A copy of this earnings release is attached as Exhibit 99.1 hereto. Following the issuance of this earnings release, Omnicom hosted an earnings call in which its financial results for the three and twelve months ended December 31, 2008 were discussed. The investor presentation materials used for the call are attached as Exhibit 99.2 hereto.

On February 10, 2009, Omnicom posted the materials attached as Exhibits 99.1 and 99.2 on its web site ([www.omnicomgroup.com](http://www.omnicomgroup.com)).

As discussed on page 1 of Exhibit 99.2, the investor presentation contains forward-looking statements within the meaning of the federal securities laws. These statements are present expectations, and are subject to the limitations listed therein and in Omnicom's other SEC reports, including that actual events or results may differ materially from those in the forward-looking statements.

#### **Item 7.01 Regulation FD Disclosure.**

See Item 2.02 Results of Operations and Financial Condition above.

#### **Item 8.01 Other Events.**

On February 9, 2009, holders of \$841.2 million aggregate principal amount of Omnicom's convertible notes due 2031 had put their notes to Omnicom for purchase at par in accordance with the terms of the indenture under which the convertible notes were issued. Omnicom borrowed \$814.4 million under its existing \$2.5 billion five-year revolving credit facility and received \$26.8 million from unaffiliated equity investors in the partnership referred to below to fund the purchase of the notes. Borrowings under the credit facility bear interest at a floating base rate or Eurocurrency rate, in either case plus an applicable margin and fees. The applicable rate as of the borrowing date was 67 basis points per year.

Omnicom purchased and retired \$295.2 million aggregate principal amount of the convertible notes that had been put. A partnership controlled by Omnicom and formed for the purpose of buying the convertible notes used a portion of Omnicom's credit facility borrowings and the contributed equity to purchase the remaining \$546.0 million aggregate principal amount of convertible notes that were put. The partnership purchased the convertible notes intending to sell such notes back into the marketplace over the next 12 months if market conditions permit. The partnership will be consolidated within Omnicom's financial statements.
