would be to reduce the exercise price for the shares underlying such Award; provided, however, with the approval of the Company’s stockholders, the Committee may (i) reduce the exercise price per share of any outstanding Option or Stock Appreciation Right granted under the Plan, or (ii) cancel any Option or Stock Appreciation Right in exchange for cash or another Award when the Option or Stock Appreciation Right exercise price per share exceeds the Fair Market Value of the underlying Shares.

ii) no amendment may be made that would constitute a modification of the material terms of the “performance goal(s)” within the meaning of Treas. Reg. § 1.162-27(e)(4)(vi) or any successor thereto (to the extent compliance with section 162(m) of the Code is desired).

Notwithstanding the foregoing, no such suspension, termination or amendment shall materially impair the rights of any Participant holding an outstanding Award without the consent of such Participant.

b) Manner of Stockholder Approval. The approval of stockholders must be effected by a majority of the votes cast (including abstentions, to the extent abstentions are counted as voting under applicable state law) in a separate vote at a duly held

85

stockholders' meeting at which a quorum representing a majority of all outstanding voting stock is, either in person or by proxy, present and voting on the Plan.

10. Miscellaneous

10.1. Documentation of Awards. Awards shall be evidenced by such written Award Agreements, if any, as may be prescribed by the Committee from time to time. Such instruments may be in the form of agreements to be executed by both the Participant and the Company, or certificates, letters, or similar instruments, which need not be executed by the Participant but acceptance of which will evidence agreement to the terms thereof.

10.2. Rights as a Stockholder. Except as specifically provided by the Plan or an Award Agreement, the receipt of an Award shall not give a Participant rights as a stockholder; instead, the Participant shall obtain such rights, subject to any limitations imposed by the Plan or the Award Agreement, upon the actual receipt of Shares.

10.3. Conditions on Delivery of Shares. The Company shall not deliver any Shares pursuant to the Plan or remove restrictions from Shares previously delivered under the Plan (i) until all conditions of the Award have been satisfied or removed, (ii) until all applicable Federal and state laws and regulations have been complied with, and (iii) if the outstanding Shares are at the time of such delivery listed on any stock exchange, until the Shares to be delivered have been listed or authorized to be listed on such exchange. If an Award is exercised by the Participant's legal representative, the Company will be under no obligation to deliver Shares pursuant to such exercise until the Company is satisfied as to the authority of such representative.

10.4. Registration and Listing of Shares. If the Company shall deem it necessary to register under the Securities Act or any other applicable statute any Shares purchased under this Plan, or to qualify any such Shares for an exemption from any such statutes, the Company shall take such action at its own expense. If Shares are listed on any national securities exchange at the time any Shares are purchased hereunder, the Company shall make prompt application for the listing on such national securities exchange of such Shares, at its own expense. Purchases and grants of Shares hereunder shall be postponed as necessary pending any such action.

10.5. Compliance with Rule 16b-3. All elections and transactions under this Plan by persons subject to Rule 16b-3, promulgated under section 16(b) of the Exchange Act, or any successor to such Rule, are intended to comply with at least one of the exemptive conditions under such Rule. The Committee shall establish such administrative guidelines to facilitate compliance with at least one such exemptive condition under Rule 16b-3 as the Committee may deem necessary or appropriate.

10.6. Tax Withholding

a) Obligation to Withhold. The Company shall withhold from any cash payment made pursuant to an Award an amount sufficient to satisfy all Federal, state, and local withholding tax requirements (the "Withholding Requirements"). In the case of an Award pursuant to which Shares may be delivered, the Committee may require that the Participant or other appropriate person remit to the Company an amount sufficient to satisfy the Withholding Requirements, or make other arrangements satisfactory to the Committee with regard to the Withholding Requirements, prior to the delivery of any Shares.

b) Election to Withhold Shares. The Committee, in its discretion, may permit or require the Participant to satisfy the federal, state, and/or local withholding tax, in whole or in part, by having the Company withhold Shares otherwise issuable under an Award (or by surrendering Shares to the Company); provided, however, that the Company may limit the number of Shares withheld to satisfy the minimum Withholding Requirements to the extent necessary to avoid adverse accounting consequences. In addition, the Committee, in its discretion, may permit or require the acceleration of the timing for the payment of the number of Shares needed to pay employment taxes upon the date of the vesting of an Award; provided, however, that the Company may limit the number of Shares used for this purpose to the extent necessary to avoid adverse accounting consequences. Shares shall be valued, for purposes of this subsection (b), at their fair market value (determined as of the date an amount is includible in income by the Participant (the "Determination Date")), rather than the date of grant). Notwithstanding the foregoing, in no event shall any Participant be permitted to elect such accelerated payment to the extent that it would result in a violation of Treasury Regulation § 1.409A-3(j) (including, without limitation, Treasury Regulation § 1.409A-3(j)(4)(i)). The Committee shall adopt such withholding rules as it deems necessary to carry out the provisions of this Section.

10.7. Transferability of Awards. No ISO may be transferred other than by will or by the laws of descent and distribution. No other Award may be transferred, except to the extent permitted in the applicable Award Agreement. During a Participant's lifetime, an Award requiring exercise may be exercised only by the Participant (or, in the event of the Participant's incapacity, by the person or persons legally appointed to act on the Participant's behalf). Notwithstanding the foregoing, any transfer of an Award otherwise permitted by this Section 10.7 shall be made only to a "family member" of the Participant within the meaning of the instructions to Form S-8 Registration Statement under the Securities Act (a "Permitted Transferee"). Notwithstanding the foregoing, in no event may an Award be transferable for consideration absent stockholder approval. Notwithstanding the foregoing, the Committee, in its sole discretion, may determine to permit a Participant or a Permitted Transferee of such Participant to transfer an Award other than an ISO (unless such ISO is to become a Non-Qualified Stock Option) to any one or

more Permitted Transferees of such Participant, subject to the following terms and conditions: (a) an Award transferred to a Permitted Transferee shall not be assignable or transferable by the Permitted Transferee (other than to another Permitted Transferee of the applicable Participant) other than by will or the laws of descent and distribution; (b) an Award transferred to a Permitted Transferee shall continue to be subject to all the terms and conditions of the Award as applicable to the original Participant (other than the ability to further transfer the Award); and (c) the Participant (or transferring Permitted Transferee) and the Permitted Transferee shall execute any and all documents requested by the Committee, including without limitation, documents to (i) confirm the status of the transferee as a Permitted Transferee, (ii) satisfy any requirements for an exemption for the transfer under applicable federal, state and foreign securities laws and (iii) evidence the transfer. In addition, and further notwithstanding the foregoing hereof, the Committee, in its sole discretion, may determine to permit a Participant to transfer ISOs to a trust that constitutes a Permitted Transferee if, under Section 671 of the Code and applicable state law, the Participant is considered the sole beneficial owner of the ISO while it is held in the trust.

10.8. Registration. If the Participant is married at the time Shares are delivered and if the Participant so requests at such time, the certificate or certificates for such Shares shall be registered in the name of the Participant and the Participant's spouse, jointly, with right of survivorship.

10.9. Acquisitions. Notwithstanding any other provision of this Plan, Awards may be granted hereunder in substitution for awards held by directors, key employees, and associates of other corporations who are about to, or have, become Key Employees or Associates as a result of a merger, consolidation, acquisition of assets, or similar transaction by the Company or a Related Corporation or (in the case of Awards other than ISOs) an Affiliate. The terms of the substitute Awards so granted may vary from the terms set forth in this Plan to such extent as the Committee may deem appropriate to conform, in whole or in part, to the provisions of the awards in substitution for which they are granted.

10.10. Employment Rights. Neither the adoption of the Plan nor the grant of Awards will confer upon any person any right to continued employment by the Company or any of its Related Corporations or Affiliates or affect in any way the right of any of the foregoing to terminate an employment relationship at any time.

10.11. Indemnification of Board and Committee. Without limiting any other rights of indemnification that they may have from the Company or any of its Related Corporations or Affiliates, the members of the Board and the members of the Committee shall be indemnified by the Company against all costs and expenses reasonably incurred by them in connection with any claim, action, suit or proceeding to which they or any of them may be a party by reason of any action taken or failure to act under, or in connection with, the Plan or any Award granted thereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except a judgment based upon a finding of willful misconduct or recklessness on their part. Upon the making or institution of any such claim, action, suit or proceeding, the Board or Committee member shall notify the Company in writing, giving the Company an opportunity, at its own expense, to handle and defend the same before such Board or Committee member undertakes to handle it on his or her own behalf. The provisions of this Section shall not give members of the Board or the Committee greater rights than they would have under the Company's by-laws or Delaware law.

10.12. Application of Funds. Any cash proceeds received by the Company from the sale of Shares pursuant to Awards granted under the Plan shall be added to the general funds of the Company. Any Shares received in payment for additional Shares upon exercise of an Option shall become treasury stock.

10.13. Governing Law. The Plan shall be governed by the applicable Code provisions to the maximum extent possible. Otherwise, the laws of the State of Delaware (without reference to the principles of conflict of laws) shall govern the operation of, and the rights of Participants under, the Plan and Awards granted hereunder.

10.14. Clawback, Repayment or Recapture Policy. Notwithstanding anything contained in the Plan to the contrary, to the extent allowed under applicable law or regulatory filings or unless otherwise determined by the Committee, all Awards granted under the Plan on or after January 1, 2013, and any related payments made under the Plan after such date, shall be subject to the provisions of any clawback, repayment or recapture policy implemented by the Company, including any such policy adopted to comply with applicable law (including without limitation the Dodd-Frank Wall Street Reform and Consumer Protection Act) or securities exchange listing standards and any rules or regulations

promulgated thereunder, to the extent set forth in such policy and/or in any notice or agreement relating to an Award or payment under the Plan.
