Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On July 28, 2010, at the Annual Meeting of Stockholders (the 2010 Annual Meeting) of McKesson Corporation (the Company), stockholders approved an amendment to the Company s 2005 Stock Plan (the Stock Plan) and 2005 Management Incentive Plan (the MIP) for the purpose of adding seven new performance measures. The amendment to add seven new performance measures to the Company s Stock Plan and MIP had been previously approved by the Board of Directors at its April 21, 2010 meeting, subject to stockholder approval. The added performance measures approved by the Company s stockholders at the 2010 Annual Meeting are as follows: average invested capital; credit rating; gross margin; improvement in workforce diversity; operating expenses; operating expenses as a percentage of revenue; and succession plan development and implementation. A summary of the material terms of the Company s Stock Plan and MIP is set forth in the Company s definitive proxy statement filed with the Securities and Exchange Commission on June 21, 2010 (the Definitive Proxy Statement), which is incorporated herein by reference.

Each item considered at the 2010 Annual Meeting is described in further detail in the Company's Definitive Proxy Statement. Other than the six items addressed above and described in the Definitive Proxy Statement, no other item was submitted at the 2010 Annual Meeting for stockholder action.

Under the Company's majority voting standard, the election of a nominee required that the nominee receive a majority of the votes cast (that is, the number of votes cast for each nominee had to exceed the number of votes cast against such nominee). Therefore, broker non-votes and abstentions were required to be disregarded and had no effect on the vote results.

Approval of this proposal required the affirmative vote of a majority of the shares present, in

person or by proxy, and entitled to vote on the proposal at the meeting. Therefore, abstentions, which represented shares present and entitled to vote, had the same effect as a vote against the proposal. Broker non-votes, if any, were required to be disregarded and had no effect on the vote results.
