Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing
----- Rule or Standard: Transfer of Listing.

On April 23, 2007, Trans Energy, Inc. received notification from the NASD that Trans Energy's common stock would be removed from quotation on the OTCBB, effective the opening of business on April 27 2007.

This action was taken pursuant to NASD Rule 6530(e) that in part provides that if an issuer is delinquent in its reporting obligations to the SEC three times in a 24-month period, it will be ineligible for quotation on the OTCBB for a period of one year. Trans Energy filed its Form 10-KSB for the year ended December 31, 2006 on April 18, 2007, one day following the due date and

extension period. The company was in the process of finalizing its filing on April 17, but was unable to file with the SEC by the 5:30 PM (EDT) deadline, although it did make an abortive attempt to file after the 5:30 deadline. The report was successfully filed the following day and was considered delinquent. This represented the third occasion within the past 24 months that a report was deemed delinquent.

Trans Energy common stock will continue to be quoted on the "Pink Sheets" under the symbol "TENG". Management intends to re-apply to the OTCBB after the one-year period.
