ITEM 8.01 Other Events

On November 14, 2008, Cordia Corporation (Cordia) Cordia issued a press release and on November 17, 2008 Cordia held a conference call, the topic of which was its quarter ended September 30, 2008 results. Both the press release and the conference call contained reference to Cordia s EBITDA for that period.

Consistent with Securities and Exchange Commission's Regulation G, the following table provides a reconciliation of Cordia's EBITDA for the three-month periods ended September 30, 2008 and 2007, to the Generally Accepted Accounting Principles (GAAP) measure of net income. EBITDA is not a measure under GAAP, is not meant to be a replacement for GAAP and should not be considered as an alternative to net income as a measure of performance or to cash flows as a measure of liquidity. We have included EBITDA data to assist in understanding our operating results. EBITDA is a measure commonly used in the telecommunications industry, and many securities analysts use EBITDA as a way of evaluating our financial performance.

| | For the Quarter Ended September 30, | | |
|---|-------------------------------------|--------------|--|
| Reconciliation of EBITDA with net (loss) income | 2008 | 2007 | |
| Net income (loss) | \$ (754,000) | \$ (304,000) | |
| Depreciation and amortization | 445,000 | 292,000 | |
| Other (income) expense | 533,000 | 206,000 | |
| Income tax expense (benefit) | 9,000 | - | |
| EBITDA | \$ 233,000 | \$ 194,000 | |
