Item 1.01 Entry into a Material Definitive Agreement

Dominion-Questar Merger Approved by Wyoming's Public Service Commission

Dominion Resources, Inc. (NYSE: D) and Questar Corporation (NYSE: STR) announced, on September 14, 2016, that the Wyoming Public Service Commission approved their merger, subject to terms and conditions of a settlement stipulation. The Wyoming settlement stipulation contains terms and conditions for operations, financing and reporting of the combined company following the merger, which are similar to the settlement stipulation previously approved by the Public Service Commission of Utah.

The following are key provisions of the Wyoming settlement stipulation:

Questar Gas will be managed from an operations standpoint as a separate regional business with local operating management located in Salt Lake City, Utah.

Questar Gas will continue its 2017-2019 planned capital expenditure program to install, upgrade and maintain facilities necessary for safe and reliable service assuming no material change in circumstances.

Dominion will contribute \$75 million towards the full funding of the Questar Retirement Plan.

Dominion will not seek recovery of any acquisition premium from Questar Gas customers.

Dominion will provide equity capital to maintain an end-of-year equity percentage of total capitalization in the range of 50% to 55% through 2019.

Dominion will, through 2019, use commercially reasonable efforts to maintain credit metrics at Questar Gas supporting a strong investment-grade credit rating.

Dominion will increase charitable contributions in Questar Gas' service area by \$1 million per year over the historical level for at least five years.

Questar Gas will not file a general rate case application with a requested rate effective date earlier than January 1, 2020.

Transaction costs associated with the merger will not be recovered from customers.

Questar Gas will not seek recovery of any increase in aggregate operating, maintenance, general and administrative costs that are a result of the merger.

Questar Gas and Dominion will put various ring fencing measures in place intended to minimize the possibility that adverse developments, if any, elsewhere in the Dominion corporate family will impact Questar Gas.

The Wyoming settlement stipulation is filed herewith on Exhibit 10 and is incorporated by reference herein.

The related press release of the approval by the Wyoming Public Service Commission is furnished herewith on Exhibit 99.
