The name, business address, citizenship, present principal occupation or employment and the name and business address of any corporation or organization in which each such employment is conducted, of each executive officer or director of the Reporting Person, CS Holdings USA, CS USA Inc, DLJMB Inc., DLJLBO, DLJMB Advisors, Inc., CSFB PE, and CS Sec USA LLC are set forth on Schedules A-1 through A-8 attached hereto, each of which is incorporated by reference herein.

Except as otherwise provided herein, during the past five years neither the Reporting Person, nor, to the best knowledge of the Reporting Person, any of the other persons listed on Schedules A-1 through A-8 attached hereto, has been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to United States federal or state securities laws or finding any violation with respect to such laws.

On January 22, 2002, CSFBC, without admitting or denying any alleged violation, entered into coordinated settlements with NASD Regulation, Inc. (["NASDR"]) and the Securities and Exchange Commission (["SEC"]) resolving all outstanding investigations of CSFBC into the

allocation of shares in initial public offerings (["IPOs"]). CSFB-USA was then the sole stockholder of CSFBC.

CSFBC consented to these settlements without admitting or denying any of the allegations made in the SEC's Complaint or the Letter of Acceptance, Waiver and Consent (["AWC"]) filed with the NASDR. The SEC and NASDR alleged that, between April 1999 and June 2000, certain CSFBC employees allocated many shares in IPOs to over 100 customers with whom they had improper profit-sharing arrangements. The NASDR and SEC alleged that certain employees allocated ["hot"] IPO shares to certain customers who paid the firm a portion of the profits (between 33 and 65 percent) that they made when they sold their IPO stock, by paying inflated brokerage commissions on transactions unrelated to the IPO shares.

Under the terms of the coordinated settlement:

- CSFBC paid a total of \$100 million. This amount included \$30 million in fines and civil penalties divided evenly between the SEC and NASDR, and a total of \$70 million in disgorgement, \$35 million of which was paid to the U.S. Treasury and \$35 million of which was paid to the NASDR, representing the monies obtained as a result of the conduct described by the SEC and NASDR. The SEC determined in this case that it was appropriate and in the public interest to pay funds to the U.S. Treasury rather than to any third parties.
- CSFBC has adopted and implemented revised policies and procedures for allocating IPOs in its broker-dealer operations. The SEC and NASD have reviewed these policies and procedures. These included the establishment of an IPO Allocation Review Committee, a process for the pre-qualification of accounts before they are eligible to receive IPO allocations and enhanced supervisory procedures, which includes the review of commissions paid by certain accounts receiving allocations around the time of the IPO. CSFBC also agreed to retain an independent consultant to review the implementation of these policies and procedures one year from the date of the settlement.

In the NASDR settlement, CSFBC, without admitting or denying any findings, consented to a censure and findings that it violated NASD Rules 2110, 2330, 2710, 3010 and 3110. These Rules (a) require broker-dealers to adhere to just and equitable principles of trade, (b) prohibit broker-dealers from sharing in the profits of client accounts except as specifically provided, (c) require a managing underwriter to file certain information that may have a bearing on the NASDR's review of underwriting arrangements, (d) require members to establish, maintain and enforce a reasonable supervisory system, and (e) require broker-dealers to maintain certain books and records.

The NASDR AWC also found violations of Section 17(a) of the Securities Exchange Act of 1934, as amended (the ["Exchange Act"]), and SEC Rule 17a-3, thereunder, which are incorporated by NASD Rule 3110 and similarly impose certain record keeping requirements on CSFBC as a broker-dealer. In the SEC settlement, CSFBC, without admitting or denying the allegations of the Complaint, consented to entry by the District Court for the District of Columbia of a final judgment that: (1) permanently enjoined CSFBC, directly or indirectly, from violations of NASD Conduct Rules 2110 and 2330 and Section 17(a)(1) of the Exchange Act and SEC Rule 17a-3; and (2) ordered CSFBC to comply with certain undertakings.

Neither the SEC nor NASDR made any allegations or findings of fraudulent conduct by CSFBC. Further, neither the SEC nor NASDR alleged that any IPO prospectus was rendered false or misleading by CSFBC's conduct or that this conduct affected either the offering price of an IPO or the price at which any IPO stock traded in the aftermarket.

On August 13, 2002, Mr. John A. Ehinger, an executive officer of CSFB-USA and board member of CSFB LLC, without admitting or denying any alleged violation, entered into a settlement with the NASD resolving outstanding investigations of Mr. Ehinger into his alleged failure to supervise with a view toward preventing CSFB's violations of NASD Rules 2110, 2330, 2710 and 3110, and Section 17(a) of the Exchange Act and SEC Rule 17a-3 thereunder. Under the terms of the settlement, Mr. Ehinger agreed to (1) the payment of a fine of \$200,000, (2) a suspension from associating with a member firm in any and all capacities for 30 calendar days, and (3) a suspension from acting in any supervisory capacity for 30 additional calendar days, such supervisory suspension beginning after the suspension in all capacities had been served.

On October 31, 2003, the U.S. District Court for the Southern District of New York (the "SDNY") approved the global settlement among a number of Wall Street firms, including CSFB LLC, and a coalition of state and federal regulators and self-regulatory organizations (the "Global Settlement"). CSFB LLC, without admitting or denying any alleged violation, consented to the Global Settlement and thereby resolved a Securities and Exchange Commission's ("SEC") complaint filed on April 28, 2003, in the SDNY. In this complaint, the SEC alleged that, from July 1998 to December 2001, CSFB LLC engaged in acts and practices that created or maintained inappropriate influence over research analysts, thereby imposing conflicts of interest on research analysts that CSFB LLC failed to manage in an adequate or appropriate manner. The SEC's complaint also alleged that CSFB LLC engaged in inappropriate "spinning" of "hot" IPO allocations in violation of New York Stock Exchange ("NYSE") and NASD Inc. ("NASD") rules requiring adherence to high business standards and just and equitable principles of trade, and that CSFB LLC's books and records relating to certain transactions violated the broker-dealer record-keeping provisions of Section 17(a) of the Securities Exchange Act of 1934, NYSE Rules 401, 440 and 476(a)(6) and NASD Rules 2110 and 3110.

Under the terms of the Global Settlement:

- CSFB LLC agreed to pay the following amounts: \$75 million as a penalty, \$75 million as disgorgement of commissions and other monies for restitution for investors, and \$50 million to be used to fund independent research. This \$50 million to fund independent research is payable over a five year period.
- CSFB LLC is required, among other things, to: (i) separate its research and investment banking departments and make independent research available to investors, (ii) prohibit its analysts from receiving compensation for investment banking activities and prohibit analysts' involvement in investment banking "pitches" and "roadshows," (iii) contract, for a five-year period, with no fewer than three independent research firms that will make available independent research to CSFB LLC's customers, and (iv) make its analysts' historical price targets (among other things) publicly available.
- CSFB LLC is permanently restrained and enjoined from violating Sections 15(c) and 17(a) of the Exchange Act, Exchange Act Rules 15c1-2 and 17a-3, NASD Rules 2110, 2210, 3010, and 3110, and NYSE Rules 342, 401, 440, 472, and 476.

Other Wall Street firms were subject to similar requirements.

The Merger

Pursuant to the Merger Agreement, on April 5, 2006, each of Premium Acquisition, Inc. ("Merger Co 1"), Mulberry Acquisition, Inc. ("Merger Co 2") and DLJMB IV First Merger Co Acquisition Inc. ("Merger Co 3," and each of Merger Co 1, Merger Co 2 and Merger Co 3, a "Merger Co") merged with and into the Company, with the Company being the surviving corporation (the "Merger"). Upon consummation of the Merger, (i) each share of common stock of the Company, par value \$0.01 per share (except for dissenting shares, shares held by certain senior managers of the Company and shares held in the Company's agent stock accumulation plans), was converted into the right to receive \$37.00 in cash; (ii) each share of common stock of the Company held by certain senior managers of the Company was renamed Class A-1 Common Stock; (iii) each share of common stock of the Company beneficially owned through the Company's agent stock accumulation plans by the Company's independent insurance agents was converted into one share of Class A-2 Common Stock, par value \$.01 per share, of the Company; and (iv) each share of common stock of each Merger Co was converted into one Share. The Investing Entities held 3,378,378.3784 shares of common stock of Merger Co 3, which were converted into 3,378,378.3784 Shares in the Merger. In connection with the Merger, the

Company transferred substantially all of its assets and liabilities to HealthMarkets, LLC (["HealthMarkets"]), a Delaware limited liability company and wholly-owned subsidiary of the Company.

The aggregate amount of cash consideration paid to former stockholders of the Company in the Merger was \$1,611,618,324. This cash consideration was funded by (i) equity contributions of \$610,000,000, \$250,000,000 and \$125,000,000 by certain affiliates of The Blackstone Group, the Goldman Sachs Capital Partners, and the Investing Entities, respectively; (ii) borrowings of \$500,000,000 under a senior credit facility of HealthMarkets; (iii) the issuance by HealthMarkets of \$103,100,000 aggregate principal amount of junior subordinated notes to HealthMarkets Capital Trust I and HealthMarkets Capital Trust II, which issued to several third party investors preferred stock having an aggregate liquidation value of \$100,000,000; and (iv) available cash of the Company. As a result of the Merger, (i) Blackstone Capital Partners IV L.P., Blackstone Capital Partners IV-A L.P., Blackstone Family Investment Partnership IV-A L.P. and Blackstone Participation Partnership IV, L.P. (collectively, the ["Blackstone Investors"]) acquired an aggregate of 16,486,486.4865 Shares, representing approximately 61.5% of the total outstanding Shares, (ii) Mulberry Holdings I, LLC and Mulberry Holdings II, LLC (collectively, the ["Goldman Sachs Investors"]) acquired an aggregated 6,756,756.7567 Shares, representing approximately 25.2% of the total outstanding Shares, and (iii) the Investing Entities acquired an aggregate of 3,378,378.3784 Shares, representing approximately 12.6% of the total outstanding Shares.

In connection with the Merger, the Company amended and restated its certificate of incorporation and bylaws, which are filed as Exhibits 1 and 2 hereto and are incorporated by reference in their entirety into this Item 6. The Company has applied to delist its Class A-1 Common Stock from the New York Stock Exchange.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 3 hereto and is incorporated by reference in its entirety into this Item 6.

Stockholders Agreement

In connection with the Merger, the Investing Entities entered into a Stockholders Agreement, dated as of April 5, 2006 (the ["Stockholders Agreement"]) with the Company, the Blackstone Investors, the Goldman Sachs Investors, and the management stockholders named therein (the ["Management Stockholders"]).

The description of the Stockholders Agreement in this Item 6 is qualified in its entirety by reference to the text of the Stockholders Agreement, which is incorporated by reference in its entirety into this Item 6.

Board Composition

The Stockholders Agreement provides that following the Merger, the board of directors of the Company will consist of:

- up to 6 directors nominated or designated by the Blackstone Investors and any permitted transferee thereof (collectively, the ["Blackstone Investor Group"]);
- up to 2 directors nominated or designated by the Goldman Sachs Investors and any permitted transferee thereof (collectively, the ["GS Investor Group"]);
- up to 1 director nominated or designated by the Investing Entities and any permitted transferee thereof (collectively, the ["DLJ Investor Group"], and each of the Blackstone Investor Group, the GS Investor Group and the DLJ Investor group, a ["Private Equity

Investor Group)];

- 1 member of management, referred to herein as the "management director," to be nominated by Private Equity Stockholders holding a majority of Shares held by Private Equity Stockholders; and
- additional directors, including directors who may be considered independent under various SEC and stock exchange definitions to the extent deemed necessary or advisable.

Pursuant to the Stockholders Agreement, the Blackstone Investors designated Messrs. Chinh E. Chu and Matthew S. Kabaker, the Goldman Sachs Investors designated Messrs. Adrian M. Jones and Nathaniel Zilka, and the DLJ Investors designated Mr. Kamil M. Salame, as members of the board of directors of the Company. In addition, Mr. William J. Gedwed, President and Chief Executive Officer of the Company, and Mr. Mural R. Josephson have been appointed to the board of directors of the Company as Management Director and Additional Director, respectively.

The allocation of board representation to the Private Equity Investor Group will be reduced as the ownership interest of Shares of such Private Equity Investor Group is reduced. The Blackstone Investor Group will have the ability to designate a majority of the directors for so long as it holds a majority of the Shares issued to the Private Equity Stockholders in the Merger. Each Private Equity Investor Group will lose its right to designate directors entirely when its ownership of Shares is less than the greater of (i) five percent of the Shares issued to the Private Equity Stockholders in the Merger and (ii) three percent of the then-outstanding Shares.

Generally, each director will have one vote. However, if the Blackstone Investor Group nominates or designates fewer than the maximum number of directors to which they are entitled, then the Blackstone Investor Group's directors will have aggregate voting power on board matters equal to the maximum number of directors that the Blackstone Investor Group is entitled to nominate or designate divided by the number of directors they have actually nominated or designated.

Approval Rights

The Stockholders Agreement provides that without the approval of directors designated by at least two Private Equity Investor Groups, in addition to any customary board approval, the Company will not, and will cause its subsidiaries not to, take certain actions, including:

- certain mergers, consolidations, business combinations, reorganizations or liquidations;
- certain acquisitions or dispositions of business or assets valued in excess of 20% of the fair market value of the total assets of the Company and its subsidiaries;
- certain debt and preferred stock issuances that would increase the aggregate debt and preferred stock level by an amount in excess of 20% of the fair market value of the total assets of the Company and its subsidiaries;
- transactions with affiliates, other than de minimis transactions on arm's length terms; or
- amendments to the certificate of incorporation or bylaws with the purpose or effect of the transactions described above or that would conflict with other terms of the Stockholders Agreement.

The Stockholders Agreement also provides that, without the approval of the affected Private Equity Investor Group, if the affected party is a Private Equity Investor Group, or the approval of a majority (by ownership of Shares) of the Management Stockholders, if the affected party is a Management Stockholder, neither the Stockholders Agreement nor the certificate of incorporation or bylaws may be amended in a manner that imposes additional transfer restrictions, limits any Private Equity Investor Group's right to designate directors or further limits "tag-along"

rights or the rights of a stockholder to participate in public offerings. The Stockholders Agreement also provides that the Stockholders Agreement, the certificate of incorporation and bylaws may not be amended without the approval of each affected Private Equity Investor Group, if such amendment would subject any Private Equity Investor Group to materially adverse differential treatment as compared to the other Private Equity Investor Groups.

In addition, the Stockholders Agreement provides that, as long as any member of the GS Investor Group remains party to the Stockholders Agreement, the Company and its subsidiaries are not permitted to directly or indirectly acquire or otherwise control equity securities of any bank holding company, depository institution or certain other bank entities without the approval of the GS Investor Group and at least one other Private Equity Investor Group.

Corporate Opportunities

The Stockholders Agreement provides that the Private Equity Investor Groups and the directors designated by them have no duty to provide the Company with any business or other opportunities, and have the right to engage in corporate opportunities for their own account, in each case to the fullest extent permitted by law.

Transfer Restrictions

Under the terms of the Stockholders Agreement, transfers of Shares are generally prohibited except:

- pursuant to "tag-along" sales and "drag-along" sales, as described below;
- after an initial public offering of the Company (and subject to the provisions of the Registration Rights Agreement described below):
 - in a registered public offering;
 - pursuant to Rule 144 promulgated under the Securities Act; or
 - in a distribution of Shares by a Private Equity Investor Group to its general or limited partners, members, managers or shareholders; or
- with the approval of the Private Equity Investor Groups holding a majority of the shares held by the Private Equity Investor Groups.

In addition, members of each Private Equity Investor Group are expected to be permitted to transfer their Shares to investment funds that are directly or indirectly managed or advised by the manager or advisor of such Private Equity Investor Groups.

Finally, Management Stockholders are expected to be permitted to transfer their Shares:

- to the Company;
- upon the death of the holder, pursuant to applicable laws of descent and distribution; or
- for estate planning purposes, pursuant to a transfer to the holder's immediate family whether directly or indirectly by means of a trust or partnership or other bona fide estate- planning vehicle the only beneficiaries of which are the holder's immediate family.

Tag-Along Rights

If any Private Equity Investor Group proposes to transfer Shares in a "tag-along sale" (as described below), then that Private Equity Investor Group is required to offer to each other Private Equity Investor Group the right to sell a pro rata portion of its Shares on the same terms and conditions as the proposed transfer. This right to tag-along is also provided to Management

Stockholders if the Shares proposed to be transferred by the Private Equity Investor Groups initiating the sale represent more than 50% of the outstanding Shares.

A "tag-along sale" means:

- before an initial public offering of the common stock of the Company, a transfer (1) of at least 1% of the outstanding Shares by the Private Equity Investor Groups holding a majority of the outstanding Shares held by the Private Equity Investor Groups in the aggregate or (2) of at least 5% of the Shares by any Private Equity Investor Group, and
- after an initial public offering of the common stock of the Company, a transfer by a Private Equity Investor Group of at least 10% of the total amount of Shares outstanding.

Drag-Along Rights

The Stockholders Agreement provides that if the Private Equity Investor Groups collectively own at least fifty percent (50%) of the Company's outstanding Shares, and Private Equity Investor Groups owning at least thirty-five percent (35%) of the Company's Shares propose to sell shares of the Company's common stock to any third party which, taking into account all shares to be transferred in this or similar transactions, would result in the transfer of greater than 50% of the outstanding common stock of the Company, then the selling Private Equity Investor Groups will have the option to obligate each holder of Shares to sell the same proportion of the holder's shares as is sold by the selling Private Equity Investor Groups. Upon the exercise of this drag-along option, each holder of Shares that is party to the Stockholders Agreement will be subject to many of the same terms as those applicable to shares held by the selling Private Equity Investor Groups.

Information Rights

The Stockholders Agreement requires the Company to prepare and furnish to each Private Equity Investor Group and Management Stockholder annual and quarterly financial statements, operating and capital expenditure budgets, and to the extent otherwise prepared, other periodic information relating to the operations and cash flows of the Company and its subsidiaries.

Preemptive Rights

The Stockholders Agreement provides that each Private Equity Investor Group and Management Stockholder will have preemptive rights to acquire securities to be issued by the Company in order to maintain their then-current proportionate ownership of common stock, with certain permitted exceptions.

Line of Business Covenant

The Stockholders Agreement requires the Company to advise each Private Equity Investor Group before the Company directly or indirectly enters into any line of business materially different from its existing lines of business and to discuss in good faith and reasonably cooperate with the Private Equity Investor Groups' efforts toward resolving any regulatory problem that such actions may cause them.

Company Repurchase Right

Prior to an initial public offering of the Company's stock, in the event the employment of a Management Stockholder is terminated "for cause," as such term is defined in the manager's employment agreement, the Company will have the right to purchase such holder's Shares at a

price equal to the lesser of: (x) the weighted average price paid by the Management Stockholder or (y) the fair market value of the shares to be redeemed (as determined in good faith by the board of directors). In the event the employment of a Management Stockholder is terminated other than "for cause" or if the Management Stockholder terminates his or her employment, the Company will have the right to purchase the holder's Shares at the fair market value of the Shares. In these circumstances, at the discretion of the board of directors, in light of the availability under or limitations imposed by any credit agreement or other debt agreement and the capital and liquidity position of the Company, it may pay the repurchase price in the form of a note.

Registration Rights Agreement

The Company is party to a registration rights and coordination committee agreement, dated as of April 5, 2006 (the "Registration Rights Agreement"), with the Private Equity Stockholders, providing for demand and piggyback registration rights with respect to the Shares. The Management Stockholders are also expected to become parties to the Registration Rights Agreement. Following an initial public offering of the Company's stock, the Blackstone Investor Group will have the right to demand registration under the Securities Act of its shares for public sale on up to five occasions, the GS Investor Group will have the right to demand registration on up to two occasions, and the DLJ Investor Group will have the right to demand such registration on one occasion. No more than one such demand is permitted within any 180-day period without the consent of the board of directors of the Company. In addition, both the Private Equity Investor Groups and the Management Stockholders have so-called "piggy-back" rights, which are rights to request that their Shares be included in registrations initiated by the Company or by any Private Investor Group. Following an initial public offering of the Company's stock, sales or other transfers of the Company's stock by parties to the Registration Rights Agreement will be subject to pre-approval by a Coordination Committee that will consist of representatives from each of the Private Equity Investor Groups with certain limited exceptions. In addition, the Coordination Committee shall have the right to request that the Company effect a "shelf" registration.

The description of the Registration Rights Agreement in this Item 6 is qualified in its entirety by reference to the text of the Stockholders Agreement, which is incorporated by reference in its entirety into this Item 6.

Voting Trust Agreement

On April 5, 2006, DLJMVP IV, Offshore Partners IV, MBP IV Plan Investors, Strategic Partners III, DLJ Merchant Banking, Inc., Wells Fargo Bank, N.A. (the "Trustee"), and the Company, entered into a voting trust agreement (the "Trust Agreement") pursuant to which the Investing Entities deposited 428,690.6834 Shares into a voting trust (the "Trust Shares"). Generally, the Trustee will vote such Shares in proportion to, or with the majority of, votes cast by shareholders other than such Investing Entities and their affiliates. The number of Shares deposited into the trust by each of such Investing Entities is stated in Item 5(a) of this Schedule 13D. The Trustee is the record holder of the Trust Shares and such Investing Entities hold trust certificates representing the shares. While the Trustee has the exclusive right to vote the Trust Shares, such Investing Entities have the power to dispose or direct the disposition of the Trust Shares and the right to receive all dividends paid on their Shares.

The description of the Trust Agreement in this Item 6 is qualified in its entirety by reference to the text of the Trust Agreement, which is incorporated by reference in its entirety into this Item 6.
