PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS, MARCH 13, 2003

Your proxy in the enclosed form is solicited by the Board of Directors of CREDO Petroleum Corporation for use at the Annual Meeting of Stockholders to be held on Thursday, March 13, 2003 at 2:30 p.m., MST, at the Wells Fargo Bank West, N.A., Forum Room, Seventeenth and Broadway, Denver, Colorado, and any adjournment thereof. This proxy material was mailed to stockholders on or about February 7, 2003.

Only stockholders of record at the close of business on January 31, 2003 will be entitled to vote at the meeting. On that date, there were 3,279,674 shares of common stock outstanding and entitled to vote, excluding 398,688 shares held in the Company's treasury.

All shares represented by properly executed, unrevoked proxies timely received in proper form will be voted in accordance with the directions specified thereon. Any such proxy on which no direction is specified will be voted in favor of the election of the nominees named herein to the Board of Directors and for ratification of the appointment of Hein + Associates LLP as independent auditors for the Company for fiscal 2003. In addition, all proxies will be voted in accordance with the judgement of the proxy holders with respect to any other matter which may properly come before the meeting. Any stockholder giving a proxy may revoke that proxy at any time before it is voted at the meeting by executing a later dated proxy, by voting by ballot at the meeting, or by filing with the Election Judge an instrument of revocation.

VOTING SHARES AND PRINCIPAL STOCKHOLDERS

The \$.10 par value common stock of the Company is the only class of capital stock outstanding. Each outstanding share of common stock is entitled to one vote with respect to each matter to be voted on by the stockholders, which vote may be given in person or by proxy duly authorized in writing. Cumulative voting is not permitted. A majority of the shares of outstanding common stock will constitute a quorum for transaction of business at the meeting. The affirmative vote of the majority of the total number of shares represented and voted at the meeting, assuming a quorum is present, is necessary for the approval of each of the matters being voted upon. Shares that withhold votes for a nominee for director or shares that either abstain from voting on other proposals presented or which lack authority to vote will have no effect in the tabulation of votes although they will be counted toward the presence of a quorum.

The only persons known to own of record or beneficially more than 5% of the Company's common stock as of January 31, 2003 are set forth below.

DIRECTORS AND OFFICERS

Election of Directors (Item 1 on Proxy Card)

The Articles of Incorporation, as amended, classify members of the Board of Directors into three classes having staggered terms of three years each. The Board of Directors consists of six directors, including five outside directors, who have particular expertise in areas considered essential to the Company's business--namely geology, land, petroleum engineering, legal and accounting.

The directors to be elected to the Board in Class II at the 2003 Annual Meeting of Stockholders will serve until the 2006 Annual Meeting and until their successors are duly elected and qualified. Class I and Class III directors will continue to serve until the 2004 and 2005 Annual Meetings of Stockholders, respectively, and until their successors are duly elected and qualified.

The Class II nominees named below are presently members of the Board of Directors. Unless your proxy contains contrary instructions, it will be voted for the nominees. Should the nominees become unable to serve, which is not anticipated, the proxies will vote for such substitute nominee as recommended by the Board of Directors. Any vacancy occurring in a class following the election of that class may be filled by the Board of Directors. A director selected to fill a vacancy in a class will hold office for a term expiring at the annual meeting at which the term of that class expires and until a successor is duly elected and qualified.

The following table sets forth certain information with respect to each nominee and each director whose term of office will continue after the meeting.

Information Concerning Meetings of the
Board of Directors and Board Committees

Edgar Filing: CREDO PETROLEUM CORP - Form DEF 14A

The Board of Directors met four times during fiscal 2002. All directors were present for 100% of the meetings.

The Board has an Executive Committee consisting of Messrs. Hall, Huffman and Skewes. The Executive Committee did not meet during fiscal 2002. There are no compensation or nominating committees because such matters were considered by the Executive Committee or the Board of Directors.

The Audit Committee of the Board of Directors consists of three members: Mr. Hall, a CPA; Mr. Brown, a former oil company executive; and Mr. Skewes, an attorney. Mr. Skewes, an attorney in private practice, serves as the Company's General Counsel and Corporate Secretary although he is not an employee of the Company and has not received consulting services compensation from the Company for the past three years. Because he is an officer of the Company, Mr. Skewes does not technically meet the definition of an "independent" director under the applicable National Association of Securities Dealers' listing standards. Nevertheless, the Board of Directors believes that Mr. Skewes is independent from management of the Company and that his legal background and his knowledge of financial statements qualify him for membership on the Audit Committee.

Audit Committee Report

The responsibilities of the Audit Committee are set forth in the Audit Committee Charter which has been adopted by the Board of Directors. A copy of the Charter was included as an Appendix to the 2001 Proxy Statement and will be included at least once every three years in future Proxy Statements.

The Audit Committee met three times during fiscal 2002 and has met twice since fiscal 2002 year-end. The Committee reviewed and discussed the Company's audited financial statements for fiscal 2002 with management and the Company's independent auditors, and discussed with the Company's independent auditors the matters required by Statement of Auditing Standards No. 61. The Committee has received from the independent auditors appropriate disclosures regarding the auditors' independence as required by Independence Standards Board Standard No. 1. Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements for the year ended October 31, 2002 be included in the Company's Annual Report on Form 10-KSB.

Compensation of and Agreements with Non-Employee Directors

Non-employee directors receive \$2,000 plus reimbursement of out-of-pocket expenses for each meeting of the Board of Directors attended and may be paid \$100 per hour for committee meeting attendance or for consulting services provided at the request of the majority of the Board of Directors.

Edgar Filing: CREDO PETROLEUM CORP - Form DEF 14A

Non-employee directors also receive director compensation in the form of stock options granted under the Company's Stock Option Plan. The option price is the price of the Company's common stock on the option grant date. The options vest in one-third increments beginning on the date of grant and then on each anniversary thereafter until fully vested, and they expire on the fifth anniversary of the date of grant. Mr. Brown was granted a stock option on July 27, 2000 to purchase 25,000 shares at \$4.94. He has exercised 2,100 stock options and has 22,900 currently exercisable stock options. Mr. Hall was granted a stock option on December 21, 2000 to purchase 25,000 shares at \$5.00 and has 25,000 currently exercisable stock options.

The Company has entered into indemnification agreements with each of its non-employee directors. Those agreements require the Company to indemnify such directors to the fullest extent permitted by Colorado Law and to advance expenses in connection with certain claims against the directors.
