Item 1.01 Entry into a Material Definitive Agreement

On May 4, 2009, the Company entered into a Support Agreement with Glencore AG ("Glencore") pursuant to which Glencore agreed to vote in favor of all proposals contained in the Company's Proxy Statement for its 2009 Annual Meeting. In exchange, the Company granted Glencore the option to participate in future equity offerings up to its ownership percentage on the date of such offering. Glencore's ownership percentage includes its ownership of shares of the Company's common stock and Series A Convertible Preferred Stock (on an as-converted basis), which was approximately 48.7 percent as of March 31, 2009. This option applies to offerings by the Company for cash in a registered public offering or a private offering pursuant to Rule 144A of the Securities Act of 1933 or exempt transactions to five or more persons. In addition, for an 18 month period, if the Company issues over 30 million shares in an exchange offer involving the Company's debt securities, Glencore would be entitled to purchase equity securities from the Company up to its ownership percentage immediately prior to the exchange offer at the implied per share price received in the exchange offer. This option does not apply to (a) common stock or other equity securities issued to officers, employees or directors of, or consultants to, the Company or its subsidiaries pursuant to the terms of any stock option or similar stock incentive plan adopted by the Company's Board of Directors, (b) common stock or other equity securities issued pursuant to any merger, acquisition, consolidation, joint venture, strategic alliance, license agreement or similar transaction, (c) stock splits or dividends or (d) common stock or other equity securities issued pursuant to presently outstanding convertible securities. The Support Agreement was approved pursuant to the terms of the Company's Statement of Policy Regarding Related Party Transactions. A copy of the Support Agreement is attached as Exhibit 10.01 and is incorporated by reference herein.
