Item 1.01 Entry into a Material Definitive Agreement.

On April 1, 2013, Industrial Services of America, Inc. (the "Company") and Blue Equity, LLC ("Blue Equity") entered into the Management Services Agreement (the "Management Agreement"). Under the Management Agreement, Blue Equity will provide the Company with day-to-day senior executive level operating management supervisory services. Blue Equity will also provide business, financial, and organizational strategy and consulting services, as the Company's board of directors may reasonably request from time to time.

The Management Agreement provides that the Company will pay Blue Equity a monthly management fee of \$85,000, along with reimbursement of out-of-pocket expenses as defined in the Management Agreement. Subject to shareholder approval and vesting provisions as set forth in the Stock Option Agreement dated as of April 1, 2013 between the Company and ISA (the "Stock Option Agreement"), the Company granted options for a total of 1,500,000 shares of its common stock to Blue Equity at an exercise price per share of \$5.00. If there is a Change of Control Transaction involving the Company during the term of the Management Agreement or within 12 months following its expiration, the Management Agreement provides for a bonus equal to 1% of the excess amount, if any, of the aggregate Consideration (as defined) exceeding \$30.0 million paid directly or indirectly to the Company or its shareholders in connection with the transaction. The Management Agreement provides for a 12-month term beginning April 1, 2013, subject to earlier termination upon mutual agreement or upon circumstances set forth in the agreement.

Also on April 1, 2013, the Company issued 125,000 shares of its common stock to Blue Equity in a private placement at a per share purchase price of \$4.00. The Management Agreement also provides that, upon the occurrence of a Subsequent Event Closing (as defined), Blue Equity or one of its affiliates will purchase an additional 225,000 shares of common stock from the Company at a per share purchase price of \$4.00. The Company's obligation to issue the 225,000 shares of common stock is subject to obtaining any necessary shareholder approval and other consents. All shares of common stock issued by the Company to Blue Equity in connection with the Management Agreement and Stock Option Agreement are subject to piggyback registration rights. If the Company terminates Blue Equity's services without Cause (as defined) or if Blue Equity resigns for Good Reason (as defined) or following the shareholders failure to approve the issuance of the stock options, Blue Equity has the right to cause the Company to redeem the 125,000 shares of common stock at the original purchase price of \$4.00 per share.

The foregoing description of the Management Agreement, including the Stock Option Agreement attached thereto as Attachment A, is qualified in its entirety by reference to the full text of the Management Agreement, including the Stock Option Agreement, a copy of which is attached as Exhibit 10.1 to this report and incorporated herein by reference.
