Item 1.01 Entry into a Material Definitive Agreement.

On June 16, 2005, the Board of Directors approved the fiscal year 2006 current year and long-term bonus arrangements for the Company's executive officers.

The fiscal 2006 current year bonus amounts will be based on four, equally-weighted performance goals: (1) growth revenue, (2) net income, (3) cash and (4) individual performance objectives (MBOs). The quantitative performance objectives are tied to the Company's budget and are measured and paid on a quarterly basis, split 20% for each of the first three quarters and 40% for the fourth quarter.

The long-term bonus arrangements consist of a series of three one-year performance periods commencing with fiscal 2007. The amount of the payout is adjusted on a sliding scale based upon the extent to which the Company's revenue plan is achieved for each of the three years, ranging from a floor of 75% of the target award if the Company's revenue plan is not met to a cap of 200%, of the target award if revenue equals or exceeds 150% of plan. The award is paid in three annual installments following fiscal years 2007, 2008 and 2009, provided the executive is then employed by the Company. One-half of the floor amount is paid in ARI stock, valued at the time of payment, and the remainder is paid in cash.
