Under the Agreement, in the event Mr. McCarron's employment is terminated by the Company without "cause," or by Mr. McCarron for certain specified reasons (including for "good reason" which includes a "change of control," as such terms are defined in the Agreement), the Agreement provides that Mr. McCarron will be entitled to receive (a) within ten days of termination, if such termination occurs on or following a change of control, or in twelve substantially equal monthly installments, if such termination occurs prior to a change of control, among other things, an amount equal to the sum of: (i) Mr. McCarron's then current base salary through the date of termination, any bonus amounts payable, accrued vacation pay, and two and one-half times the sum of Company contributions paid or accrued on Mr. McCarron's behalf to any defined contribution retirement plans during the year preceding termination; (ii) two and one-half times Mr. McCarron's then current salary; and (iii) two and one-half times the greater of the highest bonus paid to Mr. McCarron in the two fiscal years preceding the date of termination (the "Look-Back Bonus") or the bonus that Mr. McCarron would have received for the fiscal year in which termination occurred if the Company attained its budgeted financial performance and accomplished other targeted goals (the "Target Bonus"); and (b) in a lump sum at the time Mr. McCarron would have been entitled to receive such bonus (subject to delay if Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), would be applicable to such payment) (i) a pro rata bonus for the fiscal year in which termination occurs and (ii) if the bonus that would have been paid for the fiscal year in which termination occurs exceeds the Look-Back Bonus or Target Bonus, two and one-half times such excess amount. The Agreement also provides that in the event that employment is terminated without "cause" by the Company, or by Mr. McCarron for certain specified reasons (including for "good reason"), all non-vested stock options and other non-vested stock or stock-based awards of the Company or any subsidiary then held by Mr. McCarron will, subject to certain limitations, vest immediately and all of such awards that include an exercisability feature will remain exercisable until the earlier of one year following termination or the award's stated expiration date.
