### **PROXY STATEMENT**

**Annual Meeting of Shareholders  
to be held April 27, 2004**

### **INTRODUCTION**

This Proxy Statement and accompanying proxy are furnished in connection with the solicitation of proxies by the Board of Directors of Community Trust Bancorp, Inc. (the "Corporation") for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on Tuesday, April 27, 2004, at 10:00 a.m. (EDT), at Community Trust Bank, Inc., 346 North Mayo Trail, Pikeville, Kentucky, and any adjournments thereof. A copy of the Corporation's 2003 Annual Report to Shareholders accompanies this Proxy Statement.

The cost of solicitation of proxies will be borne by the Corporation. In addition to the use of the mail, proxies may be solicited in person, by telephone and other means of communication by directors, officers, and other employees of the Corporation, none of whom will receive additional compensation for such services. The Corporation will also request brokerage houses, custodians and nominees to forward soliciting materials to the beneficial owners of stock held of record by them, and will pay the reasonable expenses of such persons for forwarding such materials. This Proxy Statement and the accompanying proxy are first being mailed or given to shareholders of the Corporation on or about March 31, 2004.

### **RECORD DATE AND VOTING SECURITIES**

The Common Stock of the Corporation ("Common Stock") is the only class of outstanding voting securities. Only holders of Common Stock of record at the close of business on February 29, 2004 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. At the Record Date, there were 13,485,713 shares of Common Stock outstanding. With respect to the election of directors, shareholders have cumulative voting rights. Accordingly, each shareholder will have the right to cast as many votes in the aggregate as equals the number of shares of Common Stock held by the shareholder multiplied by the number of directors to be elected at the Annual Meeting. Each shareholder may cast all of his or her votes for one candidate, or distribute such votes among two or more candidates. Shareholders will be entitled to one vote for each share of Common Stock held of record on the Record Date with regard to any other matters that properly come before the Annual Meeting or any adjournment thereof.

Each proxy, unless the shareholder otherwise specifies, will be voted in favor of the election of the eight nominees for director named herein. Where a shareholder has appropriately specified how the proxy is to be voted, it will be voted accordingly. As to any other matter which may properly be brought before the Annual Meeting or any adjournment thereof, a vote may be cast pursuant to the accompanying proxy in accordance with the judgment of the person or persons voting the proxy. A shareholder may revoke his or her proxy at any time prior to its exercise. Revocation may be effected by written notice to the Corporation, by a subsequently dated proxy received by the Corporation, by oral revocation in person at the Annual Meeting or any adjournment thereof, or by voting in person at the Annual Meeting or any adjournment thereof.

A majority of the outstanding shares present in person or by proxy is required to constitute a quorum to transact business at the Annual Meeting. Abstentions will be treated as present for purposes of determining a quorum, but as unvoted shares for purposes of determining the approval of any matter submitted to the shareholders for a vote. If a broker indicates that it does not have discretionary authority as to certain shares to vote on a particular matter, such shares will not be considered as present and entitled to vote with respect to such matter.

Directors who are also officers of the Corporation did not receive additional compensation for serving as a director. Fees paid to Directors of the Corporation for 2003 totaled \$96,000.

The Board of Directors has determined that the following six of the Corporation's eight directors are independent as defined by applicable law and NASDAQ listing standards: Burlin Coleman, Nick A. Cooley, William A. Graham, Jr., M. Lynn Parrish, Ernest M. Rogers, and Dr. James R. Ramsey.

Beginning in 2004, the Board will hold regular executive sessions of those members of the Board who meet current standards of independence.

The Board has adopted Corporate Governance Guidelines and a Code of Business Conduct and Ethics. Copies of these documents may be found on the Corporation's website at [www.ctbi.com](http://www.ctbi.com).

Shareholders may communicate directly with the Board of Directors by sending a written communication addressed to the Chairman of the Board of Directors at the Corporation's address.

The Board of Directors held five meetings during the 2003 fiscal year, including the annual organizational meeting. Each director attended at least 75% of the aggregate number of Board meetings and meetings of Board committees on which such director served in 2003, except Mr. Rogers who attended 72% of the meetings. It is the Board's policy that directors should attend each annual meeting of shareholders subject to a substantial personal or business conflict. All of the Corporation's directors attended the 2003 annual meeting of shareholders. The Board has the following committees: Audit and Asset Quality, Compensation, Executive, Nominating and Corporate Governance, and Risk and Compliance.

The Board of Directors has adopted a written charter for the Audit and Asset Quality Committee (the "Audit Committee"), which is included herein as Exhibit 99.1 and may be found on the Corporation's website at [www.ctbi.com](http://www.ctbi.com). The Audit Committee consists of Ernest M. Rogers, William A. Graham, Jr., Nick Cooley, M. Lynn Parrish, and Dr. James R. Ramsey, all of whom meet the independence standards of Rule 4200(a)(15) and the audit committee qualifications of Rule 4350(d)(2) of the NASD listing standards. The Board has determined that Dr. James R. Ramsey is an audit committee financial expert for the Corporation and is independent as described above. The Audit Committee met eleven times during 2003. The Audit Committee monitors the integrity of the Corporation's financial statements, the independent auditors' qualifications and independence, the performance of the Corporation's internal audit function, the Corporation's system of internal controls, the Corporation's financial reporting and system of disclosure controls, and compliance with the Corporate Governance Guidelines and Code of Business Conduct and Ethics. The Audit Committee has established procedures for the confidential, anonymous submission of concerns about accounting matters, internal controls, and auditing matters.

The Compensation Committee consists of Ernest M. Rogers, Burlin Coleman, and Nick Cooley, all of whom meet the applicable independence standards. The Board has adopted a Compensation Committee Charter which may be found on the Corporation's website at [www.ctbi.com](http://www.ctbi.com). corporate governance and the identification and nomination of directors and committee members. This committee met one time during 2003.

#### **REPORT OF THE AUDIT AND ASSET QUALITY COMMITTEE**

The Audit and Asset Quality Committee oversees the Corporation's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

All directors who serve on the Committee are "independent" for purposes of the NASD listing standards. The Board of Directors has determined that none of the Committee members has a relationship to the Corporation that may interfere with his independence from the Corporation and its management.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, not just the acceptability, of the Corporation's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States of America. Additionally, the Committee's review included discussion with the Corporation's independent auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 ("SAS 61") (Communication with Audit Committees). SAS 61 requires the Corporation's independent auditors to provide the Committee with additional information regarding the scope and results of their audit of the Corporation's financial statements, including with respect to (i) their responsibility under audit standards generally accepted in the United States of America, (ii) significant accounting policies, (iii) management judgments and estimates, (iv) any significant audit adjustments, (v) any disagreements with management, and (vi) any difficulties encountered in performing the audit.

The Committee received from Deloitte & Touche LLP a letter providing the disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) with respect to any relationships between Deloitte & Touche LLP and the Corporation that, in their professional judgment, may reasonably be thought to bear on independence. Deloitte & Touche has discussed its independence with the Committee and has confirmed in such letter that, in its professional judgment, it is independent of the Corporation within the meaning of the federal securities laws.

The Committee discussed with the Corporation's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Corporation's internal controls, and the overall quality of the Corporation's financial reporting. The Committee held eleven meetings during fiscal year 2003.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission. The Committee has also recommended, subject to shareholder ratification, the selection of Deloitte & Touche LLP as the Corporation's independent auditors.

#### **INTEREST OF MANAGEMENT IN CERTAIN TRANSACTIONS**

In the ordinary course of business, the Corporation, through its wholly-owned commercial bank subsidiary, Community Trust Bank, Inc. (the "Bank"), has had in the past and expects to have in the future banking transactions, including lending to its directors, officers, principal shareholders, and their associates. When these banking transactions are credit transactions, they are made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with others. In the

opinion of the Corporation's Board of Directors, such transactions do not involve more than the normal risk of collectability or present any other unfavorable features.

Mr. Charles Baird, a director of the Corporation, is a shareholder in Baird and Baird, P.S.C., a law firm that provided services to the Corporation and its subsidiaries during 2003 and will be retained by the Corporation and its subsidiaries during the current fiscal year 2004. Approximately \$744,000 in legal fees and \$205,300 in expenses paid on behalf of the Corporation, \$949,300 in total, were paid to Baird and Baird, P.S.C. during 2003.

#### **SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 (the "Act") requires the Corporation's executive officers and directors and persons who own more than ten percent (10%) of the Common Stock to file initial reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"), as well as to furnish the Corporation with a copy of such report. Additionally, SEC regulations require the Corporation to identify in its Proxy Statement those individuals for whom one of the referenced reports was not filed on a timely basis during the most recent fiscal year. Based upon a review of Forms 3, 4, and 5 furnished to the Corporation, the Corporation believes that there was one late filing during 2003. Due to an administrative error at the Corporation, one Form 4, "Statement of Changes in Beneficial Ownership of Securities," was inadvertently filed two days past the due date with regard to one transaction on behalf of Mr. Kevin J. Stumbo, Executive Vice President of the Corporation.

#### **EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS**

As of December 31, 2003, the Corporation had executed certain termination of employment and change-in-control agreements ("Severance Agreements") with Jean R. Hale, Mark Gooch, William Hickman III, Michael S. Wasson, James B. Draughn, Kevin J. Stumbo, Richard Newsom, Ricky Sparkman, James J. Gartner, and Larry W. Jones. Ms. Hale's Severance Agreement was executed on January 23, 1999, Mr. Gooch's was executed on January 1, 2000, Mr. Hickman's was executed on December 12, 2000, Mr. Wasson's was executed on October 24, 2000, Mr. Draughn's was executed on July 24, 2001, Messrs. Stumbo, Newsom, and Sparkman's were executed on April 23, 2002, and Messrs. Gartner and Jones were executed on January 28, 2003. The Severance Agreements are effective for a term equal to the longer of three years or the covered period should a change-in-control of the Corporation occur during such three-year period. These agreements are automatically renewable, and the covered period during which the terms and conditions of the Severance Agreements are effective is the period of time following a change-in-control equal to (i) two years following the occurrence of the change-in-control in the event of an involuntary termination or a voluntary termination following a change in duties, or (ii) the thirteenth month following the change-in-control in the event of a voluntary termination not preceded by a change in duties.

The Severance Agreements require the payment to the applicable named executive officer of a severance amount in the event of an involuntary or voluntary termination of employment after a change-in-control of the Corporation during the covered period. The severance amount payable under the Severance Agreement is equal to (i) 2.99 times the named executive officer's base annual salary in the event of involuntary termination, or 2.99 times the named executive officer's base annual salary in the event of a voluntary termination of employment preceded by a change in duties subsequent to a change-in-control of the Corporation, or (ii) 2.00 times the named executive officer's annual base salary in the event of a voluntary termination of employment not preceded by a change in duties subsequent to a change-in-control of the Corporation.

A change-in-control has occurred, for purposes of the Severance Agreements, when (i) any person, including a group under Section 13(d)(3) of the Securities Exchange Act of 1934, is or becomes the owner of 30% or more of the combined voting power of the Corporation's outstanding securities; (ii) as a result of, or in connection with, any tender offer, exchange offer, merger or other combination, sale of assets or contested election, the persons who were directors of the Corporation before such transaction(s) shall cease to constitute a majority of the Board of Directors of the Corporation or successor of the Corporation; (iii) a tender or exchange offer is made and consummated for the ownership of 30% or more of the combined voting power of the Corporation's outstanding voting securities; or (iv) the Corporation transfers substantially all of its assets to another corporation that is not a wholly-owned subsidiary of the Corporation.

The Option Plan permits the grant of options to employees of the Corporation and its subsidiaries whose efforts contribute, or may be expected to contribute materially, to the successful performance of the Corporation. ### REPORT OF THE COMPENSATION COMMITTEE

The principal duties of the Compensation Committee are to review the compensation of executive officers of the Corporation and make recommendations to the Board for approval. Compensation for executive officers consists of base salary, bonus, and stock options under the Option Plan.

The total compensation package, including base salaries, is set at levels the Compensation Committee believes are sufficient to attract and retain qualified executives. It is the goal of the Compensation Committee to retain quality executives, which will mutually benefit the executive and the Corporation. The Compensation Committee believes its total compensation package is in line with compensation packages offered by other companies within the Corporation's peer group of bank holding companies with total consolidated assets of one to three billion dollars. This peer group is not the peer group used to construct the performance graph contained in this proxy statement.

Bonuses to executive officers are computed under the senior management incentive plan, which is open to all senior executives. The bonuses for the executive officers are based on earnings per share and return on assets of the Corporation.

The number of stock options granted is also determined under the terms of the senior management incentive plan and issued under the Option Plan. The number of stock options granted to each executive officer is based on earnings per share and return on assets of the Corporation. Upon approval by the Compensation Committee, stock options may also be issued to senior executives for management retention purposes.

The salary of Jean R. Hale, the Chief Executive Officer, was not tied to stock performance in 2003. The Compensation Committee believes the compensation of the Chief Executive Officer is in line with the chief executive officer compensation of other companies in the peer group of bank holding companies with total consolidated assets of one to three billion dollars. Ms. Hale's bonus and number of stock options were determined based on the criteria applicable to all other executive officers as described above.

*OBRA Deductibility Limitation.* The Omnibus Budget Reconciliation Act of 1994 ("OBRA") prohibits the tax deduction by public companies of compensation of certain executive officers in excess of \$1 million, unless certain criteria are met. The Corporation has determined not to take any action at this time with respect to its compensation plans to seek to meet these criteria.

During 2003, there were no interlocking relationships between any executive officers of the Corporation and any entity whose directors or executive officers serve on the Board of Directors' Compensation Committee.
