Item 8.01. Other Events.

Altiris, Inc. (the Registrant) has implemented a stock repurchase program pursuant to which up to an aggregate of \$50,000,000 of its outstanding common stock may be repurchased from time to time during the next twenty-four months. In conjunction with the stock repurchase program, the Registrant has adopted a Rule 10b5-1 stock trading plan pursuant to which it has instructed a broker to execute stock repurchases according to pre-determined instructions. The timing and amount of repurchase transactions under this program will depend on market conditions and corporate and regulatory considerations. The Registrant intends to account for any shares of its common stock repurchased pursuant to the stock repurchase plan as treasury shares. The Registrant intends to fund the repurchases from available working capital. As of August 2, 2006, the Registrant had approximately 29,111,720 shares of its common stock outstanding.

Note on Forward-Looking Statements

This current report on Form 8-K contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, including but not limited to, statements regarding potential stock repurchases, stock trading plans, the source of funds for any potential stock repurchases and the accounting treatment of any repurchased shares. These forward-looking statements involve certain risks and uncertainties that could cause actual results to differ materially, including general economic and market conditions, specific financial market conditions affecting our common stock, legal and regulatory considerations pertaining to stock repurchases and such other risks as identified in the Registrant's Annual Report on Form 10-K for the period ended December 31, 2005, as amended, and the Registrant's Quarterly Report on Form 10-Q for the period ended June 30, 2006, as filed with the Securities and Exchange Commission and all subsequent filings, which contain and identify important factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements.
