SANOFI-SYNTHELABO'S OFFER FOR AVENTIS
PROVISIONAL RESULTS OF THE OFFERS

PARIS, FRANCE -- AUGUST 9, 2004 -- Sanofi-Synthelabo (PARIS: SAN, NYSE: SNY) announces that the French Autorite des marches financiers (AMF) today published the provisional results of its offers for Aventis. These results indicate that, as of the expiration of the offers, in aggregate 769,920,773 Aventis shares had been tendered into the French, German and U.S. offers, including the Aventis shares underlying ADSs tendered into the U.S. offer. In addition, 92,692 warrants issued by Aventis in 2002 and 164,556 warrants issued by Aventis in 2003 were tendered into the French offer.

These results indicate that 769,920,773 Aventis shares representing 95.47% of the share capital and 95.52% of the voting rights of Aventis, on an issued and outstanding basis as of July 31, 2004, have been tendered into the offers. On a fully-diluted basis, Aventis shares representing 89.84% of the share capital and 89.88% of the voting rights of Aventis have been tendered. If these provisional results are confirmed by the AMF in its notice of the definitive results, the minimum tender condition will be satisfied and Sanofi-Synthelabo's offers will be successful.

Sanofi-Synthelabo expects that the AMF will announce the definitive results of the offers on August 12, 2004. These definitive results will include the definitive results of the mix-and-match elections and any necessary allocation and proration as a result of the oversubscription of either the all cash election or the all stock election.

Sanofi-Synthelabo expects that the settlement of the offers and the delivery of the offer consideration in respect of tendered Aventis ordinary shares will occur on Friday, August 20, 2004 and in respect of Aventis ADSs tendered in the U.S. offer no later than Thursday, August 26, 2004 (to allow for the necessary foreign exchange conversions).

Assuming the definitive results confirm these provisional results, as previously disclosed, Sanofi-Synthelabo intends to provide a subsequent offering period of at least 10 French trading days. Sanofi-Synthelabo expects to publish the timing of the subsequent offering period on or about August 12, 2004, after it has been set by the AMF.

In accordance with article 7 of the COB rule no. 2002-04, this press release was transmitted to the Autorite des marches financiers (AMF) before its publication.

The following factors, among other risks and uncertainties that are described in our Form 20-F as filed with the SEC on April 2, 2004 and in the Reference Document filed with the French Autorite des Marches Financiers on April 2, 2004, could cause actual results to differ materially from those described in the forward-looking statements: the ability of Sanofi-Synthelabo to expand its presence profitably in the United States; the success of Sanofi-Synthelabo's research and development programs; the ability of Sanofi-Synthelabo to protect its intellectual property rights; and the risks associated with reimbursement of health care costs and pricing reforms, particularly in the United States and Europe.
