Effective November 5, 2012 the Board of Directors of National Health Investors, Inc. (NHI) adopted an amendment to Sections 2.04.2 and 2.04.3 of its Bylaws. The amendment requires the approval of the majority of votes cast to elect a Director in uncontested elections. In the event an incumbent director standing for re-election does not receive a majority of the votes cast, the Director shall promptly tender his or her resignation to the Board of Directors. The Nominating and Corporate Governance Committee shall consider the resignation and make a recommendation to the Board of Directors as to whether to accept or reject the tendered resignation, or whether other action should be taken. The Board of Directors shall act on the tendered resignation and publicly disclose its decision regarding the tendered resignation and the rationale behind the decision within 90 days from the date of the certification of the election results. The Nominating and Corporate Governance Committee in making its recommendation, and the Board of Directors in making its decision, may each consider any factors or other information that it considers appropriate and relevant.

The foregoing description of the amendment to the Bylaws does not purport to be complete and is qualified in its entirety by reference to the complete amendment to Sections 2.04.2 and 2.04.3 of the Bylaws, a copy of which is filed as Exhibit 3.1 to this Current Report on Form 8-K.
