Community Health Systems, Inc.

166,886 Shares
Common Stock
Rescission Offer

Under the terms and conditions described in this prospectus, we are offering to rescind the previous purchase of shares of common stock, or Shares, of Community Health Systems, Inc., or CHS, by persons who acquired such Shares through the CHS Retirement Savings Plan or the CHS Spokane 401(k) Plan, between January 1, 2009 and December 1, 2009. This period is referred to as the “Purchase Period.” We refer to the CHS Retirement Savings Plan and the CHS Spokane 401(k) Plan each as a “Plan” and collectively as the “Plans.” We refer to this offer as the “Rescission Offer.”

The Rescission Offer applies to Shares purchased through a Plan during the Purchase Period at prices ranging from \$13.42 per Share to \$36.87 per Share.

If you purchased Shares through a Plan during the Purchase Period and accept the Rescission Offer, you will receive:

- In the event you sold such Shares at a loss, an amount equal to the excess of the amount you paid for such Shares over the proceeds from your sale of the Shares, plus interest in an amount described in this prospectus.
- In the event you currently hold such Shares, upon your tender of such Shares to us by accepting the Rescission Offer, the amount you paid for such Shares, plus interest from the date of the purchase. However, we will not repurchase the Shares if the amount you paid for the Shares, plus interest, is less than the market value of the Shares on the date of expiration of this Rescission Offer.

If you no longer have a Plan account, see “Questions and Answers About the Rescission Offer — Special Information for Former Plan Participants Who No Longer Have a Plan Account” on page 13 for more information.

Although this prospectus uses the term “interest” when describing the calculation of the Rescission Offer price, the term is intended to describe only the method used to calculate the payment amount, and the payment is not considered interest for federal income tax purposes. Instead, the entire amount will be considered as a payment for the sale of your Shares.

We will use a “first-in, first-out,” or “FIFO,” principle in determining whether Shares were sold at a loss. You should apply the same principle in determining whether or not to accept the Rescission Offer. Additional information about the FIFO principle and an example calculation using the FIFO principle are included under “The Rescission Offer — Terms of the Rescission Offer” on page 18.

The Rescission Offer will expire at 3:00 p.m., U.S. Central Time, on February __, 2010, which we refer to as the Expiration Date. The Expiration Date is 35 days from the date of this prospectus.

Our common stock is listed on The New York Stock Exchange under the trading symbol “CYH”. The last reported sale price of our common stock (as reported on The New York Stock Exchange) on December 29, 2009, was \$36.88 per share. Our principal executive offices are located at 4000 Meridian Boulevard, Franklin, Tennessee, 37067. Our telephone number is (615) 465-7000.

If you have a Plan account, you may elect to accept the Rescission Offer by submitting the Online Rescission Offer Acceptance Form, which is available at www.principal.com, by the Expiration Date. If you no longer have a Plan account, you may elect to accept the Rescission Offer by submitting the Rescission Offer Acceptance Form that is applicable to you and all required documentation to us on or before the Expiration Date as set forth in this prospectus. You do not need to take any action to reject the Rescission Offer. If you fail to submit the Rescission Offer Acceptance Form that is applicable to you or if you do not return all required documentation by the Expiration Date, you will be deemed by us to have rejected the Rescission Offer. Acceptance or rejection of the Rescission Offer may prevent you from maintaining any action against us based on a claim that we failed to register shares of our common stock purchased through a Plan during the Purchase Period. In any event, any such claim may be barred by applicable statutes of limitations. See “Risk Factors — Your right of rescission, if any, under federal and state law may not survive if you affirmatively reject or fail to accept the Rescission Offer” on page 15.

Investing in shares of our common stock involves risks. See “Risk Factors” on page 15.

The shares of our common stock subject to the Rescission Offer may be deemed not to have been properly registered under the Securities Act of 1933, as amended. We recently discovered that we did not register with the SEC, as required, the shares of our common stock offered and sold to participants in the Plans. These shares have now been registered by means of the Registration Statement on Form S-3 filed with the Securities and Exchange Commission, or the SEC, of which this prospectus forms a part. Accordingly, whether or not you accept the Rescission Offer, Shares that you may own through a Plan are now registered effective as of the date of this prospectus.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus. Any representation to the contrary is a criminal offense.

The date of this prospectus is _____, 20__.

QUESTIONS AND ANSWERS ABOUT THE RESCISSION OFFER

The following questions and answers are intended to address briefly some commonly asked questions regarding the Rescission Offer. These questions and answers do not address all questions that may be important to you as a participant in a Plan, or a former participant in a Plan, who acquired Shares between January 1, 2009 and December 1, 2009. Please refer to “The Rescission Offer” beginning on page 16 and the more detailed information contained elsewhere in this prospectus and the documents incorporated by reference into this prospectus, which you should read carefully.

Q: Why are you making the Rescission Offer?

A: From January 1, 2009 through December 1, 2009, Plan participants had been allowed to purchase Shares through the Plan in which they participate. The current Trustee of the Plans, Principal Trust Company, or the Trustee, purchases Shares on the open market and allocates Shares to participant Plan accounts. Although the Shares held by the Trustee were purchased in the open market, the staff of the SEC takes the position that we were required to register with the SEC the shares purchased by the Trustee on behalf of the Plan participants.

We are making the Rescission Offer with respect to 166,302 Shares sold pursuant to the CHS Retirement Savings Plan and 584 Shares sold pursuant to the CHS Spokane 401(k) Plan.

In October 2009, we became aware that these sales had not been timely registered under the Securities Act of 1933, or the Securities Act. We are making the Rescission Offer to ensure compliance with the Securities Act and to limit any contingent liability we may have as a result of possible noncompliance with applicable federal registration requirements in connection with the purchase of Shares by participants in the Plans. In determining the Purchase Period, we selected January 1, 2009, which is the date the Plans were created and participants were first permitted to purchase and sell Shares in the Plans, as the beginning date of the Purchase Period, and we selected December 1, 2009, which is the last day participants in the Plans had the ability to purchase Shares through a Plan account, as the ending date of the Purchase Period.

Q: Am I required to accept the Rescission Offer?

A: No. You are not required to accept the Rescission Offer. Your decision to accept or reject the Rescission Offer is completely voluntary. If you are an employee of CHS, acceptance or rejection of the Rescission Offer will not have any bearing or effect on your employment status.

Q: What will I receive if I accept the Rescission Offer?

A: The answer to this question depends on whether you still hold the Shares purchased through a Plan during the Purchase Period:

- If you have sold these Shares at a loss, we will pay you an amount equal to the amount of the loss, plus interest at a rate of 1.72% per year. Interest will be paid on the amount you originally paid for the Shares during the period from the date of your purchase of the Shares through the date of your sale of the Shares and on the loss you realized from your sale of the Shares from the date of your sale through the date that payment is made by us.
- If you currently hold these Shares, we will repurchase such Shares for the amount you paid for such Shares, plus interest at a rate of 1.72% per year from the date you purchased the Shares through the date that payment is made by us. However, we will not repurchase the Shares if the amount you paid for the Shares, plus interest (to the Expiration Date), is less than the market value of the Shares as of the Expiration Date, as it would not be economically beneficial to you.

We will use a “first-in, first-out,” or “FIFO,” principle in determining whether Shares were sold at a loss. You should apply the same principle in determining whether or not to accept the Rescission Offer. Additional information about the FIFO principle and an example calculation using the FIFO principle are included under “—Terms of the Rescission Offer” on page 18.

If you no longer have a Plan account, see “— Special Information for Former Plan Participants Who No Longer Have a Plan Account” on page 13 for more information.

Q: When and how will I receive payment for my Shares if I properly accept the Rescission Offer?

A: If you have a Plan account and if you complete the Online Rescission Offer Acceptance Form, which is available at www.principal.com, by 3:00 p.m., U.S. Central Time, on the Expiration Date and we determine that you are eligible to accept the Rescission Offer, we expect that on or before February __, 2010:

- All proceeds to which you are entitled by accepting the Rescission Offer will be credited to your Plan account and invested in accordance with your current investment elections for new contributions to the Plan in which you participate.
- To make changes to your current investment elections, contact Principal Financial Group at 1-800-547-7754, Monday through Friday between the hours of 7:00 a.m. and 9:00 p.m., U.S. Central Time. Proceeds will be transferred to your Plan account within 5-7 business days following the Expiration Date. We strongly encourage you to review the Summary Plan Description for your Plan that contains additional information on distribution of account balances. To obtain a copy of the Summary Plan Description for your Plan, go to www.principal.com or contact Principal Financial Group at 1-800-547-7754, Monday through Friday between the hours of 7:00 a.m. and 9:00 p.m., U.S. Central Time. Payment of proceeds directly to you may result in adverse tax consequences. See “Material U.S. Federal Income Tax Considerations” on page 24 for more information.

If you do not have a Plan account, see “— Special Information for Former Plan Participants Who No Longer Have a Plan Account” on page 13 for more information.

Q: Does the Rescission Offer apply to Shares I acquired prior to January 1, 2009?

A: No. The Rescission Offer only applies to Shares you purchased through a Plan between January 1, 2009 and December 1, 2009.

Q: What interest rate will be used in calculating any amounts owed to me?

A: We will apply an annual rate of interest of 1.72% to all interest rate calculations used in this Rescission Offer, which is the highest weekly average 1-year constant maturity Treasury yield in effect at any time during the Purchase Period plus one percent.

Q: Does it matter whether I purchased Shares through salary deferrals, rollover contributions, loan repayments, company contributions or transfers between investment funds?

A: No. All purchases of Shares through a Plan during the Purchase Period will be considered when determining whether you are eligible to accept the Rescission Offer.

Q: Should I accept the Rescission Offer?

A: You must make your own decision whether to accept the Rescission Offer. In general, it may be economically beneficial to you to accept the Rescission Offer if:

- you sold Shares you purchased during the Purchase Period for less than you paid for them; or
- you now hold Shares you purchased during the Purchase Period that on the Expiration Date will be worth less than the price you paid for the Shares, plus interest.

However, in making your decision whether to accept the Rescission Offer, you should consider all relevant factors in light of your particular circumstances, including the potential tax consequences of accepting the Rescission Offer (see “Material U.S. Federal Income Tax Consequences” on page 24 for more information) and, if you now hold Shares you purchased during the Purchase Period, the possibility that the value of such Shares may increase or decrease after the Expiration Date.

You should note, however, that under the terms of the Rescission Offer, we will not repurchase any Shares unless our records indicate that (1) you sold Shares you purchased during the Purchase Period for less than you paid for them and/or (2) you now hold Shares you purchased during the Purchase Period that on the Expiration Date are worth less than the price you paid for the Shares, plus interest. Consequently, if you are unsure whether you sold Shares at a loss or you are unsure whether Shares you have continued to hold are likely to have a value on the Expiration Date less than the Rescission Offer purchase price, you may accept the Rescission Offer by submitting the Rescission Offer Acceptance Form that is applicable to you, and we will determine whether the criteria for the repurchase of your Shares described above are satisfied. Unless these criteria are satisfied, we will not repurchase your Shares pursuant to the Rescission Offer.

In applying those criteria, we will use a “first-in, first-out,” or “FIFO,” principle in determining whether Shares were sold at a loss and whether you now hold Shares eligible for repurchase pursuant to the Rescission Offer. You should apply the same principle in determining whether or not to accept the Rescission Offer. Additional information about the FIFO principle and an example calculation using the FIFO principle are included under “The Rescission Offer — Terms of the Rescission Offer” on page 18.

WE URGE YOU TO REVIEW THIS PROSPECTUS CAREFULLY BEFORE DECIDING WHETHER TO ACCEPT OR REJECT THE RESCISSION OFFER.

If you have questions about the Rescission Offer acceptance process, you can call Principal Financial Group by dialing 1-800-547-7754, Monday through Friday between the hours of 7:00 a.m. and 9:00 p.m., U.S. Central Time.

Q: Where can I find information about my purchases and sales of Shares?

A: Detailed information about your purchases of Shares during the Purchase Period and any subsequent sales of such Shares is available to you through your online account. You can access your online account by going to www.principal.com and logging into your account.

- To find a summary of information pertaining to the Rescission Offer, click on the link for the Rescission Offer within the “Important Notice” section at the top of the “Account Information” page.
- To find details about your transaction history, click on the link for “Historical Information” at the top of the “Account Information” page. After you click on this link, you will be brought to a webpage that has a menu screen that allows you to select a date range of your prior transactions. This webpage allows you to view all transactions in which you

purchased or sold Shares during the Purchase Period, which is from January 1, 2009 through December 1, 2009.

8

If your transaction history indicates that you sold Shares at a loss, acceptance of the Rescission Offer may be economically beneficial to you. The historical transaction information available to you through your online account can also assist you in determining whether you should accept the Rescission Offer if you now hold Shares you bought during the Purchase Period. If you believe the value of a Share on the Expiration Date will be less than the amount you paid during the Purchase Period for that Share plus interest to the Expiration Date, acceptance of the Rescission Offer may be economically beneficial to you. The last reported sale price of our common stock (as reported on The New York Stock Exchange) on December 29, 2009, was \$36.88 per share.

If you have any questions about accessing your transaction history, you can find more information by accessing your account at www.principal.com. If you need further assistance or if you do not have access to your online account, you should call Principal Financial Group at 1-800-547-7754 to request a detailed listing of your transactions by mail. Please allow 5-7 days to receive your transactions history. If you have questions about the Rescission Offer, you may call Principal Financial Group by dialing 1-800-547-7754, Monday through Friday between the hours of 7:00 a.m. and 9:00 p.m., U.S. Central Time.

Q: Will my ability to direct transactions in my account be affected if I accept the Rescission Offer?

A: Yes. In order to ensure smooth processing of the Rescission Offer, if you accept the Rescission Offer, all transactions relating to the Shares in your Plan account will be temporarily suspended on the Expiration Date, whether or not we repurchase your Shares. This temporary suspension is called a "blackout period." For more information about the blackout period, see "Notice of Blackout Period." The blackout period will commence at 3:00 p.m., U.S. Central Time, on the Rescission Offer Expiration Date of February __, 2010; the blackout period is anticipated to end at 11:59 p.m., U.S. Central Time on February __, 2010. Your Plan account will not be subject to the blackout period if you do not accept the Rescission Offer.

Further, effective as of December 1, 2009, participants in the Plans no longer have the ability to purchase Shares through a Plan account (although participants who hold existing Shares in a Plan account continue to be permitted to keep those Shares in the Plan account). **ACCORDINGLY, PARTICIPANTS IN THE PLANS WHOSE SHARES ARE PURCHASED PURSUANT TO THE RESCISSION OFFER WILL NOT BE ABLE TO REINVEST THEIR RESCISSION OFFER PROCEEDS IN SHARES THROUGH A PLAN ACCOUNT.**

Q: May I accept the Rescission Offer in part?

A: No. If you accept the Rescission Offer, then you must accept it for all Shares that were purchased during the Purchase Period that you still hold as well as all Shares that you purchased during the Purchase Period that were sold at a loss. As described above, however, if you accept the Rescission Offer, we will repurchase only those Shares that, as of the Expiration Date, have a value less than the price you paid for the Shares, plus interest (to the Expiration Date).

If you do not accept the Rescission Offer in full, you will retain ownership of all of your Shares and will not receive any payment for the Shares subject to the Rescission Offer.

Q: What happens if I accept the Rescission Offer for Shares that I currently hold but the amount I would receive for the Shares is less than the market value of the Shares on the Expiration Date?

A: If you submit the Rescission Offer Acceptance Form applicable to you, we will not repurchase those Shares for which the price per Share that you paid, plus interest (to the Expiration Date), is less than the market value of a Share as of the Expiration Date. Accordingly, those Shares will remain in your Plan account if you have a Plan Account and you completed the Online Rescission Offer Acceptance Form or those Shares will be returned to you if you no longer have a Plan Account and you completed Rescission Offer Acceptance Form B.

Q: When does the Rescission Offer expire?

A: The Rescission Offer expires at 3:00 p.m., U.S. Central Time, on February __, 2010, which is 35 days from the date of this prospectus.

Q: Will CHS directors and officers participate in the Rescission Offer?

A: Non-employee members of our Board of Directors were not eligible to participate in the Plans and therefore are not eligible to participate in the Rescission Offer. Our current executive officers, including employee members of our Board of Directors, did not participate in the Plans and therefore are not eligible to participate in the Rescission Offer.

Q: If I choose to accept the Rescission Offer, which Acceptance Form should I complete?

A: If you choose to accept the Rescission Offer and you are a current or former Plan participant with a Plan account, you should complete the Online Rescission Offer Acceptance Form that is available at www.principal.com.

Special Information for Former Plan Participants Who No Longer Have a Plan Account

Q: What will I receive if I no longer have a Plan account and took my distribution in the form of shares of CHS common stock and I still hold those shares?

A: Because you took a distribution from the Plan in the form of common stock, you may have special tax considerations — referred to as “Net Unrealized Appreciation” or “NUA” that apply to any sale of your CHS common stock. **ACCORDINGLY, YOU ARE STRONGLY ADVISED TO CONSULT WITH YOUR INDEPENDENT TAX ADVISER BEFORE ACCEPTING THIS RESCISSION OFFER.**

To accept the Rescission Offer you must mail us a properly completed Rescission Offer Acceptance Form B, then a three-step process will occur:

First, you (or your Individual Retirement Account (IRA) or eligible retirement plan into which you rolled over your distribution from the Plan) will tender the Shares acquired under the Plan during the Purchase Period. Specifically, you must give us the stock certificates (or other evidence of stock ownership, as explained on Rescission Offer Acceptance Form B (included with this prospectus as Appendix D)) as part of your acceptance of this Rescission Offer. After you tender your Shares, you will no longer own the Shares that are repurchased pursuant to the Rescission Offer. If you submit a Rescission Offer Acceptance Form B, we will not repurchase those Shares for which the price per common stock that you paid, plus interest (to the Expiration Date), is less than the market value of a Share as of the Expiration Date. Accordingly, those Shares will be returned to you. If we repurchase your Shares, we will pay you an amount equal to the amount that you paid for such Shares, plus interest. The next two steps describe how this amount will be paid to you in two separate payments.

Second, with respect to any Shares that are repurchased, an amount equal to the market value of the repurchased Shares (based on the closing price of CHS common stock on the Expiration Date) will be distributed to you (or your IRA or other eligible retirement plan) in cash.

Third, a new Plan account will be established on your behalf, into which we will deposit the difference between the amount you paid for the repurchased Shares and the market value of the repurchased Shares on the Expiration Date, plus interest at a rate of 1.72% per year from the date of your purchase of the Shares through the date that payment is made by us. These amounts will be invested in a Principal LifeTime Fund based on your date of birth and estimated

retirement date. To transfer these amounts to other investments after the proceeds have been deposited, go to www.principal.com or call Principal Financial Group at 1-800-547-7754, Monday through Friday between the hours of 7:00 a.m. and 9:00 p.m., U.S. Central Time.

Q: What will I receive if I no longer have a Plan account and took my Plan distribution in the form of shares of CHS common stock, and I (or my IRA or eligible retirement plan) have since sold the shares at a loss?

A: If you (or your IRA or eligible retirement plan) accept the Rescission Offer and provide evidence satisfactory to us of the sale of the Shares acquired during the Purchase Period at a loss (such as a broker's confirmation), then a new Plan account will be established on your behalf, into which we will deposit an amount equal to the loss, plus interest at a rate of 1.72% per year. Interest will be paid on the amount you originally paid for the Shares acquired during the Purchase Period through the date you sold the Shares and on the loss you realized from your sale of the Shares from the date of your sale through the date that payment is made by us. These amounts will be invested in a Principal LifeTime Fund based on your date of birth and estimated retirement date. To transfer these amounts to other investments after the proceeds have been deposited, go to www.principal.com or call Principal Financial Group at 1-800-547-7754, Monday through Friday between the hours of 7:00 a.m. and 9:00 p.m., U.S. Central Time.

Q: What will I receive if I no longer have a Plan account and took my distribution from the Plan in cash, and I sold Shares at a loss before I took my distribution?

A: If you accept the Rescission Offer and if Shares were purchased under the Plan during the Purchase Period and sold at a loss, then a new Plan account will be established on your behalf, into which we will deposit an amount equal to the purchase price paid for the Shares purchased on your behalf, minus an amount attributable to the price at which you sold your shares for purposes of transferring the value of the CHS common stock to other investment funds or to raise cash for distribution, plus interest at a rate of 1.72% per year. Interest will be paid on the amount you originally paid for the Shares acquired during the Purchase Period through the date of your sale of the Shares and on the loss you realized from your sale of the Shares from the date of your sale of the Shares through the date that payment is made by us. These amounts will be invested in a Principal LifeTime Fund based on your date of birth and estimated retirement date. To transfer these amounts to other investments after the proceeds have been deposited, go to www.principal.com or call Principal Financial Group at 1-800-547-7754, Monday through Friday between the hours of 7:00 a.m. and 9:00 p.m., U.S. Central Time.

Q: If a Plan account is established on my behalf, how may I take a distribution from my Plan account?

A: If a new Plan account has been established for you as described above, distributions from your Plan account will be available in accordance with the terms of your Plan as follows:

- Plan account balance greater than \$5,000. If your Plan account balance will be greater than \$5,000, your assets will remain in the Plan until you choose a distribution in one of the forms available under the Plan. Absent an election by you, your account balance will remain in the Plan until a distribution is required by the Plan's mandatory distribution rules. You should review the Summary Plan Description for your Plan for more information on the forms of benefit available and mandatory distribution events.
- Plan account balance greater than \$250 but less than or equal to \$5,000. If your Plan account balance will be greater than \$250 but less than or equal to \$5,000, you will be required to elect one of the following: (1) direct rollover to an IRA or another qualified plan, or (2) lump sum payment. If you do not make one of these elections within 60 days from the date your rescission proceeds are deposited into your Plan account, your account balance will automatically be directed to a rollover IRA. You will be provided with a notice and information about distribution options approximately 60 days prior to your account balance being automatically rolled over. The materials include the name and contact information for the company in which your automatic rollover will be invested and an explanation of how to access information about any fees and expenses and how they will affect your IRA.

-

Plan account balance of \$250 or less. If your Plan account balance will be less than or equal to \$250, your account balance will be distributed to you in a lump sum.

RISK FACTORS

An investment in our common stock involves risks. You should carefully consider the following risk factors relating to the Rescission Offer in addition to the risks identified in “Cautionary Statement Regarding Forward-Looking Statements” above and the risks identified in our Annual Report on Form 10-K for the year ended December 31, 2008, as supplemented by the information contained under the caption “Item 1A. Risk Factors” in our Quarterly Reports on Form 10-Q for the periods ending March 31, 2009, June 30, 2009 and September 30, 2009. Please see “Where You Can Find More Information” on page 27.

The Rescission Offer may not bar claims relating to our possible non-compliance with securities laws, and we may continue to be contingently liable for rescission or damages in an indeterminate amount.

It is not certain that the Rescission Offer will have the effect of barring claims relating to our possible non-compliance with applicable federal securities laws. If a person accepts the Rescission Offer, we believe our potential liability to that person will be eliminated. Should the Rescission Offer be rejected, we may continue to be contingently liable for rescission or damages, which could result in an adverse effect on our results of operations and liquidity. In addition, the Rescission Offer will not prevent regulators from pursuing enforcement actions or imposing penalties and fines against us with respect to any violations of securities laws.

Your right of rescission, if any, under federal and state law may not survive if you affirmatively reject or fail to accept the Rescission Offer.

The rights remaining to the recipients of a rescission offer are not clearly delineated under federal or certain state securities laws. If you affirmatively reject or fail to accept the Rescission Offer, it is unclear whether your federal right of rescission, if any, will be preserved. The staff of the SEC takes the position that a person’s federal right of rescission may survive a rescission offer. However, the few federal courts that have addressed this issue in the past have suggested that, at least in certain circumstances, a person who rejects or fails to accept a rescission offer may be precluded from later seeking similar relief.

The Rescission Offer may also affect your right of rescission and your right to damages, if any, under state law. We believe that the sale of shares of our common stock that are the subject of the Rescission Offer were exempt from registration under state laws. Furthermore, we believe that the Rescission Offer is exempt from registration under the laws of such states and thus need not comply with the laws of such states regulating such offers. However, we do not make any representation as to the compliance of this Rescission Offer with applicable state law. Under most state laws, acceptance or rejection of rescission offers may preclude offerees from initiating an action against the rescission offeror in connection with the registration of securities that are the subject of the rescission offer. We may argue, among other defenses, in any litigation initiated by a person eligible to participate in the Rescission Offer who accepts or rejects the Rescission Offer, that such person may not assert such claims as a result of the Rescission Offer.

Generally, the statute of limitations for enforcement of federal statutory rescission rights by a security holder is one year commencing on the date of the sale of the security sold in violation of the federal registration requirements, but in no event later than three years after the security was bona fide offered to the public. Statutes of limitations under state laws vary by state, with the limitation time period under some state statutes not typically beginning until the facts giving rise to a violation are known. Our Rescission Offer is not an admission that we did not comply with any federal and state registration or disclosure requirements nor is it a waiver by us of any applicable statute of limitations or any potential defense we may have. Determining when a statute of limitations

expires under federal or state law can be a complicated issue, and you should consult with an attorney if you have any questions regarding how federal or state statutes of limitations may apply to any claims you have.

If you accept the Rescission Offer, you will not be permitted to conduct any transactions related to the Shares within your Plan account for a period of time following the Expiration Date.

Because you will not be permitted to conduct any transactions with respect to your Plan account for a period of time following the Expiration Date, you will be subject to the risk that, due to events in the securities markets, the value of your account could decline significantly during this period and you would not be able to make transfers to avoid or mitigate this result. This blackout period will commence at 3:00 p.m., U.S. Central Time, on the Rescission Offer Expiration Date of February __, 2010; the blackout period is anticipated to end at 11:59 p.m., U.S. Central Time on February __, 2010. In addition, any proceeds you receive for the sale of Shares in the Rescission Offer will not be deposited into your Plan account for up to 5-7 business days following the Expiration Date. If you still have a Plan account, these proceeds will be allocated to your Plan account in accordance with your current investment elections for new contributions to your Plan. In all cases, you will be subject to the risk that the purchase price of the applicable investment could increase in value prior to the reinvestment of proceeds in your account, resulting in a higher unit cost for such investment. See "Notice of Blackout Period" below for additional information.

Further, effective as of December 1, 2009, participants in the Plans no longer have the ability to purchase Shares through a Plan account (although participants who hold existing Shares in a Plan account continue to be permitted to keep those Shares in the Plan account). **ACCORDINGLY, PARTICIPANTS IN THE PLANS WHOSE SHARES ARE PURCHASED PURSUANT TO THE RESCISSION OFFER WILL NOT BE ABLE TO REINVEST THEIR RESCISSION OFFER PROCEEDS IN SHARES THROUGH A PLAN ACCOUNT.**

THE RESCISSION OFFER

Background and Reasons for the Rescission Offer

CHS/Community Health Systems, Inc., a subsidiary of Community Health Systems, Inc., is the current sponsor of the Plans. On January 1, 2009, the sponsor merged the Triad Hospitals, Inc. Retirement Savings Plan, the Abilene Physicians Group 401(k) Plan and Trust and the Regional Employee Assistance Program 401(k) Plan with and into the Community Health Systems, Inc. 401(k) Plan. Contemporaneously, the sponsor also established the CHS Retirement Savings Plan, and the accounts of substantially all participants in the Community Health Systems, Inc. 401(k) Plan were transferred subsequently to the CHS Retirement Savings Plan. The sponsor also established the CHS Spokane 401(k) Plan on January 1, 2009 for the exclusive benefit of certain employees of the Deaconess Medical Center and Valley Hospital and Medical Center and their beneficiaries.

The Rescission Offer applies only to Shares purchased through the CHS Retirement Savings Plan or the CHS Spokane 401(k) Plan during the Purchase Period. The Rescission Offer does not apply to Shares a participant acquired through the Community Health Systems, Inc. 401(k) Plan that were transferred to the participant's account under the CHS Retirement Savings Plan.

16

The Plans are qualified defined contribution plans under Section 401(a) of the Internal Revenue Code of 1986, as amended. The purpose of the Plans is to provide a voluntary, systematic method for participants to save a specified percentage of the participant's compensation for retirement and to defer federal income tax and, where allowed, state, city and county income tax, on such compensation. Principal Trust Company was appointed Trustee of the Plans on January 1, 2009.

Amounts in participants' accounts are held in a trust fund maintained for the benefit of participants in the Plans. Participant investment options consist of certain investment funds and common or collective trust funds. All contributions to a participant's Plan account are invested in accordance with his or her investment elections.

From January 1, 2009 through December 1, 2009, Plan participants had been allowed to purchase shares of CHS common stock through the Plan in which they participate. The Trustee purchased Shares on the open market and allocated Shares to participant Plan accounts. Although the shares of CHS common stock held by the Trustee are purchased in the open market, the staff of the SEC takes the position that we were required to register with the SEC the shares purchased by the Trustee on behalf of the Plan participants. In October 2009, we discovered that we did not register with the SEC, as required, the shares of our common stock offered and sold to participants in the Plans. Our inadvertent failure to register with the SEC the sale of shares of our common stock under the Plans may have constituted a violation of Section 5 of the Securities Act (which generally requires registration of offers and sales of securities) and may give rise to liability under Section 12 of the Securities Act (which generally provides a rescission remedy for offers and sales of securities in violation of Section 5).

We are making the Rescission Offer with respect to 166,886 Shares sold during the Purchase Period. We are making the Rescission Offer to ensure compliance with the Securities Act and to limit any contingent liability we may have as a result of possible noncompliance with applicable federal registration requirements in connection with the purchase of Shares by Plan participants. In determining the Purchase Period, we selected January 1, 2009, which is the date the Plans were created and participants were first permitted to purchase and sell Shares in the Plans, as the beginning date of the Purchase Period, and we selected December 1, 2009, which is the last day participants in the Plans had the ability to purchase Shares through a Plan account, as the ending date of the Purchase Period. Please note that non-employee members of our Board of Directors were not eligible to participate in the Plans and therefore are not eligible to participate in the Rescission Offer. Our current executive officers, including employee members of our Board of Directors, did not participate in the Plans and therefore are not eligible to participate in the Rescission Offer.

Effect of the Rescission Offer

If you reject, fail to timely accept, or fail to accept in full, the Rescission Offer by 3:00 p.m., U.S. Central Time, on the Expiration Date, or if you accept the Rescission Offer but we determine that you are not eligible to accept the Rescission Offer under the terms set forth in this prospectus, you will retain ownership of the Shares and will not receive any payment for the Shares subject to the Rescission Offer. In addition, the Shares that you now own that are subject to the Rescission Offer, for purposes of applicable federal securities law, will be registered securities as of the date of this prospectus.

Your acceptance of the Rescission Offer may preclude you from later seeking similar relief, if any is available. It is unclear if, for federal securities law purposes, rejection or the failure to accept a rescission offer terminates an offeree's right to bring a civil action against the offeror for failure to register securities under the Securities Act. The staff of the SEC takes the position that a person's federal right of rescission may survive a rescission offer. However, the few federal courts that have addressed this issue in the past have suggested that, at least in certain circumstances, a person who rejects or fails to accept a rescission offer may be precluded from later seeking similar relief.

The above discussion relates primarily to your potential rescission rights and does not address the antifraud provisions of federal securities laws or rights under state securities laws, common law or equity. Under Section 10(b) of the

Securities Exchange Act of 1934 and Rule 10b-5 thereunder, a person is liable for damages caused by a material misrepresentation or omission intentionally or recklessly made by that person in connection with the sale of a security. Because we only recently became aware that we were required to register the Shares, we do not believe that we are subject to liability pursuant to Section 10(b) or Rule 10b-5. We also believe that the sale and issuance of

17

shares of our common stock that are the subject of the Rescission Offer were exempt from registration under state laws. Furthermore, we believe that this Rescission Offer is exempt from registration under state laws and thus need not comply with state laws regulating such offers. However, we do not make any representation as to the compliance of this Rescission Offer with any applicable state law. Please note that under most state laws, acceptance or rejection of rescission offers may preclude offerees from initiating an action against the rescission offeror in connection with the registration of securities that are the subject of the rescission offer.

Generally, the federal statute of limitations for enforcement of such statutory rights by a security holder is one year commencing on the date of the sale of the security sold in violation of the federal registration requirements, but in no event later than three years after the security was bona fide offered to the public. Statutes of limitations under state laws vary by state, with the limitation period under some state statutes not typically beginning until the facts giving rise to the violation are known. Our Rescission Offer is not an admission that we did not comply with any federal or state registration or disclosure requirement nor is it a waiver by us of any applicable statute of limitations or any potential defense we may have. Determining when a statute of limitations expires under federal or state law can be a complicated issue, and you should consult with an attorney if you have any questions regarding how federal or state statutes of limitations may apply to any claims you have or regarding any of your legal rights and remedies before deciding whether or not to accept the Rescission Offer.

Terms of the Rescission Offer

If you purchased Shares through a Plan during the Purchase Period and have already sold such Shares through a Plan at a loss, you may accept the Rescission Offer, in which case you will receive an amount equal to the amount you paid for the Shares less the proceeds of the sale of the Shares, plus interest at a rate of 1.72% per year. Interest will be paid on the amount originally paid for the Shares from the date you purchased the Shares through the date you sold the Shares. Interest will also be paid on the loss realized from your sale of the Shares from the date of such sale through the date that payment is made by us.

If you currently have a Plan account that holds Shares purchased during the Purchase Period, you may accept the Rescission Offer, in which case the Trustee will sell the Shares to the Company at the price you paid for such Shares. The proceeds of such sale will be transferred to your Plan account. In addition, we will credit your account with interest at a rate of 1.72% per year for the period from the date you purchased the Shares to the date payment is made by us. However, we will not repurchase any Share if the price you paid for the Share plus interest (to the Expiration Date) is less than the market value of the Share as of the Expiration Date, as it would not be economically beneficial to you.

Shares are deemed sold in the order in which you purchased them. In order to determine which Shares acquired during the Purchase Period are eligible for repurchase and which, if any, Shares so acquired were sold at a loss, all Shares acquired on your behalf will be matched against all sales of Shares after January 1, 2009 and before the Expiration Date by matching the first Share acquired with the first Share sold. This principle, commonly called “first-in, first-out,” or “FIFO,” will be used by CHS in determining which Shares you sold at a loss and which Shares you now hold are eligible for repurchase and should be used by you to help determine whether or not you wish to accept the Rescission Offer. An example of the FIFO determination is shown below.

Let’s assume that Ms. Jones has the following transaction history:

Type	Date of Transaction	Shares
Purchase	02/06/09	100
1	03/04/09	25

Purchase

2

Sale 1 03/23/09 50

Sale 2 04/24/09 50

Purchase09/15/09 50

3

Sale 3 11/20/09 50

18

In order to follow the FIFO determination, Ms. Jones first identifies the date and number of Shares of the first purchase of Shares during the Purchase Period. Then Ms. Jones identifies the date and number of Shares of the first sale of Shares during or after the Purchase Period. Ms. Jones' calculation looks like this:

	Date	Purchase of Shares	Sale of Shares	Amount of Loss Recognized Per Share	Balance of Shares
Purchase 1	02/06/09	100 Shares (at \$21 per Share)	—	—	100
Purchase 2	03/04/09	25 Shares (at \$15 per Share)	—	—	125
Sale 1	03/23/09	—	50 Shares (at \$15 per Share)	50 Shares at \$6 loss per Share (1)	75
Sale 2	04/24/09	—	50 Shares (at \$20 per Share)	50 Shares at \$1 loss per Share (2)	25
Purchase 3	09/15/09	50 Shares (at \$35 per Share)	—	—	75
Sale 3	11/20/09	—	50 Shares (at \$31 per Share)	25 Shares at \$16 gain per Share; 25 Shares at \$4 loss per Share (3)	25

(1) Shares sold on 03/23/09 are matched against Shares purchased on 02/06/09.

(2) Shares sold on 04/24/09 are matched against Shares purchased on 02/06/09.

(3) Shares sold on 11/20/09 are matched first against Shares purchased on 03/04/09 and then against Shares purchased on 09/15/09.

Using the above calculations, Ms. Jones sold 125 Shares at a loss during the Purchase Period and 25 Shares at a gain during the Purchase Period. Under the Rescission Offer, Ms. Jones is eligible to receive a cash amount equal to the amount of loss, plus interest for those Shares sold at a loss. In addition, using the above calculations, Ms. Jones continues to hold 25 Shares that were purchased during the Purchase Period on 09/15/09 for \$35 per Share. For these 25 Shares, Ms. Jones is eligible to receive a cash amount equal to the amount she paid for such Shares, plus interest. (However, Ms. Jones is not eligible to receive cash if the amount she paid for the Shares, plus interest, is less than the fair market value of the Shares on the Expiration Date, as it would not be economically beneficial to her.)

We will apply an annual rate of interest of 1.72% to all interest rate calculations used in this Rescission Offer. U.S. federal law does not provide a specific rate of interest to be used in rescission offers. In the absence of a required federal rate of interest, we will apply an annual rate of interest of 1.72% to all interest rate calculations used in this Rescission Offer, which is the highest weekly average 1-year constant maturity Treasury yield in effect at any time

during the Purchase Period plus one percent.

The Rescission Offer will expire at 3:00 p.m., U.S. Central Time, on February __, 2010, which is 35 days from the date of this prospectus. If you submit the Rescission Offer Acceptance Form applicable to you, and we receive all required documentation from you on or before the deadline specified in the preceding sentence, and we determine that you are eligible to accept the Rescission Offer, we expect any proceeds to which you are entitled will be credited to your Plan account, or a Plan account established for you within 5-7 business days following the Expiration Date.

19

If you still have a Plan account, we will credit all proceeds resulting from acceptance of the Rescission Offer to your Plan account in accordance with your current investment elections for new contributions to your Plan. If you no longer have a Plan account and you did not take a distribution from a Plan in the form of shares of CHS common stock (and you accepted the Rescission Offer by completing Rescission Offer Acceptance Form A), a Plan account will be established for you and all proceeds payable to you under this Rescission Offer will be invested in a Principal LifeTime Fund based on your date of birth and estimated retirement date. If you no longer have a Plan account and you received a distribution from a Plan in the form of CHS common stock (and you accepted the Rescission Offer by completing Rescission Offer Acceptance Form B), a portion of the proceeds payable to you under the Rescission Offer will be paid to you in cash and a portion will be paid into a Plan account that will be established for you and invested in a Principal LifeTime Fund based on your date of birth and estimated retirement date. The Plans' distribution rules vary based on your personal circumstances such as your account balance, age and employment status. As a result, you should review the Summary Plan Description for your Plan and the "Questions and Answers About the Rescission Offer" located in this prospectus for more information on your distribution options. Payment of proceeds directly to you may result in adverse tax consequences (see "Material U.S. Federal Income Tax Considerations" on page 24 for more information).

Further, effective as of December 1, 2009, participants in the Plans no longer have the ability to purchase Shares through a Plan account (although participants who hold existing Shares in a Plan account continue to be permitted to keep those Shares in the Plan account). **ACCORDINGLY, PARTICIPANTS IN THE PLANS WHOSE SHARES ARE PURCHASED PURSUANT TO THE RESCISSION OFFER WILL NOT BE ABLE TO REINVEST THEIR RESCISSION OFFER PROCEEDS IN SHARES THROUGH A PLAN ACCOUNT.**

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES

The following discussion summarizes the material U.S. federal income tax considerations relating to the Rescission Offer. This discussion is based on current law. The following discussion is not exhaustive of all possible tax consequences. It does not give a detailed discussion of any federal estate or gift tax consequences or any state, local or foreign tax consequences, nor does it discuss all of the aspects of U.S. federal income taxation that may be relevant to you in light of your particular circumstances and only applies if you are an individual citizen or resident of the United States that acquired the Shares.

You are urged to consult with your own tax advisor regarding the specific consequences to you of the Rescission Offer, including the U.S. federal, state, local, foreign and other tax consequences and the potential changes in applicable tax laws.

Tax Consequences to Current Participants and Former Participants who Continue to Have a Plan Account

Your acceptance or rejection of the Rescission Offer, or the sale of the Shares pursuant to the Rescission Offer or the receipt of the specified payment if you had previously sold your Shares at a loss, is not considered to be a taxable event before withdrawal or distribution of funds from your Plan account. If you currently have a Plan account, your proceeds from the Rescission Offer will be credited to your Plan account and will be invested in accordance with your current investment elections in your Plan. Upon any later withdrawal or distribution, any gain resulting from the Rescission Offer may result in taxable income to you and may have other tax consequences depending on the manner you choose to receive distributions from your Plan account. The Plans' distribution rules vary based on your personal circumstances such as your account balance, age, and employment status. As a result, you should review the Summary Plan Description for your Plan for more information on your distribution options. A direct rollover into an individual retirement account or other qualified retirement plan is not considered to be a taxable event. If you receive a distribution from your Plan and do not roll it over, such distribution will generally be taxable as ordinary income to you and may be subject to mandatory withholding. An additional ten percent income tax may be imposed if you have not yet attained age 59½. For more information on the tax treatment of Plan distributions, see the Summary Plan Description for your Plan.

Tax Consequences to Former Participants Who No Longer Have a Plan Account

In general, many aspects of the tax treatment applicable to payments made in respect of former participants are unclear. **ACCORDINGLY, ALL FORMER PARTICIPANTS ARE STRONGLY ADVISED TO CONSULT WITH THEIR INDEPENDENT TAX ADVISORS BEFORE ACCEPTING THIS RESCISSION OFFER.**

Former Participants Who Received and Still Hold Stock

Because you took a distribution from the Plan in the form of common stock, you may have special tax considerations — referred to as “Net Unrealized Appreciation” or “NUA” that apply to any sale of your CHS common stock. You are strongly urged to consult your tax adviser for further details.

Former Participants Who Received Stock and Rolled It Over to an IRA or Other Qualified Plan

If you no longer have a Plan account, you took a distribution of your Plan account in the form of shares of CHS common stock and rolled that distribution over into an IRA or other eligible retirement plan, and the IRA or other eligible plan still holds those shares, a portion of the funds we pay as a result of your acceptance of the Rescission Offer will be paid to the IRA or eligible retirement plan (or their successors) to which you rolled over you initial distributions from the Plan, as you direct on Rescission Offer Acceptance Form B. The portion of the funds paid to your IRA or eligible plan will be equal to the market value of the repurchased shares (based on the closing price of

CHS common stock on the Expiration Date). The payment of these amounts to your IRA or eligible plan should not be a taxable event. However, upon any later distribution of those funds from your IRA or other eligible plan, the amounts generally will be taxable to you (or your beneficiary) as ordinary income and may be subject to mandatory withholding and a 10% federal income tax penalty in cases of some early distributions from the IRA or other eligible plan.

Any remaining amounts payable in connection with your acceptance of the Rescission Offer will be paid into a new Plan account established on your behalf. Although the treatment of these amounts is unclear, the payment of these amounts to your new Plan account should not be a taxable event. However, upon any later distribution of those funds, the amounts generally will be taxable to you (or your beneficiary) as ordinary income and may be subject to mandatory withholding and a 10% federal income tax penalty in cases of some early distributions from the Plan. The Plans' distribution rules vary based on your personal circumstances such as your account balance, age, and employment status. As a result, you should review the Summary Plan Description for your Plan.

Former Participants Who Received Stock and did not Roll Over their Stock

If you no longer have a Plan account, took a distribution of your Plan account in the form of shares of CHS common stock, did not roll it over and still hold the shares, we will pay to you directly in cash an amount equal to the market value of the shares repurchased pursuant to the Rescission Offer (based on the closing price of CHS common stock on the Expiration Date). Any amount paid directly to you should be treated as a taxable redemption of stock. That redemption may be treated as a sale or exchange or as a dividend for federal income tax purposes depending on the application of the tax rules to your individual circumstances. The redemption may result in capital gain to you, in which case, the gain should be short-term or long-term depending on your holding period for the shares. You should consult with your own tax adviser with regard to the tax treatment of such a distribution to you.

Any remaining amounts payable in connection with your acceptance of the Rescission Offer will be paid into a new Plan account established on your behalf. Although the treatment of these amounts is unclear, the payment of these amounts to your new Plan account should not be a taxable event. However, upon any later distribution of those funds, the amounts generally will be taxable to you (or your beneficiary) as ordinary income and may be subject to mandatory withholding and a 10% federal income tax penalty in cases of some early distributions from the Plan. The Plans' distribution rules vary based on your personal circumstances such as your account balance, age, and employment status. As a result, you should review the Summary Plan Description for your Plan.

Other Former Participants in the Plan Who Received a Distribution

If you are a former participant who does not have a Plan account and you (i) did not take a distribution in CHS Stock, or (ii) took a distribution in CHS Stock and sold it, all proceeds due to you under the Rescission Offer will be paid to a new Plan account established on your behalf. Although the treatment of these amounts is unclear, the payment of these amounts to your new Plan account should not be a taxable event. However, upon any later distribution of those funds, the amounts generally will be taxable to you (or your beneficiary) as ordinary income and may be subject to mandatory withholding and a 10% federal income tax penalty in cases of some early distributions from the Plan. The Plans' distribution rules vary based on your personal circumstances such as your account balance, age, and employment status. As a result, you should review the Summary Plan Description for your Plan.

To ensure compliance with U.S. Treasury Department Circular 230, we inform you that the preceding discussion (and any other discussion of U.S. federal tax issues herein) is written in connection with the promotion or marketing of the Rescission Offer and is not intended to be relied upon, and cannot be relied upon) by a participant in such offer for the purpose of avoiding penalties that may be imposed under the Internal Revenue Code. Each prospective participant in the Rescission Offer should seek advice based on his or her own particular circumstances from an independent tax advisor.

USE OF PROCEEDS

We will receive no proceeds from the Rescission Offer.

NOTICE OF BLACKOUT PERIOD

This notice is intended to comply with the requirements of Department of Labor Final Regulation Relating to Notice of Blackout Periods to Participants and Beneficiaries, 29 C.F.R. Section 2520.101-3, to the extent such requirements apply to the Rescission Offer. Accordingly, this notice is intended to inform affected participants (and beneficiaries) of the Plans of a “blackout period” during which their right to direct or diversify their Plan investments may be temporarily suspended.

If you accept this Rescission Offer, all transactions related to Shares in your Plan account will be temporarily suspended on the Expiration Date, whether or not we repurchase your Shares. The temporary suspension is called a “blackout period.” The blackout period will begin at 3:00 p.m., U.S. Central Time, on February __, 2010, and will end at 11:59 p.m., U.S. Central Time on February __, 2010. You will be notified in the event that the blackout period is extended past February __, 2010.

The blackout period is required to ensure smooth processing of the Rescission Offer. The Trustee will not permit any transactions related to Shares in your Plan account during the blackout period. This means:

- you will be unable to direct your investment in Shares in your Plan account during the blackout period; and
- all requests for loans and distributions (including hardship distributions) that require Shares to be sold by the Trustee will be delayed until after the blackout period ends (any requests made during the blackout period do not need to be remade once the blackout period ends).

You will need to initiate any requests prior to 3:00 p.m., U.S. Central Time, on the date the blackout begins for those requests to take effect. It is important that you review and consider the appropriateness of your current investments in light of your inability to direct or diversify investments in your Plan account during the blackout period. For your long-term retirement security, you should give careful consideration to the importance of a well-balanced and diversified investment portfolio, taking into account all your assets, income and investments. You should be aware that there is a risk to holding substantial portions of your assets in the securities of any one company, such as the Shares, as individual securities tend to have wider price swings, up and down, in short periods of time, than investments in diversified funds. Our common stock may have a wide price swing during the blackout period resulting in a large loss, and you will not be able to direct the sale of Shares from your Plan account during the blackout period.

If you have any questions concerning this notice or the blackout period, including whether the blackout period has ended, you should contact Principal Financial Group at 1-800-547-7754, Monday through Friday, between 7:00 a.m. and 9:00 p.m., U.S. Central Time. Whether or not you are planning retirement in the near future, we encourage you to consider how this blackout period may affect your retirement planning, as well as your overall financial plan.

For additional information and limitations on Plan investments and how to direct investment of your Plan account, see the Summary Plan Description for your Plan. To obtain a copy of the Summary Plan Description for your Plan, you may view and print a copy from www.principal.com or you may contact Principal Financial Group at 1-800-547-7754, Monday through Friday, between 7:00 a.m. and 9:00 p.m., U.S. Central Time.

WHERE YOU CAN FIND MORE INFORMATION

We maintain an Internet website at www.chs.net. All of our reports filed with the SEC (including annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, and proxy statements) are accessible free of charge through the Investor Relations section of our website at <http://www.chs.net/investor/index.htm>, as soon as reasonably practicable after electronic filing. The public may read and copy any materials that we file with the SEC at the SEC's Public Reference Room at 100 F Street, NE, Room 1580, Washington, DC 20549. You may obtain information on the operation of the Public Reference Room by calling the SEC at 1-800-SEC-0330. The SEC maintains an Internet site that contains reports, proxy and information statements, and other information regarding issuers that file electronically with the SEC at www.sec.gov.

We have filed with the SEC a registration statement under the Securities Act that registers the distribution of the securities offered hereby. The registration statement, including the attached exhibits, contains additional relevant information about us and the securities being offered. This prospectus, which forms part of the registration statement, omits certain of the information contained in the registration statement in accordance with the rules and regulations of the SEC. Reference is hereby made to the registration statement and related exhibits for further information with respect to us and the securities offered hereby. Statements contained in this prospectus concerning the provisions of any document are not necessarily complete and, in each instance, reference is made to the copy of such document filed as an exhibit to the registration statement or otherwise filed with the SEC. Each such statement is qualified in its entirety by such reference. We have not incorporated by reference into this prospectus the information in, or that can be accessed through, our website, and you should not consider it to be a part of this prospectus.

INCORPORATION OF CERTAIN DOCUMENTS BY REFERENCE

We incorporate into this prospectus by reference the following documents filed by us with the SEC, each of which should be considered an important part of this prospectus:

- Our Annual Report on Form 10-K for the year ended December 31, 2008, filed on February 27, 2009, which contains the Company's audited consolidated financial statements for the fiscal year ended December 31, 2008;
- Our Quarterly Reports on Form 10-Q filed on April 29, 2009, July 31, 2009 and October 30, 2009 for the periods ended March 31, 2009, June 30, 2009 and September 30, 2009, respectively;
 - Our Current Reports on Form 8-K filed on February 27, 2009, May 11, 2009 and May 21, 2009; and
- The description of our common stock, par value \$0.01 per share, contained in the Company's Registration Statement on Form 8-A filed on June 5, 2000.

Effective January 1, 2009, the Company adopted a newly effective accounting standard relating to noncontrolling interests in consolidated financial statements, as described more fully in our 2009 unaudited interim consolidated financial statements, as previously issued. The adoption of this new standard did not have a material impact on our financial condition, results of operations or cash flows. However, it did impact the presentation and disclosure of noncontrolling (minority) interests in our consolidated financial statements. As a result of the retrospective presentation and disclosure requirements of the standard, the Company will be required to reflect the change in presentation and disclosure for all periods presented in future filings.

The principal effect on the prior year consolidated balance sheets is summarized as follows (in thousands):

	December 31,	
Consolidated Balance Sheets	2008	2007

Edgar Filing: COMMUNITY HEALTH SYSTEMS INC - Form S-3/A

Equity, as previously reported	\$1,672,865	\$1,710,804
Adjustments to noncontrolling interests for adoption of accounting standards	28,266	39,513
Equity, as adjusted	\$1,701,131	\$1,750,317

Additionally, adopting this standard had the effect of reclassifying earnings attributable to noncontrolling interest in the consolidated statement of income from minority interest in earnings used in deriving income from continuing operations to a separate caption titled net income attributable to noncontrolling interests. This newly captioned line item is presented as a reduction to net income to arrive at net income attributable to Community Health Systems, Inc. in the consolidated statement of income. Thus, as a result of adopting this new standard net income for the years ending December 31, 2008 and 2007 as presented in our Form 10-K for the year ending December 31, 2009 will increase by approximately \$40.1 million and \$15.2 million, respectively and net income attributable to Community Health Systems, Inc. will be equal to net income as previously reported prior to the adoption of this standard.

In addition, any future filings made by the Company with the SEC under sections 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this prospectus and to be part hereof from the date of filing of such documents.

Any statement contained in any document incorporated by reference herein shall be deemed to be modified or superseded for purposes of this prospectus to the extent that a statement contained herein or in any other subsequently filed incorporated document modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this prospectus.

Any person, including any beneficial owner, to whom this prospectus is delivered may request copies of this prospectus and any of the documents incorporated by reference in this prospectus, without charge, by written or oral request directed to CHS Investor Relations, Community Health Systems Professional Services Corp., 4000 Meridian Boulevard, Franklin, TN, telephone (615) 465-7000, on the "Investor Relations" section of the CHS website at <http://www.chs.net/investor/index.htm> or from the SEC through the SEC's website at the address provided above. Documents incorporated by reference are available without charge, excluding any exhibits to those documents unless the exhibit is specifically incorporated by reference into those documents.

LEGAL MATTERS

Unless otherwise specified in this prospectus, certain legal matters relating to the securities to be offered hereby will be passed upon for the Company by Rachel A. Seifert, Senior Vice President, Secretary and General Counsel of the Company. As of September 30, 2009, Ms. Seifert owned 92,111 Shares (of which 57,001 Shares are subject to time vesting restrictions), and held stock options to purchase 160,000 Shares. Ms. Seifert also participates in the CHS/Community Health Systems, Inc. Deferred Compensation Plan and may be entitled to benefits under that plan.

EXPERTS

Dear Participant in the CHS Retirement Savings Plan or the CHS Spokane 401(k) Plan:

This letter and the document posted on the Internet called a “prospectus” contain important information.

We are making the Rescission Offer to ensure compliance with the Securities Act of 1933 and to limit any contingent liability we may have as a result of possible noncompliance with applicable federal registration requirements in connection with your purchase of Shares.

In connection with the Rescission Offer, we prepared a prospectus that describes the terms and conditions of the Rescission Offer as well as information concerning Community Health Systems, Inc. Ladies and Gentlemen:

The undersigned acknowledges receipt of a prospectus dated _____, 20__ (the "Prospectus"), of Community Health Systems, Inc. (the "Company"), pursuant to which the Company offers to rescind (the "Rescission Offer") the purchase of shares of common stock of the Company (the "Shares") purchased by the undersigned between January 1, 2009 and December 1, 2009 (the "Purchase Period") under either the CHS Retirement Savings Plan or the CHS Spokane 401(k) Plan (each a "Plan" and collectively the "Plans"). The following Shares were distributed to the undersigned by the Trustee from the undersigned's Plan account and are tendered on the condition that any Shares that are not eligible to be repurchased pursuant to the Rescission Offer will be returned to the undersigned. If the undersigned has physical possession of stock certificates, certificates for such Shares are enclosed. In addition, the Company may require evidence that any sale of the Shares was a bona fide transfer of those Shares.

All determinations with respect to the Rescission Offer Acceptance Form B and the Rescission Offer (including issues relating to the timeliness or effectiveness of any election) will be made by the Company, which determination shall be final and binding.

2. Signature on the “Rescission Offer Acceptance Form B”: This “Rescission Offer Acceptance Form B” is to be completed and signed by each Rescission Offeree that desires to accept the Rescission Offer. If Shares surrendered hereby are owned of record by two or more joint owners, all such owners must sign this “Rescission Offer Acceptance Form B.” If any such Shares are registered in different names on several certificates, it will be necessary to complete, sign and submit as many separate forms of “Rescission Offer Acceptance Form B” as there are different registrations of certificates. Except as provided below, signatures must correspond exactly with the name(s) as written on the face of any certificate surrendered. Certificates surrendered hereby must be endorsed or surrendered with an appropriate instrument of transfer (a signed stock power), in either case signed exactly as the name or names of the registered holder or holders appear on the certificates. Signatures on such certificates or transfer instruments must be guaranteed by a recognized member of the Medallion Signature Guaranty Program or any other “eligible guarantor institution,” as such term is defined in Rule 17Ad-15 promulgated under the Securities Exchange Act of 1934. Medallion Signature Guaranty Program member institutions are typically banks, brokerage firms and other financial services companies. Such Rescission Offeree must, if requested by the Company, certify that the Shares so tendered were owned beneficially by such Rescission Offeree on the Expiration Date, notwithstanding that such Shares were registered in another name on that date.

3. Signature on the “Rescission Offer Acceptance Form B”: If any certificate which a Rescission Offeree desires to tender to the Company for repurchase pursuant to the Rescission Offer has been mutilated, lost, destroyed or stolen, the holder should promptly notify Principal Financial Group at 1-800-547-7754. The holder will then be directed as to the steps that must be taken in order to replace the certificate. The “Rescission Offer Acceptance Form B” and related documents cannot be processed until the procedures for replacing lost, mutilated, destroyed or stolen certificate(s) have been followed.

4. Important Tax Information: Under federal income tax law, any Rescission Offeree who accepts the Rescission Offer and (i) took a distribution from a Plan in cash, or (ii) took a distribution of Community Health Systems, Inc. Common Stock from a Plan is required to provide the Company with such person’s correct Taxpayer Identification Number (TIN) on Substitute Form W-9 below, unless the Rescission Offeree rolled the distribution over to an individual retirement account or to another tax-qualified retirement plan. The TIN is the Rescission Offeree’s social security number. If the Company is not provided with the correct TIN, the Rescission Offeree may be subject to a \$50 penalty imposed by the Internal Revenue Service. In addition, payments that are made to such Rescission Offeree pursuant to the Rescission Offer may be subject to backup withholding.

If backup withholding applies, the Company is required to withhold 28% of any payments made to the Rescission Offeree (and any state tax amount). Backup withholding is not an additional tax. Rather, the tax liability of persons subject to backup withholding will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained.

5. Purpose of Substitute W-9: To prevent backup withholding on payments that are made to a Rescission Offeree, the Rescission Offeree is required to notify the Company of his or her current TIN by completing the form below certifying that the TIN provided on the Substitute Form W-9 is correct (or that such Rescission Offeree is awaiting a TIN) and that (1) such Rescission Offeree has not been notified by the Internal Revenue Service that he or she is subject to backup withholding as a result of a failure to report all interest and dividends or (2) the Internal Revenue

D-6

Service has notified such Rescission Offeree that he or she is no longer subject to backup withholding.

6. What Number To Give to the Company: A Rescission Offeree is required to give to the Company the social security number or employer identification number of the record owner of the Shares. If the Shares are in more than one name or are not in the name of the actual owner, consult the Substitute Form W-9 for additional guidelines on which number to report. The box in Part 2 of the Substitute Form W-9 may be checked if such person has not been issued a TIN and has applied for a number or intends to apply for the number in the near future. If the box in Part 2 is checked and the Company is not provided with a TIN within 60 days after receipt of the Form of "Rescission Offer Acceptance Form B" the Company will withhold 28% of all payments made thereafter until a TIN is provided to the Company.

Questions: All questions regarding the Rescission Offer can be directed to Principal Financial Group at 1-800-547-7754.

(“CHS”) provides that its directors shall not be personally liable to CHS or its stockholders for monetary damages for breach of fiduciary duties as a director except to the extent otherwise required by Delaware law. These agreements, among other things, indemnify directors and officers of CHS to the fullest extent permitted by Delaware law for certain expenses (including attorneys’ fees), liabilities, judgments, fines and settlement amounts incurred by such person arising out of or in connection with such person’s service as a director or officer of CHS or an affiliate of CHS.

Policies of insurance are maintained by CHS under which its directors and officers are insured, within the limits and subject to the limitations of the policies, against certain expenses in connection with the defense of, and certain liabilities which might be imposed as a result of, actions, suits or proceedings to which they are parties by reason of being or having been such directors or officers.

Item 16. Exhibits

See Exhibit Index immediately following the signature page hereof, which is incorporated herein by reference.

Item 17. Undertakings

The undersigned Registrant hereby undertakes:

(a) (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

II-1

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(b) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate

jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
