Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- This Form 4 is being amended to report the number of Restricted Stock Award granted, calculated pursuant to a formula approved by the Compensation Committee. The number was unknown at the time of the original filing on 2/28/2017.
 - Restricted Stock Award vesting in four equal annual installments commencing 3/10/2018. The number of RSUs awarded is a function of base pay, a long-term incentive (LTI) percentage and the fair value of an RSU. The fair value of an RSU is calculated as the stock price as
- (2) of the effective date less the present value of Company stock dividends over the vesting period. This calculation requires the input of certain assumptions, including the risk-free interest rate and the expected Company stock dividends. The formula for determining the number of RSUs granted is: number of RSUs = (base pay x LTI%) / RSU fair value.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
